

Three easy steps to Leadership Success!

Coastline Leadership Institute

Now accepting applications for the 2011 Leadership Academy!

Coastliners take advantage of three major components designed to develop the leaders in you! Take advantage of the resource center, attend the informative workshops, and sharpen your leadership skills at the Leadership Academy.

Leadership Resource Center

Located at the College Center, provides access to print and electronic materials covering all aspects of leadership. Resources include books, journals, videotapes, audiotapes, and more. For more information contact Cheryl Stewart at (714) 241-6209 x 17318 or by e-mail cstewart@coastline.edu.

Leadership Workshops

Take place twice a year, and all Coastliners are encouraged to attend. At these workshops, you'll participate in a two hour session designed to enhance your personal and professional leadership skills. Please join us at the 2010 Fall Leadership Workshop on Friday, October 8, at the Garden Grove Center! Please visit www.coastline.edu/leadershipinstitute, for more information.

Leadership Academy

A week long program, the Coastline Leadership Institute Academy is designed to provide selected Coastliners with proven leadership skills and a forum in which to practice those skills. The Academy features excellent topics and individual coaching, and much more! The 2011 Leadership Institute Academy will take place: January 10-14, 2011, at the Art Gallery. Applications are due October 1, 2010, and are available at www.coastline.edu/leadershipinstitute. For more information contact Kristen Le at kle@coastline.edu.
