CONFLICT OF INTEREST CODE FOR THE COAST COMMUNITY COLLEGE DISTRICT

The Political Reform Act (Government code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Sec. 18730) which contains the terms of a standard conflict of interest code, which may be incorporated by reference in an agency's code. After public notice and hearing it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories, shall constitute the conflict of interest code of the Coast Community College District.

Designated employees shall file statements of economic interests with the Coast Community College District's Political Reform Act Filing Officer, the Secretary of the Board of Trustees, who will make the statements available for public inspection and reproduction (Government Code Section 82008).

Upon receipt of the statements of the Board of Trustees, District General Counsel, Chancellor, Vice Chancellor of Finance and Administrative Services, and Secretary of the Board, the Coast Community College District's Secretary of the Board shall make and retain a copy and forward the original of these statements to the Clerk of the Orange County Board of Supervisors as the Filing Officer for these designated positions.

Statements for all other designated employees will be retained by the Coast Community College District's Filing Officer.
