

# COASTLINE COLLEGE

## Mission Review Process

### Current Mission

Coastline Community College steadfastly focuses on providing access and supporting student success and achievement. Inspired by an innovative and student-centered mindset, Coastline delivers flexible courses and services that cultivate and guide diverse student populations across the globe to complete pathways leading to the attainment of associate degrees, certificates, career readiness, and transfer to four-year colleges/universities.

### Proposed Mission for 2019-2020 (11/7/2018)

Coastline College guides diverse populations of students toward the attainment of associate degrees and certificates leading to career advancement, personal empowerment, and transfer. By meeting students where they are, Coastline provides innovative instruction and services designed to achieve equitable outcomes.

### Proposed Mission's alignment to ACCJC Requirements

Broad Educational Purpose: "meets students where they are" means we address their academic and affective needs irrespective of location of study. Also, it means we work with students who may be at different levels of academic development.

Intended Student Population: "diverse populations" that are anywhere because we "meet them where they are"

Types of Degrees and Credentials Offered: "associate degrees and certificates"

Commitment to Student Learning and Achievement: "equitable outcomes"
