

Closing the Loop Survey Fall 2012 Print Version

This survey asks for SUMMARY feedback from instructional departments about the outcomes of their dialog for their Course, Program, and Institutional-Level SLOs and ways that departments can improve student learning outcomes and student success.

INSTRUCTIONS:

1. Review your findings, then complete the survey. You may use the survey questions to guide your dialog.
2. Select ONE person to complete the survey for your department.
3. Enter your answers directly onto this survey. When completed you may then transfer your answers to the Survey Monkey Web site at:

<https://www.surveymonkey.com/s/closetheoopfall2012>

Submit your answers WITHIN ONE WEEK.

OR: Return the completed paper survey to Gayle Berggren through college mail WITHIN ONE WEEK (Gayle will enter your answers into Survey Monkey for you).

Survey Monkey will be used to collect all responses and to create a yearly SLO dialog database that will be built at our college Institutional Effectiveness Web site.

Thanks for your assistance.

3. After reviewing your program's SLOs, rate how well SLOs in your area were generally met:

	Course	Program	Institutional
SLOs were met very well	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
SLOs were met OK	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
SLOs were met poorly	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
SLOs were met very poorly	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
SLOs were a mix of good and bad	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Not sure or none	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Other (please specify)

4. Below is a list of some reasons why course, program, or institutional-level SLOs may not have been met in your area. Please select all that your faculty identified during your dialog:

- Not all faculty completed required course SLOs
- Not all faculty completed required program SLOs
- Not all faculty completed required institutional SLOs
- Faculty were confused about how to implement SLOs in Seaport
- Faculty do not want to set up SLOs in Seaport
- Faculty do not understand why they need to collect SLOs
- Faculty set up SLOs incorrectly in Seaport
- Faculty set up weights incorrectly/poorly in Seaport
- Faculty are using assignments that poorly measure the SLOs
- Faculty were unaware of all the SLOs they were supposed to complete
- Faculty want to change the SLOs/they don't measure what is being taught in the class
- Faculty use grade books in other platforms and didn't import them into Seaport
- The wrong SLOs were uploaded into the class
- Students remain on the class roster, even though they have dropped the course, depressing SLO results
- Faculty fail to drop students, who remain on the roster, depressing SLO results

Other (please specify)

5. Below is a list of some SLO IMPLEMENTATION STRATEGIES that your department faculty might use to improve student outcomes and success. Please select all the strategies that your department discussed possibly implementing in order to improve Student Learning Outcomes:

- Change or adjust the assignments/grading criteria/for the SLO
- Reduce or increase the number of SLOs being measured
- Try different weights for assessments in Seaport
- Try different assignments to measure the SLOs
- Manage course time better to adequately teach/cover the SLO material
- Turn in new curriculum with new SLOs if the faculty feel they need updating
- Be sure all faculty are aware of all the SLOs they are supposed to complete
- Report SLOs in an alternate format (faculty using outside grade books)
- Remove and replace incorrect SLOs uploaded into Seaport
- Drop non-participating students in a timely manner
- Ensure that students who incorrectly remain on the class roster get dropped
- Get help for faculty who are confused about how to implement SLOs in Seaport
- Assist faculty who set up SLOs incorrectly in Seaport
- Support peers in their efforts to collect SLOs
- Dialog with faculty who don't want to set up SLOs in Seaport
- Dialog with faculty who don't understand why they need to collect SLOs

Other (please specify)

6. Below is a list of some reasons why students may NOT have achieved course, program, or institutional-level SLOs. Please select all that your faculty identified during your dialog:

- Students don't put in enough effort
- Students don't use the textbook, course website, or lecture notes adequately
- Students can't read at college-level ability
- Students study ineffectively or not enough
- Students don't integrate or synthesize information
- Students don't have requisite course information
- Students lack technical/background subject knowledge
- Students are scientifically unprepared
- Students lack experience in memorization of course terminology
- Students were placed incorrectly (placement test/prerequisites)
- Students have high rates of absenteeism
- Students find course vocabulary complicated
- Students didn't attempt the SLO/it was too difficult
- Students already earned enough points/didn't do SLO measure
- The SLO project is too long and complicated
- The SLO is due at the end of the semester when students are overwhelmed
- Used just one SLO measure/it was too hard
- Different teachers are teaching the SLO in different ways
- Low rates of SLO achievement seen in non-native English speaking students
- Low rates of SLO achievement seen in institutionalized students
- Low rates of SLO achievement seen in online students
- Low rates of SLO achievement seen in on-site students

Other Reasons (please specify)

7. Below is a list of some possible INSTRUCTIONAL STRATEGIES that your department faculty might use to increase the percentage of students who achieve course, program, or general education/institutional-level SLOs. Please select all the strategies that your department discussed possibly implementing in order to improve Student Learning Outcomes:

- Update course materials/textbook
- Add supplemental or new materials, including lecture, Internet, handbook, etc.
- Send emails to encourage student effort
- Provide grading rubrics
- Refer students for skilled subject tutoring
- Use presentation/teaching strategies that employ active- rather than passive-learning
- Create more "authentic" assessments (e.g., case studies, simulations, real-world applications) that require critical thinking, problem-solving, etc.
- Provide training in basic core concepts
- Develop teaching strategies to improve students' retention of information
- Create hands-on exercises
- Provide sample papers
- Provide study skills materials
- Increase the number of faculty teaching in this department
- Refer students for targeted student success courses
- Spend more time on the SLO objectives and less time on review material
- Increase coordination and dialog among the faculty teaching this course
- Provide more feedback on homework
- Provide additional graded, targeted quizzes covering the SLO

Other solutions (please specify)

The following questions relate to Education Master Plan Goals. So that we can LINK our SLO dialog with college education master planning and budget allocation processes, please select all needs that might relate to any SLO implementation plans or strategies that you have identified. If you wish to add additional instructional needs, please specify them in the comment box in each section.
