

## WHAT IS THE ON-SITE STAR PROGRAM?

Interested in getting in and getting out of College faster? Have the desire to major in Psychology, Business, or Pre-Allied Health? Want to avoid getting waitlisted for your classes?

The On-site STAR Program at Coastline Community College uses a cohort-based model in the three majors of Business, Psychology, and Pre-Allied Health to make you a part of a community of learners and help you transfer to a 4-year university. To have the highest possibility of success, we are providing these services as a result of you joining the On-site STAR Program:

- **Guaranteed Classes** for a full two-year program!
- Attend all courses at the beautiful **Newport Beach Center**
- Embedded Tutoring in **Key Courses**
- Special **STAR Community Events** for you and your family
- Dedicated **Counseling** Support

To become a part of the newest cohort within STAR, please carefully read the following:

1. Complete this form
2. Review the agreement, sign it, and get your parent/guardian to sign (if under 18 yrs. old)
3. Return your agreement to Coastline Community College
4. Attend STAR Orientation on June 27, 2015 after you're notified of acceptance into the Program

Please enter your information in the space provided below and return with your signed agreement.

Name (First and Last)

High School (if graduated after 2011)

## Coastline Community College STAR Program Participation Agreement

### Student Success and Transfer Program

I understand that the Coastline Community College STAR Program is designed to support my college and university success in completing a transfer degree and/or certificate. By remaining in **good standing** (please see below) in the program I am eligible to receive:

- Guaranteed enrollment into all of the courses included on my comprehensive Student Education Plan.
- Academic, personal, and career counseling each semester, including the development of a comprehensive Student Education Plan and the support I need to understand and follow that plan.
- STAR activities, support services, and events designed to provide the information and support I need to complete my educational goals at Coastline Community College.

I understand that to remain in **good standing** in the STAR Program, I agree to the following:

- I will identify my educational goals and major to determine which classes I need to take when I enter the program.
- I will maintain full-time enrollment (12 or more units) per semester, based on my Student Education Plan, so that I can accomplish my educational goals such as earning an associate's degree, transferring to a four-year college, and/or completing a certificate. **For any changes to my educational plan, I will see a counselor to ensure my continued academic success.**
- I will take my English and math courses during my first semesters at Coastline Community College so that I have the skills I need to be successful in all of my other college courses.
- I will enroll in the Counseling 105 success course (general education course) designed to identify my needs, as a student and to connect me with resources and support.
- I will maintain a 2.0 or higher GPA and complete at least 75% of the courses I take each semester. If necessary, I agree to participate in academic intervention activities to regain my good standing.
- I will adhere to all Coastline Community College's policies related to academic progress, financial aid, and other Coastline Community College requirements.
- I will communicate with my STAR facilitator, counselor, tutor, and/or faculty regularly to get the support I need both academically and personally.
- I will participate in activities, support services, and events provided by the STAR Program that supports my academic goals.

**I hereby agree to all the terms of the STAR program (listed above) and understand that if I do not fulfill my responsibilities as a STAR student I maybe dropped from the program. As necessary, I also authorize the release of my high school academic records to the STAR Program from my School District for the purpose of following my academic progress and to assist with the design, alternative assessment, evaluation, and improvement of the STAR Program once I have signed the agreement to the program.**

**High School I graduated from:** \_\_\_\_\_

**[Optional] High School Identification Number (I.D.):** \_\_\_\_\_
