Dear Students:

Welcome to Coastline Community College.
I am delighted that you have chosen Coastline for pursuing your associate degree, career/technical certificate, transfer preparation, or attainment of basic skills for college readiness. You have made an excellent choice. Coastline is a high-performing college, with a high completion rate. Our students’ success is due in large part to the work of a dedicated team of faculty and staff who promote student success and academic excellence through quality programs, and accessible, flexible, and innovative offerings.

This year is especially exciting for Coastline and the Coast Community College District. In mid-fall 2012, we will complete the construction of our new campus in Newport Beach. Located atop a scenic bluff overlooking the ocean, this state-of-the-art learning center was built with you in mind—a generation of technology-savvy and globally-conscious students. Our earth-friendly building is designed and built to the Gold “LEED Certification” standards and will incorporate the use of native plants and drought-tolerant landscaping, as well as natural light and ventilation. When it opens, you’ll be able to enjoy the natural sea breeze while studying in our impressive, open-air atrium and complete your on-site courses in our technologically-advanced classrooms. The Coastline Newport Beach campus will also include the Coastline Art Gallery, an on-site space showcasing work from local, national, and international artistic masters. The gallery will offer an array of shows, lectures, and special events throughout the year, and I encourage you to attend or participate as a student artist.

This catalog outlines programs and services as well as policies and procedures that play a crucial role in your success here at Coastline. I encourage you to take the time to read this catalog, keep it for your records, and refer to it during your stay with us.

As you progress through your educational path, please remember that our student-centered team is here to assist you. Take advantage of the comprehensive array of programs and services that are available to support your success, including our counselors who can answer questions about which classes or degree programs are best suited for your long-term career goals, our faculty members, and staff.

Best wishes for a wonderful academic year.

Sincerely,

Loretta P. Adrian, Ph.D., President
Why choose community college? Community college is one of the biggest bargains in higher education, saving students thousands of dollars a year in tuition while offering the same quality courses and caring, knowledgeable instructors as four-year colleges or universities. That’s why community colleges throughout the country attract and enroll nearly 12 million students each year. There are more than 1100 community colleges throughout the United States tailored to the needs of busy individuals. Campuses are located near students’ homes and offices, and courses are offered in evenings, on weekends, and in condensed formats making education even more accessible. This flexibility, combined with the affordable nature of a community college, is what has made the dream of a college degree a realistic goal for so many people.

What makes Coastline different? Imagine classes that come to you. When you’re on the go, this can be more important than ever. Coastline Community College, founded in 1976, has long been known as a “college without walls.” As one of the nation’s most innovative institutions, Coastline brings classes to you with advanced distance learning options as well as neighborhood campuses located right in your own backyard. In addition, Coastline offers numerous options for degrees and certificates in several popular fields. These programs are in demand by employers, and Coastline faculty and staff work hand-in-hand with business and industry to tailor these programs to apply to today’s working world.

Coastline offers you a small-college feel with big-college benefits. Whether you’re looking to obtain a degree or certificate, or just looking to take classes for fun or recreation, you’ll find that Coastline is your most accessible, flexible, and affordable option.

Our students range in age and educational goals. Some attend Coastline as fresh-out-of-high-school teens working on their GE requirements with the hopes of transferring to a four-year university. Others are adults looking to change careers by earning a certificate or A.A./A.S. degree in a new career field. Some want a class or two to add to their resume, and others want a super-packed, full schedule of classes (such as those in the STAR program) to help them finish their degree requirements fast.

Coastline also serves thousands of servicemen and women across the globe through the Military Contract Education program. This unique program allows those enlisted men and women to complete their degree requirements at a distance, without ever setting foot on a Coastline campus.

Coastline welcomes all students!

Accreditation Coastline Community College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial Boulevard, Suite. 204, Novato, CA 94949, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.
Coastline’s Vision: Creating opportunities for student success.

Coastline’s Mission: Coastline Community College promotes academic excellence and student success for today’s global students through accessible, flexible, innovative education that leads to the attainment of associate degrees, transfers, certificates, basic skills readiness for college, and career and technical education.

Goals for fulfilling the Coastline Community College mission:
1. **Student Success:** Coastline will make learner success its core focus.
2. **Access, Persistence and Completion:** Coastline will increase student access, and improve persistence, retention, and completion with a particular focus on Basic Skills.
3. **Innovation & Improvement:** Coastline will continue to create and nurture innovative programs, services, and technology solutions that respond to the needs and expectations of its learning community.
4. **Partnerships:** Coastline will strengthen and expand its entrepreneurial and grant development, and collaborative activities through partnerships with business and industry, government agencies, and educational institutions, and the public to enhance the College’s capabilities and opportunities for students.
5. **Culture of Planning, Inquiry and Evidence:** Utilizing participatory governance processes, Coastline will improve its collection, analysis and use of data to enhance the teaching, learning, and institutional effectiveness resulting in increased student success.
6. **Growth and Efficiency:** Coastline will purposefully advance and sustain the College’s capacity for student success through the efficient use of resources as well as expanded, diverse, and responsive programs and services.

Programs. Coastline offers the following degrees and program options, both onsite and through distance learning formats:

- Courses leading to the Associate in Arts (A.A.) degree or Associate in Science (A.S.) degree
- Lower-division coursework that will transfer to a four-year college or university
- State-approved occupational certificates in technical and career programs and certificates of completion in several additional occupational areas
- Courses and resources to help students improve levels of basic reading, writing and computation, including courses for non-English speakers to become proficient in English.
- Courses contributing to personal enrichment and acquisition of life skills and programs for adults with acquired brain injuries and learning disabilities.

In addition, Coastline offers contract education and training services to businesses in the Orange County area and to the U.S. military and other organizations worldwide as part of the economic development function assigned to community colleges by the state of California. Such services, which are fee-based, include basic workforce training programs, high-level computer skills training, and credit courses and degrees.
Our sites are located throughout Orange County and include mini-campuses at the Le-Jao Center in Westminster, the Garden Grove Center, the Costa Mesa Center, and the Newport Beach Center (construction complete mid-fall 2012; opens spring 2013).

The administration building is located in Fountain Valley. Here, you’ll find the Admissions Office, the Bookstore, Counseling, Financial Aid and EOPS, and the Office of the President.

Coastline also operates the Orange County One-Stop Centers funded by the Orange County Workforce Investment Board (services for employers and job-seekers, including student job-seekers).

The Coastline Art Gallery, an off-campus venue that features the works of student, community, and well-known artists, is another Coastline facility, located in Huntington Beach. The Art Gallery will be moving to the Newport Beach Center this coming fall. Be sure to visit them all.

Assessment for entry placement in English and Mathematics is expected of all first-time students, except for those students who have completed required English and Mathematics skill courses. New students who have earned an associate or degree higher from an accredited institution are not required to take the assessment tests if they have fulfilled the prerequisite for the course for which they intend to enroll. All other students who plan to enroll in English or Mathematics courses are required to complete the assessment tests.

Students are strongly encouraged to complete the no-cost, assessment tests early in their program since the scores are used for advisory purposes during counseling sessions. All English and Mathematics assessment testing takes place at the College Center in Fountain Valley. Testing dates and times are posted at the Assessment Center’s web page [http://coastline.edu/; at “Quick links” select “Departments and Programs” then click on “Assessment Center”). Students may schedule their assessment tests online by following the instructions listed here: https://www.coastline.edu/documents/How-To-Schedule-An-Assessment-Test.pdf

Assessment results are available immediately after completing the tests. Assessed students are directed to speak with a counselor or faculty advisor to determine course placements which are based upon multiple measures. Multiple assessment measures for entry placement decisions may include, but are not limited to, the following factors: assessment test results, goal definition, motivation, academic status, self-assessment or study skills. For information about the assessment process, please call the Assessment Center at 1 (714) 241-6285.

Financial Aid programs attempt to fill the gap that may exist between the cost of education at Coastline and the money available to students from family, employment, savings and other resources. State and federal programs for eligible students include: fee waivers, grants, loans and work study opportunities. Coastline participates in the following programs: Pell Grant, SEOG (Supplemental Equal Opportunity Grant), Federal Workstudy, Perkins Loan, Direct Loans (Subsidized and Unsubsidized), Plus Loan and the California Board of Governors Fee Waivers. All recipients of financial aid must be in good academic standing, be participating in required class activities, be working toward a degree or certificate, have a high school diploma or GED, be a U.S. citizen or eligible noncitizen, have a valid Social Security number, and have financial need as determined by the Free Application for Federal Student Aid (FAFSA).

Useful Telephone Numbers and Web Sites are:

- General information about federal aid: 1 (800) 4-FED-AID or 1 (800) 433-3243
- TTY number for hearing-impaired individuals to call with any federal student aid questions: 1 (800) 730-8913

California Dream Act of 2011

SPECIAL NOTE FOR UNDOCUMENTED STUDENTS—Undocumented students who have completed at least three years of high school in California and have either a high school diploma or the equivalency may qualify for enrollment under California’s AB 540 regulation. The student also needs to apply for lawful immigration status. This legislation permits the eligible student to pay the regular California resident enrollment fee.

Effective January 1, 2013, this act, which is the result of assembly bills AB 130 and AB 131, will allow undocumented and documented students who meet certain provisions of the AB 540 to receive forms of state aid, including the Board of Governors Fee Waiver, CAL Grants and EOPS assistance. Go to http://www.caldreamact.org for complete information and the application for Dream Act CAL Grants. The Board of Governors’ fee waiver is expected in August 2012. Information and application links will be posted on the financial aid section of the College Web site as soon as it is available. Go to www.coastline.edu and click on the Financial Aid icon.
EOPS, Extended Opportunity Programs and Services (EOPS) is a state-funded program that provides an umbrella of services to qualified students of the college who are enrolled in a program that leads to a degree, certificate, or transfer. Eligible students must be state residents for tuition purposes, and qualify for the Board of Governors Fee Waiver program in one of the following ways:

Qualify for BOGW/A – currently a recipient and receiving one of the following:
- TANF or CalWORKs
- Supplemental Security Income (SSI) or State Supplemental Program (SSP)
- General Assistance (GA)

Qualify for BOGW/B – total family income for 2011 is:
- EFC = "0" on FAFSA
- Professional Judgment (unique circumstances may justify special review to be made by Financial Aids Office)

Income standards below the following:

</tbody>
</table>

Each additional family member beyond 8: $5,730

Additionally, students must meet one of the following areas for educational disadvantage:
- Test Scores for placement at Math C010 or lower and/or English level at Fundamentals of Composition (C099) or Freshman Composition (English C100) or lower.
- Non-high school graduate or did not pass CAHSEE, GED, or Proficiency Certificate
- Low high school grades (below 2.5 GPA)
- Remedial courses – enrolled in non-grade-level courses in high school or college
- Special Admittance (four factors approved by State Chancellor’s Office)

EOPS reserves the right to limit new students applying to the program to those students who have completed fewer than 40 units at the time of application from all regionally accredited colleges or universities attended. Students must be full-time (12 units during fall or spring; 6 units during the summer). Most students are expected to continue as full-time during their time as EOPS, though exceptions can be made. The law limits EOPS students to be served a maximum of 6.0 semesters (continuous enrollment) not to exceed 70.0 degree-applicable units. Thirty (30) units of non-degree applicable courses will be excluded from this calculation. The program accepts eligible students based on priority criteria established in law for EOPS.

The Program routinely develops new services and provides activities to support student retention, transition, and transfer. Currently the EOPS “over-and-above” services include: counseling and advisement, outreach and recruitment to local agencies, high schools, and community organizations, emergency loans, books, special workshops and events, new student orientation, priority registration assistance and more. Call the EOPS Program at (714) 241-6237 for more information.

See also CARE on the next page.
CARE stands for Cooperative Agencies Resources for Education (CARE). CARE serves the unique needs of a special group of EOPS students; it is administered by the EOPS Program at the College. When these EOPS students are accepted into the CARE program they must be single, head-of-household, with at least one child 14 years of age or under, enrolled full-time and currently a recipient of CalWORKs or TANF. Students who have been sanctioned by the Department of Social Services, but whose family are still CalWORKs participants receiving cash aid, still qualify for CARE. Funding for CARE is anticipated to be limited, and services may be impacted. All services are coordinated with the college and county’s CalWORKs program to maximize services to this population of students. Call the EOPS/CARE Program at (714) 241-6237 for more information.

Assistance for students with disabilities. Students with disabilities (e.g., mobility, communication, speech, hearing, learning, vision, acquired brain injury, developmental, psychological) are invited to request assistance from the Special Programs and Services for the Disabled office. Services include, but are not limited to: interpreting services, notetaking, registration assistance, special counseling, special materials/equipment (i.e., digital recorders, enlarged print materials, taped texts and other alternately formatted materials), test proctoring, tutoring, and vocational guidance. Coastline also offers comprehensive programs and services for students with intellectual disabilities, acquired brain injuries and seniors adult fitness. Students with disabilities who wish to enroll in Coastline classes are invited to call upon the Special Programs office for assistance. Call 1 (714) 241-6214 for information about special classes, site accessibility or support services.

Job Centers. Coastline and its Institute for Economic Development (CIED) is the managing partner of the Orange County Workforce Investment Board’s Orange County One-Stop Centers. The centers provide job search activities, employment resources, career assessment, counseling and vocational training opportunities. Specialized programs are also offered to those in career transition, such as veterans, students, dislocated professionals and underemployed. The Orange County One-Stop Centers also offer services for employers. These services include a resource library, labor market information, business downsizing or closure assistance, job listing service and applicant referrals.

Orange County One-Stop Centers are located at:
- 5405 Garden Grove Blvd., Suite 100, Westminster, CA 92683
  1 (714) 241-4900
- 125 Technology Drive, Suite 200, Irvine, CA 92618
  1 (949) 341-8000

Orange County One-Stop Center, supported by the County of Orange and the Orange County Workforce Investment Board, is a WIA Title I financially assisted and equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. Requests for services, aids, and/or alternate formats need to be made prior to the event by calling California Relay Service TTD/TTY 1-800-735-2922 or 711.

The Coastline Institute for Economic Development (CIED) oversees the Orange County One-Stop Centers as well as Coastline Business Development Programs that center on entrepreneurship and workforce development. These specialized programs offer technical assistance training, one-on-one business counseling, employment assistance and businesses curriculum for small businesses, minority-owned business, women-owned businesses, International Trade, Military/Veteran, and Youth/Student Entrepreneurship Training.
Admissions Information.

Application and Registration: Students planning to attend Coastline Community College must apply online at www.coastline.edu. The admission cycle for the Fall semester and Summer session begins on the 1st of April and for the Spring semester on the 1st of October.

Military personnel wishing to enroll in the Coastline Military Contract Education programs should do so online at http://military.coastline.edu.

Eligibility: Individuals 18 years of age or older who can profit from instruction qualify for admission. If under 18, you will qualify for admission if one of the following has been satisfied:

- Graduated from high school.
- Passed the California High School Certificate of Proficiency Test or equivalent.

K-12 Grade Students: In accordance with California Education Code, Section 48800, K-12 grade students may be eligible to enroll for advanced-level study in instructional areas not available at their school. The school and the college will determine who may enroll based on their judgment of the applicant’s ability to profit from instruction. The college has the right and responsibility to restrict enrollment for reasons of health and safety, appropriateness of the course, preparedness of the student, academic performance, space availability, college policy and state law. The student must be in good academic standing (2.0 or above) and must produce a current transcript along with the signed approval of their high school principal and parent on the “High School Release” form available in the Coastline Admissions office or at www.coastline.edu. In addition, K-10 students must have the approval of the Dean of Counseling and Special Programs. K-10 students are required to attend Coastline’s high school student orientation. To attend call 1 (714) 241-6162.

K-12 students attending Coastline are awarded college credit for their coursework unless the school specifies, in writing to the college, that the course(s) are to be used for high school credit only.

What if I don’t have a high school diploma or G.E.D.? It is possible to complete a certificate program, an associate’s degree, a transfer program and/or a bachelor’s degree without earning a high school diploma. Many individuals, however, may want to obtain a high school diploma or its equivalent for personal or employment reasons. The following educational agencies may be contacted regarding obtaining the high school diploma, GED test and/or certificate of proficiency:

- California State University Fullerton
  1 (657) 278-2487
- Garden Grove Unified School District
  (Lincoln Education Center)
  1 (714) 663-6291
- Huntington Beach Adult/Alternative School
  1 (714) 842-4227
- Santa Ana Centennial Education Center
  1 (714) 241-5720

Open enrollment policy of the Coast Community College District stipulates that unless specifically exempted by statute, every course section or class, the average daily attendance of which is to be reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to Section 58100 of Title V.
Matriculation is a state-mandated program designed to assist each student in accomplishing his/her educational goals. It is an agreement between the college and the student. Coastline agrees to provide an organized process of admission, orientation, assessment, counseling and student progress follow-up. The student agrees to declare a specific educational objective, attend class regularly, complete assigned coursework and maintain satisfactory progress toward the achievement of their educational plan.

Goal
The primary goal of matriculation is to increase student success through institutional effectiveness. Success is measured by the attainment of student educational objectives. Matriculation is a coordinated process designed to:

1. Assist students to make wise educational choices concerning the programs and courses to pursue based upon clear and sensitive appraisals of their skills, interests and aptitudes in relation to the programs and courses offered.
2. Enable students to complete the units they attempt with satisfactory grades and to persist from semester to semester.
3. Identify the support services that students need to succeed and refer students to college and community resources to meet those needs.
4. Strengthen student motivation to succeed through the above, and provide frequent feedback and encouragement.

Matriculation Activities
Admission: Students use CCC Apply to expedite the entry process.
Assessment: Students are evaluated for current skill levels in English, and Math. District-approved, no-cost testing instruments are used and feedback is provided. Various testing times are available for accessibility and convenience. Career interest inventories and other specialized testing tools are also available.
Counseling: Students meet with educational counselors through selected classroom visitations and personal appointments. Students learn about Coastline’s educational options including transfer requirements, associate degrees, certificate programs, enrichment courses, weekend offerings and distance learning courses. Counselors help students identify their educational goals and develop curriculum plans to achieve them.

Exemption Criteria: All students entering Coast Community College District colleges are expected to participate fully in matriculation services. They are also expected to meet course skill level requirements and prerequisites. Students may be exempted from assessment, orientation and/or counseling on the basis of the following criteria:
1. Students who have earned an associate degree or higher from an accredited institution.
2. Students who are enrolling in six or fewer units and who are not pursuing a degree or a certificate. Upon completion of 12 or more units, however, these students will be apprised of requirements to participate in matriculation services.
3. Students who, in the opinion of the vice president instruction/student services or designee, would not directly benefit from participating in orientation, assessment and/or counseling.

Orientation: Students obtain current materials on Coastline’s programs, policies, procedures, locations and facilities through semester schedules, career and transfer planning guides, catalogs, mailings, brochures, newsletters and counselor classroom visitations. They obtain additional information on college services and activities from counselors, instructors and other staff members. New student orientations are conducted each semester online at: www.coastline.edu.

Student Progress Follow-up: Students excelling in their coursework are notified of honor lists and scholarships. Students encountering academic difficulties are referred to appropriate college services by counselors, instructors and staff members. Students having special needs are directed to additional follow-up resources within the college and community.

Summary
Students are strongly encouraged to initiate and complete matriculation prior to course registration. Students who complete all components of matriculation are best positioned to develop, with the assistance of an academic counselor, the most efficient path to their academic goal. Call the Counseling Office for more information at 1 (714) 241-6162.

NATIONAL TESTING CENTERS

Military candidates can accelerate degree completion and save money on books and fees with credit earned through College Level Examination Program (CLEP) and DANTES Subject Standardized Tests (DSST) testing. Coastline is pleased to host several National Testing Center (NTC) facilities at the locations listed below.

Coastline National Testing Centers

- Dyess Air Force Base
- Fallon Naval Air Station
- Gulfport Naval Construction Battalion Center
- Holloman Air Force Base
- Pensacola Naval Air Station
- Point Loma Naval Submarine Base
- Westminster, California (in collaboration with NWS Seal Beach)
- Camp Pendleton (NOW OPEN)

Coastline Computer Career Learning Center

- Warrior Transition Battalion—Fort Bliss, TX

Services are available to active-duty military at no cost. Dependents, veterans, retired military, and DoD civilians may also utilize these NTCs.

Coastline accepts many CLEP/DSST course equivalencies toward degree completion in addition to the credits students may earn through military training and experience. Most accredited colleges recognize the CLEP and DSST tests.

For CLEP information, visit http://www.collegeboard.com/testing or http://clep.collegeboard.org/exam.

For DSST information, visit www.getcollegecredit.com.

### Veterans Assistance.
Coastline is approved by the Bureau of School Approvals, California State Department of Education, to offer programs to veterans and eligible persons seeking benefits under Federal Public Laws and the California Veterans Educational Laws. Coastline follows the guidelines issued by the Council for Private and Post Secondary and Vocational Education, which apply to all institutions enrolling veterans and other eligible persons for veterans benefits. For questions regarding Veterans benefits, check with the Veterans Technician in the Admissions office at 1 (714) 241-6325 or e-mail VeteranServices@coastline.edu.

### Veterans Resource Center
The goal of the Veterans Resource Center (VRC) is to build a community-based service center that engages not only local veterans taking classes from Coastline, but also student-veterans located nationwide, and community veterans who wish to support their peers. The VRC was developed to offer a comfortable and positive environment and will provide academic resources, community referrals, networking opportunities, counseling and advisement services, computer access with Wi-Fi, a place to study, and workshops and guest lecturers of value to veterans seeking career and academic opportunities. Coastline also plans to provide the resources available in the VRC to students nationwide through a Virtual VRC. For more information regarding the VRC, e-mail vet2vet@coastline.edu or call 1 (714) 241-6126.

### Eligibility
Veterans may be eligible for benefits for ten years after the date of separation from active duty, provided discharge or release was other than dishonorable, he/she served at least one hundred and eighty-one (181) continuous days, or was discharged or released because of a service-connected disability. Veterans who entered active duty beginning July 1, 1985, may be eligible under Chapter 30 of the Montgomery GI bill provided you:

- Served at least two years with honorable discharge and
- Had $100 per month deducted from their military pay for educational benefits during the first 12 months of active duty.

Selected Reserve participants may be eligible under Chapter 1606.

Reserve Education Assistance Program (REAP) Chapter 1607 is a Department of Defense/VA Education Benefit Program that provides educational assistance to members of Reserve components called or ordered to active duty in response to a war or national emergency (contingency operation) as declared by the President or Congress. The Post-9/11 GI Bill is a new education benefit program for individuals who served on active duty on or after September 11, 2001. Post-9/11 GI Bill benefits are payable for training pursued on or after August 1, 2009. No payments can be made under this program for training pursued before that date.

### Veterans Administration Requirements for Receiving Veterans Benefits
1. In order to claim benefits, a veteran or eligible person must have, as an educational objective, an (a) Associates Degree, (b) Baccalaureate Degree, or (c) Certificate Program. If after consulting the college catalog or the schedule of classes a person wishing to file for veterans benefits is still unsure of his/her goals or major, arrangements should be made for a counseling appointment.

2. In order to insure continuity of benefits, satisfactory progress must be made toward the stated major.

3. Attendance in enrolled classes is expected at all times.

4. After each registration, the person receiving veterans benefits must notify the Veterans Technician of any program changes, i.e., complete withdrawal from college, adjustment of units, courses added and dropped, etc.

5. Those with 24 or more units of college work completed and who wish to apply for benefits must have program approval. Contact the Veterans Technician for proper procedure.

6. Veterans with fewer than 24 units must submit transcripts for all previous college work to Coastline Community College within four weeks after the semester begins.

The Transfer Center is located at Coastline’s Garden Grove Center on the first floor. The Center offers a wide array of services to our students who plan to transfer to a four-year college or university to earn a bachelor’s degree. The Center has an extensive library of college and university catalogs which are helpful to consult when exploring transfer options. Services include the use of computers with Internet access to facilitate your research on colleges and universities, ASSIST.org*, and application to CSU, UC, or private institutions. The Transfer Center can also provide you with interesting articles and helpful tips on degree programs and majors, how to choose the right college for you, specifics on articulation agreements with four-year colleges, and more. Professional academic counselors are available for on-site appointments to discuss re-entry services, transfer options, educational planning, course selection (including counseling classes which focus on career/life planning or college success strategies and for which you earn college credit), career options, and other campus programs and services designed to enhance your success as a student.

A University Transfer Event is held each fall. Plus, campus visits by university representatives and special workshops occur throughout the year. The Transfer Center is open to students, prospective students and staff. Call 1 (714) 241-6171 or the Counseling Resource Center (College Center) at 1 (714) 241-6162 for more information. Please see the Transfer section for more information.

The Virtual Library provides 24/7 access to over 50,000 ebooks, 10,000 digitized periodicals (journals, magazines, and newspapers), and many research and reference databases that contain encyclopedias, almanacs, atlases, and other subject-specific sources of information. These resources are freely available to students, faculty, and staff by clicking on the Library link on the College home page and entering appropriate MyCCC credentials. The library provides authoritative, reliable, and academically appropriate resources at the touch of a computer key.

In addition, the library provides online tutorials, guides, and instructional slide shows to help students develop information competency and research skills. Specific skill development workshops are scheduled during the semester free of charge.

Catalog Rights and Continuous Enrollment
For graduation, students may follow the catalog degree requirements that were in effect for the academic year when their attendance began at Coastline Community College or follow the catalog requirements in effect during subsequent years of attendance provided that continuous enrollment has been maintained.

Continuous enrollment is defined as enrollment in at least one course at Coastline Community College for at least one semester (fall and/or spring) in each academic year. The student must receive a grade of A, B, C, D, F, P, NP, W, I or IP for the course.

The following applies to Military Personnel who have an Official Servicemembers Opportunity Colleges (SOC) Student Agreement (SOCAD, SOCMAR, SOCCOAST, SOCNV) with Coastline: The validity of the SOC Agreement (“contract for degree”) will remain in force for five years. Coastline will honor a SOC Student Agreement beyond five years if breaks-in-attendance do not exceed two years. The student’s educational activities will not be exclusively defined by taking courses at Coastline.

Classification of Students
Students are classified as follows:

Freshman: A student who has completed fewer than 30 units.
Sophomore: A student who has completed 30 or more units.
Part-time Student: A student enrolled in fewer than 12 units.
Full-time Student: A student enrolled in 12 or more units.
Graduate Student: A student who has been awarded the Associate (A.A. or A.S.) degree, or a higher degree, by a recognized collegiate institution.

Student Status
New Student — No previous enrollment record at Coastline Community College.
Continuing Student — Continuing enrollment at Coastline Community College from one primary term to the next primary term.
Returning Student — Previously enrolled at Coastline Community College however missed at least one primary term of attendance.

General Education Philosophy
General Education Degree-Level Student Learning Outcomes
The term “general education” refers to a broad-based and comprehensive program that introduces students to the major areas of higher education: the humanities, fine arts, social sciences and natural sciences. The general education program is the basis for all degree programs at Coastline Community College and is designed to help students develop the knowledge and skills that will contribute to their intellectual, personal and professional growth.

Upon completion of a degree-level program, students will be able to:
1. Demonstrate understanding and appreciation for the visual and performing arts
2. Demonstrate ethical civic, environmental, and social responsibility
3. Demonstrate ability to apply critical thinking and analysis
4. Demonstrate innovative thinking, adaptability, and creative problem-solving skills
5. Demonstrate understanding and respect for cultural and global diversity
6. Demonstrate information competency
7. Use effective communication and interpersonal skills
8. Use scientific and quantitative reasoning

Additional Associate Degrees
Students who already possess an Associate degree may be awarded an additional degree upon completion of the following:
1. All requirements of a major or area of emphasis in a different field of study. Coursework from the previous major may be applied toward the new major.
2. Twelve additional units in residence at Coastline Community College after conferral of the previous degree.
3. General Education units earned from a previous Associate degree may be applied toward subsequent Associate degrees. If there has been a break in enrollment from when the last Associate degree was awarded, the student must complete the General Education requirements in effect at the time the student re-enrolls.

Multiple Majors
A student completing the requirements of more than one major may earn more than one Associate degree. When completing concurrent majors, the student simultaneously completes all academic requirements for his/her majors and graduates with two (or more) degrees in the same semester. Students must list all desired degrees on the Graduation Petition form.

Petition for Graduation
An A.A. or A.S. degree or a certificate of achievement is not automatically awarded. Students are required to petition for the degree or certificate of achievement at the beginning of the semester in which they will be completing their final requirements. Petitions are available in the Admissions office and online. Military students may obtain a graduation petition online at http://military.coastline.edu/forms

General Education Requirements
OPTION 1 • 2012-2013

This option is designed for students pursuing a degree and who may or may not be planning to transfer to a four-year institution. Most of the coursework in this option is applicable towards transfer. Other colleges and universities may accept this degree for transfer. It is important to contact a Coastline counselor or your transfer institution for guidance in preparing your educational plan. In addition to the General Education requirements below, students must complete additional requirements for the Associate of Arts Degree listed in the catalog under Associate of Arts Degree Requirements.

Complete at least 18 units in the specific courses listed in Groups A-E. Students may select courses from any sub-area under each specific group. One course may not be used to satisfy more than one general education requirement; however, the same course may be used to satisfy both a general education requirement and a requirement for the major or area of emphasis. Students may also double-count courses for the Global and Multicultural Studies Requirement.

Group A – Basic Subjects
One course from each area

A1 — Mass Communications C100; Communication Studies C100, C101, or C110.
A2 — English Competency: Passing English C100 or C135 (with a grade of “C” or better).
A3 — Math Competency: Passing the Math Placement Test or completion of two years of high school algebra with a grade of “C” or better, or passing one of the following with a “C” or better: Math C030*, C040*, C070*, C100, C103, C104, C106, C115, C120, C140, C150, C160, C170, C180, C185, C280, C285.
*Math C030, C040, C070 can be used to meet the Math competency requirements. They count toward the 60 units required for A.A. degree, but do not count toward the required general education units. All other courses numbered below 100 (other than English 099) do not count toward the A.A. degree.

Group B – Natural Sciences:
Any three units

*Course has Laboratory Activity

Group C – Arts and Humanities:
Any three units

Group D – Social Sciences:
Any three units

Associate Degree
General Education Requirements
OPTION 2 – Transfer CSU • 2012-2013

Designed for students who are planning to transfer to a university in the CSU system. However, it may be appropriate for transfer to some independent colleges. In addition to the General Education requirements below, students must complete additional requirements for the Associate Degree listed in the catalog. Transfer students are strongly advised to contact a Coastline counselor for guidance in preparing an educational plan. In addition, for the most current articulation information, visit assist.org.

Complete at least 39 units in the specific courses listed in Groups A-E. One course may not be used to satisfy more than one general education requirement; however, the same course may be used to satisfy both a general education requirement and a requirement for the major or Area of Emphasis. Students may also double-count courses for the Global and Multicultural Studies Requirement.

Certificate of Achievement In CSU General Education
Upon completion of this General Education pattern, students may qualify for a Certificate of Achievement in CSU General Education.

Certificate of General Education for Transfer to CSU
Upon a student’s request, Coastline will verify the completion of lower-division general education requirements for transfer to the California State University. Courses can only be certified if they were on the CSU approved list at the time they were taken by the student. Upon transferring, the student will need to complete any upper-division general education requirements required by the university. Students who transfer without certification will have to meet both lower and upper-division general education requirements of the specific CSU campus to which they are transferring. Meeting these requirements usually necessitates taking additional courses. Students may also request subject-area (partial) certification. To qualify a student must satisfactorily complete the courses required in one or more sub-areas. Coastline will provide a full-certification only once. Certification is not automatic and must be requested after the completion of the last term prior to transfer. This request should be made in the Admissions office when final transcripts are requested to be sent to the transfer university.

Area A – English Language Communication and Critical Thinking
Must complete 9 units with a minimum of one course in A1, A2 and A3 (grade of “C” or better).

A1—Oral Communication
Communication Studies C100 or C101 or C110

A2—Written Communication
English C100

A3—Critical Thinking
English C102 or Philosophy C115

Business C120, Counseling C104, C105, C120, English, C102, C108, Foods and Nutrition C170, C175, Gerontology 120, C140, Health Education C100, C175, Psychology C116, C118, C130, C152, C153, Sociology C120

A maximum of one unit may be counted from the following activity courses:
Dance C105, C106, C107, C108, C110, C111, C114, C116; C120, C124, C125, C126, C130, C140, C141, C150, C160
Physical Education C101, C102, C115, C116

**American Institutions Requirement**

All CSU campuses require that a student demonstrate competence in the Constitution of the United States and in American History. This may be satisfied by taking Political Science C180 and History C170 or C175 at Coastline College or by taking a course at the CSU. These courses also count toward Area D requirements.
Designed for students who are planning to transfer to a university in the CSU or UC system. However, it may be appropriate for transfer to some independent colleges. In addition to the General Education requirements below, students must complete additional requirements for the Associate Degree listed in the catalog. Transfer students are strongly advised to contact a Coastline counselor for guidance in preparing an educational plan. In addition, for the most current articulation information, visit assist.org.

Complete at least 37 units in the specific courses listed in Areas 1-6. One course may not be used to satisfy more than one general education requirement; however, the same course may be used to satisfy both a general education requirement and a requirement for the major or Area of Emphasis. Students may also double-count courses for the Global and Multicultural Studies Requirement.

CERTIFICATE OF ACHIEVEMENT IN INTERSEGMENTAL GENERAL EDUCATION TRANSFER
Upon completion of this General Education pattern, students may qualify for a Certificate of Achievement in Intersegmental General Education Transfer (IGETC) and IGETC Certification of General Education.

CERTIFICATION OF GENERAL EDUCATION FOR TRANSFER TO CSU OR UC
Upon student request, Coastline will verify the completion of lower-division general education requirements for transfer to the California State University (either the CSU general education breadth requirements of the IGETC) or the University of California (IGETC). Courses can only be certified if they were on the CSU or IGETC approved list at the time they were taken by the student. Students who transfer without certification will have to meet the general education requirements of the specific CSU or UC campus to which they are transferring. Certification is not automatic and must be requested after the completion of the last term prior to transfer. This request should be made in the Admissions office when final transcripts are requested to be sent to the transfer university.

PARTIAL CERTIFICATION OF IGETC
Students may request partial certification if they have completed all but two of the courses on the IGETC pattern. Students need Areas 1 and 2 completed to meet minimum transfer admission requirements. Therefore, partial certification that acknowledges a deficiency in Area 1 and/or 2 may also indicate a student does not meet minimum transfer requirements. Students have several options for completing the remaining courses. See a counselor for more information.

### AREA 1 – English Communication
**UC**—Two courses, one from Group A and one from Group B.
**CSU**—Three courses, one from Group A, one from Group B and one from Group C.

**Group A: English Composition**
English C100

**Group B: Critical Thinking**
English C102

**Group C: Oral Communication**
Communication Studies C101, C110 (required for CSU and A.A. degree)

### AREA 2 – Mathematical Concepts and Quantitative Reasoning
One course. Minimum of 3 units.
Math C115+, C140+, C150, C160, C170+, C180*, C185, C280, C285

### AREA 3 – Arts and Humanities
Three courses, with at least one course from Group A and one course from Group B. Minimum of 9 units.

**Group A: Arts**
Art C100, C101, C102, C103, C104, C105, C109, C261, C262
Music C100, C139, C143
Theater Arts C100, C101

**Group B: Humanities**
Arabic C185
Chinese C185, C280, C285
English C140, C144, C145, C150, C155, C181, C270, C275, C296, C297
French C185, C285
History C121, C122, C124, C128, C132, C135, C155, C161, C162, C170, C175, C180, C185
Humanities C100, C110, C135
Italian C185, C280, C285
Philosophy C100, C113, C120

Theater C101
Vietnamese C185, C280, C285

---Continued on next page
AREA 4 – Social and Behavioral Sciences
Three courses from at least two disciplines. Minimum of 9 units.
4A — Anthropology - Anthropology C100, C120, C150
4B — Economics - Economics C110*, C170, C175
4C — Ethnic Studies
4D — Gender Studies - History C121
4E — Geography - Geography C100, C185
4F — History - History C115, C132, C135, C146, C180, C185
4G — Interdisciplinary Studies - Mass Communications C100; Ecology C100
4H — Political Science - Political Science C101, C140, C180
4I — Psychology - Psychology C100, C118, C165, C170*, C255, C280
4J — Sociology - Sociology C100

AREA 5 – Physical and Biological Sciences
Two courses, with one from Group A and one from Group B. Minimum of 7 to 9 units.
One of the courses must include a lab (indicated by + sign)

Group A: Physical Science
Anthropology C185
Astronomy C100, C100L*+, C101, C102, C103
Chemistry C110*+, C130*+, C180, C180L+, C185, C185L+, C220, C220L+
Geography C180
Geology C105, C105L+, C115, C140
Physics C110*, C110L+

Group B: Biological Sciences
Biology C100, C100L*+, C210+, C220*+, C221*+, C225*+, 283
Marine Science C100, C105+

Group C: Laboratory Science Requirement
At least one course from 5A or 5B must incorporate a laboratory component or take a corresponding lab course. Lab courses are indicated by (+).

AREA 6 – Languages Other Than English
(UC REQUIREMENT ONLY): This requirement may be fulfilled by one of the following methods. See a counselor for clarification.
A. Complete two years of a high school foreign language with grades of “C” or better (high school transcripts must be on file at CCC)
   OR
B. Completion of a foreign language course numbered 180 or higher with a grade of C or better.
   OR
C. Earn a satisfactory score on one of the following tests (results must be on file at CCC):
   2 College Board Advanced Placement Examination in a language other than English (score: 3 or better)
   3. International Baccalaureate Higher Level Examination in language other than English (score: 5 or better)
   4. An achievement test administered by a college or university (score: proficiency equivalent to at least two years of high school language).
   5. Language other than English “0” level exam with a grade of “C” or better or “A” level exam with a score of “S” or higher.
D. Complete, with grades of “C” or better, two years of formal schooling at the sixth grade level or higher in an institution where the language of instruction is not English. (documentation must be on file at CCC).

AMERICAN INSTITUTIONS REQUIREMENT
(Not part of IGETC. May be completed prior to transfer.)
CSU has an American Institutions requirement that is separate from IGETC. Courses used to meet the CSU requirement can be double counted in Area 3 or 4. To meet the CSU requirement, students should take Political Science C180 AND one of the following courses: History C170 or C175.

UC requires the completion of a college course or courses with a grade of “C” or better OR a one-year course in high school in U.S. history or a half-year course in U.S. history and a half-year course in American government with grades of “C” or better (UCLA requires grades of “B”). UCSB requires the completion of a college course. If you are using college coursework to satisfy this requirement, check the appropriate UC catalog to determine which course(s) to take.

*Indicates that transfer credit may be limited. See your counselor or ASSIST.org.

## ELECTIVES

All other Distance Learning courses numbered between C100 and C299 are transferable to CSU as Electives or Lower-Division major requirements.

**Note:** Not all of the above listed courses are offered every semester, or summer session. Students are encouraged to confirm the transferability of these classes. Be sure to talk to an academic counselor. This information is subject to change. For the latest information please check the Course Catalog or www.coastline.edu.

Please see our complete listing of course, program, institution, and department student learning outcomes on our College Web site at www.coastline.edu.
Areas of Emphasis

Areas of Emphasis provide an opportunity for students to take courses in their areas of interest and apply them to an Associate degree. They are appropriate for students who do not plan on transferring as well as those who are transferring. Students who plan to transfer should consult with a counselor to make sure that they select the appropriate courses within the Area of Emphasis for their planned major and selected transfer university. All coursework in the Area of Emphasis must be completed with a grade of “C” or higher.

American Studies

This interdisciplinary major is designed to provide students with an integrated understanding of American society, history, and culture. Students may select designated courses within the humanities, social sciences, and fine arts disciplines. More than 300 colleges and universities in the United States offer American Studies programs. They approach American culture from many directions but have in common the desire to view America as a whole rather than from the perspective of a single discipline. Students who have graduated from four-year universities with American Studies degrees have gone on to work as lawyers, librarians, business leaders, writers, archivists, researchers, teachers, and politicians.

Requirements for the major:

Select a minimum of 18 units from at least 5 different disciplines. All courses must be completed with a grade of “C” or better.

Art C102
Gerontology C140
History C121, C122, C150, C155, C170, C175

Economics Major
Economics is the study of how effectively society meets its human and material needs. It provides a logical, ordered way of looking at various problems. It draws upon history, philosophy, and mathematics to deal with subjects ranging from how an individual household or business can make sound decisions, to societal issues such as unemployment, inflation, and environmental decay. Critical thinking is stressed more in economics than it is in any of the social sciences or in the business department. Economics also stresses computer proficiency and communications skills.

Requirements for the major:
All courses must be completed with a grade of “C” or better.
Required Core:
Economics C170—Principals of Microeconomics (3.0 units)
Economics C175—Principles of Macroeconomics (3.0 units)

English Major

The study of English provides opportunities to explore the worlds of literature and culture. This English major produces graduates with demonstrated skills in literary analysis, critical thinking, writing, as well as communication. With this major students will build important research and critical thinking skills. They will learn to discern what is important and synthesize that information for other usage. As English majors are learning to read with a critical eye, they are also polishing their own writing skills.

Gerontology Major

The Gerontology major is designed to provide students with an interdisciplinary approach to studying the human aging process from sociological, psychological and biological perspectives.

Students examine the challenges encountered by older adults and their families as they interact in contemporary society. This major will provide training to work in services and agencies that assist older adults. It also prepares students for transfer to Gerontology or similar programs at universities such as CSU Fullerton.

Requirements for the major:
All courses must be completed with a grade of “C” or better.

Required core- 12 units

History Major

A major in History provides students with skills in historical research and analysis, a chronological understanding of the past, and factual knowledge of specific historical periods. Study yields an appreciation of U.S. history, as well as the histories of other people and cultures which enhances multicultural understanding in the workplace and everyday society. Historical study is advantages in developing valuable career skills in research, writing, argumentation (interpersonal communication), and documentation. Such skills and knowledge prepare students for careers in education, law, government, business, management, public relations, writing, and research.

**Human Services Major**

This major prepares students to work in the expanding field of human services, a growing profession in response to the human needs and problems in the 21st century. It provides a general background for work with families, children and adults and offers the student a pathway to pursue an associate or bachelor level degree. Individuals with a major in Human Services can enhance their professional helping skills, offering them greater work opportunities as social-service technicians, case management aides, mental health technicians, gerontology aides, special-education teacher aides, and residential managers. Additionally, police officers, firefighters, military counselors, and others dealing with the public will benefit from the program training. The major exposes the student to the most current thinking in the field, hands-on experience, and community networking.

**Requirements for the major:**

*All courses must be completed with a grade of “C” or better.*

- Human Services C100—Introduction to Human Services (3.0 units)
- Human Services/Counseling C101—Helping Theories and Intervention Strategies (3.0 units)

**Liberal Studies Major (for Teaching)**

Coastline's Liberal Studies/Teaching Specialization A.A. Degree offers future elementary school teachers an articulated transfer pathway and career ladder for a B.A. in Liberal Studies and the multiple-subject teaching credential. The focus of the degree is on content knowledge needed to teach in a K-8 setting and education courses that include early fieldwork opportunities for observation and practice. Coursework prepares students for the Multiple Subject CSET exam as required by the California Commission on Teacher Credentialing for elementary school teachers in both regular and special education. As a stand-alone degree without transfer the A.A., aligned with the requirements for No Child Left Behind, helps students become effective elementary school paraprofessionals in regular or special education classrooms. The degree is also appropriate for students pursuing a career other than in elementary school teaching (such as tutors and parents providing home schooling) who would like their course of studies and degree recognition to include an emphasis in liberal studies and teacher preparation curricula. Students may select courses to simultaneously earn the Certificate in Educational Studies as well.

*All courses must be completed with a grade of “C” or better.*

**Complete one course in each area.**

- **A1** 3 units—Oral Communication—Communication Studies C110
- **A2** 3 units—Written Communication—English C100
- **A3** 3 units—Critical Thinking—English C102 or Philosophy C115

Select at least one course from B1, one from B2, one from B3, and at least one from B4.

- **B1** 2 to 3 units—Survey of Chemistry and Physics—Chemistry C105, Physics C185
  - Survey of Earth Science—Geology C100 and C101
- **B2** 3 units—Introduction to Biology—Biology C100
- **B3** 1 unit—Lab—Biology C101
- **B4** 3 units—Math—Math C103, C104, C106

Select at least one course from C1, one from C2, and one additional course from C1 or C2

- **C1** 3 units—Arts—Music C100 or Theater C100
- **C2** 3 units—Literature—English C102 or C112, C150, C155, C181, C270, C275, Philosophy C112, C120, C180

**Additional Requirement—Take the following courses:**

- 6.5 units—Education C103, C104 and C200

**TOTAL UNITS FOR THE MAJOR—45.5—46.5**

Electives—Take additional courses to complete at least 60 units. Select courses based on the program requirements at the University you would like to transfer to. See your counselor when selecting these courses.

Suggested Electives—Education C180 and English C143
Mathematics Major
Mathematics involves the study of numerical calculations, problem solving, logic, quantitative patterns, and more. Students pursuing a Math major take a variety of courses in the areas of algebra, geometry, calculus, mathematical reasoning, and differential equations. Students in mathematics programs can also branch out to several specializations, including teaching, computer science, statistics-mathematics, and bio-mathematics programs.

Requirements for the major:
All courses must be completed with a grade of “C” or better.
Math C180—Calculus 1 (5.0 units)
Math C185—Calculus 2 (5.0 units)
Math C280—Calculus 3 (5.0 units)

Spanish Major
The Spanish major helps develop advanced proficiency in Spanish and provides students with intercultural sophistication to function comfortably and effectively in a Spanish-speaking environment. This major covers several of the aspects of written (grammar, word usage) and spoken (pronunciation and conversational style) Spanish that students will need to work toward fluency. Proficiency in Spanish can open up careers in international trade and politics, or in helping other language communities in your area to receive full access to services and opportunities. Jobs open to language degree holders involve either interpretation (the spoken word) or translation (written documents).

Requirements for the major:
All courses must be completed with a grade of “C” or better.
Spanish C180 (or C180A and C180B)—Elementary Spanish 1 (5.0 units)
Spanish C185 (or C185A and C185B)—Elementary Spanish 2 (5.0 units)

Spanish C285 (or C285A and C285B)—Intermediate Spanish 2 (4.0 units)
Total units required = 18 units
Transfer Information

Associate Degree for Transfer

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To view the most current list of Coastline Community College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.coastline.edu. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum G.P.A. of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Completion of a minimum of 18 semester units in an “AA-T” or “AS-T” major as detailed in the catalog. All courses in the major must be completed with a grade of C or better while maintaining a minimum grade point average (GPA) of at least 2.0 in all CSU transferable coursework.
4. Certified completion of the California State University General Education-Breadth pattern (CSU GE Breadth), Coastline’s Option 2 General Education pattern OR the Intersegmental General Education Transfer Curriculum (IGETC), Coastline Option 3 General Education pattern.

At the time of catalog publication, the following majors for the AA-T have been approved. Additional majors are under development. Please see a counselor and www.coastline.edu for more information.

The Associate in Arts for Transfer (AA-T) Psychology Major

Psychology is the scientific study of behavior and mental processes. Students majoring in psychology learn the major perspectives for understanding human behavior: behavioral, biological, cognitive, cross-cultural, evolutionary, humanistic, and psychodynamic. Students will acquire skills to analyze behavior, including statistical methods and research design, and will learn to document findings in APA style; descriptive research methods and experimental methods are covered. Students will gain an understanding of the following topics: neuroscience; sensation and perception; consciousness; learning; memory; thinking, language and intelligence; motivation and emotion; lifespan development; personality; social psychology; stress, health, and coping; psychological disorders; and therapies. Completion of the major provides a solid foundation for a psychology transfer program and many careers in the social service fields. A Master’s degree or higher is required for most counseling or research psychologist positions.

Requirement for the major:

All courses must be completed with a grade of “C” or better while maintaining a minimum grade point average (GPA) of at least 2.0 in all CSU transferable coursework.

Required Core (11 units):

The Associate in Arts for Transfer (AA-T) Sociology Major

The Associate in Arts for Transfer Sociology major emphasizes a scientific approach to the study of human society, utilizing a variety of theories and research methods to understand the interaction between human groups and institutions and their influences on each other. Sociology ranges from the study of relationships in intimate social settings to the study of large bureaucratic institutions. Students taking this major will examine a variety of social institutions, including family, religion, and education, and will gain a better understanding of the roles played by social class, gender, and race in shaping social interactions. Successful students will develop their ability to think critically about social relationships, perform scientific social research, construct analytical arguments, and communicate their ideas effectively. Completion of this major will provide a solid foundation for people interested in a wide variety of careers, including law and law enforcement, social welfare, gerontology, urban planning, business, education, and public health.

Requirement for the major:
All courses must be completed with a grade of “C” or better while maintaining a minimum grade point average (GPA) of at least 2.0 in all CSU transferable coursework.

Course Identification Numbering System (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Students should always go to www.assist.org to confirm how each college’s course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database.
Preparation for Transfer

Students considering transferring to a CSU, UC or private college should plan as early as possible. Make an appointment to meet with a counselor for assistance in developing a Student Educational Plan (SEP) that outlines both your major and general education requirements.

Strategies for Successful Transfer

Identify your major
- Enroll in Counseling C104 or C105
- Meet with a counselor to explore majors
- Check out Exploring Majors on www.assist.org
- Explore majors on the Eureka Information System (see counselor)

Choose a University
- Visit the Coastline College Transfer Center
- Meet with college representatives at scheduled visits
- Attend the annual University Transfer Event
- Attend college fairs; preview days; open houses; campus tours
- Visit college Web sites

Determine Requirements
- Identify admission requirements
- Identify the best general education option pattern
- Identify major preparation requirements
- Visit www.assist.org
- Review college catalogs and websites
- Determine the competitive GPA for the major

Develop a Transfer Plan
- Meet with a counselor regularly to help you develop and maintain your educational plan
- Be aware of application deadlines for admissions, financial aid, and scholarships
- Don’t hesitate to ask for help when you have questions or concerns

California State Universities (CSU)

All the campuses of the California State University welcome applications from transfer students. If a student completes college units after the summer following their graduation from high school, they are considered a transfer student. The majority of transfer students enter the CSU as “upper-division” transfers. Upper-division transfers must complete at least 60 semester units or 90 quarter units before transfer, maintain a 2.0 GPA or better (a higher GPA is recommended to remain competitive) in all transferable college units and be in good standing at the college or university attended. Some students enter as “lower-division” transfer students if they completed fewer than 60 transferable semester units (90 quarter units). Visit www.csumentor.edu for admissions and application procedures.

Academic Planning for Prospective Transfers: If a student is unsure of their major, they should first concentrate on completing the lower-division general education requirements. Of these requirements, the highest-priorities are the general education requirements in the English language, oral communications, English composition, and critical thinking - along with a general education course in mathematics. While completion of all general education requirements is not required for admission, it is important that students complete as many of the lower-division general education requirements as possible prior to transfer. If they are pursuing a high-unit major that requires extensive lower-division prerequisites, they may not be able to complete all lower-division general education requirements prior to transfer.

General Education/Breadth Requirements: CSU provides California Community College transfers with two options for fulfilling CSU lower-division general education requirements: CSU General Education Breadth (GE-Breadth) and the Intersegmental General Education Transfer Curriculum (IGETC). For a list of courses that meet these requirements refer to Option 2 and 3 in this catalog. You may also visit www.assist.org for both general education and articulated major requirements. Please see a counselor for additional guidance.

Impacted Majors: Many campuses have some impacted majors that require additional admission criteria. Several majors are impacted at one or more but not all of the campuses offering the major. Generally, the majors remain the same from one year to the next, but the criteria are subject to change, and you should contact the campus directly for the most current information.

Detailed information about the 2012-2013 CSU impacted campuses and majors can be accessed at www.calstate.edu/SAS/impactioninfo.shtml.

University of California (UC)

A transfer applicant, according to the University, is a student who has enrolled in a fall, winter or spring session at another college or university after high school. A student who meets this definition cannot disregard his or her college record and apply as a freshman.

Prospective transfer applicants should plan their coursework carefully. Selected courses should help them 1) meet the minimum admission requirements for transfer, 2) prepare them for their major and 3) fulfill recommended general education requirements. All courses must be UC transferable.
Admission Requirements: In addition to meeting the minimum admission requirements, a student should adhere to any special application or screening procedures for the selected major or UC campus. Additional requirements for highly competitive majors can also be identified through articulation agreements (available at www.assist.org). Students should enroll in the courses that meet these requirements. To earn 60 semester (90 quarter) units before transferring, the student should select courses that meet the eligibility, lower-division major-preparation and appropriate general education/breadth requirements.

Major-Preparation Requirements: Transfer students should take courses that meet major requirements. In most cases, completing at least a portion of the major requirements is essential to gain admission to the major. The Transfer Preparation Paths, available at www.uctransfer.universityofcalifornia.edu, outline the major preparation requirements at each UC campus for the most popular majors. They are particularly useful in helping students identify major-preparation coursework that will prepare them for multiple UC campuses. Information on major preparation requirements is also available at www.assist.org.

General Education/Breadth Requirements: Transfer applicants to the University from California community colleges may satisfy lower-division general education requirements by completing the Intersegmental General Education Transfer Curriculum (IGETC). For a list of courses that meet these requirements refer to Coastline's General Education Option 3 in this catalog. You may also visit www.assist.org for course information. Please see a counselor for additional guidance.

Minimum eligibility requirements - To be eligible for admission as a junior UC transfer student, a student must complete 60 semester (90 quarter) units of transferable college credit with a GPA of at least 2.4 (2.8 for nonresidents). However a higher GPA is recommended to remain competitive. No more than 14 semester (21 quarter) units may be taken Pass/Not Pass.

Transfer Admission Guarantee (TAG) Coastline College has Guaranteed Transfer Admission (TAG) agreements with UC Davis, UC Irvine, UC Merced, UC San Diego*, UC Santa Barbara, UC Santa Cruz, and UC Riverside. By participating in a Transfer Admission Guarantee program, students receive early review of their academic records, early admission notification, and specific guidance about major preparation and general education coursework. Coastline College encourages students to take advantage of these agreements. See a counselor to determine eligibility. For more information and application procedures, see www.uctransfer.universityofcalifornia.edu/tag.

Independent Colleges and Universities Coastline maintains articulation agreements with many private colleges and universities. Check our Articulation Web page for links to our agreements. We also recommend that you speak with a counselor to assist you with creating a Educational Student Plan (SEP) to help meet your educational goals.

Additionally, Coastline partners with many military-friendly colleges and universities, so you can transfer your Coastline Associate degree into these Bachelor degree programs with ease. Students may contact a Military Counselor at militarycounselor@coastline.edu or the transfer institution of their choice for current information.

*The UCSD TAG program is being phased out:
- the last available term for TAG admission will be Fall 2014
- to apply for Fall 2014, you must submit your TAG online application—and the UC application for admission—in Fall 2013

Curriculum Requirements: Majors leading to technical competence in a variety of occupational areas are available at Coastline. The curriculum on the following pages leads to a certificate of achievement or, with additional work in general education, an Associate degree. Certificate programs are designed to prepare individuals to enter a particular field of employment or to provide in-service training for those already employed.

Certificates of achievement are awarded when students complete the course requirements of a specific program with a 2.0 grade point average and are in attendance at the time requirements are completed. The student must file a petition for graduation during his/her final semester in order to receive the certificate. Students must earn a minimum of 12 units of coursework at Coastline, excluding experiential credit. Those with prior experience may be excused from certain courses. However, the total number of required units must be completed; 50 percent of the certificate program must be completed at Coastline.
Certificates of Accomplishment

These certificates of Accomplishment are 12 or more units. A Coastline certificate will be awarded, but only courses will be posted on the transcript.

- Cisco Certified Networking Administrator (CCNA)
- CompTIA
- Digital Media
- Animation and Gaming Foundation
- Educational Studies
- General Office Assistant
- Human Services
- Leadership
- Medical Administrative Office Technician
- Medical Coding Specialist
- Mobile Applications
- Network Security
- Process Technician Fundamentals
- Project Management
- Windows Server 2008

Curriculum Requirements: Certificates of Accomplishment and Certificates of Specialization meet emerging technological needs of employers in business, government, and industry. These certificates are awarded upon completion of the required work. Students must earn a minimum of 12 units of course work at Coastline, excluding experiential credit and must maintain at least a “C” average. At least 50 percent of the required certificate program must also be completed at Coastline. Students are required to petition at the beginning of the semester in which they will be completing their final requirements. Petition forms can be obtained in the Admissions office at the College Center in Fountain Valley. Note: A Coastline certificate for both the Certificates of Accomplishment and Certificates of Specialization will be awarded, but only courses will be posted on the transcript.

Certificates of Specialization

These Certificates of Specialization are less than 12 units. A Coastline certificate will be awarded, but only the courses will be posted on the transcript.

- Advanced Accounting
- Intermediate Accounting
- Business Plan
- Cisco Certified Networking Professional (CCNP)
- Cognitive & Caregivers Boot Camp
- Home Business
- Real Estate Lending & Mortgage Brokering

**Electronics* Certificate of Achievement**

This sequence of classes is designed to give the student a solid foundation in Electronics using applied theory to solve practical applications utilizing the materials and forces of nature for the benefit of society. Students who successfully complete this sequence of classes will be able to pursue a bachelor's degree in Engineering, Engineering Technology, or be employed as a skilled productive member of an Engineering team in Industry. Areas of interest in this program include: theory and application of electric and electronic systems and components, including circuits, electro-magnetic fields, energy sources, communications devices, computers, and other components and devices powered by electricity. Design, assembly, installation, operation, maintenance, and repair of electronic equipment used in industry and manufacturing including the fabrication and assembly of related components. Design, development, testing, and maintenance of electro-mechanical and servo-mechanical devices and systems.

*Courses for a degree in Electronics at Coastline are offered through our Military/Contract Education Program with distance learning (online) delivery designed to meet the needs of our global military community. The class schedule and degree roadmap for this program can be found at http://military.coastline.edu. Students who wish to pursue a degree or certificate in Electronics who live in the local Orange County or nearby areas and are not eligible for enrollment in our Military/Contract Education Programs are encouraged to visit our sister college, Orange Coast College, the home college for Electronics. Information about their Electronics Program may be found at www.orangecoastcollege.edu.
Emergency Management / Homeland Security

Certificate of Achievement

The Emergency Management/Homeland Security (EM/HS) Certificate of Achievement is designed to prepare students to enter the emerging professions of disaster management and/or homeland security. Our curriculum is designed to provide the learner with a foundation of technical and professional knowledge needed by emergency and security workers to meet national, state and local public safety needs, both in the public and private sectors. Our program emphasizes an all-hazard approach to emergency planning/homeland security, with courses in emergency preparedness, response and recovery, incorporating Federal Emergency Management Agency (FEMA) and Emergency Management Institute (EMI) curriculum. In addition, we offer homeland security course teachings in terrorism, intelligence, critical infrastructure and the National Response Framework (NRF). Coastline’s EM/HS program advances students by developing core competencies in hazard assessment, planning, critical thinking, and effective communications. Those benefiting from completing the Certificate of Achievement are those who intend to work in the fields of law enforcement, fire service, government, private security, health care or other public safety/service related occupations.

Entrepreneurship and Small Business Management

Certificate of Achievement

The small business sector is one of the fastest growing in the nation’s economy. With an ever-increasing number of adults today self-employed, many people either work for a small business or plan to start one of their own. Coastline’s entrepreneurship program can help prospective entrepreneurs launch new ventures or, if you are an entrepreneur who already has your business established, you can strengthen your managerial and business skills to grow your business. You will learn the fundamentals of starting and operating your own business. The program includes basic business skills as well as specific courses in starting and managing a business. Course work covers evaluating a business opportunity, preparing a business plan, planning advertising and sales promotions, marketing a product or service, and financial management for the entrepreneurial company.

Gerontology
Certificate of Achievement
Gerontology, the interdisciplinary study of aging, offers students an understanding of their own aging and of society’s response to the increasing population of older people. Biological, psychological and sociological aspects of aging are explored. Gerontology coursework will provide information about the aging process and training to work in services and agencies that interact with older people.

Students have the option of completing the certificate in gerontology or the A.A. degree. The certificate offers training to two groups of individuals; those seeking new careers in gerontology and those who wish to advance their present careers by adding professional gerontology education and training components to their qualifications. Courses for the certificate requirements can be completed on-line. A variety of classroom based courses are also available each semester.

Health Care Management
Certificate of Achievement
The Health Care Management Certificate is designed for the health care practitioner who is considering climbing the health care management ladder. Healthcare is one of today’s most dynamic and growing fields. It is the largest industry in the U.S., and the second largest employer, with more than 11 million jobs, presenting a wide range of management opportunities and challenges. Courses in this certificate will assist the student in exploring the management field and provide them with the knowledge and information to pique their interest and consider upward mobility in the health care industry. This program is designed to help office, administrative and support staff in the medical field to consider advancing to management positions. The program prepares students for transfer into bachelors programs in Health Care Administration, Business, Organizational Behavior, Management, and Leadership fields.

### Paralegal Studies - Paralegal Associate Degree

The American Bar Association (ABA) approves Coastline's Paralegal Studies Program. The Paralegal Program prepares personnel for the intermediary position between the legal secretary and the attorney, performing work under the supervision of an attorney. Paralegals work in law offices and other legal and law related environments and many interact with clients. A paralegal shall not provide legal advice or engage in conduct that constitutes the unauthorized practice of law including contracting with a natural person other than an attorney for the performance of paralegal services (California Business & Professions Code, Sections 6450 et seq.). This program is not intended to prepare students for law school or the practice of law.

Students who do not already possess an associate in arts or bachelor degree from a regionally accredited college or university must complete the associate degree (60 units) as specified below. These requirements are in compliance with the ABA Guidelines for paralegal programs. Degree candidate students are required to attend a paralegal orientation or a counseling session and complete the English and Math Placement Testing and Group A General Education requirements prior to entering LAW C105, LAW C118, LAW C121, LAW C390 and/or any major elective with a “LAW” designation. The remaining general education units are to be completed concurrently with the remaining paralegal courses. Students must achieve a grade point average of 2.0 or higher in each paralegal studies course.

Paralegal studies course work taken at other institutions in an ABA-approved program, with approval by the paralegal studies department, will qualify for no more than six (6) units of transfer credit in legal specialty courses in the paralegal studies certificate program. Paralegal studies courses taken for other than a letter grade are limited to seven (7) units within the 27 unit total and 21 units of paralegal course work must be completed at Coastline Community College. (Credit by examination is not available courses within the Paralegal Studies Certificate.) Upon completion of the degree program, students will be awarded an associate degree in Paralegal Studies and a Certificate of Achievement in Paralegal Studies approved by the American Bar Association.

Students possessing a transferable associate in arts or bachelor degree from a regionally accredited college or university, with official transcripts on file at Coastline, will be awarded a Certificate of Achievement in Paralegal Studies approved by the American Bar Association upon completion of the 27 units of required paralegal courses. All students are required to attend a paralegal orientation or a counseling session and must achieve a grade point average of 2.0 or higher in each paralegal studies course. All students are required to demonstrate computer proficiency* (see below).

Human Services
Certificate of Accomplishment
This online certificate enables students to work in the expanding field of human services, a growing profession in response to the human needs and problems in the 21st century. The certificate program provides a general background for work with families, children and adults and offers the student a pathway to pursue an associate or bachelor level degree. Individuals with a certificate can enhance their professional helping skills, offering them greater work opportunities as social-service technicians, case management aides, mental health technicians, gerontology aides, special-education teacher aides, and residential managers. Additionally, police officers, firefighters, military counselors, and others dealing with the public will benefit from the program training. The certificate exposes the student to the most current thinking in the field, hands-on experience, and community networking.

Courses Numbered 001-099:
Introductory, developmental, special interest and some technical courses (not transferable to CSU or UC). Math C010, C020 and C030 are applicable to the Option 1 associate degree; other courses numbered below 100 cannot be counted toward the 60 units of credit required for an associate degree. These courses do carry college credit and thus can be used to determine eligibility for full-time or financial aid status.

Courses Numbered 100-299:
Transfer courses to the California State University. Courses transferable to the University of California are noted under the appropriate course descriptions. Depending upon the courses selected, the student's major, and the specific four-year college/university, these courses will meet various baccalaureate program requirements. Courses numbered 100-199 are usually first-year courses; those numbered 200-299 are usually second-year courses and normally require a prerequisite.

Courses Numbered 300-399:
Highly specialized courses that may be student-negotiated for transfer to baccalaureate-granting institutions, depending upon the courses selected, the student's major and the specific transfer college/university.

Courses Numbered 400 and Above:
Noncredit courses.

Special Topics:
Special topics courses offer in-depth study of topics not covered in the existing curriculum. Course content and units of credit are determined by the department. Special Topics may be designed as lecture or laboratory. Consult the Schedule of Classes for specific offerings.

Correct Use of English
All courses at Coastline are taught in English. Clear and correct use of English, both on tests and on written assignments, is expected of all students. All students, especially those planning to transfer to a four-year institution, are urged to take a course in English composition as soon as possible.

Critical Thinking
The major role of education in America is to produce an individual who can contribute to society as a well-informed member of a democracy. Competence in critical thinking empowers the student with an ability to distinguish opinion from fact and belief from knowledge. Evaluative skills learned through elementary inductive and deductive reasoning have applications in problem solving in all aspects of everyday existence. Therefore, all examinations, assignments and activities at Coastline reflect academic rigor by requiring critical thinking on the part of the student.

Advisory: ART C110A and C120A

A comprehensive course in beginning painting. Involves the student in selection of image, color theory and color mixing, methods, materials and techniques of painting, with emphasis in oil and acrylic painting. The concept and creative process of making art will be examined in historical and multi-cultural contexts. This course is required for Art Majors and includes written and verbal critique and analysis. This course may be taken four times. Transfer Credit: CSU; UC
ART C122A 1.5 Units
Painting 1A
Advisory: ART C120A and C120B
First segment of a two-part course in beginning painting. Involves the student in selection of image, color theory and color mixing, methods, materials, and techniques of painting, with emphasis in oil and acrylic painting. The concept and creative process of making art will be examined in historical and multicultural contexts. This course is required for all Art majors and includes written and verbal critiques. This course may be taken four times. Transfer Credit: CSU; UC

ART C122B 1.5 Units
Painting 1B
Advisory: ART C122A
Second segment of a two-part course in beginning painting. Involves the student in selection of image, color theory and color mixing, methods, materials, and techniques of painting, with emphasis in oil and acrylic painting. The concept and creative process of making art will be examined in historical and multicultural contexts. This course is required for all Art majors and includes written and verbal critiques. This course may be taken four times. Transfer Credit: CSU; UC

ART C127 2.0 Units
Introduction to Portrait Drawing and Painting
Advisory: ART C120 and C122
Introduces the fundamentals of drawing and painting the head and upper torso in various drawing media as well as oil or acrylic painting. Includes lecture and exploration of both historical and contemporary portraiture to produce naturalistic and abstracted work. Also explores how palette and composition work within the medium. Emphasizes awareness of the creative process and includes individual and group critiques. This course may be taken four times. Transfer Credit: CSU; UC

ART C129 3.0 Units
Abstract Painting
Advisory: Basic Drawing, ART C122A
A painting course for the Intermediate and advanced student to creatively investigate the spectrum of historical and modern abstract and non-objective painting styles and methods. Both traditional and non-traditional materials will be used to explore the principles of abstraction. Specific steps to develop an authentic style of original abstract painting will be presented. This course may be taken four times. Transfer Credit: CSU; UC

ART C130 3.0 Units
Experimental Drawing
Advisory: ART C110A, C120
A drawing course for the intermediate and advanced student to expand expressive and conceptual content beyond basic traditional drawing techniques. Uses both traditional and non-traditional materials as well as contemporary media to explore the parameters of drawing. Specific steps to develop an authentic style in drawing will be explored. This course may be taken four times. Transfer Credit: CSU

ART C131 2.0 Units
Chinese Brush Painting Teaching Techniques I
This course is designed to train students, artists, or teachers to learn how to share the technique of this ancient dynamic form of art. The class will focus on learning the materials: paper, colors, and brushes. It will offer techniques on brush strokes used for line; texture; shading; and washes on flowers, animals, and scenery. It will show methods of critique in design and composition. It will prepare students to teach brush painting at various levels. This course may be taken four times. Transfer Credit: CSU

ART C132 1.5 Units
Beginning Brush Painting (Flower)
Study the concepts in the significance of paper and brush and the history and folklore of floral studies. Learn the brush strokes used for line, texture, shading and washes to capture the beauty of flowers. This course may be taken four times. Transfer Credit: CSU; UC

ART C133 2.0 Units
Chinese Landscape Painting 1
Learn the brush strokes used for line, texture, shading, and wash to capture the beauty of forests, mountains, and water. Students will learn the stroke to do design, composition, and the enchanting background of each subject. Travel in spirit to the land of Shangri-la and explore history and folklore. This course may be taken four times. Transfer Credit: CSU

ART C134 2.0 Units
Painting Creatures 1
Learn the brush strokes used for line, texture, shading, and wash to capture the beauty of forests, mountains, and water. Students will learn the stroke to do design, composition, and the enchanting background of each subject, and their spiritual meaning in Chinese culture. Explore history and land of animals, birds, and marine life. This course may be taken four times. Transfer Credit: CSU

ART C135 2.0 Units
Survey of Chinese Brush Painting
Focus on Chinese culture through hands-on practice of brush strokes. Designed to lead a beginner from how to hold a brush to producing finished compositions in floral, animals and landscape. Detailed instructions on the use of materials, colors, brushes, the rice paper, seals, and Chinese mounting technique. Painting subjects include orchid, bamboo, camellia, amaryllis, peony, panda, horse, and landscape. This course may be taken two times. Transfer Credit: CSU; UC

ART C136 1.5 Units
Chinese Brush Painting 1
Study of the essence of Chinese culture. Basic introduction to oriental brush, ink, and colors. Concepts in design and composition. Selection from the basic subjects, four gentlemen (bamboo, orchid, mum, plum), floral, and animal studies. Includes techniques in mounting. This course may be taken two times. Transfer Credit: CSU; UC

ART C137 2.0 Units
History and Appreciation of Chinese Art and Culture
Advisory: Completion of one semester of Chinese brush painting.
A survey of the history, culture, and development of Chinese painting, and calligraphy with an overview, and critique of the works of master painters from each Chinese dynasty. The course will include nature study techniques and skills related to picture formation and composition. Emphasis on calligraphy strokes pertinent to brush painting. Transfer Credit: CSU; UC

ART C138 1.5 Units
Watercolors with Oriental Brush
Brush, the tool for all media, was invented in China. Its expert use has been developed as the main tool for communication and expression for 2000 years. Learn the variety of brushes used for line, texture, shading and washes, and how to deliver strokes with dynamic vitality. Composition includes flower, landscape, animal, and abstract expressions. This course may be taken two times. Transfer Credit: CSU

ART C139 1.5 Units
Watercolors on Rice Paper
Rice paper offers unique potential for watercolors through its absorbency. Learn which colors are most effective on rice paper and the merit and usage of raw and sized rice paper. Learn how to achieve color intensity and contrast and harmony and how to apply even wash for gradation of shades. Learn how to create special effects and texture through this remarkable handmade paper. This course may be taken two times. Transfer Credit: CSU

ART C147A 3.0 Units
Jewelry 1
This course explores jewelry making, space manipulation, surface treatment, and color interactions with an emphasis on jewelry design presentation, through the use of a variety of materials and tools. Awareness of the creative process for viewer and artist is emphasized as well as formal analysis for both cultural, professional, and student works through written and verbal critiques. Generation of authentic designs utilizing learned art elements will be stressed for General Education and visual design majors. This course may be taken four times. Transfer Credit: CSU

ART C150 3.0 Units
Ceramics 1
Introduces hand-building techniques of pinch, coil, slab, and simple mold construction used in the design, forming, glazing, and firing of ceramic materials. Introduces historical, philosophical, and contemporary analysis of ceramics as an art form. Lecture/lab. This course may be taken two times. Transfer Credit: CSU; UC

ART C147B 3.0 Units
Ceramics 2
Covers hand building and wheel throwing techniques. Includes fundamental glazes and glazing techniques. Explores some of the symbolism and techniques of contemporary ceramic artists. Lecture/lab. This course may be taken two times. Transfer Credit: CSU; UC
ART C151 3.0 Units
Ceramics 2
Introduces use of the potter’s wheel for forming utilitarian and sculptural vessels. Expanded analysis of the historical foundation and contemporary context of ceramics as an art form. Kiln loading and firing will be introduced. Lecture/lab. This course may be taken two times. Transfer Credit: CSU; UC

ART C174 3.0 Units
Narrative Painting
Advisory: ART C224
This is a painting course in which the figure is used in a context to tell a story. Students learn to utilize the skills learned in figure painting to portray or suggest actual and metaphoric situations. The content of the painting is the focus of the students’ creative explorations using personal, historic, psychological, and symbolic subject matter to express an idea. This course may be taken four times. Transfer Credit: CSU

ART C190 3.0 Units
Multimedia with Painter 6.0
Prerequisite: ART C202
Experience Painter’s infinite paint box. Use Photoshop’s filters in conjunction with 3D textures, plus a vast array of media to manipulate photographs or create fine art and drawings from scratch. Design web pages, create interface designs, and learn to use Painter on the World Wide Web. Transfer Credit: CSU

ART C205 3.0 Units
Digital Design with Painter and Photoshop
This course will emphasize the use of the computer as an additional medium with which to create images. The extensive drawing and digital image manipulation capabilities of the computer will be explored through the use and integration of images created in Corel Painter and Adobe Photoshop. Projects assigned will use the capabilities of each program as well as the integration properties of both. Transfer Credit: CSU

ART C207 3.0 Units
Creative Photoshop for Digital Photographs
Advisory: ART C202, C205, or DGA C131
The course uses digital photographs in the creation of raster images and using Photoshop for image manipulation and fine art painting. It offers hobbyists and the professional photographer a comprehensive package of Photoshop skills. Transfer Credit: CSU

ART C212 3.0 Units
Figure Composition
Advisory: ART C224
An intermediate and advanced figure painting course in which students learn to integrate the human figure into a complete composition. Graphical and perceptual elements are applied to the special problems inherent in figure representation. The student learns to analyze the visual devices used by artists in a variety of styles. This course may be taken four times. Transfer Credit: CSU; UC

ART C220 3.0 Units
Human Anatomy for Artists
Advisory: ART C121
A course designed to develop an ability to draw the human form accurately through careful study of the skeletal and muscular systems. Live models are used for observation of surface anatomy and practice of accurate drawing. This course may be taken four times. Transfer Credit: CSU; UC

ART C221 3.0 Units
Life Drawing 2
Advisory: ART C110, C120A, or C121
A comprehensive course in advanced drawing from the model. Involves the student in working from observation, emphasizing composition, proportion, and anatomy, using line, texture, value, modeling, gesture, and contour drawing principles. Includes then technical application of diverse drawing materials and techniques. The concept and creative process of making art will be examined in historical and multi-cultural contexts. This course leads to a developmental of a personal style that is required for art majors and includes written and verbal critique and analysis. This course may be taken four times. Transfer Credit: CSU; UC

ART C222A 1.5 Units
Painting 3
Advisory: ART C122A and C122B
First segment of a two-part course in intermediate painting, with expanded content and concepts, emphasizing historical and contemporary issues in art. Explores oil and acrylic painting in a social and global context. Includes awareness of the creative process and explores formal analysis of student and professional work through written and verbal critique. This course may be taken four times. Transfer Credit: CSU; UC

ART C222B 1.5 Units
Painting 4
Advisory: ART C222A
Second segment of a two-part course in intermediate painting, with expanded content, concepts, emphasizing historical and contemporary issues in art. Explores oil and acrylic painting in a social and global context. Includes awareness of the creative process and explores formal analysis of student and professional work through written and verbal critique. This course may be taken four times. Transfer Credit: CSU; UC

ART C228 1.5 Units
Watercolor 1
Painting in watercolor. Lectures and demonstrations related to the techniques and history of watercolor painting. This is the first part of a two-part watercolor course. This course may be taken four times. Transfer Credit: CSU; UC

ART C229 1.5 Units
Watercolor 2
Lectures and demonstrations related to advanced techniques and composition of watercolor painting. The second part of a two-part watercolor painting course. This course may be taken four times. Transfer Credit: CSU; UC

ART C230 1.5 Units
Landscape Painting 1
Advisory: ART C120, C122, or C228 and C229
Drawing, composition, and painting of landscape and seascape in watercolor, acrylic or oil. Painting on location. Individual instruction supplemented by demonstrations, criticism, and painting in the studio. Illustrated lectures on the history of landscape painting. This is the first part of a two-part landscape painting course. This course may be taken two times. Transfer Credit: CSU; UC

ART C231 1.5 Units
Landscape Painting 2
Advisory: ART C120, C122, C228 and C229, C230
Drawing, composition, and painting of landscape and seascape in watercolor, acrylic, or oil. Painting on location. Individual instruction supplemented by demonstrations, criticism, and painting in the studio. Illustrated lectures on the history of landscape painting. This is the second part of a two-part landscape painting series. This course may be taken two times. Transfer Credit: CSU; UC

ART C232 1.5 Units
Plein Air Painting
Advisory: ART C120, C122, or C228 and C229
Painting outdoors, on site in oil, watercolor, or acrylic. Study of painting light on form in nature to convey the outdoor experience. Use of values and intensities of color as light, combined with composition, and atmospheric perspective. Presented as a series of challenges with demonstrations and critiques. This course may be taken four times. Transfer Credit: CSU; UC

ART C233 1.5 Units
Chinese Calligraphy
Introduction to aesthetics, brush technique, and compositional rules for writing of Chinese characters in “k’ai-shu” regular and “ts’ao-shu” styles. Traditional work of famous calligraphers will be presented. Students will learn to write their signature, date, subject title, and poetry in Chinese to enhance oriental paintings. This class will encourage development of brush style in line work and will complement the study of Chinese brush painting. This course may be taken two times. Transfer Credit: CSU; UC

ART C234 3.0 Units
Contemporary Figure Painting
Advisory: ART C224
Course in painting the figure from live models. Applies knowledge and techniques developed in ART C224 and examines historical as well as contemporary ideas. Evaluates traditional concepts of the figure and integrates the multi-culture experience with personal expression. This course may be taken four times. Transfer Credit: CSU
ART C235 1.5 Units Chinese Brush Painting 2 Prerequisite: ART C136
Practice of the three main schools in Chinese brush painting: flower and bird, landscape, animal and figure. Students will explore subjects’ spiritual and cultural significance as well as practice the strokes. This course may be taken two times. Transfer Credit: CSU; UC

ART C236 1.5 Units Chinese Brush Painting 3 Prerequisite: ART C235
Advanced studies of various schools in Chinese Brush Painting. Emphasis on technical variations and development of individual styles. This course may be taken two times. Transfer Credit: CSU; UC

ART C237 3.0 Units Chinese Flower Paintings
This class offers an artistic way to experience life and nature, with in-depth studies on ten magnificent flowers: Iris, Poppy, Lotus, Begonia, Chrysanthemum, Night-Blooming Cereus, Peony, Hydrangea, Cattleya Orchid, and Magnolia. Each subject has a particular rhythm accompanied with a natural peaceful feeling — a natural blend of strength and grace. Students will learn the strokes to do design and composition, the enchanting background of each of the subjects, and their spiritual meaning in Chinese culture. They will also share a state of mind with inner joy of tranquility. There is an incredible amount of detailed, stroke-by-stroke information. This course may be taken two times. Transfer Credit: CSU

ART C238 3.0 Units Chinese Flower Painting 2
Learn the brush strokes used for line, texture, shading and washes to capture the beauty of flowers. Students will learn the strokes to do design and composition, the enchanting background of each of the subjects, and their spiritual meanings in Chinese culture. This course may be taken two times. Transfer Credit: CSU

ART C239 1.5 Units Watercolor 3 Advisory: ART C120 or C120A and C120B, or C229
This advanced level watercolor course explores the use of both traditional and experimental watercolor techniques and methods as well as design concepts in developing expressive and conceptual content in watercolor painting. Emphasis on creative problem solving. This course may be taken four times. Transfer Credit: CSU

ART C240 1.5 Units Mixed Media Techniques Advisory: ART C110, C122 or C122B, C229
This course will emphasize the creative process in 2-D and 3-D art by the combining of two or more media in a work of art. Both traditional and experimental techniques, methods, and materials will be explored. This course may be taken four times. Transfer Credit: CSU

ART C242 3.0 Units Expressive Painting Advisory: ART C120A and C122A
A painting course in oil and acrylic, for the intermediate and advanced student, to expand expressive and conceptual content, beyond basic traditional painting techniques. Emphasis is on developing the specific skills and techniques relating to both contemporary and historical Expressionist painting from the late 19th and 20th century. This course will include both written and verbal critique and analysis. This course may be taken two times. Transfer Credit: CSU; UC

ART C261 3.0 Units The History of Tuscan Art Part 1, From the Etruscan through the Early Renaissance Advisory: ART C100
A multicultural survey of Tuscan Art from the prehistoric Etruscan period through the Ancient Roman, Byzantine, Medieval, and Early Renaissance periods. Discussion of major art forms from the periods including painting, sculpture, and architecture. The multicultural influences that formed pre-modern Tuscan Art will be examined. Emphasis will be placed upon how Tuscan Art reflected the period culture in terms of symbols, techniques, materials, and subject matter. Included in the course content is an examination of how Tuscan Art influenced and formed other European and Middle Eastern cultures. Illustrated lectures, field trips, reading, and study of related exhibitions. Transfer Credit: CSU; UC

ART C262 3.0 Units The History of Tuscan Art Part 2, From the Renaissance through the Modern Era Advisory: ART C101
A multicultural survey of Tuscan Art from the Renaissance through the Modern Era. Discussion of major art forms from the periods including painting, sculpture, and architecture. The multicultural influences that formed Tuscan Art will be examined. Emphasis will be placed upon how Tuscan Art reflected the culture in terms of symbols, techniques, materials, and subject matter. Included in the course content is an examination of how Tuscan Art influenced and formed other European and Middle Eastern cultures. Illustrated lectures, field trips, reading, and study of related exhibitions. Transfer Credit: CSU; UC

ART C263 3.0 Units Watercolor 1 ADVISORY: ART C120
A comprehensive course in watercolor painting with lectures and demonstrations. Includes the history of watercolor painting and its relevance to society. Involves the student in selection of subject matter, color, materials and tools, basic and advanced techniques and methods, composition, and design concepts for effective painting, as well as student analysis and evaluation of watercolor masterworks. This course may be taken four times.

ART C265 3.0 Units Methods and Materials of Italian Masterworks Advisory: ART C120A
A multicultural, multi-century survey of Italian art masterpieces with emphasis on the process of how the work was created and by whom. Includes exposure to a selection of the fine art techniques used in mural, fresco, egg tempera and oil painting. Renaissance drawing, mosaic-making, illuminated manuscript-making, ivory carving, and sculpture. Contains a studio art component: students will undertake some projects related to techniques studied. Prior art study not required. This course may be taken four times. Transfer Credit: CSU; UC

ASTRONOMY C100 3.0 Units Introduction to Astronomy
Origin, characteristics, and evolution of the solar system, stars, galaxies, and the universe. Historical milestones in the science of astronomy from ancient astronomers to the space probes of today. Consideration of the future of astronomical research and current theories in astronomy. Transfer Credit: CSU; UC

ASTRONOMY C100L 1.0 Unit Astronomy Laboratory
Prerequisite: ASTR C100 or concurrent enrollment in ASTR C100 and understanding of Beginning Elementary Algebra.
A beginning astronomy laboratory course for non-science majors. In this course the scientific method is applied to the analysis of experimental astronomical data. Transfer Credit: CSU; UC

ASTRONOMY C101 3.0 Units Planetary Astronomy Advisory: ASTR C100
An introduction to the solar system and all its constituents (sun, planets, dwarf planets, moons, asteroids, comets, etc.), their origin and nature, and their development since the time of the creation of the solar system approximately 4.6 billion years ago. Current topics of interplanetary missions, other planetary systems, and development of life in our and in other planetary systems will be discussed. Transfer Credit: CSU

ASTRONOMY C102 3.0 Units Stellar Astronomy Advisory: ASTR C100
A detailed study of the formation, structure, and evolution of the sun and stars, including an overview of binary systems, variable stars, Supernovae Types I and II, white dwarfs, neutron stars, black holes, and other stellar phenomena. A survey of particle physics and special and general relativity as relevant to the topics discussed will also be included. Transfer Credit: CSU
BIOLOGY C100 3.0 Units
Introduction to Biology

Biology for non-science majors. A general study of the basic concepts of biology including the human body and the environment. Emphasis on the characteristics of plant and animal life, human body systems, health, genetics, and the interaction of organisms in their environment. Transfer Credit: CSU; UC

BIOLOGY C100L 1.0 Unit
(Formerly Biology C101)
Introduction to Biology Lab

Prerequisite: BIOL C100 or concurrent enrollment.

Biology lab for non-science majors. A general study of plant and animal life processes to acquaint the non-biology major with basic biological concepts and instruments in the laboratory. Transfer Credit: CSU; UC credit limitations. See counselor.

BIOLOGY C104 3.0 Units
Medical Terminology for Health Professionals

This course introduces students to the subject of Medical Terminology and prepares them for all careers in the medical field. It covers the study of the basic elements of medical terms as well as the basic anatomy and physiology of the human body. In addition, it covers the medical terms used to describe different pathological conditions, diagnostic tests, and therapeutic procedures. Transfer Credit: CSU

BIOLOGY C120 3.0 Units
Biological Aging

This course will explore normal vs. abnormal changes in aging and the human ability to adapt. Each body system will be reviewed, focusing on how age changes relate to the development of disorders, and disease in later life. Methods of assisting older persons in adapting to acute and chronic illness and in health promotion and maintenance will be discussed. Transfer Credit: CSU

BIOLOGY C180 4.0 Units
Cell and Molecular Biology

PREREQUISITE: CHEM C180 or equivalent

ADVISORY: Eligibility for ENGL C100

This course, intended for biological sciences and pre-health professions majors, explores principles and applications in cell and molecular biology. Topics include biological molecules; homeostasis; viruses; eukaryotic/protokaryotic cell structure and function; cell metabolism, including photosynthesis and respiration; cell communication; cell reproduction and its controls; classical (Mendelian) genetics; molecular genetics; and biotechnology. Transfer Credit: CSU; UC

BIOLOGY C185 5.0 Units
Diversity of Organisms

PREREQUISITE: BIOL C180 with a grade of C or better

This course is a survey of the basic biology and diversity of unicellular and multicellular organisms. It emphasizes general biological principles, such as classification, structure, function, evolution, and environmental interactions. Topics include morphological and molecular phylogeny, comparative anatomy, physiology, development, evolution, taxonomy, behavior, and ecology. Designed for biological science majors. Transfer Credit: CSU; UC

BIOLOGY C200 3.0 Units
Pharmacology

Prerequisite: BIOL C225

Advisory: CHEM C110; eligibility for ENGL C100

Introduction to the structure and design of the human body. Includes structural components spatial relationships, and body system interactions. Students will participate in the laboratory which will include dissection of the cat. Appropriate for students interested in human anatomy; satisfies requirements for nursing, physical therapy, and physical education majors. Transfer Credit: CSU; UC

BIOLOGY C210 5.0 Units
General Microbiology

Advisory: CHEM C110

Major concepts of microbiology are discussed as they relate to the principal classes of microorganisms: bacteria, fungi, algae, protozoa and viruses. Topics covered include 1) functional anatomy of prokaryotes and eukaryotes, 2) microbial metabolism and genetics, 3) characteristics and control of microbial growth, 4) microbial taxonomy and methods of microbial classification, 5) host-microbe interactions, 6) mechanisms of microbial pathogenicity, 7) immunology, 8) biotechnology and human infectious diseases. The laboratory focuses on methods for identifying and characterizing microbes, including aseptic technique, microscopy, staining, cultivation, molecular biology, and bioinformatics. Both lecture and laboratory content relate to general and clinical applications. Transfer Credit: CSU; UC

BIOLOGY C220 4.0 Units
(Formerly Biology C170)
Human Anatomy

Introduction to the structure and design of the human body. Includes structural components and body system interactions. Students will participate in the laboratory, which will include dissection of the cat. Appropriate for students interested in human anatomy. Satisfies the requirements for nursing, physical therapy, and physical education majors. Transfer Credit: CSU; UC

BIOLOGY C221 3.0 Units
(Formerly Biology C105)
Introduction to Anatomy and Physiology

This course introduces students to the subject of Anatomy and Physiology of the human body. It highlights the interaction between different body systems to maintain homeostasis. This course prepares students for many programs in the medical field. Transfer Credit: CSU; UC credit limitations. See counselor.

BIOLOGY C225 4.0 Units
(Formerly Biology C175)
Human Physiology

Prerequisite: BIOL C220

This course introduces students to the basic physiology of different systems of the human body with emphasis on the interaction between them to maintain body homeostasis. This course is designed for paramedical biology majors (nursing, X-ray technology, physical therapy, dental hygiene, etc.) Transfer Credit: CSU; UC

BIOLOGY C281 2.0 Units
Biochemistry

PREREQUISITE: BIOL C180, CHEM C220 and CHEM C220L with a grade of C or better

COREQUISITE: Enrolment in CHEM C225 and C225L

An introduction to the chemistry of biology. This course serves to satisfy transfer requirements for some biology majors. Transfer Credit: CSU; UC

COMPUTING C282 2.0 Units
Web Based Learning
Prerequisite: Be employed or volunteer in a field related to Business Computing for 4 hours per week per 1.0 unit of Work Based Learning.
Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.
To enhance each Work Based Learning participant's opportunity for success in the field of Business Computing by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student's career or occupational goal in Business Computing. This course may be taken four times. Transfer Credit: CSU

BUSINESS
COMPUTING C283 3.0 Units
Work Based Learning
Prerequisite: Be employed or volunteer in a field related to Business Computing for 5 hours per week per 1.0 unit of Work Based Learning.
Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.
To enhance each Work Based Learning participant's opportunity for success in the field of Business Computing by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student's career or occupational goal in Business Computing. This course may be taken four times. Transfer Credit: CSU
**BUSINESS**

**COMPUTING C284**  4.0 Units  
Work Based Learning  
Prerequisite: Be employed or volunteer in a field related to Business Computing for 5 hours per week per 1.0 unit of Work Based Learning.  
Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.

To enhance each Work Based Learning participant's opportunity for success in the field of Business Computing by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student's career or occupational goal in Business Computing. This course may be taken four times. Transfer Credit: CSU

**BUSINESS**

**COMPUTING C300L**  1.0 Unit  
Computer Lab  
Advisory: Concurrent enrollment in any Coastline Community College class.

Provides Computer lab time on IBM PCs and Macs. Instructors provide limited individual attention due to the variety of software used in the lab. This course may be taken four times.

**BUSINESS**

**COMPUTING C301L**  1.0 Unit  
Computer Lab 2  
Advisory: Concurrent enrollment in any Coastline Community College class.

Provides computer lab time on IBM PCs and Macs. Instructors provide limited individual attention due to the variety of software being used in the lab. This class may be taken four times.

**BUSINESS**

**COMPUTING C306**  1.5 Units  
Web site Internship  
Advisory: BC C171

Create and post web pages and maintain a web site for a specific department, instructor, agency, or company. Enhance Web sites with tips and tricks discussed in class. This course may be taken four times.

**CHEMISTRY**

**CHEMISTRY C100**  3.0 Units  
Principles of Chemistry  
Analysis of problems of current concern to the individual relating to his/her surroundings and the role that chemistry plays both in these problems and in their possible solutions. Transfer Credit: CSU

**CHEMISTRY C105**  2.0 Units  
Chemistry Explorations for Teachers  
A class in basic scientific principles and methods related to chemistry. Emphasis is on developing a molecular understanding of the world and applying the scientific method to understanding everyday phenomena. Course is designed to introduce future elementary and middle school teachers to the central ideas of chemistry through a series of laboratory experiments, hands-on exercises, and discussions. Topics have been chosen to ensure coverage of the content in state and national science education standards. Letter Grade Only. Transfer Credit: CSU

**CHEMISTRY C110**  5.0 Units  
Introduction to Chemistry  
Advisory: "C" or better in Elementary Algebra.  
A lab science course in principles of inorganic, organic, and biochemical transfer for and for A.A. Degree programs in nursing, dietetics, paramedical, and other allied health fields. Not for students planning to take CHEM C130. Transfer Credit: CSU; UC

**CHEMISTRY C130**  4.0 Units  
Preparation for General Chemistry  
Advisory: "C" or better in Intermediate Algebra.  
An introduction to both the principles and calculations of chemistry and lab techniques, especially for those students who will be continuing with future chemistry courses. Transfer Credit: CSU; UC

**CHEMISTRY C180**  4.0 Units  
General Chemistry A  
Prerequisite: Completion of CHEM C130 or a recent high school chemistry course with a grade of C, and completion of MATH C030 or a recent high school course in intermediate algebra with a grade of C or appropriate placement on a math placement assessment.  
This course is the first semester of a two-semester sequence (CHEM C180 and C185). A basic course in the principles of inorganic chemistry with special emphasis on chemical calculations and structure. Letter grade only. Transfer Credit: CSU; UC

**CHEMISTRY C180L**  1.0 Unit  
General Chemistry A Lab  
Prerequisite: Completion of CHEM C130 or a recent high school chemistry course with a grade of C, and completion of MATH C030 or a recent high school course in intermediate algebra with a grade of C or appropriate placement on a math placement assessment.  
Corequisite: CHEM C180 (may be waived by demonstration of satisfactory completion CHEM C180 or equivalent.)  
A basic laboratory course in the principles of inorganic chemistry and lab techniques with special emphasis on chemical calculations and structure. Letter grade only. Transfer Credit: CSU; UC

**CHEMISTRY C185**  4.0 Units  
General Chemistry B  
Prerequisite: CHEM C180  
This course is the second semester of a two-semester sequence (CHEM C180 and CHEM C185). A basic course in the principles of inorganic chemistry with special emphasis on chemical kinetics, chemical equilibrium, electro chemistry, nuclear chemistry, acids, and bases. Letter grade only. Transfer Credit: CSU; UC

**CHEMISTRY C185L**  1.0 Unit  
General Chemistry B Lab  
Prerequisite: CHEM C180 and CHEM C180L  
Corequisite: CHEM C185  
This course is the second semester of a two-semester sequence (CHEM C180L and CHEM C185L). A basic course in the principles of inorganic chemistry and lab techniques with special emphasis on chemical kinetics, chemical equilibrium, electro chemistry, nuclear chemistry, acids, and bases. Letter grade only. Transfer Credit: CSU; UC

**CHEMISTRY C220**  3.0 Units  
Organic Chemistry A  
Prerequisite: CHEM C185 with grade of "C" or better.  
This course is the first semester of Organic Chemistry, a two semester, which includes topics on the properties and reactions of aliphatic and aromatic organic compounds. Emphasis is placed on the reaction mechanisms, fundamental principles, and modern instrumental methods. Letter grade only. Transfer Credit: CSU

**CHEMISTRY C220L**  2.0 Units  
(Formerly Chemistry 221)  
Organic Chemistry A Lab  
Prerequisite: CHEM C185 with grade of "C" or better.  
Corequisite: Concurrent enrollment in CHEM C220.

Theory and techniques of separation, purification, synthesis, and analysis of organic compounds, including instrumental methods of chromatography and spectroscopy. Letter grade only. Transfer Credit: CSU

**CHEMISTRY C225**  3.0 Units  
Organic Chemistry B  
Prerequisite: CHEM C220 with grade of "C" or better.  
This course is the second part of Organic Chemistry, two semesters, which includes topics on the properties and reactions of aliphatic and aromatic organic compounds. Emphasis is placed on the reaction mechanisms, fundamental principles, and modern instrumental methods. Letter grade only. Transfer Credit: CSU

**CHEMISTRY C225L**  2.0 Units  
(Formerly Chemistry 226)  
Organic Chemistry B Lab  
Prerequisite: CHEM C220L  
Corequisite: CHEM C225  
Theory and techniques of separation, purification, synthesis, and analysis of organic compounds, including instrumental methods of chromatography and spectroscopy. Letter grade only. Transfer Credit: CSU

**CHINESE**

**CHINESE C180**  5.0 Units  
Elementary Chinese 1  
Advisory: Students who have completed two years of high school Chinese with a grade of "C" or better should enroll in CHIN C185 or C185A.  
This course is designed to develop the student's fundamental ability to both comprehend and converse in daily spoken Chinese. Early reading and writing skills are introduced, as well as Chinese customs and culture. Transfer Credit: CSU; UC credit limitations. See counselor.
CHINESE C180A 2.5 Units
Elementary Chinese 1A
Advisory: Students who have completed two years of high school Chinese with a grade of "C" or better should enroll in CHIN C185 or C185A.

This course is designed to develop the student's fundamental ability to both comprehend and converse in daily spoken Chinese. Grammar, vocabulary, and pronunciation are emphasized. Early reading and writing skills are introduced, as well as appreciation and understanding of Chinese customs and culture. Transfer Credit: CSU; UC credit limitations. See counselor.

CHINESE C180B 2.5 Units
Elementary Chinese 1B
Prerequisite: CHIN C180A
Advisory: Students who have completed two years of high school Chinese with a grade of "C" or better should enroll in CHIN C185 or C185A.

This course is designed to develop the student's fundamental ability to both comprehend and converse in daily spoken Chinese. Grammar, vocabulary, and pronunciation are emphasized. Early reading and writing skills are introduced, as well as appreciation and understanding of Chinese customs and culture. Transfer Credit: CSU; UC credit limitations. See counselor.

CHINESE C182 1.0 Unit
Conversational Chinese
Prerequisite: CHIN C180 or C180B

Speaking, understanding, reading, and writing Chinese (Mandarin), with emphasis on tradition and customs of China. Transfer Credit: CSU.

CHINESE C185 5.0 Units
Elementary Chinese 2
Prerequisite: CHIN C180 or C180B

This course is designed to further develop the essential communication skills in Mandarin Chinese based on the Pinyin system, Chinese characters, and basic communicative skills learned in CHIN C180. The goal of this course is to have students carry more sophisticated communicative tasks by increasing their listening, speaking, reading, and writing proficiency. The course presents more complex language structures and further explores aspects of Chinese daily life, culture and customs. Transfer Credit: CSU; UC Credit Limitations. See counselor.

CHINESE C185A 2.5 Units
Elementary Chinese 2A
Prerequisite: CHIN C180 or C180B

Continuation of CHIN C180. First half of CHIN C185. Designed to develop the student's fundamental ability to both comprehend and converse in daily spoken Chinese. Sentence patterns, vocabulary and pronunciation are emphasized. Reading and writing skills are continuously introduced as well as appreciation and understanding of Chinese customs and cultures in China, Taiwan and elsewhere. CHIN C180 and C185 together constitute the beginning level of the language. Transfer Credit: CSU; UC Credit Limitations. See counselor.

CHINESE C185B 2.5 Units
Elementary Chinese 2B
Prerequisite: CHIN C185A

Continuation of CHIN C185A. CHIN C185B is the second half of CHIN C185. Designed to develop the student's fundamental ability to both comprehend and converse in daily spoken Chinese. Sentence patterns, vocabulary and pronunciation are emphasized. Reading and writing skills are continuously introduced as well as appreciation and understanding of Chinese customs and cultures in China, Taiwan and elsewhere. CHIN C180 and C185 together constitute the beginning level of the language. Transfer Credit: CSU; UC Credit Limitations. See counselor.

CHINESE C280 4.0 Units
Intermediate Chinese 1
Prerequisite: CHIN C185 or C185B

CHIN C280 is a continuation of CHIN C185 or C185B. It is designed to develop further the abilities students have attained to comprehend and converse in daily spoken Chinese. Sentence patterns, vocabulary and pronunciation are emphasized. Reading and writing skills are continuously introduced as well as appreciation and understanding of Chinese customs and cultures in China, Taiwan and elsewhere. CHIN C180 and C185 together constitute the beginning level of the language. Transfer Credit: CSU; UC Credit Limitations. See counselor.

CHINESE C285 4.0 Units
Intermediate Chinese 2
Prerequisite: CHIN C280

CHIN C285 is a continuation of CHIN C280 or of C280B. It is designed to develop further the abilities students have attained to comprehend and converse, to read and to write with everyday Chinese at an intermediate level. Reading and writing skills are stressed and enhanced. Cultural notes, authentic reading materials, literary selections, and grammar beyond the phrasal level present new concepts to stimulate vocabulary acquisition, to provoke expressive ability, and to generate communicative competency. Cultural and philosophical aspects of the Chinese-speaking world will also be discussed. Transfer Credit: CSU; UC.

CHINESE C285A 2.5 Units
Continuation of CHIN C280A. CHIN C285B is the second half of CHIN C285. Designed to develop the student's fundamental ability to both comprehend and converse in daily spoken Chinese. Sentence patterns, vocabulary and pronunciation are emphasized. Reading and writing skills are continuously introduced as well as appreciation and understanding of Chinese customs and cultures in China, Taiwan and elsewhere. CHIN C180 and C185 together constitute the beginning level of the language. Transfer Credit: CSU; UC Credit Limitations. See counselor.

CHINESE C285B 2.5 Units
Elementary Chinese 2
Prerequisite: CHIN C285A

This course is designed to further develop the student's fundamental ability to both comprehend and converse in daily spoken Chinese. Sentence patterns, vocabulary and pronunciation are emphasized. Early reading and writing skills are introduced, as well as appreciation and understanding of Chinese customs and culture. Transfer Credit: CSU; UC credit limitations. See counselor.

COMMUNICATION STUDIES

COMMUNICATION STUDIES C100 3.0 Units
(Formerly Speech C100)
Interpersonal Communication

Language use and effective interpersonal communication, both verbal and non-verbal. Recommended for students wanting to understand and improve their communication skills in interpersonal and small groups. Content areas include: conversation, listening, perception, non-verbal communication, language, self concept, and self disclosure. Transfer Credit: CSU

COMMUNICATION STUDIES C101 3.0 Units
(Formerly Speech C101)
Human Communication

This course is an introduction to the fundamentals and principles which underlie effective speech communication. Practical experience, emphasizing content, organization and delivery, will be required in at least three speaking situations, specifically including persuasive and informative speaking. Particular emphasis will be on Milton Rokeach's value theory (1968) as an explanation for the relationship between self-concept and behavior. Transfer Credit: CSU; UC.

COMMUNICATION STUDIES C110 3.0 Units
(Formerly Speech C110)
Public Speaking

Principles of public speaking, including planning, preparation and delivery of an effective oral presentation. Consideration of practice in problem solving, information, persuasion and communication techniques. Emphasis on developing self-confidence and skill in communicating to and with groups. Transfer Credit: CSU; UC.

COMMUNICATION STUDIES C200 3.0 Unit
(Formerly Speech C200)
Public Communications

This course focuses on the preparation, presentation, and delivery of informative and persuasive public speeches. Particular emphasis is on organizing and outlining, reasoning and arguing, and analyzing audiences and adapting to different audiences. Transfer Credit: CSU.
COMPUTER INFORMATION

SCIENCE C111 3.0 Units
Introduction to Information Systems and Programming
Examination of information systems and their role in business. Focus on information systems, database management systems, networking, e-commerce, ethics and security, computer systems hardware and software components. Application of these concepts and methods through hands-on projects developing computer-based solutions to business problems. Transfer Credit: CSU

COMPUTER INFORMATION

SCIENCE C150 3.0 Units
Introduction to C++
This course covers the beginning concepts of C++ programming. Students, with no prior computer programming knowledge, will learn the fundamentals of writing computer programs using C++. This course may be taken two times. Transfer Credit: CSU

COMPUTER INFORMATION

SCIENCE C171 1.0 Unit
Computer Programming with Alice
Advisory: Ability to use a Graphical User Interface operating system (such as Vista or MAC OS).
Introduces both majors and non-majors to the concepts and topics of computer and computer science. Considers the concepts and topics of computer science within the context of Alice, an interactive software tool. Students will be introduced to Alice and learn the basic programming concepts necessary for an introductory programming course. Emphasis will be placed on hands-on learning in the lab. Transfer Credit: CSU

COMPUTER INFORMATION

SCIENCE C190 3.0 Units
Introduction to Geographic Information Systems
Advisory: BC C121 and C175
An introduction to the concepts and use of Geographic Information Systems (GIS) and its role in analysis and decision making. Course work is based on the mapping and spatial analysis capabilities of the ArcView software program. Students will be introduced to basic cartographic principles, maps, scales, coordinate systems, and projections. Through computer lab tutorials and case studies, students will learn to use ArcView to view relationships, patterns, or trends that are not possible to see with traditional charts, graphs, and spreadsheets. This course may be taken four times. Transfer Credit: CSU

COMPUTER INFORMATION

SCIENCE C191 3.0 Units
Intermediate Geographic Information Systems
Advisory: CIS C190
This intermediate course provides further study in ArcView; it is a continuation of the skills and concepts learned in CIS C190. Introduction to Geographic Information System (GIS). Course work is based on the mapping and spatial analysis capabilities of ArcView software. Students will be creating and editing spatial data and geocode data, perform spatial data processing, and conduct spatial analysis. This course may be taken four times. Transfer Credit: CSU

COMPUTER SERVICES

TECHNOLOGY

COMPUTER SERVICES

TECHNOLOGY C102 3.0 Units
Fiber Optic Cabling
Authorized Cisco Academy PNIE course. Lecture and labs in this course will include topics such as basic networking concepts, copper cabling, and different modes of fiber optics, safety principles, and cabling installation processes. Emphasis on hands-on training. This course may be taken four times. Transfer Credit: CSU

COMPUTER SERVICES

TECHNOLOGY

COMPUTER SERVICES

TECHNOLOGY C111 3.0 Unit
VMware vSphere
Advisory: CST C112 or CST C113
Virtualization allows consolidation of several hardware servers into a single hardware server to realize significant cost savings. vSphere allows for whole server farms to be consolidated on only a few physical servers. Students will learn how to partition a physical server into several virtual machines as well as how to centralize and simplify management, including how to expand capacity, optimize performance, and track cost savings using vSphere. This course may be taken four times. Transfer Credit: CSU

COMPUTER SERVICES

TECHNOLOGY

COMPUTER SERVICES

TECHNOLOGY C112 1.0 Unit
Introduction to VMware
Advisory: CST C116, C117, and C128
Virtualization allows a business or student to expand the utilization of a computer system. For Business it means consolidating server sprawl, optimizing technology assets, developing business continuity solutions, increasing IT productivity, and saving money. For computer technology students it means running multiple computer operating systems (Microsoft, Linux, & Novell) simultaneously on the same computer. This course may be taken four times. Transfer Credit: CSU

COMPUTER SERVICES

TECHNOLOGY

COMPUTER SERVICES

TECHNOLOGY C113 3.0 Units
Overview of VMware Technologies
Advisory: CST C128
This class is a hands-on survey of several of the Virtualization Software products available. It includes VMware Server, Microsoft Virtual PC, and SUSE Xen Works as well as several other products. Virtualization Software allows businesses to achieve the maximum use of their computer system potential and better plan for business continuity. Students will find that they can have multiple operating system environments for each class. This course may be taken four times. Transfer Credit: CSU

COMPUTER SERVICES

TECHNOLOGY

COMPUTER SERVICES

TECHNOLOGY C114 2.0 Units
Microsoft Office Visio
Examine, visualize, explore, and communicate complex information, data systems, processes and organizations. Learn how to quickly develop computer network diagrams, flowcharts, business process diagrams, timelines, calendars, floor plans, organizational charts, facilities management information, business intelligence, and to model and analyze business processes. This course may be taken four times. Transfer Credit: CSU

COMPUTER SERVICES

TECHNOLOGY

COMPUTER SERVICES

TECHNOLOGY C115 1.5 Units
Command/Line Scripting
This course prepares students to use Command Line Utilities and scripting techniques to manage and maintain operating systems and network appliances. This course may be taken two times. Transfer Credit: CSU

COMPUTER SERVICES

TECHNOLOGY

COMPUTER SERVICES

TECHNOLOGY C116 3.0 Units
A++ Essentials Hardware
The A++ Essentials Hardware course maps to CompTIA’s A++ Essentials Hardware exam. Course covers topics related to installing, building, upgrading, repairing, configuring, troubleshooting, optimizing, diagnosing, and performing preventive maintenance of basic personal computer hardware. Lecture and hands-on experience in structured labs is included. Transfer Credit: CSU

COMPUTER SERVICES

TECHNOLOGY

COMPUTER SERVICES

TECHNOLOGY C117 3.0 Units
A++ Essentials Software
Advisory: CST C116
The A++ Essentials Software course teaches necessary competencies for an entry-level IT professional. Topics include Personal Computer Components, Operating Systems, Networks, and Security. Lecture and hands-on experience in structured labs is included. The A++ Essentials Software course maps to CompTIA’s A++ Essentials exam. Transfer Credit: CSU

COMPUTER SERVICES

TECHNOLOGY

COMPUTER SERVICES

TECHNOLOGY C118 1.5 Units
Network +
Advisory: CST C115, C116 and C117
A basic study of networking technologies focusing on the features and functions of networking components, the knowledge and hands-on skills needed to install, configure and troubleshoot basic networking hardware, protocols and services. The course is based on the CompTIA Network+ exam objectives. Transfer Credit: CSU

COMPUTER SERVICES

TECHNOLOGY

COMPUTER SERVICES

TECHNOLOGY C126 3.0 Units
A++ Help Desk
Advisory: CST C116
This course is designed for individuals who work as help desk, call center, and remote support technicians with emphasis on troubleshooting, problem identification, and customer service. This course may be taken two times. (CompTIA Test 220-603) Transfer Credit: CSU
**COMPUTER SERVICES**  
**TECHNOLOGY C128**  
3.0 Units  
Network +

This Network + certification course provides an in-depth survey of the field of Networking, including terms, OSI model, various NOS, certification requirements, and security. This course may be taken three times. Transfer Credit: CSU

**COMPUTER SERVICES**  
**TECHNOLOGY C153**  
3.0 Units  
CompTIA Convergence +

Advisory: CST C128 and C215

This course covers convergence skills including basic analysis, specification, implementation and management of basic components of data, voice and multimedia convergence applications and technologies. Transfer Credit: CSU

**COMPUTER SERVICES**  
**TECHNOLOGY C157**  
3.0 Units  
Microsoft SQL Database Development

Advisory: CST C172

Provides an introduction to relational database fundamentals and SQL programming skills in the Microsoft environment. Topics covered include relational database architecture, database design techniques, and simple and complex query skills. This class is intended for students new to the SQL programming language. This course may be taken four times. Transfer Credit: CSU

**COMPUTER SERVICES**  
**TECHNOLOGY C160**  
3.0 Units  
Windows XP Professional

Advisory: CST C128

This course teaches the students to plan, install, configure, and support a Windows XP Professional computer in a standalone or network environment. (Microsoft Test #70-270) Transfer Credit: CSU

**COMPUTER SERVICES**  
**TECHNOLOGY C161**  
3.0 Units  
Installing and Configuring Microsoft Vista Operating System

Advisory: CST C128

This course teaches the students to plan, install, configure, and support a Windows Vista Operating System in a standalone or network environment. (Microsoft Test #70-620) Transfer Credit: CSU

**COMPUTER SERVICES**  
**TECHNOLOGY C165**  
3.0 Units  
Managing and Maintaining a MS Windows Server 2003

Advisory: CST C128

This course provides students with the knowledge and skills that are required to manage accounts and resources, maintain server resources, monitor server performance, and safeguard data in a Microsoft Windows Server 2003 environment. (Microsoft Course #2273, Test #70-290) Transfer Credit: CSU

**COMPUTER SERVICES**  
**TECHNOLOGY C167**  
3.0 Units  
Implementing Windows 2000 Network Infrastructure

Advisory: CST C161

This course is designed for professionals who will be responsible for installing, configuring, managing and supporting a network infrastructure that uses the Windows 2000 Server products. Transfer Credit: CSU

**COMPUTER SERVICES**  
**TECHNOLOGY C172**  
3.0 Units  
SQL Server Design and Implementation

Advisory: CST C165

Installing, configuring administering and maintaining the Microsoft SQL Server database management system. Students will learn how to design logical and physical databases, create data structures, monitor secure and optimize a database, and evaluate and implement High Availability options. This course may be taken four times. Transfer Credit: CSU

**COMPUTER SERVICES**  
**TECHNOLOGY C173**  
3.0 Units  
MCTS – Microsoft Exchange Server – Configuration

Advisory: CST C165

Microsoft Exchange Server is the e-mail solution offered by Microsoft. In this course students will learn to support, maintain, and secure a reliable messaging infrastructure in a medium to large sized messaging environment. This course is intended to give the student a basis of understanding to both maintain the Microsoft Exchange Server and to be a preparation tool for the Microsoft certified exam. This course may be taken four times. Transfer Credit: CSU

**COMPUTER SERVICES**  
**TECHNOLOGY C174**

Linux Administration I
Advisory: CST C118 or C128 and C195
This course provides the student with information about the essential tasks of Linux Server and network installations, file system management, backup procedures, process control, user administration, and device management. This is the second in a series of three classes and is targeted at the network administration level. This class maps to the LPI level II, Novell CLA, and CompTia Linux+ test objectives. Transfer Credit: CSU

**COMPUTER SERVICES**
**TECHNOLOGY C201** 3.0 Units
Cisco Fundamentals/CCNA 1
Lecture and labs in this introductory course will include topics such as the OSI model, IP addressing, basic cabling, network topologies, and an intro to configuring Cisco devices. This is the first in a series of courses providing preparation for students seeking the Cisco CCNA Certification. Emphasis is on hands-on training. This course may be taken four times. Transfer Credit: CSU

**COMPUTER SERVICES**
**TECHNOLOGY C202** 3.0 Units
Cisco Router Configuration/CCNA 2
Advisory: CST C201
This course covers routing protocols, VLSM and CIDR, and RIP. It provides an introduction to the CLI and Cisco Router Configuration. This is the second in a series of courses providing preparation for students seeking the Cisco CCNA Certification. Emphasis is on hands-on training. This course may be taken four times. Transfer Credit: CSU

**COMPUTER SERVICES**
**TECHNOLOGY C203** 3.0 Units
Cisco Switching/CCNA 3
Advisory: CST C202
This course covers switch concepts, LAN design, VLAN implantation, interVLAN routing, VTP, and Cisco switch configuration. This is the third in a series of courses providing preparation for students seeking the Cisco CCNA Certification. Emphasis is on hands-on training. This course may be taken four times. Transfer Credit: CSU

**COMPUTER SERVICES**
**TECHNOLOGY C204** 3.0 Units
Cisco WAN Configuration/CCNA 4
Advisory: CST C201 and C202 and C203
This course includes topics such as WAN technologies; Access Control Lists (ACLs), WAN protocols, Netting, Security, and Frame Relay. This is the fourth and last in a series of courses covering preparation for students seeking the Cisco CCNA Certification. Emphasis is on hands-on training. This course requires that students complete CCNA 1 (CST C201) prior to enrollment in this course. This course may be taken four times. Transfer Credit: CSU

**COMPUTER SERVICES**
**TECHNOLOGY C205** 3.0 Units
CCNP: Implementing Cisco IP Routing
Advisory: CST C204 or CCNA
Students will learn to plan designs, perform tasks, and interpret performance measurements. Hands-on activities include configuring and verifying routing and routing protocols. This course covers the material in the current version of Implementing Cisco IP Routing. This course may be taken four times. Transfer Credit: CSU

**COMPUTER SERVICES**
**TECHNOLOGY C206** 3.0 Units
Implementing Secure Converged Wide-Area Networks/CCNP 2
Advisory: CST C204 or CCNA
Introduction to secure enterprise-class network services. Learn to secure and expand the reach of an Enterprise Network. Topics include teleworker configuration and access, MPLS, IPSEC VPN, Cisco ZVPN, Cisco device hardening, IOS firewall features. This course may be taken four times. Transfer Credit: CSU

Drawing skills, life drawing, storytelling, mechanics of motion and animation camera techniques are covered. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C111 3.0 Units
3-D Simulation and Multimedia Using Maya and 3DS
Advisory: DGA C116A
This course teaches foundational animation skills such as 3D modeling, animation, rendering, compositing, visual effects, production, and performance skills. Hands-on training is emphasized. This course may be taken four times. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C116A 3.0 Units
Adobe Photoshop 1
The course will introduce basic tools and techniques to explore the graphic capabilities of Adobe Photoshop. Learn how selection and editing tools are used to manipulate graphics and photographs by duplicating, deleting, replacing, or changing image elements. Create original images and produce multi-layered graphics from existing photographs. Create eye catching display graphics, color correct, and retouch photos. No art background required. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C116B 3.0 Units
Adobe Photoshop 2
Advisory: DGA C116A
This project-based course will focus on the intermediate tools and techniques that expand the graphic capabilities of Adobe Photoshop. Learn how editing tools and actions are used to enhance images and retouch photographs by compositing, deleting, replacing, or changing image elements with filters, masks, channels, and paths. Create original images and produce multi-layered graphics for print and the web. No art background required. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C118A 3.0 Units
Introduction to Adobe Illustrator
This course is primarily designed for the student wishing to master the basics of Adobe Illustrator. Topics covered include the working environment using appropriate tools or filters for illustrations, expanded text techniques, special effects filters, stylized palettes, transformation tools, and preparing illustrations for the web. Create impressive illustrations utilizing features such as transparency, text, masking, and shadow & glow effects. Course is hands-on environment with lecture. No artistic background is required. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C118B 3.0 Units
Adobe Illustrator 2
Advisory: DGA C118A
This course is primarily designed for the student wishing to expand their basic knowledge and enhance their skills using Adobe Illustrator. Topics include using Illustrator's effect and appearance features, expanded text techniques, special effects filters, stylized palettes, transformation tools, and preparing illustrations for the web. Create impressive illustrations utilizing features such as transparency, text, masking, and shadow & glow effects. Course is hands-on environment with lecture. No artistic background is required. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C120 3.0 Units
Introduction to InDesign
This project-based course will introduce the basic tools and techniques to explore the graphic and type capabilities of Adobe InDesign. Learn how to import and edit text; create and manipulate styles, tables, and graphics; and use effects and blend modes to create multi-page documents, such as letterhead, tri-fold brochures, flyers, and booklets for print and the web. No art background required. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C121 3.0 Units
Introduction to Adobe Premiere
This project-based course will introduce the basic tools and techniques to explore the capabilities of Adobe Premiere in storytelling using video. Learn how to import and edit video and audio; create; and apply transitions, effects, and animations to create movies that can be exported in various formats. No art background required. Design and build rich internet applications using the consistent, industry standard, programming model found in ActionScript and Flash. Transfer Credit: CSU |
| DIGITAL GRAPHICS APPLICATIONS C168  | 1.5   | Introduction to Survey of Multimedia Entertainment  
This course will present a survey of the multimedia industry. It will focus on entry-level jobs and responsibilities, career paths, and the necessary skills for success. The regional differences in employment and types of projects and products will be explored. An introduction of the production processes from concept to publication will be researched and discussed. Transfer Credit: CSU |
| DIGITAL GRAPHICS APPLICATIONS C170 | 3.0   | Character Design  
Advisory: ART C121  
In this course, students will learn the principles of hand drawn character design as it pertains to the animation, comic book, feature film, and other multimedia entertainment industries. Transfer Credit: CSU |
| DIGITAL GRAPHICS APPLICATIONS C171 | 1.0   | Computer Programming with Alice  
Introduction to 2-D Animation  
The course will demonstrate the principles of traditional 2-D animation. Students will create animation using techniques such as acting, timing, staging, weight, and physics. The course places an emphasis on drawing skills. Work from different studios and productions will be explored. Transfer Credit: CSU |
| DIGITAL GRAPHICS APPLICATIONS C172 | 3.0   | Introduction to 3-D Animation  
Advisory: DGA C172  
In this course students will apply 2-D animation principles to a 3-D platform. Students are introduced to basic 3-D animation concepts such as applying key framing, camera control, and editing. Work from different studios and production will be explored. Transfer Credit: CSU |
| DIGITAL GRAPHICS APPLICATIONS C174 | 3.0   | Web Animation  
The course uses industry standard animation tools in which the principles of animation are developed for web animation. Students are expected to create one short webpage with sound of at least one minute in length using these tools. Transfer Credit: CSU |
| DIGITAL GRAPHICS APPLICATIONS C182 | 3.0   | Simulation Building  
Advisory: DGA C174  
Students will learn to apply basic design principles to the solution of visual problems using elements of 3-D design. The student will conceptualize his/her intended design concept into a 3-D environment. The use of primitive shape based design, 3-D coordinate systems and construction of 3-D models will be explored. Transfer Credit: CSU |
| DIGITAL GRAPHICS APPLICATIONS C184 | 3.0   | Interface Design  
Same as Informatics C184  
This course covers the basics of designing media using authoring software and creating animation, interactivity, and basic programming techniques. Emphasis is on interface design and development. Transfer Credit: CSU |
| ECOLOGY C100 | 3.0   | Human Ecology  
Provides students with an understanding of the biological implication of man's interplay with the planet. The course is focused on the biological prospects of the future as viewed by examining the biosphere and biogeochemical cycles. Future predictions and current topics will be analyzed in relationship to human computer/interface issues. Transfer Credit: CSU |
| ECONOMICS C110 | 3.0   | Contemporary Economic Issues and Problems  
(Formerly Economics C100)  
Provides an introduction to the basic tools and concepts of economic analysis with an emphasis of applying economic theory to current problems and issues. Topics include scarcity and decision making, supply and demand, and the effects of fiscal and monetary policy as applied to selected problems such as crime and drug control, pollution, taxation, Social Security, healthcare, poverty and income equality, and international trade. Transfer Credit: CSU, UC credit limitations. See counselor. |
This course examines and analyzes the economic problems of recession, unemployment and inflation. The focus of this investigation centers on business cycles, the measurement of output and income in the economy, the determination of the equilibrium level of national income, money creation and the banking system, monetary and fiscal policy options, international trade and finance and the effects of the public debt. The particular interactions of the domestic and international economies are studied throughout the course. Transfer Credit: CSU; UC

EDUCATION C101 0.5 Unit
Tutor Training

Learn strategies for effective tutoring. Discover how to motivate, foster independence, stimulate active learning, and build confidence in the learner. Identify factors that affect student learning such as language and cultural differences; learn how to handle difficult tutoring situations, and to identify different learning styles. Transfer Credit: CSU

EDUCATION C103 2.0 Units
Introduction to Computers in Education: Technology Proficiencies for Teachers 1
Corequisite: EDUC C104 may be taken at the same time.

Based on the Technology Standard for a California K-12 Preliminary Teaching Credential, this class focuses on the computer proficiencies that credential candidates are required to master before they can be issued a preliminary Multiple or Single Subject Credential. The curriculum and course represent a working partnership between the California Technology Assistance Project (CTAP), Region IX and Coast Community College District’s TEACH Program. Students will complete a portfolio in all the state mandated proficiencies and will receive certification as a Preliminary (Level I) Technology Proficient Educator. Letter Grade Only. Transfer Credit: CSU

EDUCATION C104 1.0 Unit
Introduction to Teaching and Learning in Diverse Contemporary Classrooms
Advisory: Eligibility for ENGL C100.

The course will address the qualities of an effective teacher, components and purposes of an effective professional portfolio, and critical issues in diverse contemporary classrooms. Students will initiate the development of a reflective practitioner workbook, begin their electronic professional portfolio, and learn about their own learning needs and styles. Learning outcomes are aligned to the California Standards for the Teaching Profession and associated teacher performance expectations. Ten hours of arranged fieldwork /observation included. Letter Grade Only. Transfer Credit: CSU; UC

EDUCATION C107 1.0 Unit
Introduction to Distance Learning
Advisory: BC C050 or basic computer skills.

Using the tools and systems of distance learning, students will develop skills that will enable them to successfully complete distance learning programs on their own in the future. This course is a 1.0 unit class that addresses the technical competencies and computer skills needed for distance learning success. Transfer Credit: CSU

EDUCATION C108 1.0 Unit
How to Succeed in Distance Learning
Advisory: EDUC C107 or equivalent experience with computer technology in a distance learning environment.

This course provides an orientation to the characteristics and processes of distance learning. Students will learn the meaning of key terms used in distance education. They will experience the differences between traditional classroom and distance learning courses. They will learn how to anticipate, avoid, and/or solve typical problems encountered in distance learning environments. In addition, students will learn practical strategies and skills that will help them succeed in online, television, CD-ROM, and hybrid classes. Transfer Credit: CSU

EDUCATION C121 2.0 Units
Expert Learning 1

This course focuses on students’ acquisition of expert learner skills in the areas of text comprehension and summarization, note-taking, test-taking, memory tools, graphic organizers, and time management. Transfer Credit: CSU

EDUCATION C122 2.0 Units
Expert Learning 2
Prerequisite: EDUC C121

This course focuses on students’ acquisition of expert learner skills in the areas of textbook reading and comprehension, note-taking, listening skills, and visual notes and study tools. Transfer Credit: CSU

EDUCATION C180 3.0 Units
Family/School/Community Partnerships

A course for prospective teachers about current family, school, and community partnership models and approaches that foster two-way partnerships with families and communities of diverse backgrounds. This course covers historical, legal, social, and political perspectives regarding educational access and equity for diverse student populations found in contemporary classrooms; students learn about building relationships with ethnically and linguistically diverse families and communities along with a focus on socialization, identity development, and the developing child in a societal context. Includes ten hours of arranged fieldwork/focused observations aligned with students’ area of interest (preschool, elementary, middle school, high school). Letter Grade Only. Transfer Credit: CSU

ELECTRONICS C101 3.0 Units
Introduction to Electronics with Computer Applications
Advisory: MATH C010

This class is an introduction to the field of Electronics. It is designed to familiarize the student with the fundamental equations, calculations, and numeric representations used by Engineers and Technicians. Topics covered will include understanding the range of magnitude of numbers (data) and their SI representation in Scientific and Engineering notation. Base conversion of numbers (hex to decimal). Analog to digital (A/D) and digital to Analog (D/A) conversion. Charting and Graphing of data and how to interpret data on different graphs (semi-log, log-log). Transfer Credit: CSU

<td>ELECTRONICS C104</td>
<td>Digital Computer Electronics</td>
<td>3.0</td>
<td>This class is a continuation of the digital logic portion of ELEC C101 and C102 (binary numbers, Logic gates AND / OR). It starts with an introduction to one-bit memory cells (Flip-Flops), comparators, ADDITION and 2's complement using discreet logic gates (XOR), decision making circuitry, sequential circuits, program counter, instruction sequencing. This class gives the student a “behind the scene look” at what makes every digital computer work. Transfer Credit: CSU</td>

<tr>
<td>ELECTRONICS C204</td>
<td>Semiconductor Devices and Circuits</td>
<td>4.0</td>
<td>The student will learn the characteristics of semiconductor devices including diodes, BJTs, and FETs. Biasing and DC and AC load-lines are presented in each of the three configurations -- CB/CG, CE/CS, and CC/CD, followed by analysis and design of amplifier circuits at mid-band with emphasis on input/output impedance and gain. Students learn to design and analyze diode and transistor circuits, simulate test results with a circuit simulation package. Transfer Credit: CSU</td>

<tr>
<td>ELECTRONICS C210</td>
<td>Analog Electric Circuit Analysis</td>
<td>4.0</td>
<td>Students will learn to write transfer functions of low, high, and band pass RC filters; phase lead and lag RC networks; and use complex conjugates to separate functions into gain-magnitude and phase components and sketch bode plots on semi-log axes. Write transfer functions of series and parallel RLC resonant circuits and plot their response. Determine h-parameters from device curves and convert them into small signal models to compute input/output impedance and gain. Work with four idealized forms of amplifiers -- VV, VI, IV, and II. Students learn to analyze passive RC, RC, and RLC circuits, simulate test results with EWB or PSpice, set-up test apparatus, and gather data and to prepare technical reports to professional standards. Transfer Credit: CSU</td>

<tr>
<td>ELECTRONICS C220</td>
<td>Advanced Digital Electronics</td>
<td>3.0</td>
<td>The student will use discrete integrated circuits, glue logic, TTL or CMOS to simulate then prototype or breadboard functional components from the ELEC C104 class such as Multiplexers, Adders, Shift registers, stacks. These components will be ported to Alerta PLDs and their operation verified. For the final project the student will construct a project from discrete components and PLDs then compare the operation / cost / complexity tradeoff in a final paper. Typical final projects in the past included Tic-Tac-Toe, a traffic signal, Pong, read/write a sequence of 1s and 0s to RAM. These projects will be converted again in ELEC C240 to run on a M68HC11 controller. Transfer Credit: CSU</td>

<td>Microcomputer Systems &amp; Assembly Programming</td>
<td>4.0</td>
<td>The student will learn to design, write, and debug programs in assembly and a subset of American National Standards Institute (ANSI) ’C’. The student will learn to download programs to the microcomputer after they have been converted on a host computer with an assembler or C compiler. The first few programs will duplicate some of the hardwired processes developed in the Advanced Digital Logic class then progress to more complex time dependant processes such as Temperature measurement, motor speed control, metering the flow of liquids. This class is the logical continuation of ELEC C104 and will rely on information learned in other electronics classes such as ELEC C204 and C210. Transfer Credit: CSU</td>
</tr>
<tr>
<td>ELECTRONICS C280</td>
<td>Basic Electrical Machines</td>
<td>4.0</td>
<td>This class will provide students with a broad understanding of modern electric power, where it comes from, how it is transmitted and how it is turned into useful work. The scope of the class reflects the rapid changes that have occurred in power technology over the past few years—allowing the entrance of power electronics into every facet of industrial drives, and expanding the field to open more career opportunities. EMERGENCY MANAGEMENT/ HOMELAND SECURITY

EMERGENCY MANAGEMENT C101 3.0 Units
Introduction to Emergency Management
This course introduces the student to the fundamental aspects of emergency management. It examines the roles and responsibilities of government and non-profit agencies when responding to disasters and emergencies with emphasis on man-made, natural, and technological events most likely to affect the United States. The course emphasizes the four concepts of emergency management: preparedness, mitigation, response, and recovery. Transfer Credit: CSU

EMERGENCY MANAGEMENT C102 3.0 Units
Introduction to Homeland Security
This introductory course explores the history, development, and organization of homeland security in the United States. It examines the roles and functions of the various components of the Department of Homeland Security and its relationship to state and local agencies. Topics include the threat of terrorism and countermeasures, the importance of the intelligence community, and how government systems can effectively prepare for and respond to security threats on American soil. Emphasis is placed on homeland security practices of the emergency manager. Transfer Credit: CSU

EMERGENCY MANAGEMENT C105 3.0 Units
(Formerly EMGT C100)
Emergency Preparedness
This course is designed for individuals from both the private and public sector who may be responsible for developing and implementing their organization's emergency planning guide. This course will identify steps of preparedness and the importance of community involvement, education, and disaster preparedness. Preparedness levels will include natural disaster, terrorism, incidents, and events. Transfer Credit: CSU

EMERGENCY MANAGEMENT C110 3.0 Units
Emergency Response
This course is designed for individuals from both the private and public sector who may be responsible for developing and implementing their organization's emergency response due to incidents and/or man-made occurrences. This course will introduce the Incident Command System, identify necessary capabilities for effective response, and demonstrate coordination between various levels of government and the private sector. The course will also demonstrate how to effectively transition between the normal and emergency operations. Transfer Credit: CSU

EMERGENCY MANAGEMENT C120 3.0 Units
Disaster Recovery
This course is designed for individuals from both the private and public sector who may be responsible for developing and implementing their organization's emergency recovery team during contingencies. The course will define and discuss short-term restoration and long-term recovery, discuss common restoration and recovery measures and activities and challenges related to this phase of emergency management, and identify recovery planning considerations and key elements of the recovery process. Transfer Credit: CSU

EMERGENCY MANAGEMENT C130 3.0 Units
Hazard Mitigation
This course is designed for individuals from both the private and public sector who may be responsible for developing and implementing their organization's hazard mitigation strategies. This course will review advanced concepts of mitigation, in both the pre and post disaster or man-made occurrence, with an emphasis on strategy development. Transfer Credit: CSU

EMERGENCY MANAGEMENT C140 3.0 Units
Crisis Response for Responders (CRR)
An introduction to crisis response for first responders of an emergency or significant incident or event. This course will assist those who are assisting people in the immediate aftermath of a disaster or other type of tragedy. Students will learn how to reduce initial stress, gather information, debrief, and produce an environment of connectedness to empower communities to heal in the recovery process. It is an organized approach to supporting emergency first responders who are involved in emergency operations under stress. The purpose of debrief is to mitigate long-term emotional trauma following the incident. Transfer Credit: CSU

EMERGENCY MANAGEMENT C150 3.0 Units
Crisis Management of Special Populations
This course discusses the challenges emergency responders face with individuals with special needs during a disaster or emergency. The course includes an overview of important issues and recommendations for solutions when establishing preparedness plans for individuals with special needs. Transfer Credit: CSU

EMERGENCY MANAGEMENT C160 3.0 Units
Introduction to Public Information Officer (PIO)
This course is a basic introduction to the role of a Public Information Officer (PIO). It is designed for those who are new to the field or have had limited exposure carrying out the role as a PIO as well as those students who have been assigned the position of PIO as an ancillary duty. The course emphasizes the basic skills and knowledge needed for emergency management PIO activities. Course topics will include the role of the PIO as well as composing press releases, public speaking, doing television interviews, and conducting awareness campaigns. Transfer Credit: CSU

EMERGENCY MANAGEMENT C283 3.0 Units
Work Based Learning
To enhance each Work Based Learning experience participant’s opportunity for success in the field of Emergency Management/Homeland Security by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student’s career or occupational goal in Emergency Management/Homeland Security. Transfer Credit: CSU
ENGLISH C001 0.5 Unit
Avoiding Sentence Errors
Prerequisite: A passing score on the Reading Test.
This course is designed to help students develop a powerful vocabulary. It addresses phonics, silent letters, plurals, words often confused, suffixes, special troublemakers, apostrophes, and dictionary use. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C002 0.5 Unit
Avoiding Punctuation Errors
Prerequisite: A passing score on the Reading Test.
This course is designed to help students master the basic rules of spelling. It addresses phonics, silent letters, plurals, words often confused, suffixes, special troublemakers, apostrophes, and dictionary use. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C003 0.5 Unit
Making Subjects and Verbs Agree
Prerequisite: A passing score on the Reading Test.
This course is designed to improve students' understanding of subject-verb agreement. In English, the two major forms of agreement are that between subject and verb and that between pronoun and antecedent. Students will learn how to identify and eliminate subject/verb and pronoun agreement errors. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C004 0.5 Unit
Choosing Words Correctly
Prerequisite: A passing score on the Reading Test.
This course is designed to improve students' word choice skills. Topics include synonyms, antonyms, homonyms, inappropriate and sensitive language, and commonly misspelled and confused words. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C005 0.5 Unit
Parts of Speech: A Review
Prerequisite: A passing score on the Reading Test.
This course is designed to improve students' understanding of the parts of speech. Topics include verbs, nouns, adjectives, prepositions, articles, conjunctions, and interjections. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C006 0.5 Unit
Pronouns: A Review
Prerequisite: A passing score on the Reading Test.
This course is designed to improve students' understanding of pronouns. Topics include personal pronouns, personal pronouns with ownership, other pronouns, reflexive pronouns, pronouns and gender, pronouns and number, the use of pronouns, possessive pronouns and adjectives, and making nouns and pronouns agree in sentences. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C007 0.5 Unit
Plurals and Possessives: What's the Difference?
Prerequisite: A passing score on the Reading Test.
This course is designed to improve students' understanding of, and the difference between, plurals and possessives. Topics include forming plurals, plurals with-s and es, unusual plurals, and irregular plurals; forming possessives; using apostrophes; using possessives and possessive pronouns and adjectives. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C008 0.5 Unit
Verb Forms: A Review
Prerequisite: A passing score on the Reading Test.
This course is designed to improve students' understanding of verb forms. Topics include two kinds of verbs, principal and auxiliary verbs; parts of verbs; verbs and verb tenses; verb recognition; regular and irregular verbs; and confusing verbs. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C009 0.5 Unit
Understanding the Writing Process
Prerequisite: A passing score on the Reading Test.
This course is designed to improve students' understanding of the writing process. Topics include brainstorming and prewriting, gathering information, planning and organizing, revising and editing, and giving and receiving feedback. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C010 0.5 Unit
Writing on the Job in the 21st Century
Prerequisite: A passing score on the Reading Test.
This course is designed to improve students' understanding of writing for the workplace. Topics include writing business forms, writing notes and short memos, writing directions, writing business letters, writing meeting documents, and writing reports. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C020 0.5 Unit
Basic Grammar
This is a basic grammar course covering sentence structure, parts of speech, punctuation, and syntax. Emphasis is placed on grammatical structure and correct usage. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C021 0.5 Units
College Spelling 1
First half of a beginning self-paced, programmed course designed to help students master the basic rules of spelling. It addresses phonics, silent letters, plurals, words often confused, suffixes, special troublemakers, apostrophes, and dictionary use. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C023 0.5 Unit
College Spelling 2
Prerequisite: ENGL C021
Second half of a beginning self-paced, programmed course designed to help students master the basic rules of spelling. It addresses phonics, silent letters, plurals, words often confused, suffixes, special troublemakers, apostrophes, and dictionary use. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C024 0.5 Unit
College Vocabulary 1
A beginning course designed to help students develop a powerful vocabulary. Students learn word usage and ways to build words using context clues, word derivatives, and prefixes and suffixes; they also learn how to correctly use a dictionary and thesaurus. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C025 0.5 Unit
College Vocabulary 2
Part two of a beginning course designed to help students develop a powerful vocabulary. Students learn word usage and ways to build words using context clues, word derivatives, and prefixes and suffixes; they also learn how to correctly use a dictionary and thesaurus. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C026 0.5 Unit
College Vocabulary 3
An intermediate course designed to help students develop a powerful vocabulary. Students learn word usage and ways to build words using context clues, word derivatives, and prefixes and suffixes; they also learn how to correctly use a dictionary and thesaurus. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C027 0.5 Unit
College Vocabulary 4
Part two of an intermediate course designed to help students develop a powerful vocabulary. Students learn word usage and ways to build words using context clues, word derivatives, and prefixes and suffixes; they also learn how to correctly use a dictionary and thesaurus. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C037 0.5 Unit
Study Skills
Corequisite: Must be enrolled in a college-level course
Learning to study is more important than acquiring bodies of information. In learning to study you are learning to think and live. Students will learn the meaning of study and the fundamental requirements of study, including concentrating, scheduling, reading, listening and note taking, memorizing, taking examinations, and actively putting one's knowledge to use. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C040 0.5 Unit
Reading Skills 1
Introduction to an individualized, self-paced, computerized reading program designed to develop reading skills in comprehension, main idea, context clues, facts, and details. (NOT APPLICABLE TO A.A. DEGREE)
ENGLISH C041 0.5 Unit
Writing Skills 1
Introduction to an individualized, self-paced, computerized writing program designed to improve or refresh basic writing skills for college placement exams or job placement. The student will complete a diagnostic assessment at the first session. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C050 0.5 Unit
Reading Skills 2
A beginning self-paced, computerized reading program designed to develop reading skills in comprehension, main idea, context clues, and facts and details, conclusions, judgments, and inferences. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C051 0.5 Unit
Writing Skills 2
A beginning individualized, self-paced, computerized writing program designed to improve or refresh basic writing skills for college placement exams or job placement. The student will complete a diagnostic assessment at the first session. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C060 0.5 Unit
Reading Skills 3
An intermediate self-paced, computerized reading program designed to develop reading skills in comprehension, main idea, context clues, and facts and details, conclusions, judgments, inferences, vocabulary, and critical thinking. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C061 0.5 Unit
Writing Skills 3
An intermediate self-paced, computerized writing program designed to improve or refresh basic writing skills for college placement exams or job placement. The student will complete a diagnostic assessment at the first session. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C070 0.5 Unit
Reading Skills 4
An advanced intermediate self-paced, computerized reading program designed to develop reading skills in comprehension, main idea, context clues, and facts and details, conclusions, judgments, inferences, vocabulary, and critical thinking skills. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C071 0.5 Unit
Writing Skills 4
An advanced intermediate self-paced, computerized writing program designed to improve or refresh basic writing skills for college placement exams or job placement. The student will complete a diagnostic assessment at the first session. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C080 0.5 Unit
English Assessment for Student Success
An individualized assessment course to determine current reading and writing skill levels. Emphasis will be on short term, computerized, prescriptive development in these two areas as preparation for the college English placement test or for pre-employment mastery of these skills. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C091 2.0 Unit
(Formerly ENGL C039)
Basic Reading 1
This course provides an individualized reading program designed to develop and improve basic reading skills in comprehension, main idea, facts and details, conclusions, judgments, inferences, vocabulary, and critical thinking. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C092 2.0 Unit
Basic Reading 2
Prerequisite: ENGL C091 or an appropriate score on the Reading Test
This course provides an individualized reading program designed to improve basic reading skills in comprehension, main idea, facts and details, conclusions, judgments, inferences, vocabulary, and critical thinking. Scanning and skimming techniques are introduced. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C094 2.0 Unit
Basic Reading 3
Prerequisite: ENGL C092 or an appropriate score on the Reading Test
This course provides an individualized reading program designed to improve basic reading skills in comprehension, main idea, facts and details, conclusions, judgments, inferences, vocabulary, and critical thinking. Scanning and skimming techniques are introduced, and extensive and intensive reading strategies are presented. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C095 2.0 Unit
Basic Reading 4
Prerequisite: ENGL C094 or an appropriate score on the Reading Test
This course provides an individualized reading program designed to improve basic reading skills in comprehension, main idea, facts and details, conclusions, judgments, inferences, vocabulary, and critical thinking. Scanning and skimming techniques are introduced, and extensive and intensive reading strategies are presented. Students will learn to identify, interpret, and use figurative language. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C096 2.0 Unit
Basic Reading 5
Prerequisite: ENGL C095 or an appropriate score on the Reading Test
This course provides an individualized reading program designed to improve basic reading skills in comprehension, main idea, facts and details, conclusions, judgments, inferences, vocabulary, and critical thinking. Scanning and skimming techniques are introduced, and extensive and intensive reading strategies are presented. Students will learn to identify, interpret, and use figurative language. Included are problem-solving methods, including verbal reasoning, comparative reasoning, ideological reasoning, empirical reasoning, and analyzing and evaluating evidence. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C097 3.0 Units
Basic Grammar and Writing
This basic grammar and writing course covers sentence structure, parts of speech, punctuation, syntax, unity, and paragraph structure. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C098 3.0 Units
Developmental Writing
Prerequisite: ENGL C097 or achieve a qualifying score on the English Placement Test
This basic grammar and writing course covers sentence structure, parts of speech, punctuation, syntax, and paragraph structure. Students will learn to write short unified paragraphs. Students will write various types of paragraphs as well as review the basics of paragraph writing, grammar and mechanics. (NOT APPLICABLE TO A.A. DEGREE)

ENGLISH C099 3.0 Units
Fundamentals of Composition
Prerequisite: ESL C160, ENGL C098 or a qualifying score on the English Placement Test
Students will analyze the writing process and composition principles with an emphasis on expository writing practice in extended paragraphs and essays. Students will also review grammar, sentence structure, and punctuation in order to express ideas clearly. This course is recommended preparation for English C100 (Freshman Composition).

ENGLISH C100 3.0 Units
Freshman Composition
Prerequisite: ENGL C099 or achieve a qualifying score on the English Placement Test
The basic principles and process of written composition will be applied through examinations and assigned essays. The process of choosing and shaping a thesis and writing an extended, well developed essay will be stressed. Practice in research and production of a research paper will be included. Letter grade only. Transfer Credit: CSU; UC

ENGLISH C102 3.0 Units
Critical Reasoning, Reading, and Writing
Prerequisite: ENGL C100
This course is designed to develop critical thinking, reading and writing skills beyond the level achieved in ENGL C100. This course focuses on critical thinking skills, close textual analysis and expository writing. Students apply critical thinking skills through readings derived from themes and works in various disciplines and cultural contexts, and also apply critical thinking skills in writing expository argumentative essays. Letter grade only. Transfer Credit: CSU; UC

ENGLISH C103 3.0 Units
Business English
English for careers focuses on real-world English skills that contribute to good workplace communication. It includes English principles you already know, those you learned in the past and forgot, and those you wish you had learned. Students study grammar, English usage, punctuation, spelling, vocabulary, and dictionary use from the businessperson’s viewpoint. Emphasis is placed on finding and correcting types of errors people make while speaking and writing. Transfer Credit: CSU; UC
ENGLISH C108 1.0 Unit
Information Competency and Library
How to use today’s information resources for success in education, career, and personal life. Course includes strategies for research and reports. Emphasis will be on identifying appropriate resources from the ever-expanding world of information, including print, electronic, World Wide Web, and other media. Transfer Credit: CSU; UC

ENGLISH C109 3.0 Units
Essay Writing
Prerequisite: ENGL C099, A099, or G099 or passing score on English Placement Test
The basic principles of written composition will be applied through examinations and assigned essays. The process of choosing and shaping a thesis and writing an extended, well-developed essay will be stressed. Students will write essays in different rhetorical modes. This course may transfer to the California State Universities only as an elective, not as fulfillment of the A2 requirement. It will transfer to private and out-of-state colleges and universities only as the first semester of a two-semester Freshman Composition requirement. Transfer Credit: CSU; UC

ENGLISH C111 3.0 Units
Composition and Literature
Prerequisite: ENGL C100 or ENGL C109
Composition and Literature An introduction to literature and further study of composition, emphasizing evaluation and analysis of various fictional genres: poetry, short stories, drama, etc. Students will write expository essays and short responses about selected pieces of literature and will write a research paper. Transfer Credit: CSU, UC

ENGLISH C133 3.0 Units
Beginning Fiction Writing
This course focuses on the study and practice of fiction writing, and it is appropriate for students who want to learn more about writing short stories and novels. Course work will emphasize foundational fiction techniques such as developing effective plots, characters, settings, scenes, and dialogue. This course may be taken four times. Transfer Credit: CSU

ENGLISH C135 3.0 Units
Business Writing
Prerequisite: ENGL C099, C103, or achieving qualifying score on English Placement Test

### FRENCH C285
### 4.0 Units
#### Intermediate French 2

**Prerequisite:** FREN C280 or C280B

Continuation of FREN C280, designed to develop further the student's ability to read, write, comprehend, and converse in daily spoken and written French as it is produced in France and in other francophone countries. The course emphasizes improvement of intermediate-level reading and writing proficiencies as the bases for improving speaking and listening skills and as the sources for enhancement of inter-cultural understanding. Transfer Credit: CSU; UC

### FRENCH C291
### 3.0 Units
#### Introduction to Methods in Translation and Interpretation in French

**Advisory:** Advanced competence in French.

Introduction to historical methodologies of and modern theories defining the practice of translation and interpretation in French, offering a multi-faceted foundation for the study of multi-lingual, multi-cultural presentations of information, as well as a context for studying strategies and an opportunity to use theoretical/research background in audiovisual, technical, commercial, legal, and literary domains. Transfer Credit: CSU; UC

## FRENCH C295
### 1.0 Unit
#### (Formerly French C290)

**Francophone Culture and Civilization**

**Prerequisite:** FREN C180

Survey of the arts, cultures, histories, economies, and civilizations of the varied areas comprising the francophone world, dating from before their contact with France and the French to the present time. The course will develop language competencies such as reading and writing and will enhance students’ listening and speaking skills, offering them practice in hearing and using forms of French commonly heard outside France. Authentic materials originating from francophone cultures will be used to stimulate group discussions on a variety of topics ranging from current events to global issues. Transfer Credit: CSU

## GEOGRAPHY

### GEOGRAPHY C100
### 3.0 Units
#### World Regional Geography

This course covers the physical and cultural features of various regions of the world. It examines the relationship between the physical environment and the cultural, political, and economic development of human societies, the reciprocal impact of human societies upon the environment, and current and potential world problems relating to geographic issues. Transfer Credit: CSU; UC

### GEOGRAPHY C180
### 3.0 Units
#### Physical Geography

This course examines the physical elements of geography with particular attention to the earth as a planet. Students will study the interactions between the atmosphere, biosphere, hydrosphere, and lithosphere, how these interactions create particular environments, and the impact of human actions upon earth's environments. Transfer Credit: CSU; UC

### GEOGRAPHY C185
### 3.0 Units
#### Cultural Geography

This course surveys the broad landscape of global cultures in terms of their spatial distributions and interactions. It focuses on how culture shapes physical spaces, how humans perceive these spaces, and how culture and place define people’s lives and identity. Transfer Credit: CSU; UC

## GEOLOGY

### GEOLOGY C105
### 3.0 Units
#### General Geology

A study of the composition and structure of the earth and the internal and external processes that modify the crust and the surface. Rock and mineral formation, geologic hazards, resource discovery, and uses will be covered. Transfer Credit: CSU; UC credit limitations. See counselor.

HISTORY
HISTORY C115 3.0 Units
Latin American History and Culture
This introductory course in Latin American history covers the Caribbean, Central America, and South America from pre-Columbian times to the present. It emphasizes the development of the cultures, social institutions, political forms, and economic structures of this region, including the complex interactions between Native American, African, and European societies and the significance of international political and economic connections. Transfer Credit: CSU

HISTORY C121 3.0 Units
(Formerly History C120)
History of American Women
The course will examine the traditional and developing roles of women in American history. Emphasis will be on the 19th century struggle to gain equal status legally, the struggle of the twentieth century woman to solidify and build on these gains, comparisons of the images developed through literature and mass media with the realities of women’s lifestyles and women’s contributions to economic, political and social change particularly in the twentieth century. Transfer Credit: CSU; UC

HISTORY C122 3.0 Units
Chicano History
This introductory course explores the role played by peoples of Mexican heritage in the development of the United States with a particular focus upon the Southwest. This class will evaluate the significance of Mexican/Latino culture, the status of Chicanos as a minority group within the U.S. society, and the struggles for civil rights. Transfer Credit: CSU; UC

HISTORY C124 3.0 Units
Vietnamese - American History and Culture
An introductory course on the history of the Vietnamese-American experience in the 20th century. This course will examine Vietnamese culture, the impact of foreign intervention on the Vietnamese, and finally migration and integration into the U.S. society. Transfer Credit: CSU

HISTORY C125 3.0 Units
Modern Iraqi History and Culture
An introductory course on the modern history of the Iraqi experience. This course will examine Iraqi culture, the impact of foreign intervention on Iraq, and 20th century historical developments. Topics will include the British Occupation, Sykes-Picot Treaty, World War II, Baathist politics, and conflict with the United States. The challenges of regional Middle Eastern politics, petroleum, and religious life will be studied, and connections to the present situation will be debated and analyzed. Transfer Credit: CSU

**HUMANITIES C100**

Introduction to the Humanities

A cultural survey of Western Civilization from its roots in prehistory to its influence throughout the world. Consideration of religious, intellectual, sociopolitical, and cultural values as they have influenced artistic expressions in specific historical periods. Transfer Credit: CSU; UC

**HUMANITIES C110**

Humanities through the Arts

A survey of cultural achievement as expressed through the art mediums of music, literature, drama, film, painting, sculpture and architecture. Emphasis will be on the history, techniques, interpretation, and evaluation of individual works of Western art. Transfer Credit: CSU; UC

**INFORMATICS C102**

Concepts of Programming Languages II

Prerequisite: INFM C111, C141, C142, C143, and C144; ICS C123 and C141; PHIL C115; ENGL C100; MATH C225 with a "C" or better grade.

In-depth study of major programming paradigms: imperative, functional, declarative, object-oriented, and aspect-oriented. Understanding the role of programming languages in software development and the suitability of languages in context, including domain-specific languages. Designing new languages for better software development support. Transfer Credit: CSU

**INFORMATICS C111**

Software Methods and Tools

Prerequisite: INFM C141, C142, C143, and C144; ICS C123; PHIL C115; ENGL C100; MATH C225 with a "C" or better grade.

Concepts and techniques of constructing software in a systematic fashion, including detailed design techniques, specifications, programming methods, quality-inducing procedures, development tools, team techniques, testing, estimation, and performance improvement. Laboratory work involves exercises to illustrate important concepts, methods, and tools. Transfer Credit: CSU

**INFORMATICS C113**

Requirements Analysis and Engineering

Prerequisite: INFM C111, C141, C142, C143, and C144; ICS C123 and C141; PHIL C115; ENGL C100; MATH C160 and C225 with a "C" or better grade.

Students learn the systematic process of developing requirements through co-operative problem analysis, representation, and validation. Develop techniques of software-intensive systems through successful requirements analysis techniques and requirements engineering. Transfer Credit: CSU
INFORMATICS C115 3.0 Units
Software Specification and Quality Engineering
Prerequisite: INFM C102, C111, C113, C141, C142, C143, and C144; ICS C123 and C141; PHIL C115; ENGL C100; MATH C160 and C225 with a “C” or better grade.

A hands-on course in preparing to produce high-quality software through the use of software specifications and other techniques. What constitutes software quality; how to specify it; how to plan for it; how to measure it; software specification; testing; and software process. Transfer Credit: CSU

INFORMATICS C121 3.0 Units
Software Design 1
Prerequisite: INFM C102, C111, C113, C131, C141, C142, C143, and C144; ICS C123 and C141; PHIL C115; ENGL C100; MATH C160 and C225 with a “C” or better grade.

An introduction to software and design principles, paradigms, tools, and techniques. Topics include alternative and architectural styles, iterative refinement, and design patterns, mapping design onto code, design tools, and design notations. The course includes extensive practice in creating designs and in the study of existing designs. Transfer Credit: CSU

INFORMATICS C131 3.0 Units
Human Computer Interaction
An introduction to human-computer interaction with an emphasis placed on user interface design. Students learn about Human Computer Interaction (HCI) theory, guidelines for effective interface design, and the evaluation of user interfaces. Transfer Credit: CSU

INFORMATICS C132 3.0 Units
Project in Human Computer Interaction and User Interfaces
A project based course in which students, working in teams, will design and implement new software/web based systems, paying particular attention to human computer interface issues. Transfer Credit: CSU

INFORMATICS C141 4.0 Units
Informatics Core Course I
Fundamental concepts of computer software design and construction that includes data, algorithms, functions, and abstractions. Overview of computer systems: data representation, architectural components, operating systems, and networks. Introduction to information systems: parties involved architectural alternatives, usability, and organizational and social concerns. Transfer Credit: CSU

INFORMATICS C142 4.0 Units
Informatics Core Course II
Advisory: INFM C141
This course introduces object-oriented programming concepts and techniques classes, objects, inheritance, interfaces, formal languages, automata, and Java programming language. It introduces additional data structures (hash tables and balanced trees) and explores the basis for making tradeoffs and design decisions among alternative data structures and implementations. Transfer Credit: CSU

INFORMATICS C143 4.0 Units
Informatics Core Course III
Advisory: INFM C141 and C142
This course describes the development process for large-scale software systems, explores the tools and techniques available to facilitate development and enhance quality, and provides students with the opportunity to apply these tools and techniques to a problem of significant size. Transfer Credit: CSU

INFORMATICS C144 1.0 Unit
Seminar in Informatics Research Topics
Advisory: INFM C141, C142, and C143.
This seminar course explores the current research topics in Informatics. Experts, faculty members, and student team present specific topics related to software/interface design, programming and interface design. Transfer Credit: CSU

INFORMATICS C168 1.5 Units
Introduction/Survey of Multimedia Entertainment
This course will present a survey of the multimedia industry. It will focus on entry-level jobs and responsibilities, career paths, and the necessary skills for success. The regional differences in employment and types of projects and products will be explored. An introduction of the production processes from concept to publication will be researched and discussed. Transfer Credit: CSU

INFORMATICS C171 1.0 Unit
Computer Programming with Alice
This course introduces both majors and non-majors to the concepts and topics of computer and simulation programming. Students will develop algorithmic thinking and abstraction through the use of a 3-D animation programming environment. This course is designed for beginning programmers, and web developers who need to understand object oriented concepts. Transfer Credit: CSU

INFORMATICS C176 3.0 Units
Web Animation
The course uses industry standard animation tools in which the principles of animation are developed for web animation. Students are expected to create one short webpage with sound of at least one minute in length using these tools. Transfer Credit: CSU

INFORMATICS C182 3.0 Units
Simulation Building
Advisory: DGA C174
Students will learn to apply basic design principles to the solution of visual problems using elements of 3-D design. The student will conceptualize his/her intended design from concept into a 3-D environment. The use of primitive shape based design, 3-D coordinate systems and construction of 3-D models will be explored. Transfer Credit: CSU

INFORMATICS C184 3.0 Units
Interface Design
Same as DGA C184
This course covers the basics of designing media using authoring software and creating animation, interactivity, and basic programming techniques. Emphasis is on interface design and development. Transfer Credit: CSU

INFORMATICS C185 3.0 Units
Interface Design Project
Advisory: INFM C184
Students, working in teams, will design and implement a multimedia entertainment software system, paying particular attention to human computer/interface issues. Transfer Credit: CSU

INFORMATION AND COMPUTER SCIENCE
(ALSO, SEE COURSES LISTED UNDER COMPUTER INFORMATION SCIENCE)

INFORMATION AND COMPUTER SCIENCE C1233.0 Units
Fundamental Data Structures
Prerequisite: INFM C141 and C142, PHIL C115; ENGL C100 with a “C” or better grade.
An introduction to computer science that is primarily concerned with the topic of data structures: what various ones are and how they are used, and the pros and cons, in terms of execution time and memory usage, of choosing one over another. Transfer Credit: CSU; UC

INFORMATION AND COMPUTER SCIENCE C1413.0 Units
Concepts of Programming Languages 1
Prerequisite: INFM C141, C142, and C144; ICS C123; PHIL C115; ENGL C100 with a “C” or better grade.
Explore a broad range of approaches to programming, the technical principles and characteristics of different programming languages, and the issues that programming language designers must consider. Transfer Credit: CSU; UC

ITALIAN

ITALIAN C180 5.0 Units
Elementary Italian I
Advisory: Students who have completed two years of high school Italian with a grade of “C” or better should enroll in ITAL C185 or ITAL C185A.
Beginning course designed to develop students’ fundamental ability to both comprehend and converse in daily spoken Italian. The course emphasizes listening, speaking, reading and writing skills, and introduces basic aspects of the life and culture of Italy. Transfer Credit: CSU; UC credit limitations. See counselor.

ITALIAN C180A 2.5 Units
Elementary Italian I A
Advisory: Students who have completed two years of high school Italian with a grade of “C” or better should enroll in ITAL C185.
Beginning course designed to develop student’s fundamental ability to both comprehend and converse in daily spoken Italian. The course emphasizes listening, speaking, reading and writing skills, and introduces basic aspects of the life and culture of Italy. Equivalent to the first half of ITAL C180. Transfer Credit: CSU; UC credit limitations. See counselor.
ITALIAN C180B 2.5 Units
Elementary Italian 1B
Prerequisite: ITAL C180A
Second half of beginning course designed to develop students’ fundamental ability to both comprehend and converse in daily spoken Italian. The course emphasizes listening, speaking, reading and writing skills, and introduces basic aspects of the life and cultures of Italy. Equivalent to the second half of ITAL C180. Transfer Credit: CSU; UC Credit Limitations, See counselor.

ITALIAN C182 1.0 Unit
Conversational Italian
Prerequisite: ITAL C180 or C180B
Conversational course in Italian designed to promote comprehension, build vocabulary and review specific grammar points through readings and oral exercises. Transfer Credit: CSU

ITALIAN C185 5.0 Units
Elementary Italian 2
Prerequisite: ITAL C180 or C180B
Continuation of ITAL C180 or C180B, emphasizing acquisition of proficiency in listening comprehension, fluency in speaking, and competence in writing and reading. Cultural traditions including an introduction to Italian folkways, arts, architecture, literature, drama, dance, geography, history, government, and religions will be emphasized. Transfer Credit: CSU; UC Credit Limitations, See counselor.

ITALIAN C185A 2.5 Units
Elementary Italian 2A
Prerequisite: ITAL C180 or C180B
A continuation of elementary level coursework, augmenting basic skills in reading, speaking, understanding, and writing simple Italian. ITAL C185A is equivalent to the first half of ITAL C185, the second level of elementary Italian language studies. Transfer Credit: CSU; UC Credit Limitations, See counselor.

ITALIAN C185B 2.5 Units
Elementary Italian 2B
Prerequisite: ITAL C185A
Advanced elementary course in speaking, listening, reading, and writing Italian to achieve simple competence in production, perception, and comprehension. Study of grammar, vocabulary, pronunciation, literature, the media, customs, and culture of Italy. Practice of writing using Italian stylistics. Transfer Credit: CSU; UC Credit Limitations, See counselor.

ITALIAN C280 4.0 Units
Intermediate Italian 1
Prerequisite: ITAL C185 or C185B with a grade of “C” or better.
Continuation of ITAL C185 or C185B, with further development of language skills at the intermediate level and exploration of cultures related to the Italian language. Additional emphasis on reading and writing, with an introduction to selected literary works.

ITALIAN C285 4.0 Units
Intermediate Italian 2
Prerequisite: ITAL C280 with a grade of “C” or better.
Continuation of ITAL C280, with further refinement of language skills at the intermediate level and investigation of cultures related to the Italian language in preparation for higher level specialized work.

JAPANESE C180 5.0 Units
Elementary Japanese 1
Advisory: Students who have completed two years of high school Japanese with a grade of “C” or better should enroll in JAPN C185 or C185A.
This course is designed to develop the student’s fundamental ability to both comprehend and converse in daily spoken Japanese. Early reading and writing skills are introduced, as well as the Japanese customs and culture. Transfer Credit: CSU; UC Credit Limitations, See counselor.

JAPANESE C180A 2.5 Units
Elementary Japanese 1A
Advisory: Students who have completed two years of high school Japanese with a grade of “C” or better should enroll in JAPN C185 or C185A.
This course is designed to develop the student’s fundamental ability to both comprehend and converse in daily spoken Japanese. Early reading and writing skills are introduced, as well as Japanese customs and culture. JAPN C180A is equal to the first half of JAPN C180. Transfer Credit: CSU; UC Credit Limitations, See counselor.

JAPANESE C180B 2.5 Units
Elementary Japanese 1B
Advisory: Students who have completed two years of high school Japanese with a grade of “C” or better should enroll in JAPN C185 or C185A.
This course reviews and expands the student’s fundamental ability developed in introductory elementary Japanese to comprehend and converse in daily spoken Japanese. Reading and writing skills are strengthened. An introduction to Japanese customs and culture is continued. JAPN C180B is equal to the second half of JAPN C180. Transfer Credit: CSU; UC Credit Limitations, See counselor.

JAPANESE C185 5.0 Units
Elementary Japanese 2
Prerequisite: JAPN C180 or C180B
Advanced beginning course continuing JAPN C180 or C180B emphasizing listening, speaking, grammar, reading, comprehension, writing skills in elementary Japanese and introducing features of the history, life, and culture of Japan through readings, discussions, audio cassettes, and video presentations. Transfer Credit: CSU; UC Credit Limitations, See counselor.

JAPANESE C285 4.0 Units
Intermediate Japanese 2
Prerequisite: JAPN C180 or C180B
Advanced beginning course continuing JAPN C180 or C180B emphasizing listening, speaking, grammar, reading, comprehension, writing skills in elementary Japanese and introducing features of the history, life, and culture of Japan through readings, discussions, audio cassettes, and video presentations. Transfer Credit: CSU; UC Credit Limitations, See counselor.

JAPANESE C285A 2.5 Units
Elementary Japanese 2A
Prerequisite: JAPN C185A or equivalent competency.
Advanced beginning course continuing JAPN C185A emphasizing listening, speaking, grammar, reading, comprehension, writing skills in elementary Japanese and introducing features of the history, life, and culture of Japan through readings, discussions, audio cassettes, and video presentations. JAPN C285B is equal to the second half of JAPN C185. Transfer Credit: CSU; UC credit limitations. Transfer Credit: CSU

LEARNING SKILLS

LEARNING SKILLS C921 0.0 Units
Supervised Tutorial Services Attendance
This course provides tutorial assistance to students requesting educational support to increase student success. Permission to register will be given at the Student Success Center.

LEGAL ASSISTANT
(SEE PARALEGAL STUDIES)

LIBRARY/INFORMATION SCIENCE

LIBRARY/INFORMATION

LIBRARY C110 2.0 Units
Library Research and Information Competency
Use current information resources and tools for success in education, career, and personal life. Course includes strategies for research and reports. Emphasis will be on identifying appropriate resources from the ever-expanding world of information, including print, electronic, Internet, and other media. Transfer Credit: CSU, UC

ENGLISH C108 1.0 Unit
Information Competency and Library
How to use today’s information resources for success in education, career, and personal life. Course includes strategies for research and reports. Emphasis will be on identifying appropriate resources from the ever-expanding world of information, including print, electronic, World Wide Web, and other media. Transfer Credit: CSU, UC
**LINGUISTICS**

**LINGUISTICS C100 3.0 Units**

Introduction to Linguistics
Introduction to the study of human language and systems of communication, providing a theoretical basis for practical applications, such as diagnosis and treatment of language disorders, planning of “language arts” curricula, fights against illiteracy, learning of foreign language and acquisition of native tongues, and the development of computerized speech products. Human language will also be examined as a special form of communication, within the context of other human and non-human signing systems. Transfer Credit: CSU; UC

**MANAGEMENT AND SUPERVISION**

**MANAGEMENT AND SUPERVISION C100 3.0 Units**

Business Organization and Management
Business Organization and Management is a course designed to provide a comprehensive review of the role of management in the current business environment. Students will be introduced to the terminology, theories, and principles that make up the core of business management. The 21st Century workplace is undergoing dramatic changes. Organizations are reinventing themselves for speed, efficiency, and flexibility and are creating a strategic advantage with customer-focused leadership. Teams are becoming the basic organizational building block with increased emphasis on employee participation and empowerment. Transfer Credit: CSU

**MANAGEMENT AND SUPERVISION C101 3.0 Units**

Management and Employee Communication
Management and Employee Communication is designed to provide communication strategies on working in the supervisory and management roles and responsibilities in today’s rapidly changing workplace environments. Topics include development of speaking, listening, and writing skills for managers/supervisors, consistent with good human relations, leadership, and problem solving principles. The course content emphasizes memos and letters, reports, career communications, oral communication, global and multicultural issues, legal and ethical situations, and communication technology. Transfer Credit: CSU

**MANAGEMENT AND SUPERVISION C102 3.0 Units**

Human Relations
The course explores the influence of individual differences, interpersonal dynamics, and culture on human relations. Its focus is on learning to apply the principles of social science as a business management skill, and to improve working relationships and the ability to deal with a variety of people and situations. Students will learn how to utilize problem solving, critical thinking, and human relations skills to become effective supervisors and managers in today’s business environment. Transfer Credit: CSU

**MANAGEMENT AND SUPERVISION C104 3.0 Units**

Human Resource Management
This course focuses on human resource management skills used by business managers in day-to-day operations to ensure individuals are treated with accordance to the state and the federal law. While focusing on the different aspects of human resource management and practices, problem solving, and critical thinking skills that are applied by people who are seeking to become an effective supervisors and managers in today’s workplace environments. Transfer Credit: CSU

**MANAGEMENT AND SUPERVISION C144 3.0 Units**

Introduction to Leadership
An introductory participative course designed for individuals wanting to improve their current leadership and management skills. Emphasis is on assessing leadership skills; analyzing management styles; evaluating interactions among leaders, followers, and situations, communicating within groups; reducing conflicts; setting goals; delegating tasks; utilizing parliamentary procedure; and conducting effective meetings through the Student Advisory Council. Transfer Credit: CSU

**MANAGEMENT AND SUPERVISION C145 3.0 Units**

Personal Leadership
Advisory: MS C144
A participative course designed for individuals wanting to improve their current leadership and management skills. Topics include knowing what leadership is, challenging the process, inspiring a shared vision, enabling others to act, modeling the way, recognizing contributions and accomplishments, and becoming a caring and effective leader through the Student Advisory Council. Other topics include evaluating personal leadership and management skills, solving problems creatively, communicating supportively, gaining power and influence, managing conflict, and motivating others. Transfer Credit: CSU

**MANAGEMENT AND SUPERVISION C150 3.0 Units**

Organizational Leadership
Advisory: MS C144 and C145
An introductory participative course designed for individuals wanting to improve their current leadership and management skills. Topics include reviewing leadership myths and communication realities, studying the different phases of group development, analyzing the various task and social dimensions within groups, evaluating both competitive and cooperative group climates, and moving from defensive to supportive group environments. Additional topics include evaluating leadership roles within groups, analyzing defective and effective decision making and problem solving techniques, reviewing power and conflict management strategies, handling difficult people, and becoming an effective leader through the Student Advisory Council (student government). Transfer Credit: CSU

**MANAGEMENT AND SUPERVISION C151 3.0 Units**

(Formerly Leadership C155)
Organizational Leadership
Advisory: MS C144, C145, and C150
A participative course designed for individuals wanting to improve their current leadership and management skills. Topics include assessing the connection between leadership and communication; comparing various communication styles and leadership approaches; and analyzing the similarities and differences among leadership, power, influence, and motivation. Additional topics include evaluating leadership characteristics and qualities within individuals, small groups, and large organizations. Students practice their creative leadership skills through the Student Advisory Council (student government). Transfer Credit: CSU

**MANAGEMENT AND SUPERVISION C171 3.0 Units**

Principles of Supply Chain Management
The Principles of Supply Chain Management encompasses purchasing, operations, logistics activities, and explains how these aspects of supply chain activity are accomplished effectively and efficiently. The course follows a natural flow through the supply chain, demonstrating the practical applications of supply chain management in the workplace. Transfer Credit: CSU

**MANAGEMENT AND SUPERVISION C172 3.0 Units**

Supply Chain Operations
Supply Chain Operations provides a strong foundation and solid understanding of key supply chain processes. Topic highlights include supply chain strategy development; process evaluation and design; and planning, control, and scheduling with a focus on value-added approaches to link suppliers, the organizations and customers. Strategic and operational issues are covered with an emphasis on tools and techniques. Transfer Credit: CSU

**MANAGEMENT AND SUPERVISION C174 3.0 Units**

Purchasing and Procurement
Purchasing and Procurement provides contextual insight and knowledge into the strategies, processes, and practices of purchasing. Topics include supplier integration, evaluation, cost analysis, negotiations, contracts, managing inventory and information, e-systems, and sourcing and supply measurement and evaluation. Transfer Credit: CSU

**MANAGEMENT AND SUPERVISION C176 3.0 Units**

Supply Chain Logistics Management
Supply Chain Logistics Management provides a strategic focus that blends logistics theory with practical applications showing how all the pieces fit together. Topics include logistics management, operations, design, administration, and changes in the way business is being conducted. Emphasis is on relating current technology developments to supply chain managerial concepts and logistical practices. Transfer Credit: CSU
Course Descriptions 110

**Management and Supervision C283 3.0 Units**

**Work Based Learning**

Prerequisite: Be employed or volunteer in a field related to Management and Supervision for 5 hours per week per 1.0 unit of Work Based Learning.

Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.

To enhance each Work Based Learning participant's opportunity for success in the field of Management and Supervision by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student's career or occupational goal in Management and Supervision. This course may be taken four times. Transfer Credit: CSU

**Management and Supervision C284 4.0 Units**

**Work Based Learning**

Prerequisite: Be employed or volunteer in a field related to Management and Supervision for 5 hours per week per 1.0 unit of Work Based Learning.

Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.

To enhance each Work Based Learning participant's opportunity for success in the field of Management and Supervision by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student's career or occupational goal in Management and Supervision. This course may be taken four times. Transfer Credit: CSU

**Marine Science**

**Marine Science C100 3.0 Units**

**Introduction to Marine Science**

A general study of the marine environment. Examines the chemical, biological and geological properties of the sea, the sea as a natural resource and its geo-political and economic impact. Transfer Credit: CSU; UC

**Marine Science C100L 1.0 Unit**

Marine Sciences Oceanography Laboratory

Corequisite: MRSC C100 or taken previously.

An orientation to marine science research process, techniques, equipment, institutions, and training/education centers. Investigations of physical and chemical properties of the sea, conditions of the air/sea/land interface, review of biological taxonomy and classification, study of longitude, latitude, ocean basin geography and geology. Evaluation of the sea as a physical, chemical biological and recreational resource. Analyses of human efforts to control pollution manage fisheries and monitor the ocean world. Transfer Credit: CSU

**Marine Science C105 4.0 Units**

**Marine Biology**

Prerequisite: MRSC C100

A study of the marine environment, interaction of species, populations, and communities. Taxonomy of marine plants and animals through invertebrates, fish, reptiles, birds, and mammals. Transfer Credit: CSU; UC

**Mass Communications**

**Mass Communications C100 3.0 Units**

**Introduction to Mass Communications**

A study and analysis of the major media: newspapers, magazines, radio, and television covering how they function and affect society. Transfer Credit: CSU; UC

**Mass Communications C140 3.0 Units**

**Public Relations**

Overview and analysis of the management of publicity using the media as a vehicle to persuade and influence groups of people through effective organizational communications. Various examples of successful campaigns will be examined in addition to historical events and contemporary publicity. Transfer Credit: CSU; UC

**Mass Communications C150 3.0 Units**

**Introduction to Radio, TV, Film**

Overview and analysis of the radio, TV, and film industries in the U.S. with emphasis on the historical, cultural, and technical functions of each medium. Broadcast advertising, audience ratings, broadcast law and regulations are also explored in addition to the impact of global broadcasting, cable TV, the Internet, and satellite technologies. Transfer Credit: CSU

**Mathematics**

**Mathematics C004 0.5 Unit**

**Math Skills 1**

An individualized, self-paced, computerized math program designed to develop, improve, or refresh math skills for college placement exams, job placement, or general math usage. The student will complete a diagnostic assessment at the first session. (NOT APPLICABLE TO A.A. DEGREE)

**Mathematics C005 3.0 Units**

**Beginning Mathematics**

Advisory: Take Math placement test.

Fundamental operations of arithmetic including operations on whole numbers, fractions, decimals, percents, and descriptive statistics, geometry, and consumer applications. (NOT APPLICABLE TO A.A. DEGREE)

**Mathematics C006 0.5 Units**

**Math Skills 2**

An intermediate self-paced, computerized math program designed to develop, improve, or refresh math skills for college placement exams, job placement, or general math usage. The student will complete a diagnostic assessment at the first session. (NOT APPLICABLE TO A.A. DEGREE)

**Mathematics C007 3.0 Units**

**Business Mathematics**

Business Mathematics provides a practical, up-to-date coverage of widely-used topics in business including basic math, bank services, payroll, discounts and markups, simple and compound interest, stocks and bonds, consumer loans, taxes and insurance, depreciation, financial statements, and business statistics. (NOT APPLICABLE TO A.A. DEGREE)

**Mathematics C008 3.0 Units**

**Pre-Algebra**

Prerequisite: MATH C005 or MATH C007 with a grade of “C” or better or achieve qualifying score on Math placement test.

Introduction to algebraic expression and linear equations with an emphasis on the arithmetic of integers, fractions, decimal numbers, and rules of exponents. Applications include ratios, percentages, and graphs. (NOT APPLICABLE TO A.A. DEGREE)

**Mathematics C010 4.0 Units**

**Elementary Algebra**

Prerequisite: MATH C008 with a grade of “C” or better or achieve qualifying score on Math placement test.

Numerical and algebraic operations, number systems, linear and quadratic equations/inequalities, polynomials, factors, roots and exponents, and applications.

**Mathematics C020 3.0 Units**

**Plane Geometry**

Prerequisite: MATH C010 with a grade of “C” or better or achieve qualifying score on Math placement test.

Construction, congruence, proof, geometric inequalities, parallel lines, perpendicular lines, planes, coordinate geometry, circles and similarity.

**Mathematics C030 4.0 Units**

**Intermediate Algebra**

Prerequisite: MATH C010 with a grade of “C” or better or achieve qualifying score on Math placement test.

Review of elementary algebra, linear and quadratic equations, curve plotting, exponents, radicals, polynomials, systems of equations/inequalities, nonlinear equations, logarithmic and exponential functions, complex numbers, and applications.

**Mathematics C070 5.0 Units**

**Intermediate Algebra and Trigonometry**

Prerequisite: MATH C010 with a grade of “C” or better, or achieve qualifying score on Math placement test.

Advisory: MATH C020 with a grade of “C” or better.

Topics covered will be functions, linear and quadratic equations curve sketching, exponents, rational expressions, exponential functions, logarithms, systems of equations, determinants, Cramer’s rule, conic sections, trigonometric and inverse trigonometric triangles, and complex numbers. This is an intense and fast-paced course designed for students intending to continue into pre-calculus.

**Mathematics C080 0.5 Unit**

**Math Assessment for Student Success**

An individualized assessment course to determine current math skill level. Emphasis will be on short term, computerized, prescriptive development in math as preparation for the college math placement test or for pre-employment mastery of math. (NOT APPLICABLE TO A.A. DEGREE)
MATH 100 — Liberal Arts Mathematics
3.0 Units
Prerequisite: MATH C030 with a grade of "C" or better or achieve qualifying score on Math placement test.
This course will focus on the mathematics involved in current issues, topics and applications that directly affect students' lives. Topics may include personal finance, environmental issues, the social sciences, politics and voting, business and economics, graph theory, fractals, art, and music. Transfer Credit: CSU
MATH 103 — Statistics for Elementary Teachers
3.0 Units
Prerequisite: MATH C030 with a grade of "C" or better or achieve qualifying score on Math placement test.
This course is designed for prospective teachers. It is an activity-based exploration of statistics aligned with the California State Mathematics Standards for K-12. Topics include data representation and analysis, randomization and sampling, measures of central tendency and dispersion, hypothesizing, and statistical inference. Letter Grade Only. Transfer Credit: CSU
MATH 104 — Mathematics for Elementary Teachers
3.0 Units
Prerequisite: MATH C030 with a grade of "C" or better or achieve qualifying score on Math placement test.
This course will build fluency and understanding of basic mathematical concepts and develop reasoning, problem-solving, and communicating skills. The course involves using technology, participating in group work and projects, and observing and/or teaching in local elementary schools. Topics covered include whole numbers, integers, rational numbers, real numbers, number theory, ratio, and proportion. Letter Grade Only. Transfer Credit: CSU; UC
MATH 106 — Liberal Arts Mathematics
3.0 Units
Prerequisite: MATH C030 with a grade of "C" or better or achieve qualifying score on Math placement test.
This course will focus on the mathematics involved in current issues, topics and applications that directly affect students' lives. Topics may include personal finance, environmental issues, the social sciences, politics and voting, business and economics, graph theory, fractals, art, and music. Transfer Credit: CSU
MATH 115 — College Algebra
4.0 Units
Prerequisite: MATH C030 with a grade of "C" or better or achieve qualifying score on Math placement test.
Basic concepts of algebra, equations and inequalities along with functions and graphs, polynomial and rational functions, exponential and logarithmic functions, systems, matrices and determinants, linear programming, conic sections, sequences, series, and combinatorial. Transfer Credit: CSU; UC
MATH 120 — Trigonometry
3.0 Units
Prerequisite: MATH C030 with a grade of "C" or better or achieve qualifying score on Math placement test.
Advisory: MATH C020
Circular functions, trigonometric identities and graphs, inverse functions, triangles, vectors, applications, and imaginary and complex numbers. Transfer Credit: CSU
MATH 140 — Business Calculus
4.0 Units
Prerequisite: MATH C115 or C170 with a grade of "C" or better or achieve qualifying score on Math placement test.
For Business, Management, and Social Science majors. Functions, graphs, limits, continuity, derivatives, integrals of exponential and logarithmic functions, the Chain Rule, multivariable functions, differential equations, and applications. Transfer Credit: CSU; UC
MATH 150 — Finite Mathematics with Applications
4.0 Units
Prerequisite: MATH C030 with a grade of "C" or better or achieve qualifying score on Math placement test.
Topics include sets, logic, number bases, number theory, mathematical systems, equations, graphs, probability, statistics, matrices, Markov chains, and game theory, with applications. Transfer Credit: CSU; UC
MATH 160 — Introduction to Statistics
4.0 Units
Prerequisite: MATH C030 with a grade of "C" or better or achieve qualifying score on Math placement test.
Topics covered include collecting of data, sampling, probability, hypothesis testing, analyzing of variance, nonparametric testing, and correlating for application in the natural sciences, social sciences, business, and management. Use of statistical technology will be introduced. Transfer Credit: CSU; UC
MATH 170 — Precalculus
5.0 Units
Prerequisite: MATH C120 with a grade of "C" or better or achieve a qualifying score on Math placement test.
Topics include algebra review, complex numbers, sequences and series, integrals of exponential and logarithmic, and trigonometric and inverse functions, vectors, analytic geometry, linear systems, matrices, elementary theory of equations, and polar coordinates. This course is designed for those students planning to study calculus. Transfer Credit: CSU; UC
MATH 180 — Calculus 1
5.0 Units
Prerequisite: MATH C120 or C170 with a grade of "C" or better or achieve a qualifying score on Math placement Test.
A first course in the calculus sequence. It satisfies the requirement for majors in mathematics, science, or engineering. Topics include limits, derivatives of algebraic and transcendental functions, applications of derivatives, indefinite integrals, definite integrals, the Fundamental Theorem of Calculus, and applications of integration. Transfer Credit: CSU; UC credit limitations. See counselor.
MATH 185 — Calculus 2
5.0 Units
Prerequisite: MATH C180 with a grade of "C" or better or achieve a qualifying score on Math placement test.
Second course in the calculus sequence. It satisfies the requirement for majors in mathematics, science, or engineering. Topics include techniques and applications of integration, calculus applied to parametric curves and polar curves, analytic geometry, sequences, series, and an introduction to differential equations. Transfer Credit: CSU; UC
MATH 280 — Introduction to Linear Algebra and Differential Equations
5.0 Units
Prerequisite: MATH C180 with a grade of "C" or better.
Introduction to linear algebra and differential equations, matrices, determinants, eigenvectors and eigenvalues, inverse and implicit function theorems, linear methods and numerical methods, Fourier series, and Laplace transforms Transfer Credit: CSU; UC
MUSIC 100 — History and Appreciation of Music
3.0 Units
The study of the major genres, forms, styles, and periods of musical history since the Middle Ages with an emphasis on listening with an increased awareness of the musical material of the composers and characteristics of each period. Transfer Credit: CSU; UC
MUSIC 103 — World Music
3.0 Units
This course will give the student an appreciation of the elements of music through recorded or performed examples from each of the continents of the world. Emphasis is given to the music of the Americas, Asia, and Africa, and the folk music of Europe, as well as the primary composers of the Western classical tradition. Transfer Credit: CSU
MUSIC 130 — Beginning Guitar
2.0 Units
Prerequisite: Must have own acoustic or electric guitar.
For the beginning player, or a player with no prior professional instruction. Studies include basic chord forms, scales and music theory. Focus is on music styles of the last 40 years and is very “rock” oriented. Students learn songs of their choice as part of the curriculum. Student must provide own acoustic or electric guitar. Daily practice is necessary for satisfactory progress. This course may be taken four times. Transfer Credit: CSU; UC
MUSIC C131 2.0 Units
Intermediate Guitar
Prerequisite: Must have own acoustic or electric guitar.
Advisory: MUS C130
Continuation of MUS C130 or placement at instructor's discretion. Studies include advanced chord forms, modes, diatonic music theory, improvisation and song analysis. Focus is on music styles of the last 40 years and is very rock oriented. Students learn songs of their choice as part of the curriculum. Student must provide own acoustic or electric guitar. Daily practice is necessary for satisfactory progress. This course may be taken two times. Transfer Credit: CSU; UC

MUSIC C139 3.0 Units
(Formerly Music C105)
History of Rock Music
An overview of the social and musical characteristics of music in the Rock and Roll era. 1950's through the present, with emphasis on its impact on American culture today. Multimedia selections will be used. Transfer Credit: CSU; UC

MUSIC C143 3.0 Units
(Formerly Music C106)
History of Jazz
An overview of the social and musical characteristics of music in the Jazz era from the early 20th century to the present, with an emphasis on its impact on American culture and the world. An appreciation of Jazz History will be achieved through compact discs, videos, live performances, and multimedia. Transfer Credit: CSU; UC

PARALEGAL STUDIES

LAW C100 3.0 Units
Introduction to Paralegal Studies
Introductory course covering the relationship between paralegals and attorneys and clients. Topics include structure of the profession, federal and state court systems, ethical standards, legal terminology, investigation techniques, research, case and statute analysis, overview of legal practice areas, and communication. Transfer Credit: CSU

LAW C105 3.0 Units
Civil Litigation 1
Advisory: LAW C100 and C127
Learn, analyze, and examine the basic principles of civil litigation as applicable to jurisdiction, venue, and preparation of pleadings, discovery, motions, trial preparation, and alternative dispute resolution by plaintiffs and defendants in the California court system. Transfer Credit: CSU

LAW C110 1.5 Units
Civil Litigation 2
Advisory: LAW C105 and C120
Basic principles of civil litigation as applicable to discovery, injunctions, attachments, summary judgment, dispute resolution, and develop and improve legal writing skills and style. Transfer Credit: CSU

LAW C115 1.5 Units
Criminal Litigation
Advisory: LAW C100 and C120
The criminal court system and litigation in criminal cases, constitutional law, criminal law, criminal procedure; including investigation, prosecution, defenses, discovery, motions, trial preparation, and appeal in criminal cases. Transfer Credit: CSU

LAW C118 3.0 Units
Legal Analysis and Briefing
Advisory: LAW C100, C127, and/or C128
Learn the methods and procedures of statutory and case law analysis, including proper briefing and persuasive writing techniques. Transfer Credit: CSU

LAW C120 3.0 Units
Legal Research
Advisory: LAW C100 or C127; C118, and C128
Course in legal research methods and writing by examination and analysis of the law, written legal memoranda, and supervised library assignments. Students will have a working knowledge of statutory and case law, secondary sources, and computer-aided research techniques. Transfer Credit: CSU

LAW C121 4.0 Units
Legal Research/CALR
Advisory: LAW C100, C105 and C118.
Course in legal research methods and writing by examination and analysis of the law, written legal memoranda, and supervised library assignments. Students will have a working knowledge of statutory, case law, secondary sources research techniques, and computer assisted legal research. Transfer Credit: CSU

LAW C122 1.0 Unit
Computer Assisted Legal Research
Prerequisite: LAW C120 or concurrent enrollment.
Advisory: LAW C118
This course is a continuation of LAW C120, solving legal research problems with computer assisted legal research resources. Transfer Credit: CSU

LAW C126 3.0 Units
Legal Aspects of Health Care Administration
This course introduces students to the legal and ethical issues that affect the health care industry, health care providers, and health care managers. PHYSICAL EDUCATION
PHYSICAL EDUCATION C101 1.0 Unit
Personal Fitness and Wellness
Individualized program of exercise, fitness, stress control and body weight control to improve muscle strength, endurance, flexibility, and overall physical fitness to achieve and maintain a healthy lifestyle. Transfer Credit: CSU; UC

PHYSICAL EDUCATION C102 0.5 - 1.0 Unit
Lifetime Fitness
Individualized program for adults to achieve and maintain physical fitness. This course may be taken four times. Transfer Credit: CSU; UC See counselor.

PHYSICAL EDUCATION C115 0.5 - 1.0 Unit
Tai Chi Beginning
A focus on movement, balance, and concentration for greater health and well-being. This course may be taken four times. Transfer Credit: CSU; UC See counselor.

PHYSICAL EDUCATION C116 0.5 - 1.0 Unit
Tai Chi Intermediate
Advisory: PE C115
An intermediate level of Tai Chi skills including movement, balance, and concentration. This course may be taken four times. Transfer Credit: CSU; UC See counselor.

PHYSICAL EDUCATION C118A 0.5 - 1.5 Units
Introduction to Yoga 1
An overview course in yoga, the integrated study of health and movement. It includes breathing techniques, yoga postures, meditation, and relaxation. Emphasis is on practicing the principles of breathing and deep relaxation to reduce stress as well as practicing the postures to improve flexibility, balance, and strength. The first segment of a two-part course. This course may be taken four times. Transfer Credit: CSU; UC See counselor.

PHYSICAL EDUCATION C118B 0.5 - 1.5 Units
Introduction to Yoga 2
An overview of yoga, which is an integrated study of health. It includes breathing techniques, yoga postures, meditation, and relaxation. Emphasis is on practicing the principles of breathing and deep relaxation to reduce stress as well as practicing the postures to improve flexibility, balance, and strength. The second segment of a two-part course. This course may be taken four times. Transfer Credit: CSU; UC See counselor.

PHYSICAL EDUCATION C119A 0.5 - 1.5 Units
Hatha Yoga 1
Designed to teach a variety of yoga postures. Breathing, concentration/meditation and relaxation techniques will be presented as a method of personal development encompassing body, mind, and spirit. This course may be taken four times. Transfer Credit: CSU; UC See counselor.

This course may be taken four times. Transfer Credit: CSU; UC

PHYSICAL EDUCATION C169A 0.5 - 1.5 Unit
Self-Defense Arts
The first segment of a two-part course. The student will participate in and sample a variety of techniques from various Martial Arts, which can include Aikido, Judo, Karate, and Hawaiian Lua that are designed to increase self-awareness, confidence, and assertiveness when faced with a physical confrontation. The Laws of Self-Defense will also be covered in the course. This course may be taken four times. Transfer Credit: CSU

PHYSICAL EDUCATION C169B 0.5 - 1.5 Unit
Self-Defense Arts Part 2
The second segment of a two-part course. The student will participate in and sample a variety of techniques from various Martial Arts, which can include Aikido, Judo, JuJitsu, Karate, and Hawaiian Lua that are designed to increase self-awareness, confidence, and assertiveness when faced with a physical confrontation. The Laws of Self-Defense will also be covered in the course. This course may be taken four times. Transfer Credit: CSU

PHYSICAL EDUCATION C190 3.0 Units
Physiology of Exercise
This course is designed for the student who has an interest in health, wellness, fitness, or sports, or who is planning a career in the fitness industry. This course will cover the basic principles and functions of the three main systems of the body: cardiovascular-respiratory system, metabolic system, and neuromuscular system. Emphasis will be placed on the body's response to exercise conditioning. Transfer credit CSU, UC

PHYSICAL EDUCATION C190L 1.0 Unit
Physiology of Exercise Lab
Advisory: PE C190
An introduction to techniques and analysis used to determine the body's responses, adjustments, and adaptations to physical activity. Students will be assigned various lab activities that demonstrate the main concepts of exercise physiology. Students will demonstrate an understanding of the scientific processes of neurological, cardiovascular, respiratory, muscular, and metabolic systems. Transfer Credit: CSU
PHYSICS

PHYSICS C110 3.0 Units
Conceptual Physics
Advisory: MATH C010 and C020
Discusses the fundamental laws of nature: mechanics, Newton’s Laws, energy, momentum, rotational dynamics, gravity, properties of 3 states of matter, heat and thermodynamics, harmonic motion, waves, and sound. Other topics will be selected from electricity and magnetism, light, and modern physics. Transfer Credit: CSU; UC

PHYSICS C111L 1.0 Unit
(Formerly Physics C111)
Conceptual Physics Lab
Prerequisite: PHYS C110 or concurrent enrollment.
Advisory: MATH C010 and C020
Introductory Physics Laboratory to complement PHYS C110. This course utilizes lectures and demonstrations to present various principles of physics in a non-mathematical manner as discussed in PHYS C110. Transfer Credit: CSU; UC

PHYSICS C120 4.0 Units
Algebra Based Physics: Mech
Corequisite: MATH C120 or achieving qualifying score on Math Placement Test.
Advisory: PHYS C110 or concurrent enrollment.
The course covers mechanics, heat, and sound. It satisfies the physics requirement of biological science programs (except University of California Programs) and technical programs, except physics, chemistry, or engineering. It satisfies requirements as liberal arts elective. Transfer Credit: CSU

PHYSICS C125 4.0 Units
Algebra Based Physics: Elec/Mag
Prerequisite: PHYS C120
The course covers electricity, magnetism, light/optics and modern physics. It satisfies the physics requirement of biological science programs and technical programs, except physics, chemistry, or engineering. It satisfies requirements as liberal arts elective. Transfer Credit: CSU; UC

PHYSICS C185 4.0 Units
Calculus Based Physics: Mech
Prerequisite: MATH C185, PHYS C110
Advisory: MATH C185, PHYS C110
The course covers mechanics, heat and sound. Topics include kinematics and dynamics in one and two-dimensions, Newton’s Laws of Motion, Energy and Momentum, conservation principles, rotational motions, elasticity, Hook’s Law, simple harmonic motion, wave behavior, interference and standing waves, properties of fluids, Pascal’s principle and Bernoulli’s principle, temperature, heat, calorimetry, the Gas Laws, and the Laws of Thermodynamics. Transfer Credit: CSU

PHYSICS C280 4.0 Units
Calculus Based Physics: Electricty and Magnetism
Prerequisite: PHYS C185 and MATH C185.
The course covers electricity and magnetism. Topics include electric fields, Gauss’s Law, electric potential, capacitance and dielectrics, current and resistance, direct current circuits, magnetic fields, sources of the magnetic fields, Faraday’s Law, inductance, alternating current circuits, and electromagnetic waves. Lecture and Lab. Transfer Credit: CSU

PHYSICS C285 4.0 Units
General Physics: Light and Modern Physics
Prerequisite: MATH C185 and PHYS C185 or C280.
The course covers light, optics, and modern physics. Topics include nature of light and laws of geometric optics, image formation, and interference of light waves, diffraction patterns and polarization, relativity, introduction to quantum physics, quantum mechanics, atomic physics, molecules, and solids. Transfer Credit: CSU

POLITICAL SCIENCE

POLITICAL SCIENCE C101 3.0 Units
(Formerly Political Science C110)
Survey of Current Issues
Advisory: Read the U.S. Constitution prior.
An analysis of crucial current political issues in American society and the world. This course will focus on defining key problems facing modern society and potential resolutions. Students will learn how to evaluate contemporary issues in an informed manner and construct arguments based upon reliable data and appropriate political science theory. Transfer Credit: CSU; UC

POLITICAL SCIENCE C140 3.0 Units
Politics of the Middle East
An introduction to the principles and problems of government, with particular attention to the American political system at all levels. Emphasis is on the human factor in politics and the realities of government at work. This course satisfies the state college requirement on the Constitution of the United States and California State and local government. Transfer Credit: CSU; UC

POLITICAL SCIENCE C180 3.0 Units
(Formerly Political Science C100)
American Government
An introduction to the principles and problems of government, with particular attention to the American political system at all levels. Emphasis is on the human factor in politics and the realities of government at work. Transfer Credit: CSU; UC

POLITICAL SCIENCE C185 3.0 Units
(Formerly Political Science C130)
Comparative Politics
This class provides a comparative analysis of governments in various regions of the world, including Latin America, Asia, Europe, Africa, and the Middle East by examining the differences in the structures and functions of major political systems, including democratic, communist, and monarchial types of governance. Transfer Credit: CSU; UC

PROCESS TECHNOLOGY

PROCESS

TECHNOLOGY C110 3.0 Units
Introduction to Process Technology
Introduction to Process Technology provides an overview of various process industries (oil and gas, chemical, mining, power generation, pulp and paper, water and waste water treatment, food and beverage, and pharmaceutical), basic chemistry, basic physics, safety, health, environment and security, quality, teams, process drawings, and process equipment. Transfer Credit: CSU

TECHNOLOGY C111 3.0 Units
Health, Safety, and Environment
Advisory: PTEC C110
This course provides a comparative analysis of governments in various regions of the world, including Latin America, Asia, Europe, Africa, and the Middle East by examining the differences in the structures and functions of major political systems, including democratic, communist, and monarchial types of governance. Transfer Credit: CSU; UC

TECHNOLOGY C112 1.5 Units
Quality Management
The purpose of this course is to provide an introduction to the field of Quality within the process industry. Within this course, students will be introduced to various types of plant hazards, safety and environmental systems, equipment, and regulations under which plants are governed. Transfer Credit: CSU

TECHNOLOGY C113 3.0 Units
Process Technology I: Equipment
Advisory: PTEC C110
The purpose of this course is to provide an introduction to the field of equipment within the process industry. Within this course, students will be introduced to many process industry-related quality concepts including purpose, components, operation, and the Process technician’s role for operating and troubleshooting the equipment. Transfer Credit: CSU
PROCESS TECHNOLOGY C114 3.0 Units
Process Technology I: Systems
Advisory: PTEC C113
The purpose of this course is to study the interrelation of process equipment and process systems. Students will be able to arrange process equipment into basic systems, describe the purpose and function of specific process systems, explain how factors affecting process systems are controlled under normal conditions, and recognize abnormal process conditions. Transfer Credit: CSU

PROCESS TECHNOLOGY C115 3.0 Units
Process Control III: Operations
Advisory: PTEC C114
The purpose of this course is to provide an introduction to the field of operations within the process industry. Within this course, students will use existing knowledge of equipment, systems, and instrumentation to understand the operation of an entire unit. Students study concepts related to commission, normal startup, normal operations, normal shutdown, turnarounds, and abnormal situations as well as the process technician's role in performing the tasks associated with these concepts within an operating unit. Transfer Credit: CSU

PROCESS TECHNOLOGY C116 3.0 Units
Instrumentation I
Advisory: PTEC C115
The purpose of this course is to study the interrelation of instrumentation used in the petrochemical and refining industries. Students will be able to identify instrumentation loops and explain how industrial processes are controlled by instruments and loops. Transfer Credit: CSU

PROCESS TECHNOLOGY C117 3.0 Units
Instrumentation II
Advisory: PTEC C116
The purpose of this course is to study the advanced instrumentation used in the petrochemical and refining industries. Students will be able to select instrumentation loops and describe industrial processes controls. Transfer Credit: CSU

PROCESS TECHNOLOGY C281 1.0 Unit
Work Based Learning
Prerequisite: Be employed or volunteer in a field related to Process Technology for 5 hours per week per 1.0 unit of Work Based Learning.
Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.
To enhance each Work Based Learning participant's opportunity for success in the field of Process Technology by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student's career or occupational goal in Process Technology. This course may be taken four times. Transfer Credit: CSU

PROCESS TECHNOLOGY C282 2.0 Units
Work Based Learning
Prerequisite: Be employed or volunteer in a field related to Process Technology for 5 hours per week per 1.0 unit of Work Based Learning.
Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.
To enhance each Work Based Learning participant's opportunity for success in the field of Process Technology by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student's career or occupational goal in Process Technology. This course may be taken four times. Transfer Credit: CSU

PROCESS TECHNOLOGY C283 3.0 Units
Work Based Learning
Prerequisite: Be employed or volunteer in a field related to Process Technology for 5 hours per week per 1.0 unit of Work Based Learning.
Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.
To enhance each Work Based Learning participant's opportunity for success in the field of Process Technology by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student's career or occupational goal in Process Technology. This course may be taken four times. Transfer Credit: CSU

PROCESS TECHNOLOGY C284 4.0 Units
Work Based Learning
Prerequisite: Be employed or volunteer in a field related to Process Technology for 5 hours per week per 1.0 unit of Work Based Learning.
Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.
To enhance each Work Based Learning participant's opportunity for success in the field of Process Technology by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student's career or occupational goal in Process Technology. This course may be taken four times. Transfer Credit: CSU

PSYCHOLOGY C100 3.0 Units
Introduction to Psychology
Fundamentals of human psychology. Using a scientific approach to the study of human behavior, this course examines and integrates physiological, intrapsychic, and social/behavioral perspectives on human thought and behavior. Major units include biological bases of behavior, sensation, perception, motivation, learning and memory, maturation and development, personality, and social psychology. Transfer Credit: CSU; UC

PSYCHOLOGY C104 3.0 Units
Drama Therapy: For Clinical and Personal Application
This class serves as an introduction to drama therapy. It will expose students to the theory of drama therapy, its evolution as a profession, its roots in both theater and psychology, as well as providing students experiential learning about its application in both clinical and everyday situations. Transfer Credit: CSU

PSYCHOLOGY C116 (Formerly Psychology C115) 3.0 Units
Child Growth and Development
Examination of human development from conception through adolescence. Includes the biological, psychological, and socio-cultural aspects of the maturation process. Letter Grade Only. Transfer Credit: CSU

Policies and Regulations

Academic Freedom Statement
Coastline Community College recognizes that the free search for truth and the expression of diverse opinions are essential to a democratic society, and encourages and protects academic freedom as per Coast Community College District Board of Trustees policy number BP 4030 as approved 02/05/03.

Academic Honesty
Coastline Community College's institutional integrity is built in part upon the individual student's commitment to academic honesty. The College's institutional integrity is also founded upon the effective administration of academic honesty issues by the College's faculty and staff.

Coastline Community College Faculty are responsible for ensuring that the student's grades are truly indicative of the student's learned knowledge as exhibited in the classroom. Student acts of academic dishonesty cause disruption of the educational process, weaken our College's institutional integrity, and present challenges for our faculty to fairly assess the student's academic performance.

Coastline Community College Faculty holds primary responsibility for ensuring that academic honesty is maintained in their classes. Individual students also share in this responsibility. Coastline students are required to refrain from all acts of academic dishonesty. The Coast Community College District’s Student Code of Conduct and Disciplinary Procedures (BP-3902) apply to students whose conduct violates this academic honesty procedure.

Procedures for Dealing with Violations of Academic Honesty

Actions Taken by Faculty Member
Any Coastline Faculty member who has evidence that a student has committed an act of academic dishonesty, shall, after speaking with the student, take one or more of the following disciplinary actions:

- Issue an oral reprimand.
- Give the student an “F” grade or zero points or a reduced number of points on all or part of a particular paper, project or examination;
- If the act of academic dishonesty results in a “F” grade or zero points being awarded to the student for that particular paper, project, or examination, and this result affects the student's overall grade in the class, then the student shall be issued the proper grade, as affected by the specific “F” or zero grade, by the faculty member.

For any incident of academic dishonesty resulting in the instructor’s issuance of an “F” or zero points - the instructor shall assess the severity of the student’s misconduct and determine whether the incident should be immediately reported to the College’s Student Discipline Officer (presently the Dean of Counseling, Special Programs & Services) on the “Academic Dishonesty Report” form.

Actions by the College Administration
The sanction imposed for an act of academic dishonesty depends on the severity of the alleged improper conduct of the student. However, sanctions are generally imposed as follows:

Upon receipt of a faculty-member completed first “Academic Dishonesty Report” form concerning a student, (or) upon satisfactory investigation of allegations brought by other staff or students about academic misconduct by a student, the Student Discipline Officer shall respond in one of two ways:

1. By sending a Student Discipline Notification Letter to the student, inviting the student to present a response to the allegations of academic dishonesty. The Student Discipline Officer will inform the student that if a finding of academic dishonesty is sustained, the student will be placed on disciplinary probation for a minimum of one year, with other possible sanctions being imposed pursuant to the District’s Student Code of Conduct.

2. The Student Discipline Officer may also create an Academic Dishonesty Report file and send no letter (the Student Disciplinary Officer will not take action, based on the request of the individual instructor, who will handle the disciplinary action individually with his/her own students). If the Student Discipline Officer notes that multiple Academic Dishonesty Reports have been filed for particular students, from multiple instructors, however, then the student will receive the Letter of Student Discipline Notification.

Upon receipt of a second or more “Academic Dishonesty Report” of academic misconduct committed by a student, the Student Discipline Officer shall seek the suspension of the student for one full calendar year.

If, upon this student’s return from the one year suspension, the Student Discipline Officer receives any further reports of academic dishonesty concerning this student, the Student Discipline Officer shall recommend the student be expelled from the District for a period of no less than three years.

Depending on the severity of the student’s academic dishonesty, a student may be suspended from the College on a first offense or be recommended for expulsion by the CCCD Board of Trustees.

The Student Discipline Officer shall keep the faculty member and Division Dean reasonably informed of the status of the student discipline process and outcome.

Examples of Academic Dishonesty Conduct
Some examples of academic dishonesty conduct warranting the imposition of disciplinary probation,
suspension or expulsion include, but are not limited to, the following:

- Taking an examination for another student or having someone else take an examination for oneself.
- Altering a graded examination/assignment and returning it for additional credit.
- Having another person or a company do research and/or writing of a report.
- Stealing or attempting to steal an examination or answer key.
- Printing an online exam without the express authorization of the instructor.
- Stealing or attempting to change official academic records.
- Forging or altering grades.
- Obtaining answers from another student before or during an examination.
- Falsely reporting or claiming to have experienced technical difficulties with online instructional tests, quizzes, or assignments.
- Knowingly allowing another student to copy one’s work.
- Using unauthorized materials, such as notebooks, calculators, or other items, without the instructor’s consent during an examination or placement test.
- Sharing answers for a take-home or on-line examination unless otherwise authorized by the instructor.
- Receiving help in creating a speech, essay, report, project or paper unless otherwise authorized by the instructor.
- Turning in a speech, essay, report, project or paper done for one class to another class unless specifically authorized by the instructor of the second class.
- Misreporting or altering the data in laboratory or research projects.
- Offering another person’s work as one’s own: copying a speech, essay, report, discussion board posting, project or paper from another person or from books, websites, or other sources.
- Using outside sources (books, or other written sources) without giving proper credit (by naming the person and putting any exact words in quotation marks).
- Intentionally impairing the performance of other students and/or a faculty member.
- Collusion - when any student knowingly or intentionally helps another student perform an act of academic dishonesty. Collusion in an act of academic dishonesty will be disciplined in the same manner as the act itself.

Academic Renewal Policy and Procedure

This Academic Renewal Policy (BP 4240) for Coastline Community College is issued pursuant to Section 55764 and 55765 of the California Administrative Code (Title 5) regulations. The purpose of this policy is to disregard past substandard academic performance of a student when such work is not reflective of their current demonstrated ability. It is based on the recognition that due to unusual circumstances, or circumstances beyond the control of a student, the past substandard work will negatively affect their academic standing and unnecessarily prolong the rate at which he/she may complete his/her current objectives.

Therefore, under the circumstances outlined below, Coastline Community College may disregard from all considerations associated with requirements for the Certificate of Achievement/Associate in Arts Degree and general education certification up to a maximum of thirty (30) semester units of course work from two semesters taken at any college. These circumstances are:

1. The student has requested the action formally and has presented evidence that work completed in the term(s) under consideration is substandard (less than a 2.0 grade point average) and not representative of present scholastic ability as verified by the current level of performance. Verification must consist of:
   a. Completion of a minimum of 12 semester units of course work at any regionally accredited college or university with a minimum cumulative grade point average of at least 2.0 subsequent to the course work to be disregarded.
   b. At least 12 months has elapsed since completion of the most recent course work to be disregarded.

2. Agreement that all units taken during the semester(s) to be disregarded, except those courses required as a prerequisite or to satisfy a requirement, in the student’s “redirected” educational objective.

3. An understanding that the student’s permanent academic record shall be annotated so that it is readily evident to all users of the records that units disregarded, even if satisfactory, may not apply to certificate, degree or general education certification requirements.

4. Agreement that all course work remains legible on the student’s permanent record ensuring a true and complete academic history.

If another accredited college has acted to remove previous course work from Certificate of Achievement, Associate in Arts or Bachelor Degree consideration, such action shall be honored in terms of that institution’s policy. Units disregarded by another institution shall be deducted from the thirty semester units maximum of course work eligible for alleviation at Coastline Community College.

Students requesting removal of previous course work for certificate or degree consideration shall file a petition at the Admissions and Records Office. The petition shall outline
the semesters of course work to be disregarded and
shall include evidence verifying (1) that work completed
during this period is substandard, and (2) the expiration
of at least 12 months since the end of the last term to
be excluded. All official transcripts must be on file at
Coastline Community College.

The Director of Admissions and Records or his/her
designee shall act to approve the petition and make the
proper annotation on the student's permanent record
upon verification of the conditions set forth herein.

Note: It is possible that other colleges or universities may not
accept the Academic Renewal Policy.

**Animals and/or Pets**

Animals and/or pets of any kind or description are not
allowed on or within college property. This restriction also
applies to animals and/or pets confined in any vehicle
parked on College property. This does not apply to the
use of guide, signal or service dogs for assisting persons
with disabilities.

**Family Educational Rights and Privacy**

The Family Educational Rights and Privacy Act (FERPA)
affords students certain rights with respect to their
education records. The rights include:

1. The right to inspect and review the student's
education records within 45 days of the day
Coastline Community college receives a request for
access. Students should submit to the Director of
Admissions and Records, Director of Admissions
and Records or Records or appropriate official, written
requests that identify the record(s) they wish to
inspect. The Coastline Community College official
will make arrangements for access and notify the
student of the time and place where the records
may be inspected. If the records are not maintained
by the Coastline Community College official to
whom the request was submitted, that official shall
advise the student of the correct official to whom
the request should be addressed.

2. The right to request the amendment of the
student's education records that the student
believes is inaccurate. Students may ask Coastline
Community College to amend a record that they
believe is inaccurate. They should write the College
official responsible for the records, clearly identify
the part of the record they want changed, and
specify why it is inaccurate.

If Coastline Community College decides not to
amend the record as requested by the student, the
College will notify the student of the decision and
advise the student of his or her right to a hearing
regarding the request for amendment. Additional
information regarding the hearing procedures will
be provided to the student when notified of the
right to a hearing.

3. The right to consent to disclosures of personally
identifiable information contained in the student's
education records, except to the extent that FERPA
authorizes disclosure without consent.

One exception, which permits disclosure without
consent, is disclosure to school officials with
legitimate educational interests. A school official
is a person employed by the College in an
administrative, supervisory, academic or research,
or support staff position (including law enforcement
unit personnel and health staff); a person or
company with whom the College has contracted
(such as an attorney, auditor, or collection agent);
a person serving on the Board of Trustees; or a
student serving on an official committee, such as
disciplinary or grievance committee, or assisting
another school official in performing his or her
tasks.

A school official has a legitimate educational
interest if the official needs to review an education
record in order to fulfill his or her professional
responsibility.

School officials may disclose any and all
educational records, including disciplinary records,
to another institution at which the student seeks
or intends to enroll without the prior consent of the
student.

4. The right to file a complaint with the U.S.
Department of Education concerning alleged
failures by Coastline Community College to comply
with the requirements of FERPA. The name and
address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

**Directory Information**

Student's directory information is released only upon
approval of the Director of Admissions and Records.
Students may request in writing to the Director of
Admissions and Records or his/her designee, that
directory information not be released.

Directory information includes one or more of the
following: student's name, birthdate, participation in
officially recognized activities and sports, weight and
height of members of athletic teams, dates of attendance,
number of units of enrollment, and degrees and awards
received.

Coastline Community College maintains in the Admissions
and Records Office the following student record
information:

1. Demographic data supplied to the college by the
student through the enrollment process.
2. Transcripts of high school work if supplied by the
student.
3. Transcripts of college work.
4. Placement test data.
5. Semester class enrollment data.

Additional information maintained in other offices on some students may include:

6. Financial Aid and EOPS application information on students who have applied for either program.

7. Work Experience records on students who have taken work experience courses within the past three years.

8. Records maintained of students who have been disciplined.

Students may review the information contained in items 1-8. For items 1-5, a letter requesting review should be directed to the Admissions and Records Office. Requests for review of information contained in item 6 may be made to the Vice President of Instruction/Student Services and information in item 7 may be reviewed by arrangement with the office of Instruction. Inquiries regarding information contained in items 8, are to be directed to the Dean of Counseling & Matriculation. All requests for review will be honored within 15 days. Students may challenge the contents of any records by notifying the administrator associated with the records in question. If the issue is not resolved at that level, the student may use the student grievance procedure.

### Liability

Throughout the academic year, some classes will meet at off-campus locations. The College will not provide transportation to these sites, and students enrolled in these classes are responsible for making their own transportation arrangements. Coastline personnel may assist in coordinating this transportation and/or recommend travel time, routes, carpooling, etc.; however, the student does not have to follow these recommendations. The Coast Community College District (CCCD) is in no way responsible, nor does it assume liability, for any injuries or losses resulting from this non-sponsored transportation. If you ride with another student, that student is not an agent of, nor driving on behalf of the District.

Under the California Code of Regulations, Subchapter 5, Section 55450, if you participate in a voluntary field trip or excursion, you hold the CCCD, its officers, agents and employees harmless from all liability or claims that may arise out of or in connection with your participation in this activity.

### Parking Regulations

**Permit Required:** Parking permits are required at the Costa Mesa, Newport Beach, and Garden Grove Centers. Any motorized vehicle requiring registration with the California Department of Motor Vehicles (DMV) must have a current parking permit affixed to the inside lower left corner of the windshield in clear view. Permit hangers are not recommended. However, if you choose to use one you must ensure the permit is visible at all times. Motorcycles (mopeds) will have the permit affixed to the left front fork.

Cars without permits properly displayed will be cited. Vehicles may park only in spaces or areas designated for vehicle parking. PURCHASE OF A PARKING PERMIT DOES NOT GUARANTEE A PARKING SPACE ON CAMPUS.

Purchase parking permits online: Current semester permits are now available online at www.coastline.edu. Daily parking permits can also be obtained from the office at each area site. Coastline parking permits are not valid at Golden West or Orange Coast Colleges.

**Parking Areas:** Designated parking areas are color coded:
- Yellow (Faculty and Staff) permit required
- White Grid (Motorcycles only) permit required
- Blue (Handicapped—DMV) permit required
- Unmarked white stalls—open for permit parking

All designated permit parking areas will be enforced Monday-Friday, 8 a.m.-10 p.m.

**Responsibilities for Penalties:** The registered owner of any vehicle on a Coastline site shall be held responsible for any liability or damage claims including parking or other traffic violation penalties arising in connection with the possession and/or operation of the vehicle on the Coastline site.

**Liability:** Coastline is not responsible and assumes no liability for damage or theft of any vehicle or its contents.

**Lost, Stolen, Damaged Permits or Sold Vehicles:** Replacement of lost, damaged or permits sold with the vehicle will be $10. Stolen permits are to be reported to the Admissions office.

**Parking, Traffic Rules and Regulations:**

**ARTICLE 1—ENFORCEMENT**

The West Orange County Municipal Court has granted authorization to the Campus Safety Department to issue parking citations within the confines of any Coastline Community College site. PARKING AND TRAFFIC RULES AND REGULATIONS WILL BE IN EFFECT 24 HOURS A DAY.

**Parking Regulation/Citation Penalties:**

A student of the Coast Community College District accepts the responsibility to conform to all District policies and regulations not set forth herein.

Sexual Assault Prevention

Coastline Community College recognizes that sexual assault is a serious issue, and will not tolerate acts of sexual assault on district property or district-sponsored activities. Pursuant to BP 3517, the Coast Community College District will investigate all allegations of sexual assault that occur on District property or at sponsored activities and take appropriate criminal, disciplinary or legal action.

Coastline is committed to its students’ safety as a vital ingredient to student learning and success. Coastline encourages victims of sexual violence to report the crime. As soon as it is safe to do so, any student who is the victim of a sexual offense should report the incident, including the date, time, and other pertinent to the local police, campus public safety department, vice president of student services, or other college official.

Coast Community College District Sexual Assault Policy: The Coast Community College District (CCCD) Web site describes the district’s policy regarding sexual assault and provides several informative links (e.g., definitions, filing a complaint, common victim reactions, resources for help and advice, etc.);

Student Code of Conduct

BP 3902 - STUDENT CODE OF CONDUCT AND DISCIPLINARY PROCEDURES: The Coast Community College District has special interests and purposes essential to its effective functioning as an educational institution. These include (a) the opportunity for students to attain their educational objectives, (b) the creation and maintenance of an intellectual and educational atmosphere throughout the District, and (c) the protection of the health, safety, welfare, property, and human rights of all members of the District community and the property of the District itself. The Coast Community College District has a clear responsibility in the area of student conduct to protect and promote the pursuit of its goals.

The Coast Community College District Policy Regarding Student Code of Conduct and Disciplinary Procedures sets forth those acts which constitute unacceptable conduct. All alleged violations of this policy may result in referral to the College Administrator charged with enforcing this policy.

A student of the Coast Community College District accepts the responsibility to conform to all District rules and regulations. Failure to meet this obligation will justify appropriate disciplinary actions including, but not limited to, expulsion, suspension, disciplinary probation, or reprimand. Although the District will make every reasonable effort to make the District’s rules and regulations available, students are responsible for becoming familiar with them.

This policy applies to all students, and also applies to:

a. applicants for offenses committed as part of the application process;

b. applicants for offenses committed on campus and/or while participating in District-related events or activities that take place following a student’s submittal of the application through his or her official enrollment;

c. individuals who participate in a District-sponsored program; and

d. former students for offenses committed while a student.

If specified in the campus regulations, this policy shall also apply to conduct that occurs off campus and that would violate student conduct and discipline policies or regulations if the conduct occurred on campus, or where the conduct occurs within a reasonable distance from the campus and such conduct disrupts or interferes with the educational mission of the campus.

The following acts are defined by the District to be unacceptable. The list is not all inclusive. The Chancellor and/or College President may add violations to this code as they deem appropriate subject to the provisions of Section 3.50. A student found to have violated any of the
following regulations is subject to the maximum sanction of expulsion. Being under the influence of drugs and/or alcohol or the existence of other mental impairment does not diminish or excuse a violation of the Disciplinary Code. The District may impose discipline for the commission or attempted commission of the following types of violations by students, or for aiding or abetting, inciting, conspiring, assisting, hiring or encouraging another person to engage in a violation of this Policy:

3.1 Academic Misconduct. All forms of academic misconduct including but not limited to cheating, fabrication, plagiarism, or facilitating academic dishonesty.

3.2 Cheating/Plagiarism. Cheating or plagiarism in connection with an academic program of the District.

3.3 Dishonesty. All forms of dishonesty including but not limited to fabricating information, furnishing false information, or reporting a false emergency to the District.

3.4 Forged. Any forgery alteration, or misuse of any District document, record, key, electronic device, or identification, or knowingly furnishing false information to a District official.

3.5 Misrepresentation. Misrepresentation of oneself, or of an organization, to be an agent or representative of the District.

3.6 Misuse of Identification. Transferring, lending, borrowing, altering or unauthorized creation of District identification.

3.7 False Report of Emergency. Knowingly and purposely, causing, making, and/or circulating a false report or warning of a fire, explosion, crime, or other catastrophe.

3.8 Assault/Battery. Assault, battery or any threat of force or violence upon a student or upon a Member of the District Community. This includes, but is not limited to: (a) Inflicting bodily harm upon any Member of the District Community; (b) taking any action for the purpose of inflicting bodily harm upon any Member of the District Community; (c) taking any reckless but not accidental action, from which bodily harm could result to any Member of the District Community; (d) causing a Member of the District Community to believe that the offender or his/her agent may cause bodily harm to that person or any member of his/her family or any other Member of the District Community; (e) inflicting or attempting to inflict bodily harm on oneself.

3.9 Physical Abuse. Physical abuse including but not limited to rape, sexual assault, sex offenses, and other physical assault; threats of violence; or any action which results in serious injury or death or other conduct that threatens the health or safety of any person.

3.10 Serious Injury or Death. Any action which results in serious injury or death to a Member of the District Community or his/her family.

3.11 Threat of Sexual Assault or Sexual Assault. Rape or sexual assault, or the threat thereof, upon a Member of the District Community or his/her family.

3.12 Infliction of Mental Harm. (a) Inflicting mental harm upon any Member of the District Community; (b) taking any action for the purpose of inflicting mental harm upon any Member of the District Community; (c) taking any reckless, but not accidental action, from which mental harm to Member of the District Community could result; (d) causing a Member of the District Community to believe that the student or his/her agent may cause mental harm to that person or any member of his/her family or any other member of the District Community; (e) any act which purposefully demeans, degrades, or disgraces any person.

3.13 Stalking. Stalking behavior in which a student repeatedly engages in a course of conduct directed at another person and makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her family; where the threat is reasonably determined by the District to seriously alarm, torment, or terrorize the person; and where the threat is additionally determined by the District to serve no legitimate purpose.

3.14 Harassment. Verbal or physical abuse, or the threat of physical abuse on or off District Property of any Member of the District Community or members of his/her family.

3.15 Sexual Harassment. Sexual harassment against a Member of the District Community. Sexual harassment is defined as (a) verbal harassment, e.g., epithets, derogatory comments or slurs; (b) physical harassment, e.g., assault, impeding or blocking movement, or any physical interference with normal work or movement when directed at an individual; (c) visual forms of harassment, e.g., derogatory posters, cartoons, or drawings; (d) unwelcome sexual advances, requests for sexual favors; or (e) an intimidating, hostile, or offensive environment. “Unwelcome conduct” is defined as conduct which the Member of the District Community does not solicit or initiate and which the person regards as undesirable or offensive.

3.16 Discrimination. Discrimination against a person on the basis of race, color, religion, national origin, sex, age, disability, veteran status, or sexual orientation, except where such distinction is authorized by law.

3.17 Hateful Behavior. Hateful behavior aimed at a specific person or group of people.

3.18 Hazing. Participation in hazing or any method of initiation or pre-initiation into a campus organization or other activity engaged in by the organization or members of the organization at
any time that causes, or is likely to cause, physical injury or personal degradation or disgrace resulting in psychological harm to any student or other person.

3.19 Possession of Weapons. Unauthorized possession, use, storage, or manufacture of explosives, dangerous chemicals, firebombs, firearms, or other destructive devices or weapons.

3.20 Narcotics. Unlawful or attempted manufacture, distribution, dispensing, possession, use, distribution or sale of, controlled substances, dangerous drugs, restricted dangerous drugs or narcotics, as those terms are used in state or federal statutes on District Property or at any District function.

3.21 Alcohol. Manufacture, distribution, dispensing, possession, use, distribution, consumption or sale of, or the attempted manufacture, distribution, dispensing, distribution, consumption or sale of alcohol that is unlawful or otherwise prohibited by, or not in compliance with, District policy or campus regulations.

3.22 Public Intoxication. Public intoxication or being under the influence of alcoholic beverages on District Property or at any District function.

3.23 Smoking. Smoking in an area where smoking has been prohibited by law or regulation of the District.

3.24 Theft or Conversion of Property. Theft or conversion of District Property or services, or the property of any person or business on District Property or at a District function, or possession of any property when the student had knowledge or reasonably should have had knowledge that it was stolen.

3.25 Possession Of Stolen Property. Possession of District Property, or the property of any other person, when the student knows, or reasonably should know, that the property was stolen.

3.26 Destruction of Property. The damaging, destroying, defacing, or tampering with District Property or the property of any person or business on District Property or at a District function, including but not limited to, taking down, defacing, or otherwise damaging District authorized posters, handbills and/or notices posted on District property.

3.27 Failure to Repay Debts or Return District Property. Failure to (a) repay debts to the District; (b) return District property; (c) return property of any member of the District community.

3.28 Theft or Abuse Of District’s Computers Or Electronic Resources. Theft or abuse of District computers and other District electronic resources such as computer and electronic communications facilities, systems, and services. Abuses include (but are not limited to) unauthorized entry, use, transfer, or tampering with the communications of others, and interference with the work of others and with the operation of computer and electronic communications facilities, systems, and services. Use of District computer and electronic communications facilities, systems, or services that violates other District policies or campus regulations.

3.29 Violation of Computer Usage Policy. Violation of the District’s or College’s Computer Usage Policy and/or any of the following:

a. Accessing and/or without permission altering, damaging, deleting, destroying, or otherwise using any data, computer, computer system, or computer network belonging to or used by the District or any Member of the District Community.

b. Accessing and/or without permission taking, copying, or making use of any data from a computer, computer system, or computer network, or taking or copying any supporting documentation, whether existing or residing internal or external to a computer, computer system, or computer network belonging to or used by the District or any Member of the District Community.

c. Using or causing to be used District computer services without permission.

d. Accessing and/or without permission adding, altering, damaging, deleting, or destroying any data, computer software, or computer programs which reside or exist internal or external to a computer, computer systems, or computer network belonging to or used by the District or any Member of the District Community.

e. Disrupting or causing the disruption of computer services or denying or causing the denial of computer services to an authorized user of a computer, computer system, or computer network belonging to or used by the District or any Member of the District Community.

f. Providing or assisting in providing a means of accessing, without permission, a computer, computer system, or computer network belonging to or used by the District or any Member of the District Community.

g. Accessing or causing to be accessed without authorization any computer, computer system, or computer network belonging to or used by the District or any Member of the District Community.

h. Introducing any computer contaminant or virus into any computer, computer system, or computer network belonging to or used by the District or any Member of the District Community.
3.31 Disruption of Educational Process. (a) Destruction or disruption on or off District Property of the District educational process(es), including but not limited to interrupting, impeding, obstructing or causing the interruption or impediment of any class, lab, administrative office, teaching, research, administration, disciplinary procedures, District activity or District authorized student activity; (b) administrative process or other District function; or (c) disturbing the peace on District Property or at any District function.

3.32 Disruptive Behavior. Disruptive behavior, disobedience, habitual profanity or vulgarity or the open defiance of the authority of or abuse of District personnel.

3.33 Disturbing the Peace. Disturbing the peace and good order of the District by, among other things, fighting, quarreling, disruptive behavior, or participation in a disturbance of the peace or unlawful assembly.

3.34 Failure to Comply or Identify. Failure to identify oneself to, or comply with the directions of, a District official, employee, policy, law enforcement, or other public official when requested to do so; or resisting or obstructing such District or other public officials in the performance of or the attempt to perform their duties.

3.35 Failure to Appear. Failure to appear before a District official when directed to do so.

3.36 Disorderly or lewd conduct. Engaging in disorderly or lewd, indecent or obscene behavior on District Property or at a District function.

3.37 Unauthorized Use Of Course Materials. Selling, preparing, or distributing for any commercial purpose course lecture notes or video or audio recordings of any course unless authorized by the District in advance and explicitly permitted by the course instructor in writing. The unauthorized sale or commercial distribution of course notes or recordings by a student is a violation of these Policies whether or not it was the student or someone else who prepared the notes or recordings. Copying for any commercial purpose handouts, readers or other course materials provided by an instructor as part of a District course unless authorized by the District in advance and explicitly permitted by the course instructor or the copyright holder in writing (if the instructor is not the copyright holder).

3.38 Library Materials. Cutting, defacing, or otherwise damaging or theft of college library or bookstore materials or property.

3.39 Continued Misconduct or Repeat Violation. Repeated misconduct or violations of this Policy, when other means of correction have failed to bring about proper conduct.

3.40 Failure to Obtain Permits. Participating in an organized protest for which a District permit has not been obtained.

3.41 Fighting. Fighting with any other person on District Property or at any District function.

3.42 Gambling. Unauthorized gambling on District Property or at any District function.

3.43 Unreasonable Demands. Placing repeated, hostile, or unreasonable demands on District staff.

3.44 Unauthorized Tape Recording. Tape recording any person on District Property or at any District function without that person’s knowledge or consent.

3.45 Unauthorized Use of District Keys. Unauthorized use, distribution, duplication or possession of any keys issued for any building, laboratory, facility, room, or other District Property.

3.46 Unauthorized Use of Electronic Devices. Unauthorized use of an electronic device on District property or at any District function, including but not limited to, classes, lectures, labs and field trips.

3.47 Unauthorized Use of Property or Services. Unauthorized use of property or services or unauthorized possession of District Property or the property of any other person or business.

3.48 Violation of Driving Regulations. Driving unsafely on District property or while taking part in any District function, or repeated violation of District parking regulations.
Student Grievance Procedures

Coastline Community College extends to all students the right to petition for redress of grievance. The right to petition may be initiated at any time when the student has a grievance against any college employee, policy or procedure at Coastline Community College.

Every effort will be made to preserve confidentially as grievances are fairly and equitably considered. The procedures will allow students to exhaust every administrative level possible in receiving fair and complete hearing of their grievances. These are college-level procedures for resolving problems and should not be viewed as legal or quasi-legal proceedings.

Based on the principle of improved communication between the students and the institution, the following procedures will be followed for students registering grievances:

**NOTE:** In order to establish due process, all parties to the grievances will adhere to the steps as outlined.

**STEP I:** Prior to filing a formal grievance, the student is expected to first contact the Dean of Enrollment Services and the person(s) who has (have) the closest contact with the pertinent issue. The grievance should be thoroughly defined to be discussed objectively.

If the grievance cannot be resolved at this step, the student may progress to Step II after informing the person(s) involved of intended plans to file a formal grievance. The formal grievance must be filed during the semester in which the grievance occurs.

**STEP II:** The student meets with the Dean of Enrollment Services to discuss the grievance. At this step, the “Formal Grievance Petition” is filed. The Vice President of Instruction/Student Services will serve as an ombudsman in order to examine objectively both sides of the issue.

The Vice President of Instruction/Student Services will then meet with all persons involved with the grievance. At the conclusion of Step II, the Vice President, within five (5) school days, will provide the student and others involved with a written summary of the discussion.

If the grievance has not been resolved by this step, the student may proceed to Step III.

**STEP III:** The student, within five (5) school days after the conclusion of Step II, will submit a written request to the Vice President of Instruction/Student Services for a meeting of an arbitration committee.

The committee will consist of:
1. The appropriate Dean for the Area involved
2. Vice President of Instruction/Student Services
3. Faculty Member

A meeting of the committee will be called by the Vice President of Instruction/Student Services to review and/or take action on the grievance. In ten school days after the student has filed a written request, the committee will meet with all involved parties and discuss the grievance in detail in an attempt to resolve the issue at this step. Meetings will be chaired by the Vice President of Instruction/Student Services.

Within five (5) school days, the decision and proposed action will be communicated to the following:
1. Student involved
2. Committee members
3. College President
4. Other person(s) involved with the grievance

**STEP IV:** If either the grievant or other person(s) involved are not satisfied with the decision of action of the Grievance Committee an appeal may be made. Within five (5) school days after the decision or action, the appeal must be filed with the President of the College for consideration. Once the College President has reviewed the memorandum and the written communication from the Grievance Committee, the President will schedule a private meeting with the complainant to discuss the matter.

**NOTE:** The College President has discretionary power to uphold, Reverse, or modify the action taken by the Grievance Committee. The president’s decision will be delivered to the Grievant/student in writing with copies to the appropriate individuals involved.

**STEP V:** If the grievant/student is not satisfied with the final college level disposition of the case, she/he may, through the Chancellor of the Coast Community College District, appeal directly to the Board of Trustees. The Board, after reviewing the materials pertaining to the grievance, may determine the time, place and manner of the hearing.

Student Right to Know

In compliance with the Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), Coastline makes its completion and transfer rates available to all current and prospective students at the following Web site:

www.srtk.cccco.edu/index.asp. A copy of this information may be obtained by calling Coastline’s Public Relations office at 1 (714) 241-6186.
Students’ Rights
The Coast Community College District and Coastline are committed to the concept and principles of providing all persons with equal opportunity in employment and education by prohibiting discrimination based on race, color, sex, national origin, religion, age disability, marital or veteran’s status or sexual preference. This commitment applies to every aspect of education and personnel policies and practices in the treatment of employees, students and the general public.

Rights of Students with Disabilities: Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990 prohibit discrimination on the basis of disability against persons in programs or activities receiving or benefiting from federal assistance. Thus, in postsecondary education settings, Section 504 mandates “reasonable accommodation” for adults with professionally documented physical or learning disabilities. Any person with a disability who believes that he or she has been discriminated against on the basis of disability should contact: Cynthia Pienkowski, Americans with Disabilities Act (ADA) officer, 1 (714) 241-6240 or Richard Kudlik, Equal Employment officer, 1 (714) 241-6146.

Sexual Harassment: It is the policy of the Coast Community College District to provide an educational, employment and business environment free of unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct or communications constituting sexual harassment as defined and otherwise prohibited by state and federal statutes. It shall be a violation of this policy for anyone who is authorized to recommend or take personal or academic action affecting a student or employee, or who is otherwise authorized to transact business or perform other acts or services on behalf of or for the Coast Community College District, to engage in sexual harassment as stated in the definition. Within the Coast Community College District, sexual harassment is prohibited regardless of the status and/or relationships the affected parties may have. Contact one of the following college administrators: Christine Leon, Dean of Counseling and Matriculation, 1 (714) 241-6257; Richard Kudlik, Equal Employment Officer, 1 (714) 241-6146; or Cynthia Pienkowski, Sexual Harassment Prevention Coordinator, 1 (714) 241-6240 for further information.

Study Load
College work is measured in terms of the “unit.” In a lecture course, a college unit is normally defined as one hour of lecture and two hours of homework per week. In a laboratory course, three hours in the classroom per week with no outside work constitutes one unit of work. Coastline recognizes 19 units as a maximum load during the Fall and Spring Semesters and nine units during the Summer Session. (Full-time student status is achieved by completing 12 or more units during the Fall or Spring Semesters and six or more units during the Summer Session.) Students wishing to carry more than the maximum load must petition through the Counseling office and must have a cumulative GPA of 3.0 at all colleges attended. Petitions for overload must be submitted to the Counseling office at least one week prior to the beginning of the semester.

Remedial Coursework Limits
No more than 30 semester units of course credit may be assigned to a student for remedial coursework except when the student is enrolled in one or more course in English as a Second Language or is identified as having a learning disability. This limit may be waived if the student can show significant and/or measurable progress toward the development of skills appropriate to enrollment in college-level courses. Student needing remedial instruction beyond the course credit restrictions set forth in this section shall be referred to appropriated non-credit adult basic education programs conducted by an adult school.
Academic Standards
Honors: Coastline recognizes academic honor in four ways.

1. President’s List: A student is eligible to be included on the President’s List after completing a semester of at least 12 units in courses awarding letter grades during which a GPA of 4.0 is earned.

2. Dean’s List: A student is eligible to be included on the Dean’s List after completing a semester of at least 12 units in courses awarding letter grades during which a GPA of 3.50 to 3.99 is earned.

3. Honor’s List: A student is eligible to be included on the Honor’s List after completing a semester of 6.0 to 11.9 units in courses awarding letter grades during which a GPA of 3.75 to 4.0 is earned.

4. Graduation with Honors: A student is eligible for Graduation with Honors* if he or she achieves a 3.50 or higher GPA in all college units attempted and a 3.50 or higher GPA in all courses completed at Coastline.

Probation Status: The Coast Community College District’s policy on probation states that a student shall be placed on probation if he or she meets one of two conditions:

1. Academic Probation
   A student is on academic probation if he or she has attempted at least 12 semester units at a District college and
   a. has a GPA of less than 2.0 in the most recent semester completed, or
   b. has a cumulative GPA of less than 2.0 in all units attempted.

2. Progress Probation
   A student is on progress probation if he or she has attempted at least 12 semester units at a District college and the percentage of units with “W, I and NP” grades reaches or exceeds 50 percent.

Students on probation at one District college shall be on probation at all colleges within the District. All probationary students shall be notified of their status and counseling services shall be made available.

Disqualification Status: The approved disqualification policy states that a student in the District who is on academic or progress probation shall be disqualified whenever he or she meets one of two conditions:

1. Academic Disqualification
   Any student on academic probation for two consecutive semesters shall be academically disqualified. However, students on academic probation whose most recent semester GPA equals or exceeds 2.0 shall not be disqualified but shall be continued on academic probation.

2. Progress Disqualification
   Any student on progress probation for two consecutive semesters shall be disqualified for lack of satisfactory progress. However, students on progress probation whose most recent semester work indicates less than 50 percent of “W, I or NP” entries shall not be disqualified but shall be continued on progress probation.

Students on disqualification at one District college shall be disqualified at all District colleges. Students shall be notified of disqualification status near the beginning of the semester that it shall take effect but, in any case, no later than the start of the Fall Semester.

Upon notification of eligibility for disqualification, students shall be informed of appeal procedures and of counseling and other appropriate services. If circumstances warrant, exceptions may be made and reinstatement granted at the discretion of and under the conditions established by the Probation and Disqualification Review Committee.

* Spring grades will not be used in computing the GPA for the graduation ceremony, but will be used in determining the final GPA for the diploma.

Attendance
Class Attendance: Regular and prompt attendance is expected of every student. Instructors may drop students who incur excessive absences. Excessive absences could lead to a lower grade, even a failing grade.

It is especially important that students attend the first class meeting of every class in which they are registered since a full period of instruction will begin the first day of the semester. Instructors may drop students who miss the first class meeting to make room for students who may wish to enroll. Registered students who miss the first class should notify their instructors through the appropriate area center prior to the first meeting to avoid being dropped from the class.

Each instructor will determine the attendance policy for his or her class and its implication for successful completion of the course. The instructor will explain to students during the first class meeting the policy for attendance and grading to be used in the course.

It is the student’s responsibility to officially drop classes that he or she is no longer attending (see the Withdrawal from Class Policy). If a student stops attending class, but does not officially withdraw from the course via MyCCC, by mail or in person, he or she could receive a failing grade.

Continuous Attendance: Defined as the completion of at least one course during a regular semester in an academic year.
Admissions

Auditing
Effective summer 2010, the college is no longer offering students the option to audit a course.

Awarding College Credit
Coastline recognizes college credit, except sectarian courses, earned at any institution of higher education which is accredited by one of the regional accrediting associations of schools and colleges as identified by the Council on Postsecondary Accreditation.

Upon completion of 12 units at Coastline, students may receive a maximum of 40 units through experiential learning, including American Council on Education (ACE) College credit recommendations, Military, CLEP, DSST, and Advanced Placement towards the experiences in similar subject areas.

Students planning to transfer credit awarded by Coastline for experience other than classroom attendance should contact the specific transfer institution, since each college has a different policy regarding experiential credit.

Advanced Placement Credit: Credit may be granted for Advanced Placement courses completed in high school. The credit may be applied toward the Associate degree and/or CSU General Education Certification. Official test scores must be submitted to Coastline's Admissions and Records Office. See Appendix B—AP Chard for the required scores and degree application.

CLEP (College Level Examination Program)
The College Entrance Examination Board offers examinations covering material taught in courses that most students take in the first two years of college.

- CLEP credits will count towards general education, major, or elective credits for the Associate degree or CSU General Education Certification. See Appendix C—CLEP Chart for the required scores and applicability.
- The University of California does not grant credit for CLEP.
- CLEP may or may not be accepted by other colleges and universities. A student must check with the specific transfer institution to determine regulations regarding CLEP. General CLEP policies can be found in the college catalogs.
- CLEP exams may not be used to retake or improve a grade in a course at Coastline or any other institution.
- CLEP credit posted to another institution's transcript will be reevaluated based on Coastline's standards and may or may not be equal to credit received at another institution. CLEP credit posted to a student's Coastline transcript may or may not be accepted for equal units at another institution.
- Coastline has established CLEP and DSST National Testing Centers on base at Dyess AFB, Fallon NAS, Gulfport NCP, Holloman AFB, Pensacola NAS and Point Loma, and in Westminster in collaboration with NWS Seal Beach.

Credit by Examination: $25 per course. Students with appropriate post high school experience may petition for “Credit by Examination” and receive college credit in courses reflecting this experience, providing the:
1) student is in good standing;
2) course is appropriate for credit by examination;
3) course is listed in the college catalog and
4) appropriate instructor, currently teaching the classroom course, is willing to assist the student in completing “Credit by Examination.”

The appropriate number of units may be posted to the student's transcript upon completion of 12 units at Coastline. This credit will be designated “Credit by Examination” and will be awarded the grade of “Pass” if the student successfully passes the examination; the grade of “No Pass” will be assigned if the student fails the examination.

DANTES (Defense Activities Non-Traditional Education Support) Subject Standardized Tests (DSSTs)
- Coastline accepts DANTES (DSSTs) with scores from 44 to 400 depending on the exam.
- DSST credits will count towards general education, major, or elective credits for the Associate of Arts degree. (See DSST chart for applicability)
- DSST scores may not count toward CSU and IGETC certifications.
- DSST scores may or may not be accepted by other colleges and universities. A student must check with the specific transfer institution to determine regulations regarding DSST credit.
- DSST exams may not be used to retake or improve a grade in a course at Coastline or any other institution.
- CLEP/DSST credit posted to another institution's transcript will be reevaluated based on Coastline's standards and may or may not be equal to credit received at another institution.

See Appendix D—DSST Chart.

Foreign College Units: Coastline is unable to evaluate foreign transcripts. International students are encouraged to utilize the Credentials Evaluation Service provided by the International Research Foundation, Inc. This agency is familiar with educational systems throughout the world and can properly evaluate international transcripts. Although the agency charges a fee for the service, the expense is usually much less than repeating the courses at an American institution of higher education. Coastline will accept the official evaluation and will count the units and/or degrees toward the student's educational program. Call the Counseling office for information at 1 (714) 241-6162.
Independent Study: Students whose past experiences and present activities provide an accepted alternative method for completing course objectives may petition for Independent Study:

1. If the course is offered during the petition semester;
2. If the course is appropriate for this method of instruction, and
3. If the petition is approved by the specific instructor teaching the class, the discipline dean and the vice president of instruction.

Military Credit: Coastline recognizes that U.S. Service members receive intensive training and educational instruction unmatched by many others in our society. Coastline will award a maximum of 40 units of credit for military training and experience as recommended by the American Council on Education (ACE). The determined number of units may be posted to the student’s transcript upon completion of 12 units at Coastline.

- Military transcripts are evaluated to verify credit applicable to a degree. Transcript documentation includes SMART (Sailor/Marine ACE Registry Transcript) AARTS (Army/ACE Registry Transcript System), Coast Guard Institute Transcript, DD 295 and DD 2586.
- Military credits may count towards general education, major, areas of emphasis, certificate, and elective credits and are applicable to an associate degree at Coastline.

Work-based Learning: Students pursuing any vocational major at Coastline may earn elective credit for learning on the job through a planned program of goal setting, site visits and evaluations. Concurrent enrollment in Coastline’s vocational classes is required. For further information, contact the Work-based Learning office at 1 (714) 241-6209.

Classification of Students
Students are classified as follows:

Freshman: A student who has completed fewer than 30 units.

Sophomore: A student who has completed 30 or more units

Full-time Credit Students: A student carrying 12 units or more of work.

Full-time Noncredit Student: A student attending 24 class hours per week.

Part-time Student: A student carrying fewer than 12 units of work.

Course Repetition
In accordance with Title 5, sections 55024, 55040-55045 only courses which fall into the following categories may be repeated. Enrollment in two sections of the same course in the same term or part of term is not permitted.

1. The course schedule and catalog descriptions state that a course may be repeated a pre-approved number of times, which may be once, twice, or three times. If the description states that: This course may be repeated one time .................. it may be taken twice for credit; two times........it may be taken three times for credit; three times ......it may be taken four times for credit.

2. Students who wish to repeat a course in which a substandard grade (D, F, and/ or NP) was received may retake the course at any regionally accredited college or university to alleviate the substandard grade earned at Coastline Community College provided the repeated course is equivalent to the one taken at CCC. Equivalency will be determined by the appropriate department at CCC. Prior to repeating a course, students should consult the CCC Admissions and Records Office or CCC Counseling Office to ensure the original CCC course is equivalent to the course being repeated. Students who repeat a course in which a substandard grade was earned at CCC may repeat that course only one additional time, except upon appeal for extenuating circumstances. Appeal forms are available in the Admissions and Records Office and online at www.coastline.edu.

Students who are approved to take a specific course for the third time do not receive registration priority for that course and must wait until the week prior to the start of the term to register.

Upon completion of the repeated course, the student must file a Repeated Course Grade Petition in the Admissions and Records Office. For repeated courses taken outside of the Coast Community College District students must include official transcripts and a copy of the catalog descriptions and/or course outlines from colleges or universities where courses were repeated. The student’s academic transcript shall then be annotated reflecting exclusion of the previously recorded course work with the substandard grade for purposes of grade point calculation and for all considerations associated with the awarding of certificates and degrees. However, previously recorded course work shall neither be removed nor otherwise obliterated from the permanent record.

3. Special classes which meet the needs of students with a documented disability may be repeated in compliance with Title 5, Section 56029, of the Education Code.

Note: Some transfer institutions may elect to include both courses or may choose to use only the first grade taken in their computation of the grade point average to establish entrance requirements.

Note: There is current State and District policy pending regarding changes to the Course Repetition Policy. Please check with the Admissions & Records Office or Counseling for updated information.
Expenses
Enrollment Fees (effective Summer 2012): $46 per unit. The enrollment fee is subject to change by the state legislature.

College Services Charge (formerly Student Services Charge): $6 per semester. This charge underwrites many student services, classes and programs. It is not mandatory. A portion of each $6 charge goes to instructional grants and student scholarships. Information about specific programs funded by this charge and requests for waiver of the charge are available and granted only in the Admissions and Records office during the registration period. Waivers must be secured in advance and submitted at the time of a student’s initial enrollment.

Housing: Coastline maintains no dormitories. Housing transactions must be made individually.

Non-resident Tuition: $179.00 per unit + $35.00 per unit Non-Resident Capital Outlay. Students who are not California residents as defined by the Education Code are required to pay the non-resident tuition fee in addition to the fees described above. Please note that it is the student’s responsibility to prove that he/she is a California resident.

Materials Fees: Students may need to purchase materials for classes, as follows:
1. Required instructional materials of continuing value outside of the classroom must be paid for by the student. These are tangible materials that are essential to satisfy course objectives, have value to the student outside the classroom, belong to the student and may be taken home. These materials include, but are not limited to, such items as textbooks, workbooks, syllabi, computer discs, tools, uniforms and canvases. They also include materials, such as clay, that are transformed into materials of lasting value.

NOTE: Some classes carry a fee for required instructional materials. These fees are for the types of materials described above. When such fees are indicated, the materials for which the fees are levied are supplied at district costs and are sold as a convenience to students. However, students may choose not to pay the fee indicated and provide the materials themselves. Students are warned that they will not be able to complete the requirements of a course if they do not purchase or provide required instructional materials.

2. Students are advised to provide certain instructional materials of an optional nature. These are materials that enhance a student’s learning experience in the classroom, but are not essential to completion of course objectives.

Parking Fee: $15 per Fall/Spring Semester. $7 for Summer Session. See “Parking Regulations” on page 133.

Health Services Fee: All students enrolling in one or more courses are required to pay the Health Services Fee of $10. This is a mandatory fee unless the student presents a waiver. Students who qualify for a waiver are:

- Students who depend solely upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization. Call 1 (714) 241-6160 for information.
- Students enrolled only in courses of two weeks or less in duration.
- Students enrolled only in non-credit courses.
- Students enrolled in an approved Study Abroad Program.
- Students enrolled in an approved apprenticeship training program.

Textbooks: Students may need to buy textbooks as determined by their instructors. Total cost will vary from approximately $75 per class to $600 per semester for full-time students. In some cases, used textbooks are available at a reduced price. Some textbooks may also be rented. Textbooks may be purchased in the Bookstore located at the College Center or online at: www.coastlinebookstore.com.

Information about textbook pricing and ordering for courses delivered through the Military Program may be found online at http://military.coastline.edu/text50.cfm.

Grading
Student performance is indicated by one of seven grades. Grades, which carry a point value and which are used in determining the grade point average (GPA) are as follows:

A = Excellent 4 grade points per unit
B = Good 3 grade points per unit
C = Satisfactory 2 grade points per unit
D = Passing-less than satisfactory 1 grade point per unit
F = Failing 0 grade points per unit

The grade point average is calculated by dividing the number of grade points by the number of units attempted for the grades of A, B, C, D, or F.

The following grades are not part of the GPA calculation:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
<th>Unit credit granted</th>

*Incomplete were expanded to include the grade that the incomplete will revert to in one year if the student does not make up the coursework with the instructor (i.e., ID = incomplete which will revert to a “D” in one year if the student does not make up missing coursework).
An “E” to the far right of a course indicates that the grade has been excluded from the GPA calculation. The reason for the exclusion may be notated as follows:

Grading Options
1. Optional Pass/No Pass or grade classes.
   In these courses, students may elect to receive either a traditional letter grade of “A” through “F” or Pass/No Pass for the course. This choice must be made within the first four (4) weeks of the fall and spring semesters, and within 30% of the course in short-term courses.

2. Pass/No Pass grading option:
   Students selecting this grading option must submit the Pass/No Pass Option Request Form to the Records office by the specified deadline for each course.
   Requests can be submitted in-person or by mail. If mailing, make sure the request is postmarked on or before the deadline date. Requests received after the deadline will not be processed.

Once the Pass/No Pass grading option deadline has passed, the grade option cannot be reversed. Therefore, before selecting this option, students should consult with a counselor.

NOTE: In classes graded on this basis, students are held to attendance regulations and academic standards expected in the standard graded courses.

Students are advised to read the following statements before deciding to pursue a course on a graded (“A” to “F”) or Pass/No Pass basis.

- A grade of “Pass” or “No Pass” does not affect a student’s grade point average at Coastline Community College.
- “NP”, “W”, and “I” grades are utilized by Coastline Community College in the determination of academic probation and disqualification. (Refer to college regulations concerning “Probation/Disqualification.”)
- Courses taken at Coastline Community College to remedy an admissions deficiency for the University of California due to poor or incomplete high school preparation are not acceptable if completed on a “pass” basis.
- Students required to complete 60 units of course work with a grade point average of 2.4 prior to transfer to a University of California campus, such as Irvine, must complete at least 42 of these units on a graded (“A” through “F”) basis.
- Some universities may specify that courses required for a major be completed on a standard grade basis (“A” through “F”).
- A grade of “pass” is equivalent to a “C” for purposes of transfer.
- Some universities specify that courses taken to satisfy general education breadth requirements be completed on a standard grade basis (“A” through “F”).
- Some institutions limit the number of units completed on a “pass” basis which are accepted toward the bachelor’s degree.
- Students planning to apply to competitive admissions programs such as the health professions are usually advised to complete the specified preparation on a graded basis (“A” through “F”).

W (Withdrawal)
Withdrawal is not an automatic process. The student is responsible for officially withdrawing, through the Admissions and Records Office, to avoid receiving “F” or “NP” (no-pass) grades.

42 ÷ 17 = 2.47 = GPA
Upon entering Coastline Community College, the student assumes the responsibility of completing each course in which he/she is registered. A college student is expected to attend all sessions of the classes in which he/she is enrolled. An instructor may drop a student for excessive absences when the instructor determines that, due to absences, the student may not successfully complete the course. Students who miss the first meeting of the class may also be dropped. Students who are dropped by their instructors for missing the first class meeting or for excessive absences should verify the instructor drop with the Admissions Office in order to avoid grade penalties and to comply with critical drop dates as specified. After a student has been dropped from the class for unexcused absences, appeal for reinstatement will be considered only under extenuating circumstances.

When withdrawing from a class, students should be aware that the following policies apply:

**Early Withdrawal**

Classes will not appear on a transcript (a “W” will not be assigned) when a student officially withdraws during the first two (2) weeks of full semester (16-week) fall or spring courses, and 20% of all other length courses. Students should refer to their “Student Class Program, Web Schedule Bill” for specific course deadlines.

**Other Withdrawals**

A “W” will appear on a transcript for official withdrawals made between the Tuesday of the 3rd week and the last day of the 12th week for full semester (16-week) fall or spring courses and more than 20% and less than 75% in all other length courses.

**MW (Military Withdrawal)**

“Military withdrawal” occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol of “MW” is assigned. Military withdrawals shall not be counted in progress probation and dismissal calculations.

**I (Incomplete)**

An incomplete grade (I, I/B, I/C, I/D, I/F, and I/NP) may be assigned when the course is not completed for unforeseen, emergency and justifiable reasons, with permission from the instructor, and the student intends to complete the work after the end of the term. The condition for the removal of the “I” shall be stated by the instructor as well as the grade assigned in lieu of its removal in a written record available to the student at the Admissions and Records Office.

The “I” must be made up no later than one year following the term in which it was assigned. If the work assigned is not completed within that year, then the grade will revert to the grade attached to the “I” (i.e., I/B = B). A final grade shall be assigned when the work stipulated has been completed and evaluated by the instructor or when the time limit for completion of the work has passed.

**NOTE:** When unusual circumstances prevail, a petition may be filed at the Admissions and Records Office requesting a reasonable extension of time.

**IP (In Progress)**

The “IP” (In Progress) grade indicates that the class extends beyond the normal academic term. It indicates that work is in progress but assignment of a final grade awaits completion of the course. The “IP” symbol remains on the student’s record and is not used in calculating units attempted or grade points. The appropriate evaluative grade, units and grade points are assigned and appear on the student’s record for the term in which the course is completed.

**NG (Non-Graded)**

The NG symbol is assigned to non-graded courses.

**Grade Challenge Policy**

The determination of the student’s grade by the instructor shall be final in the absence of mistake, fraud, bad faith or incompetence. A student who has been assigned a final grade which he/she believes to be incorrect may file a Grade Challenge Petition form obtained from the Office of Admissions and Records.

All grade challenges must be made by the student, in writing, within two years after the end of the semester in which the grade in question was assigned. Grade challenges filed after the two-year deadline will be reviewed for recording errors only to ensure that the student’s grade on the instructor’s roster is, in fact, the grade that appears on the transcript.

**Examinations**

Final examinations are required in all courses, except physical education. Normally final examinations are given the last week of class. No student will be excused from these examinations. Students must be in attendance at Coastline Community College for the entire semester and must take the final examination to receive credit.

**MW (Military Withdrawal)**

“Military withdrawal” occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol of “MW” is assigned. Military withdrawals shall not be counted in progress probation and dismissal calculations.

**Incomplete Grades:** Incomplete academic work for justifiable reasons at the end of the term may result in an “I” symbol being entered in the student’s transcript (permanent record). The “I” may be made up no later than
one year following the end of the term in which it was assigned. Students are notified by the College regarding the conditions necessary to receive a grade. An “I” not made up within the one-year limit shall be changed to the alternate grade assigned by the instructor at the time the “I” was issued.

NOTE: Students are not permitted to enroll in a course in which they were assigned an “I” grade. Incompletes must be agreed upon by both the student and the instructor.

Examinations: Final examinations are required in all graded courses. Exceptions to this policy may occur in certain physical education activity courses. Students must be in attendance at Coastline for the entire length of the course and must take the final examination to receive credit.

Prerequisites, Corequisites and Other Limitations on Enrollment

All prerequisites or corequisites identified in Coastline’s catalog and class schedule were established according to state laws as outlined in the Coast Community College District’s Model Plan. The following information is provided in compliance with those laws.

Except for district priority registration procedures for continuing students and courses or programs with prerequisites or corequisites, all Coastline classes are open to enrollment on a first-come, first-served basis until they are filled to maximum capacity.

Definitions: “Prerequisite” means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. “Corequisite” means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. “Advisory” means a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Challenging Limitations on Enrollment

Closed classes without prerequisites or corequisites: For courses that do not have prerequisites or corequisites, students may attend the first class meeting and ask instructor for permission to enroll in class.

Closed classes with prerequisites or corequisites: For courses that do have prerequisites or corequisites, students must have completed all prerequisites or corequisites. Students who have not met the appropriate prerequisites or corequisites and who complete in-class registration may not be officially enrolled or may be involuntarily dropped from the course.

Open courses with prerequisites or corequisites: Students may challenge prerequisites or corequisites based on the types of challenges listed below which are established by law. It is the student’s responsibility, however, to provide satisfactory evidence that the challenge should be upheld. “Prerequisite/Corequisite Challenge Petition” forms are available in the Admissions office. Students wishing to challenge prerequisites or corequisites should first speak with the Dean of Counseling. They must then complete the petition form and submit it, along with supporting documentation, to the Admissions office. Petitions will be approved or denied within five working days. If approved, the petitioner will be allowed to enroll in the course of choice. If the desired course is already closed when the challenge is filed, the challenge shall be resolved prior to the beginning of the registration for the next term. If the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for that subsequent term.

Authorized Grounds for Challenge (Title V—Section 55201):

Colleges are required to notify students about the types of challenges that are established by law, and to advise students of the circumstances under which they are encouraged to make a challenge.

Any prerequisite or corequisites may be challenged by a student on one or more of the grounds listed below. The student shall bear the initial burden of showing with documentation that grounds exist for the challenge. Challenges shall be resolved in a timely manner and, if the challenge is upheld, the student shall be permitted to enroll in the course or program in question. Grounds for challenge are:

1. The prerequisite or corequisite has not been established in accordance with the District’s process for establishing prerequisites and corequisites;
2. The prerequisite or corequisite is a violation of this article;
3. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;
5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available; and
6. Such other grounds for challenge as may be established by the district governing board.

Coastline has established all prerequisites or corequisites in full compliance with the District’s process for establishing prerequisites and corequisites. The existing prerequisites and corequisites are not in violation of state law. The District has not established any grounds for challenge other than those already permitted by law. Therefore, students are not advised to challenge a prerequisite or corequisite based on items 1, 2 or 6 above. Coastline students are encouraged to submit their official transcripts as documentation of prerequisite or corequisite completion at the time of registration. The transcripts will usually indicate which completed coursework from other colleges is equivalent to the prerequisite or corequisite. This action will avoid the need to file the Prerequisite/Corequisite Challenge Petition.
**Student Rights to Appeal:** If a challenge is denied based upon the determination of one person and not a committee, the student has the opportunity to appeal to the Dean of Counseling and Matriculation.

**Assessment and Placement Test Requirements**
Placement testing for English and mathematics is required for all non-matriculated students prior to enrolling in courses. All students must either place into a course or successfully complete the pre-requisite prior to enrolling. Students may not register in a course level higher than what is indicated on their placement test results. Coastline Community College, in compliance with California Community College State Chancellor’s Office regulations, has validated the assessment process used to place students and found it to correlate highly with a student’s ability to perform at the level indicated. However, the College recognizes that, on occasion, the assessment process is not always the only indicator to determine a student’s placement, and in some cases, other factors may need to be considered. Therefore, students may submit an appeal for review for consideration of higher placement if they believe their placement is inaccurate. Appeals are located in the Admissions and Records Office and must be made prior to enrolling in the course.

Since the standard English test may not accurately measure non-native English speakers’ reading, writing, and speaking skills, the College recommends that non-native English speakers take the ESL Assessment Test, which can correctly place the student in ESL or English courses.

Contact the Assessment Center in the College Center for information about scheduling an appointment for placement testing.

**Priority Registration Policy**
The Coast Community College District is committed to the philosophy that all students should have fair and equitable access to courses and programs within the resources of each college and in accordance with State Education Code, Title 5 provisions and guidelines adopted by the Board of Governors. Further, the District believes that students should be able to progress toward their stated educational objective in a timely manner. The primary mission of the District colleges is to provide transfer and vocational courses and programs. Therefore, priority is extended to matriculated students who have demonstrated progress toward their declared educational objectives, the completion of their transfer requirements, and/or the completion of a degree or vocational certificate. Enrollment priority is the process used to determine the order in which students will have the opportunity to register for classes. Recognizing that each college serves a unique student population that may have differing needs, the development of specific registration priorities will be done at the college level in accordance with District procedures. Contact the Dean, Enrollment Services for additional information.

**Refund Policy**
In accordance with State regulations and District Board policy, registration fees will be refunded upon according to the following:

1. **Enrollment Fees, Nonresident Tuition, Material Fees:** 100% of the fees paid at registration for the affected class(es) will be refunded provided the student withdraws by the refund deadline date printed next to the class on the student’s class program. Withdrawals after the printed refund date for the class are not eligible for refund.

2. **Parking Fee, Health Fee College Services Charge:** 100% of the fees paid at registration will be refunded if the student totally withdraws from all classes in accordance with the refund deadline date for each of the classes being dropped as printed on the student’s class program, and the student returns the Parking Permit Decal within the refund deadline.

**Refund Procedure**
In accordance with California State Regulations and District Policy, registration fees will be refunded according to the following:

**Enrollment fees, Non-Resident Fees, Material Fees:**
100% of the fees paid at registration will be refunded if the student totally withdraws from all classes by the refund deadline for each class. No refund will be made after the refund deadline. There are no exceptions.

**Health Fee, College Service Charge:**
100% of the fees paid at registration will be refunded if the student totally withdraws from all classes by the refund deadline for each class. No refund will be made after the refund deadline. There are no exceptions.

**Parking Permit:**
Return the parking permit (if purchased) in-person or by mail. The Parking Permit must be postmarked or returned to the Public Safety Office on or before the earliest refund deadline on your official Student Class Program, which is available via the student tab on your MyCCC portal.

**To Be Eligible For a Refund:**
Students must officially withdraw from classes by the refund deadline (Refer to the Student Class Program/Web Schedule Bill on the Student tab of the MyCCC portal page or see Important Dates.) It is the student’s responsibility to officially withdraw from classes and to verify all withdrawals. An instructor may drop students for non-attendance. Instructors are not responsible for making sure drops are made by the refund deadline. If the student has not been dropped from the class by the instructor, the student is responsible for withdrawing from the class by the refund deadline. Students who are officially enrolled in a class after the refund deadline will not be eligible for a refund. There are no exceptions.
Refund Processing:
Refunds will be automatically processed every Wednesday beginning the first week of registration of the semester in which the fees were paid and each week thereafter until the end of the term. Official withdrawals made in accordance with the refund policy and by the withdrawal deadline will generate a credit balance on the student account.

Online Credit Card Payment Refunds:
Registration fee payments made by credit card through MyCCC will be refunded to the same credit card used for payment. Allow 6-10 business days for the refund to post. If the Credit Card used to pay fees is no longer valid, it is the student’s responsibility to notify the Admissions and Records Office once the credit has been posted to the student’s account and prior to the refund being processed. The refund will be converted to a check refund upon proper notification.

On Campus Payment Refunds:
Fee payments posted on campus, by cash, check, money order or credit card, will be refunded by check and mailed to the mailing address the Admissions and Records Office has on file. It is the responsibility of the student to maintain correct and up-to-date address information. Addresses can be updated on MyCCC, under the Student Tab, and then click on Banner Self Service.

Important:
Payments made using multiple payment methods (online credit card payments and cash, check or money order) during the current registration period will be refunded to the credit card used for online payments.

Cancelled Classes
If Coastline Community College cancels a class, registration fees for that class will be refunded. If you purchased a parking decal, it must be returned within two weeks of the class cancellation date.

Returned Checks
Any check returned unpaid (stop payment or insufficient funds) does not constitute automatic withdrawal from class. A check returned from the bank for any reason is subject to a $25 service charge. A hold will be placed on student records for any financial obligation, until the obligation is cleared.

Residence Requirements
California Residence: California Residence
Generally, California residence is established by one of the following:
1. If the applicant is under the age of 18, his or her parents must have had legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester or summer session.
2. If the applicant is 18 but not yet 19 years of age, the applicant and the applicant’s parents or legal guardian must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester or summer session.
3. If the applicant is 19 years of age or older, the applicant must have had legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester.
4. Alien students holding visas which do not preclude them from establishing residency in California must have legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester.
5. Students who are financially dependent on their parents or legal guardians will be required to pay nonresident tuition if their parents or legal guardians reside outside the state even though such minors may have lived in California for one year or more.
6. Alien students holding visas which preclude them from establishing residency in California may be restricted in their enrollment at Coastline Community College and will have to pay nonresident tuition. In addition, alien students with visas who are citizens of another country are required to pay an additional per unit capital outlay fee. See the class schedule for the amount of the fee.
7. In accordance with Education Code 68130.5 (AB 540), other than nonimmigrant aliens, students who meet all of the following requirements are exempt from paying the nonresident tuition fees.

Nonresident Students
The following conditions are applicable regarding nonresident fees:
1. Students who are not residents of California as of the day immediately preceding the first day of the semester or summer session will be required to pay a nonresident tuition fee.
2. Active military personnel are exempt from nonresident tuition fees provided they are in California for a purpose other than attending a state supported institution of higher education.
3. Dependents of active military personnel are granted a one-year exemption from paying the nonresident tuition fee. The one-year period begins on the date the dependent enters California. After the exemption period has ended, dependents will be charged nonresident tuition unless they have met the residency intent and durational requirements for a one-year period prior to the residency determination date.
4. Minors (under 18 years of age and not married) will be required to pay the nonresident tuition if their parents or legal guardians reside outside the state even though such minors may have lived in California for one year or more.
5. Students who are financially dependent on their parents or legal guardians will be required to pay nonresident tuition if their parents or legal guardians reside outside the state even though such students may have lived in California for one year or more.
a. Attendance in a California high school for three or more years. Copy of High School transcript must be submitted to the Admissions Office

b. Graduation from a California high school or attainment of the equivalent prior to the start of the term. Copy of High School diploma or equivalent required

c. Students without lawful immigration status must have filed an application to legalize their immigration status or will file for lawful status as soon as they are eligible to do so. The student is required to submit an affidavit with the college admissions application to verify that the student has met all conditions described above.

8. This is a “Non Resident Tuition” Exemption: In accordance with AB540, a student who currently resides in California and is 19 years of age or under at the time of enrollment, who is currently a dependent or ward of the state through California’s child welfare system, or was served by California’s child welfare system and is no longer being served either due to emancipation or aging out of the system, may be entitled to resident classification until he or she has resided in the state the minimum time necessary to become a resident.

Note: Students who are nonimmigrant aliens (e.g., F series student visas or B series visitor visas) are not eligible for this AB 540 exemption unless they have applied to INS for a change of status to other than nonimmigrant status and meet all other requirements for the exemption.

Nonresident Tuition: $179.00 per unit + $35.00 per unit Non-Resident Capital Outlay. Students who are not California residents as defined by the Education Code are required to pay the non-resident tuition fee in addition to the fees described above. Please note that it is the student’s responsibility to prove that he/she is a California resident.

International Students: Coastline is authorized by the United States Immigration Naturalization service to enroll International Students (F-1).

The faculty, students and staff of Coastline believe that our international students provide an ethnic and cultural diversity to the college and help increase the awareness and understanding of students from other countries and cultures. Conversely, we provide an opportunity for our international students to study in the United States and learn about us and our culture. Coastline uses more than 30 instructional sites in the community as classroom locations. Based on this, foreign students are reminded to make appropriate arrangements for transportation to and from classes.

Interested International students should request applications from:

Coastline Community College
Attn: International Students Admissions
11460 Warner Avenue
Fountain Valley, CA 92708

The following are entrance procedures for international students requesting F-1 status:

• Our rolling admissions process allows for acceptance to Coastline during the Fall and Spring semesters. Applicants outside the U.S. should apply at least two months prior to the start of the term. Approximate start dates: fall, in late August; spring, in late January; and summer, in mid-June. We recommend early application for the best selection of classes.

• International applicants must complete an international student admission packet including:
  1. International student application
  2. A $30 non-refundable application fee, in U.S. dollars (check, money order, cash, or credit card) must be submitted with the application.
  3. International Student Financial Support Information Form
  4. Bank Certification Form
  5. All evidence of high school graduation or higher must be submitted. The “official” transcripts of the original records must be accompanied by a notarized English translation.

6. TOEFL score: A minimum score of 450 (paper based) or 133 (computer-based) in order to be accepted into the regular college program. Students who plan to enroll in the English as a Second Language Institute (ESL) are not required to take the TOEFL test. However, students are strongly encouraged to provide TOEFL or equivalent scores for appropriate placement purposes. To make arrangements to take the TOEFL, write to: TOEFL, Educational Testing Service, P.O. Box 592, Princeton, New Jersey, 08540. International students must designate Coastline (Institution Code 004086) as the recipient of the test results.

7. Notice of Intent to Transfer if transferring from a college in the U.S.

8. International students must provide proof of private health insurance during their entire course of studies at Coastline, meeting the minimum requirement of $30,000 of health insurance.

9. International students must complete 12.0 or more units each semester with at least a 2.0 GPA while pursuing their selected academic goal.
10. The Bureau of Citizenship and Immigration Services (BCIS) restricts international students from off-campus employment for the first year of study. After the first year of study, International students are allowed to work part-time. International students must get approval from the BCIS and the vice president of student services before they can be legally employed off-campus.

11. International students pay nonresident tuition during their attendance at Coastline. Admission materials received from international applicants remain active for 12 months after their submission. If the international applicant does not register during that 12-month period, the materials are destroyed.

**Students Holding Visas Other Than Student (F-1) Visas:** Aliens holding valid visas that are otherwise eligible for admission may enroll in classes provided that they are proficient in English and their visas do not expire before the end of the term for which they are enrolling. Contact the Admissions & Records Office for information concerning specific enrollment restrictions.

An alien who is precluded from establishing domicile in the United States shall not be classified as a resident unless and until he or she has been granted a change in status by the U.S. Citizenship and Immigration Services (USCIS) to a classification which permits establishing domicile and has met all other applicable residency requirements. Aliens considered to be nonresidents are required to pay the nonresident tuition charge, and are not eligible for tuition exemption (Education Code 68130.5).

**Coast Community College District Residence:** In order to attend Coastline, an applicant must meet the California residence requirements.

This notice has been prepared in accordance with Education Code Section 25505.5 and shall remain in effect until further written notice.

---

**Student Records**

**Active Records:** Most requests for changes to a student’s current class program or information can be done online by logging in to MyCCC or in the Admissions and Records Office. Included are “adds” to program, “withdrawal from class,” “fee payments” “and address changes.” Grade option requests and name changes must be done in person in the Admissions & Records Office. If changing a name, official documentation must be presented at the time of the request.

**Transcripts:** Transcripts of academic work taken at Coastline Community College are available upon official request. Students make their requests online through Credentials, Inc. on the CCC website, www.coastline.edu. Two transcripts and/or enrollment verifications will be provided free of charge. For each additional transcript there will be a charge of $5. Students may request “rush” (next day) services for an additional $5 per transcript or verification. Fees are subject to change. In accordance with Education Code provision 72237, transcripts will be withheld from students and former students who have outstanding financial or materials obligations to the college and/or district or who have unresolved matters related to student discipline.

**Cumulative Folders:** The Admissions and Records Office maintains an electronic cumulative file on each student who has records sent to the College. The file, containing copies of high school and college transcripts, and other relevant academic information, such as records of military service and other awarded credit, is available to the student. These files are the property of the college.

**Verifications:** The Admissions and Records Office will provide information regarding a student’s records upon written student request. There is a $3 charge. Two verifications and/or transcripts will be provided free of charge. This fee is subject to change. Coastline Community College also utilizes the National Student Clearinghouse for reporting of enrollment status. Enrollment status is reported automatically several times during the semester or session.

**Student Picture Identification:** Students may be required to furnish picture identification in order to participate in certain classes and activities. Beginning this summer 2012 photo I.D cards are issued in the Admissions & Records office during the students first semester and validated each semester thereafter after verification of enrollment and payment. Students are only allowed one replacement during their studies at Coastline Community College.

Instruction
Coastline offers a comprehensive education program at times, places and in formats designed to serve the diverse needs of its students. The college’s instructional program includes a full range of courses leading to an A.A. or A.S. degree and/or a transfer to a four-year institution; more than 25 occupational programs preparing students to enter into or advance in the workplace; courses in basic language and mathematics skills to help students prepare for college studies or employment; special programs for students with disabilities; and a wide range of courses for those wishing to broaden their general education and acquire special skills and knowledge needed in today’s fast-changing world.

Coastline offers several programs designed to serve the needs of specific community groups. The college’s English as a Second Language (ESL) Institute helps nonnative speakers acquire the necessary communication skills needed for daily living, employment and college study. The Student Success Center provides an opportunity for all students to improve their ability to read, write and do mathematics, and to review their skills before taking the college placement tests. Special Programs & Services for the Disabled offers an Acquired Brain Injury (ABI) Program and programs for students with intellectual disabilities. Coastline STAR Programs are a fast-track route for transfer to a four-year university. STAR Programs offer majors in History, Psychology, and Business Administration, with guaranteed enrollment in needed classes. Students can achieve transfer-readiness in 3.5 semesters.

Courses are offered both day and evening and via distance learning to accommodate the busy schedules of Coastline students, most of whom are employed full or part-time while attending college. Coastline also provides courses on-site at local businesses and large companies for the convenience of their employees. These programs are developed for the employer on a fee basis to meet their individual needs.

A leader with more than three decades of experience, Coastline’s Distance Learning Department offers a comprehensive selection of distance learning courses for Coastline students to earn college credit and to complete their educational goals with convenience and flexibility. Distance learning courses are offered through a variety of delivery methods. Each distance learning course is academically proven, well-produced curriculum developed by college faculty, scholars, practitioners and instructional design specialists. Students interact with their instructors by telephone, fax, e-mail, electronic bulletin boards, chatrooms, via Second Life virtual world, or in person. Internet Courses enable students to complete course work online at their own time, place and speed! The course Web site features text lectures, video clips, sound files, images, site links, assignments, online quizzes, instructor interaction, and discussion forums for student-to-student interaction. Textbooks, as well as possible multimedia and video materials, are required to complete the Internet course. Examinations are conducted on-site or proctored. Telecourses are pre-produced video lessons broadcast over local TV stations. Students can watch the lessons as they are aired, record lessons to watch or repeat at a more convenient time or watch the lessons at one of the Coastline Viewing Centers. The instructor conducts review sessions, administers examinations on-site and may have optional workshops. Cablecast Courses are locally produced lessons shown on cable TV from Coastline’s Cable Television Center. For students who do not have cable access within the District, cablecast lessons are available at Coastline’s Viewing Centers. Students watch their instructor’s lectures, read text books and complete course assignments. You can also buy DVDs of Telecourses and Cablecast courses for your viewing convenience. For both, the instructor administers examinations on-site. Independent Study Courses are specially prepared with course materials including reading materials, text books, study guides, self-paced assignments and video materials. Courses may also include CD-ROM multimedia materials, Internet access or lab kits. Although these courses are designed for students to study independently, students can interact with their instructor by telephone, fax, e-mail, electronic bulletin boards, chatrooms or in person. Examinations are administered by the instructor or a proctor on-site. Coastline’s Distance Learning Department schedules more than 200 courses during the fall and spring semesters and many courses in the summer which meet general education requirements for a degree or certificate. These are fully transferable to the California State University and University of California systems.

Coastline’s faculty is comprised of more than 300 highly qualified, credentialed, full- and part-time career educators and community professionals. The faculty and staff welcome the participation of all community members in developing an educational program relevant to today’s world.

In addition, students have full privileges at Golden West College and Orange Coast College Learning Resource Centers, at several public libraries and access to Coastline’s Virtual Library System at: www.library.coastline.edu.

Coastline’s goal is to provide comprehensive and state-of-the-art instruction which meets the special needs of the communities it serves.
Office of Learning and Information Technologies (OLIT)

OLIT develops and markets courses, as Coast Learning Systems, for use at Coastline and other educational institutions throughout the United States and worldwide. OLIT also provides computer support services within the College and offers training in educational technology for the more than 300 members of Coastline’s faculty. Award-winning courses from Coast Learning Systems are part of sophisticated integrated learning systems that include textbooks and online interactive course content. Coast has produced more than 50 courses, including such highly acclaimed and widely used courses as Anatomy & Physiology: An Introduction; Astronomy: Observation & Theories; Concepts in Marketing; Cycles of Life: Exploring Biology; Cultural Anthropology: Our Diverse World; Child Development: Stepping Stones; Physical Anthropology: The Evolving Human; Physical Geology Across the American Landscape; Psychology: The Human Experience; Transitions Throughout the Life Span; and Understanding Chemistry in Our World.

OLIT coordinates Coastline’s Summer Institute, a two-day conference on instructional techniques, technology, tools, and resources, conducted each year for faculty and staff.

Institutional Research, Planning and Grant Development

Knowing our students and community is important to Coastline Community College. The Research Office provides support to the staff, faculty, administration, and the Associated Student Government (ASG). Located on the second floor of the College Center in Fountain Valley, the Research Office conducts studies to assist in planning and evaluation; designs and conducts “special” studies addressing a variety of research needs (e.g., evaluation of services and grant projects); and provides assistance and guidance to faculty and staff engaged in their own research or grant-seeking activities.

Associate Dean, Institutional Research and Planning..................Jorge Sanchez

President

The President is responsible for the conduct of all college programs, functions and activities and reports directly to the Chancellor of the Coast Community College District.

President ...........................................Loretta P. Adrian, Ph.D.

Foundation

Coastline Community College Foundation (CCCF) is an IRS-approved, tax-exempt, 501(c)(3) nonprofit auxiliary organization. Its goal is to support students with scholarships and provide funds for college programs and specialized services. The Foundation receives gifts of time, talent, and resources from hundreds of donors each year who are committed to changing a life . . . one student at a time.

Current giving programs include but are not limited to: Scholarships, President’s Circle, Planned Giving, and Visionary Awards. Call 1 (714) 241-6154 for information.

Director, College Foundation..............Mariam Khosravani

Marketing, Public Relations

Marketing and Public Relations serves as the communications arm of the College. The office coordinates public information activities, media and promotional efforts, and manages the printing/publication services for the College. The college Web site is also administered through this department.

Director, Marketing and Public Relations..................................Michelle Ma

Student Services

Student Services is responsible for admissions, registration, records, transcripts, student information, international students, counseling, articulation, matriculation, guidance, Special Programs and Services for the disabled, financial aid, Extended Opportunity Programs and Services (EOPS), Associated Student Government (ASG), and career and transfer services. It also manages student conduct and grievance procedures. Student Services maintains and provides a full range of matriculation services for students.

Educational Options in California

**Vocational Certificates**
Major courses ONLY. Number of units required varies. A series of special major courses, all related to a particular occupational skill. Offered by community colleges and private educational organizations. Certificates help students prepare for new careers or upgrade current employment skills.

**Associate Degrees**
Major courses plus general education courses and electives, 60 units required. Usually referred to as Associate of Arts (A.A.) or Associate of Science (A.S.) degrees.

**Bachelor's Degrees**
Major courses plus general education and electives, 120-132 total units required. Usually referred to as Bachelor of Science (B.S.) or Bachelor of Arts (B.A.) degrees. You may complete the first two years at a community college and then transfer to a four-year university.

**Master's Degrees**
Bachelor's degree plus graduate courses in a specialized area. Bachelor's degree units (120-132) plus approximately 36 units. Usually referred to as Master of Science (M.S.) or Master of Arts (M.A.) degrees. Normally requires two additional years full-time work after completion of bachelor's degree.

**Doctoral Degrees**
Advanced training beyond a bachelor's or master's degree. Units vary, depending on field of study. Usually referred to as Doctor of Philosophy (Ph.D.) or Doctor of Education (Ed.D.). Normally requires three to five additional years of full-time work after completion of master's degree.
## College Credit for Advanced Placement (AP) Tests

Students may earn credit for College Entrance Examination Board (CEEB) Advanced Placement (AP) Tests with scores of 3, 4, or 5. AP credit can be used to meet IGETC, CSU GE and A.A. general Education (GE) and/or major requirements.

Students must have the College Board send AP exam results to the Admissions Office (hand carried copies will not be accepted) for use on the A.A. or GE patterns.

Course credit and units granted at Coastline College may differ from course credit and units granted by a transfer institution. This AP Chart is based on the most current information available. Although every attempt has been made to assure the accuracy of the information provided, make sure to use the links below to view the source documents:

### Notes:

**#AB subscore on Calculus BC examination** - Students who take the Calculus BC examination and earn a subscore of 3 or higher on the Calculus AB portion will receive credit for the Calculus AB examination, even if they do not receive a score of 3 or higher on the BC examination.

**Associate degrees:** Students should be aware that AP test credit is evaluated by corresponding it to an equivalent Coastline College course. A student who receives AP credit and then takes the equivalent Coastline College course will have the unit credit for such duplication deducted prior to being awarded the Associate degree. Advanced Placement exam results and courses for which credit is granted will be posted on a student’s transcript, with units assigned and no grade.

**CSU GE:** The Advanced Placement examinations may be incorporated into the certification of CSU General Education-Breadth requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated General Education-Breadth area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of General Education-Breadth requirements.

**IGETC:** AP exams must be used in area indicated regardless of where the certifying CCC’s discipline is located.

As directed in Executive Order 1036, Section 1.2.4, the CSU faculty have determined the following passing scores, minimum units of credit earned, and certification area (for General Education Breadth and/or U.S. History, Constitution, and American Ideals) for the enclosed list of standardized external examinations. Note that each campus in the California State University system determines how it will apply external examinations toward credit in the major. For students not already certified in GE and/or American Institutions, the campus also determines how to apply credit from such exams toward the local degree requirements.
