PREAMBLE

This Agreement is made and entered into this 18th day of October, 2006 by and between the Coast Community College District (hereinafter referred to as "District"), and the Coast Federation of Classified Employees/American Federation of Teachers, AFL/CIO, Local 4794 (hereinafter referred to as the "Federation").

The purpose of this Agreement is to promote the improvement of employer-employee relations, provide an equitable and amicable procedure for the resolution of disputes, and set forth the rights and duties of the respective parties to insure the continuance of fair, impartial and nondiscriminatory application of District rules and procedures to all employees.

If there is any conflict between any specific provision(s) of this Agreement and District policies, past practices, or rules, the specific provision(s) of this Agreement shall prevail.

ARTICLE 1. RECOGNITION.

1.1 Unit Recognition.

The Board of Trustees of the Coast Community College District recognizes the Coast Federation of Classified Employees, Local 4794, as the sole and exclusive bargaining agent for all classified employees as certified by PERB Unit Determination #LA-R-797A, except those as designated as management, supervisory, confidential, and those classified employees who are members of the exclusive bargaining unit represented by the International Photographers of the Motion Picture Industries, Local 659 of the International Alliance of Theatrical Stage Employees. The District agrees to negotiate exclusively with the Federation through the provisions of the Educational Employment Relations Act.

1.2 Unit Determination.

All classified employees as described in Section 1.1 shall be part of this Agreement for the purpose of unit determination. The District will notify the Federation of any new positions or current positions which are re-titled and will be part of the unit. The District will meet and confer with the Federation on any new or re-titled classified positions to be placed outside the unit. The Federation will notify the District, in writing, if it disagrees with the District's determination. Cases which cannot be otherwise resolved will be appealed to the Public Employment Relations Board.

ARTICLE 2. FEDERATION RIGHTS.

2.1 Right of Access. The District agrees that designated Federation officials will have access to bargaining unit employees. The Federation agrees not to interfere with the employees' normal duties and further agrees to contact the employees only during breaks and before or after normal working hours, except in unusual circumstances. The Federation agrees to keep the District advised in writing of designated officials.

2.2 Bulletin Boards. The Federation shall have access to the use of one-third (1/3) of the space of the official bulletin board designated at each District facility for posting notices of its activities. The appropriate space as set forth above will be identified as Coast Federation of Classified Employees-Local 4794. Any notice posted pursuant to this section shall be signed and dated by an officer of the Federation.

2.3 Distribution.

A. Use of District Mail System. The Federation may make general distribution of materials to bargaining unit employees in employees' mailboxes maintained by the District. The Federation will distribute such materials using its own staff. Materials for distribution to the Coastline Community College employees not assigned to the Coastline Administration Center may be distributed through the District mail system. Any materials so distributed shall be clearly identified as to source. The Federation will send a copy to the Vice Chancellor for Human Resources of any materials distributed through the District mail system.

B. Mailboxes. Each bargaining unit member shall have a designated mailbox centrally located at the employee work site. Each bargaining unit member shall be assigned an e-mail account.

2.4 Use of District Facilities.

A. Federation Meetings. The Federation shall have the right to use without charge District facilities at reasonable times for the purpose of meetings concerned with its representation rights at the District, provided that such use shall not interfere with, nor interrupt, normal District operations and that arrangement for such use shall be made in accordance with College procedures for assigning meeting rooms. The Federation will reimburse the District for any extra maintenance, technical or custodial services directly attributable to the use of the meeting room.

B. Secured Offices. The Federation shall have secured offices at Orange Coast College and Golden West College, the locations to be mutually agreed upon by the District and Federation. The same furniture provided the faculty offices and telephone service will be provided. The Federation will pay for toll calls made from the office telephones. Therefore, upon mutual agreement between the Federation and the District, a special business meeting may be scheduled during working hours with an appropriate amount of released time.

B. Classified In-Service Training. The Federation and the District shall mutually agree on location, day, time and topic for classified in-service training. The training will be offered twice a day, once per semester, at each college during normal working hours not to exceed ninety (90) minutes. Employees covered by this Agreement shall be released to attend one of these in-service training sessions per semester.

2.7 Released Time.

A. Meetings. The Federation shall have the right to reasonable released time for the purpose of meeting and negotiating with the District and for the purpose of processing grievances.

B. Paid Leave. The District shall grant, normally with three (3) working days written notice to the Vice Chancellor for Human Resources and the appropriate manager/supervisor from the classified President of the Federation, a total of thirty (30) days of paid leave per year for bargaining unit employees to attend to Federation business. Upon request of the Federation, the District shall grant a paid leave each fiscal year to the classified President of the Federation, one (1.0) FTE and one (1.0) additional FTE, to be determined by the Federation, to pursue Federation business, thereby allowing a total of 2.0 FTE. Such request shall be submitted at least thirty (30) days in advance of the date the leave begins. If the Federation exceeds the allotted 2.0, the District shall be reimbursed the actual employee cost for the excess time. Further, no union representative, with the exception of the President, will be allowed more than 160 hours (20 days) per year.

2.8 Right of Review.

A. Copies of Reports. The Federation shall have the right to receive, upon written request one (1) copy of written reports that are public record, in accordance with State law. The District may charge the Federation for personnel and material costs associated with the production of requested material for multiple copies.

B. Non-privileged Materials. All non-confidential information given general distribution to management personnel by the District Office shall be provided to the Federation upon issuance and/or distribution. The Federation shall have the right to review, as provided by law, upon written request other non-privileged materials in the possession of the District necessary for the Federation to fulfill its role as the exclusive bargaining representative.

2.11 Dues Deduction.

A. Collection of Dues. The District shall deduct, on a tenthly or other mutually agreed upon basis, without charge, from the pay of those employees covered by this Agreement the Federation dues and any other plans or programs designated by the Federation upon receiving the employee's written authorization for the District to make such deduction.

B. Forwarding of Dues. The District shall provide the Federation with copies of any instruments revoking the employees' written authorization for the District to make such deductions within five (5) days of receipt of the notice by employee. Revocation of written authorizations of dues deductions shall be effective within thirty (30) days of the end of this agreement.

C. Changes by Written Notice. If the Federation changes the amount of the monthly dues, the District will implement such change upon written notification by the Federation at least thirty (30) days prior to any payroll date. The Federation shall certify in such notice to the District that it has notified its members in writing of such change.

2.12 Contracting Out. The District/College shall notify the Federation for services exceeding \$15,000 within a fiscal year. The District's intent is not to contract out any work which will displace existing employees/positions, or to avoid granting of reasonable number of overtime hours. If the Campus/District is considering utilizing outside services which may displace employees/positions, the Campus/District and the Federation shall discuss, in good faith, all issues and consider alternatives prior to the District making a final recommendation. CFCE will have the opportunity to bargain over the effects on employees/positions as a result of the adoption of the recommendation. It is further understood that all discussions will be held in an atmosphere of open disclosure, professionalism and in a timely manner.

ARTICLE 3. MANAGEMENT RIGHTS AND RESPONSIBILITIES.

The District reserves the right to take any reasonably necessary action in the event of an emergency, which is defined as a situation or occurrence of a serious nature which develops suddenly or unexpectedly and results in a relatively temporary change in circumstances and demands immediate action.

ARTICLE 4. SAFETY.

4.1 Safe Working Conditions.

A. The District shall make reasonable efforts to provide bargaining unit employees with safe working conditions. The District will make all reasonable efforts to comply with the provisions of Cal-OSHA regulations within general industry standards, where applicable.

B. It is the responsibility of the employee whose job requires use of tools, equipment or motor vehicles to do so in a safe, prudent and lawful manner. The District will not knowingly require bargaining unit employees to use, operate, or drive any piece of equipment which is unsafe. It is the responsibility of the District to investigate the reports of employees regarding unsafe equipment and take the necessary steps to alleviate the potential danger.

It is the responsibility of bargaining unit employees to report, in writing, to their immediate supervisor any condition(s) which may indicate a potential danger or any situation(s) which may result in a harmful condition to themselves or others. The Federation may make such reports on behalf of any employee or group of employees. No employee shall be discriminated against, nor shall the employee experience repercussions as a result of reporting such conditions.

C. The immediate supervisor shall investigate any written report and make a determination if corrective action is required. If no action is necessary, a written response will be sent to the employee and a copy to the Federation and the proper College/District administrator. If cause exists, the immediate supervisor shall make reasonable attempts to resolve such conditions. If conditions cannot be corrected by the supervisor at that time, a written report shall be forwarded to the proper College/District administrator for appropriate action. A copy of such report shall be sent to the Federation and/or employee.

4.3 Safety Committees. Each College and the District shall form a Safety Committee composed of equal numbers of representatives from the District and the Federation. The Federation will appoint its representative(s). The committees shall make recommendations to the appropriate College/District administrator and a copy of such recommendations will be sent to the Vice Chancellor for Administrative Services for appropriate action. The Safety Committees may review and make recommendations on reports submitted directly by bargaining unit members.

ARTICLE 5. PERSONAL COMPUTERS ADVISORY COMMITTEE.

A. A joint committee of four (4) Federation representatives and four (4) representatives from the District will meet twice per year to determine recommendations for improving working conditions regarding computer usage and ergonomic concerns. The Environmental Health and Safety Department will schedule training for employees as the department determines the needs of the employees.

B. Any recommendations of the committee shall be submitted to the Federation and the District for consideration/implementation.

ARTICLE 6. GRIEVANCE PROCEDURE.

6.1 Purpose. The purpose of the grievance procedure is to provide a method for the resolution of grievances. It is the intent of the parties to equitably resolve grievances at the lowest possible level.

6.2 Definitions.

A. Formal Grievance - A formal grievance is defined as a written complaint alleging that there has been a violation, misinterpretation, or misapplication of a specific provision(s) of this Agreement.

B. Informal Grievance - Informal conference with the immediate supervisor.

C. Grievant - The Federation, an employee or group of employees of the District covered under the terms of this Agreement.

D. Day - Any day during which the central administrative office of the District is open for business.

E. Immediate Supervisor - The lowest level manager having both line supervisory authority over the employee and authority to adjudicate grievances.

6.3 General Conditions.

A. Filing Deadlines. A grievance must be filed within twenty (20) days of the alleged violation of the Agreement or within twenty (20) days the grievant should reasonably have had knowledge of an alleged violation of the Agreement.

B. Time Limits. It is important that grievances be resolved as quickly as possible. The time limits at each level should be considered maximums. Time limits may be extended only by mutual agreement of both parties, confirmed in writing.

C. Grievance Procedure. The District and the Federation agree that no reprisals will be taken against any person who exercises rights guaranteed by this contract or who executes responsibilities imposed by this contract.

D. Meeting. A meeting at any level may be held within the above time limits at the written request of either party.

E. Failure to Adhere to Procedure. Failure by either party to adhere to the time limits contained herein shall mean the grievance will be handled as follows: If the District fails to adhere to the time limits, the employee is automatically granted the right to proceed to the next step of the grievance procedure (except as provided in Section 6.7). If the grievant fails to adhere to the time limits, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or consideration.

Copies of documents directly relating to the grievance process shall be furnished by the District, upon request of the employee.

H. Representation.

1. An additional District/College representative and/or Federation representative may be in attendance at any level of the grievance procedure with the concurrence of the Federation and the District's supervisor/manager processing the grievance.

2. At all grievance meetings under this article, the grievant shall be entitled to be accompanied and/or represented by a Federation representative. A grievant shall also be entitled to represent himself/herself (but may not be represented by any other person other than a Federation representative) up to and including Level Three of the Grievance Procedure. Unit members may have a grievance adjusted without the intervention of the Federation as

long as the adjustment is not inconsistent with the terms of this Agreement. The Federation shall be provided copies of any grievance filed by Unit members and any response by the District. Prior to resolution of any grievance, the Federation shall be provided a copy of the proposed resolution and given the opportunity to respond. Any decisions rendered in grievances without Federation representation and concurrence with the decision shall not set precedent for any future grievances.

6.4 Informal Level.

Attempt of Resolution. Before filing a formal grievance, the grievant shall attempt to resolve the grievance by an informal conference with his/her immediate supervisor.

6.5 Formal Level I.

A. Unsatisfactory Adjustment. If the grievant is not satisfied with the adjustment of the grievance at the informal level, the grievant must present the grievance in writing, on the mutually agreed upon form specified (See Appendix A), to the immediate supervisor within ten (10) days following the informal conference. The grievance statement shall be a clear, concise statement of circumstances giving rise to the grievance, citation of the specific article(s), section(s) and paragraph(s) of the Agreement alleged to have been violated, the outcome of the informal conference, the names of any witnesses and/or documents relevant to the grievance, and the specific remedy sought.

B. Decision of Supervisor. Within ten (10) days after receipt of the formal grievance, the immediate supervisor shall give the decision in writing to the employee on the original copy of the grievance form, with a copy forwarded to the designated Federation representative and the Vice Chancellor for Human Resources.

6.6 Formal Level II - Grievance Officer.

A. Appeal to District or College. If the grievance is not resolved at Level I, the grievant may appeal the reply to the District or College designated grievance officer within ten (10) days, using a copy of the grievance form. Should the designated grievance officer be the employee's immediate supervisor, or be named as a party to the grievance, Level II shall be waived.

B. Investigation of Grievance. Within ten (10) days after receipt of the grievance, the grievance officer shall conduct an investigation into the allegations, which may include a meeting with the parties involved, and communicate the findings, attached to the grievance form, in writing to the grievant and to the immediate supervisor, with a copy forwarded to the Vice Chancellor for Human Resources.

6.7 Formal Level III - Vice Chancellor for Human Resources.

A. Appeal to Vice Chancellor for Human Resources. If the grievance is not resolved at Level II, the grievant may appeal to the Vice Chancellor for Human Resources or designee within ten (10) days after receipt of the written decision of the grievance officer, using a copy of the grievance form.

B. Written Response. Within ten (10) days after receipt of the appeal, a written response by the Vice Chancellor for Human Resources or designee shall be submitted to the grievant, attached to the grievance form.

C. If the Vice Chancellor for Human Resources or designee fails to give a decision at Level III within the specific time limit, except as noted below, the formal grievance will be considered settled in favor of the employee in the manner requested by the employee in the formal grievance.

6.8 Level IV - Arbitration.

A. Procedure for Arbitration. If the Federation is not satisfied with the decision at Level III, the Federation may, within ten (10) days, request in writing that the grievance be submitted to arbitration. The District and Federation shall choose a mutually acceptable arbitrator within ten (10) days of the receipt of a written request for arbitration. If no agreement is reached within the time limit regarding the selection of an arbitrator, a request will be made by the Vice Chancellor for Human Resources. In the event of the Vice Chancellor's absence, based on availability, the Administrative Director or the Manager of Employee Services from the Department of Human Resources will make the request to the California Mediation and Conciliation Service to supply a list of five persons who have experience in public school arbitration. The party submitting the request shall provide a copy of that request to the non-requesting party. The Federation and District shall choose a person from the list by means of elimination until only one remains. That person shall serve as the arbitrator. The Vice Chancellor for Human Resources shall contact the arbitrator and parties to the grievance for the purpose of coordinating and setting the arbitration hearing.

B. Determination of Arbitrator. The arbitrator shall have no power to recommend the alteration, amendment, change, addition or subtraction of, any of the terms of this Agreement, but shall determine only whether or not there has been a violation of this Agreement. The decision of the arbitrator shall conform to the terms of this Agreement and the laws of the State of California.

C. Timely Manner. The arbitrator shall, as soon as possible, hear evidence and render a written decision on the issue or issues submitted to arbitration.

D. Decision by the Board. If a timely request for review, within ten (10) days of receipt of the arbitrator's decision, is filed with the Board, the entire hearing record and briefs shall be made available for the Board's review. The Board may also, if it deems it appropriate, permit oral arguments by the parties. Within a reasonable time after receiving the request for review, the Board shall render a decision on the matter which shall be final and binding on all parties. Given the Board's general intent to accept the decision of the arbitrator, if the Board does not render an alternate decision within sixty (60) days of receiving the arbitration report, then it shall be deemed to have adopted the decision of the arbitrator.

E. Costs of Arbitrator. Fees and expenses of the arbitrator shall be borne equally by the District and the Federation. All other costs will be borne by the party incurring them.

6.9 Miscellaneous.

A. Group Grievances. Group grievances may be filed at Level III, by the Federation. In this instance, the Vice Chancellor for Human Resources may appoint a District designee to carry out the grievance procedure.

B. Grievance Forms. Grievance forms shall be mutually agreed upon by the District and the Federation and will be made available to bargaining unit employees by the Federation. The grievance form shall be accessible on the District's web site.

B. At the fifth (5th) month appraisal, the employee will be recommended for either regular status and salary step raise, if applicable, or for termination. Should the immediate supervisor fail to recommend the employee for regular status prior to the employee's six (6) month anniversary, the employee will automatically pass into regular status and receive a salary step raise, if applicable.

C. Should the supervisor recommend termination after having missed the due dates for the third (3rd), and/or fifth (5th) month evaluations, the employee shall receive an automatic three months' extension of probation. The due dates shall be considered to be missed if the employee conference is not held within ten (10) working days of the third (3rd), and fifth (5th) month anniversary dates.

D. Should the immediate supervisor or the employee believe an extension of probation would be beneficial, such extension may be requested in writing prior to the completion of an employee's probationary period. An extension, not to exceed three (3) months, shall require agreement between the employee involved and the District, with notification to the Federation.

7.5 Part-time Employees. The Campuses/District will make reasonable efforts to post opportunities for additional assignments. Qualified part-time employees covered by this contract, interested in additional work assignments in the same or similar position classifications, will be responsible to notify the District's Human Resource Department and College Personnel Office for placement in an additional assignment. Employees who work twenty (20) or more hours but less than forty (40) hours per week will be limited to the Campus/District site assigned. The District reserves the right of assignment and complete discretion for any additional hours assignment(s).

A. District Requirement. The District shall purchase uniforms for the employee when the District requires the uniform to be worn by the employee.

B. District Approval. The uniforms supplied shall include the items listed below. Each item shall be approved by the District as to style, color, quality and insignia.

1. Up to five (5) shirts per year.
2. One (1) jacket for employee whose work requires outdoor duty.

Employee(s) may return uniforms for replacement during a reasonable amount of time if the uniform(s)/garment(s) are defective.

D. Advisory Committee. Each District entity--Orange Coast College, Golden West College, Coastline Community College, and the District--may form an advisory committee with equal representation from each group of employees who are required to wear uniforms. A. The official personnel file of each employee shall be maintained at the Office of Human Resources. Complimentary items shall be forwarded as soon as possible.

Adverse materials shall be forwarded to the Office of Human Resources within a reasonable period of time in order to be included in the employee's file.

C. Derogatory material placed in a personnel file shall be destroyed upon the request of a bargaining unit member when such material is more than two (2) years old. The two-year period does not preclude the employee and the Vice Chancellor for Human Resources from agreeing to remove any material in the personnel file at any time. The review of any employee's personnel file by any administrator, manager, or supervisor must be approved by the Vice Chancellor of Human Resources or designee. Derogatory material shall not be placed in employee's personnel file without the supervisor/manager meeting with the employee.

9.2 Right of Employee Review. An employee shall have the right, by appointment, during normal working hours and without loss of pay, to examine any material(s) in the personnel file with the exception of those things excluded by law. Copies of materials requested by the employee from the personnel file will be provided.

9.3 Right of Response. An employee shall be provided with copies of any adverse written material before it is placed in the official personnel file. The employee shall have ten (10) days to respond and be given a reasonable amount of time, during normal working hours and without loss of pay, to prepare a written response to such material. The written response shall be forwarded to the Office of Human Resources within ten (10) days after the receipt of the material by the employee, where it will become a permanent part of the file.

9.4 Confidentiality. All personnel files shall be kept in confidence, except as required by a court of competent legal jurisdiction, and shall be available for inspection only to other District employees when deemed necessary for the proper administration of the District's business or the supervision of

the employee. When a personnel file is opened for other than routine purposes, a file utilization form shall show the name of the person opening the file, the date, and the purpose.

9.6 Employee File Access. The District will restrict access to employee personnel files to staff in the Office of Human Resources, Payroll, Benefits, and Risk Services. Any other requests for employee personnel information will be approved by the Vice Chancellor for Human Resources or designee. The District will make all reasonable efforts to protect employee personal information including, but not limited to social security number, home address, telephone, and other employment information.

ARTICLE 10. PERFORMANCE APPRAISAL.

10.1 Intent. The intent of the performance appraisal is to provide constructive feedback to the employee with commendations and recommendations. This process is not intended to be punitive but rather will be used as a tool to enhance employee performance and provide a means to plan and achieve long-term employment goals.

10.2 Performance Appraisal and Employee Response Form. Performance appraisals shall be completed on mutually agreed upon forms provided by the Office of Human Resources. This appraisal shall be based on job-related criteria.

10.3 Performance Appraisal Report. The immediate supervisor is responsible for the performance appraisal of each unit member. Prior to the supervisor's completion of a performance appraisal, each unit member will have the opportunity to present a self-evaluation for his/her supervisor's consideration during the performance appraisal process. Following completion of the appraisal instrument, the supervisor will present the signed and dated performance appraisal report for discussion with the employee. The discussion will include performance appraisal criteria, the employee's self-evaluation, commendations and possible recommendations for continued learning and performance improvement. Performance appraisal criteria shall be written and shall be related to the employee's job specification/classification. The employee shall sign the report form to indicate receipt and shall be given a copy. The employee's signature on the report shall not be construed to indicate agreement with its contents. The report shall be forwarded through designated channels to the Vice Chancellor for Human Resources and shall be filed in the employee's official personnel file. Only those persons designated as management or supervisors shall have the authority to conduct and prepare performance appraisal reports. The performance appraisal shall include direct observation of the employee on the job, employee's attendance, and observations of the supervisor and input from the employee. The employee will be informed by the manager designated to prepare his/her performance appraisal report at the time of employment and upon subsequent changes. The employee will have the option of attaching his/her self-evaluation to the manager's evaluation being placed in the employee's file.

10.4 Performance Appraisal Schedule. The performance appraisal schedule in the subsequent paragraphs does not preclude additional performance appraisals as conditions merit. Such interim performance appraisals shall not be carried out in an arbitrary or capricious manner. No interim performance appraisal shall be given prior to sixty (60) calendar days from the date the employee received the previous performance appraisal. When there is a new manager to whom a classified employee reports, the pending evaluation will wait until the new manager has been in the position for

four (4) months, unless the employee being evaluated is nearing the end of probationary status. A manager, prior to exiting the District, may within 30 days of the upcoming review date, complete an evaluation. A manager who is changing assignments within the District may, at the point that the evaluation is due, evaluate the employee for the time period in which that manager served as the employee's immediate supervisor.

A. Probationary Employees. The performance of the probationary employee shall be appraised within ten (10) working days of the end of the third (3rd) and fifth (5th) months of service. (Refer to Article 7, Section 7.4 A (Probationary Period).)

B. Permanent Employees.

1. One (1) year following the completion of the probationary period. This date will become the review date.
2. Thereafter, at least once every two years following the review date.
3. All appraisals shall be completed no later than thirty (30) working days after the review date. If the appraisal is not completed on schedule, unless the employee agrees to an extension, the Office of Human Resources will note the completion of the appraisal period, and the two (2) year schedule will be resumed.

C. All Employees. At the request of the employee or when either the supervisor or employee moves to another location.

10.5 Employee Reply. The employee may, within thirty (30) working days of receipt of the performance appraisal report forward a written statement of response to the immediate supervisor who shall forward it through designated channels to the Office of Human Resources. The employee's statement shall be attached to the performance appraisal. The performance appraisal and employee response shall be reviewed by the Vice Chancellor for Human Resources. Based on this review, a revised performance appraisal form may be filed.

10.6 Criteria for Performance Appraisal. For any job related criteria in which an employee does not meet standards, the appraisal shall note specific instructions so that an employee can meet standards on the specific job related criteria in which improvement was needed. The employee's interim appraisal will be completed in 60 working days from the date the employee received the previous appraisal.

10.7 Appraisal Process Violations. Alleged violation(s) of the appraisal process is subject to the grievance process.

E. Screening Committee. Each Manager or Administrator screening committee shall consist of at least one classified representative appointed by the Federation. Screening Committees for classified positions shall include a classified staff member, but shall not include hourly staff and shall not normally include probationary staff. The Federation shall respond to requests for screening committee representatives in five (5) working days.

F. Hiring Policy Committee. The District and Federation shall form an ad hoc hiring practice/policy committee to review and make recommendation(s) to improve the District's classified employee hiring procedures. The committee will consist of an equal number of District appointed and Federation appointed representatives. The committee will also review hiring procedures for short-term employees.

11.2 Definitions.

A. Transfer. A transfer is a move from an employee's present position to a new position.

1. Voluntary -- initiated by the classified employee who is seeking a transfer or initiated by the District with the freely given consent of the classified employee to be transferred. The District agrees to respond to all written voluntary transfer requests within thirty (30) days.

2. Involuntary -- initiated by the District without the consent of the classified employee to be transferred. The District agrees to give five (5) working days notice of such transfers, except in the case of an emergency. Such transfers will not be made in an arbitrary, capricious or discriminatory manner. When requested in writing by the unit member being transferred, the reason for the involuntary transfer shall be provided in writing to the unit member.

B. Lateral Classification Change. A lateral classification change is a move from an employee's present position to a position in the same range but into a different classification.

C. Voluntary Classification Reduction. A voluntary classification reduction is a voluntary move from a classification held by an employee to another classification at a lower salary range.

D. Promotion. A promotional move is a change from one classification to another classification at a higher salary range.

E. Reclassification. A reclassification is a change in an employee's classification as result of a change of duties in the same position over a period of time. (See Article 12.)

F. Reorganizational Reassignment. A change in classification initiated by the District, except in cases of layoff which are governed by Article 13.

11.3 Reclassification or Reassignment as a result of Reorganization.

A. An employee may be reassigned to another position at a higher salary range or equal as a result of reorganization. The reassignment will be in accordance with the procedures relative to promotion as outlined in Article 11.4B.

B. If an employee is reassigned to a position at a lower range, she/he shall be Y-rated. The employee shall be given recall rights to a vacant position in her/his former classification.

C. If reorganization results in the displacement of an employee, the District recognizes the employee's permanence in his or her former classification, or in an eligible classification, and will place the employee in a vacant position if one exists. (See Article 11, Section 11.3B.3)

11.4 Probationary Status in Vacancies, Transfers and Promotions.

A. Probation Requirement.

	<u>New Probation Waived</u>	<u>New Probation Served</u>
No classification change	yes	no
Lateral classification change	no	yes
Voluntary classification reduction	(see B.2)	(see B.2)
Promotion	no	yes
Reclassification	yes	no
Re-organizational reassignment	(see B.1)	(see B.1)

B. Exceptions.

1. Reassignments. Employees reassigned to a former classification in which they have held permanency shall not be required to serve a new probationary period.

2. Transfer and Voluntary Classification Reduction. A supervisor may waive the probation period if the employee has previously served a probation period with the same qualification requirements. During a hiring freeze, the probation period shall be waived in the event of an administrative transfer or classification reduction.

3. Failure to Complete Probation. In the event a regular classified employee accepts a promotion or lateral or voluntary classification change and does not complete the probation, the District will place the employee in their previous permanent classification or in an open position most nearly like the position previously held. This position may be a temporary position, until an open position becomes available at a salary no lower than the previous permanent classification held.

11.5 Salary Placement.

A. Step Placement.	<u>Same Step Placement</u>	<u>New Step placement 1 Range + 1 Step Guaranteed</u>	<u>Salary Closest to Previous Class</u>

B. Promotion and Re-organizational Reassignment.

1. An employee who makes a promotional move shall be placed upon the appropriate salary range at a step assuring a minimum of one (1) step plus one (1) range increase in salary. If an employee, prior to promotion, would have received an annual increment within the next six-(6) month period had the employee not been promoted, placement on the new step shall insure at least a one (1) step plus one (1) range salary increase beyond the regular annual increment increase. If the step placement using this method is lower than would have been recommended if the employee were not on staff, administration may recommend salary placement as if the employee were an outside candidate. The final determination for salary placement rests with the Vice Chancellor for Human Resources.

2. Salary step placement for an employee who is subject to a re-organizational reassignment shall be carried out as appropriate under Section 11.5A, with the following provisions:

(a) Reassignment to a lower class will be governed by Article 13, Sections 13.5 and 13.6.

(b) Reassignment to a lateral class will include the reemployment rights of Article 13, Section 13.5.

C. Salary Advancement. The employee's effective date of salary advancement will remain the same as established in the previous assignment if the same step placement is used. If a new step placement is used or the employee is placed at the salary closest to her/his previous classification, the employee will advance annually on the salary schedule unless she/he is placed on Step 01. (Step 01 provides for an advance after six (6) months.) If an employee is eligible to receive an annual increment within the next six - (6) month period, placement on the next step shall insure at least a one (1) step plus one (1) range increase in salary.

ARTICLE 12. RECLASSIFICATION.

A District wide committee consisting of ten (10) members will be professionally trained by a mutually agreed upon classification consultant to periodically review positions in the classified service in regard to the kind and level of service administratively assigned. The committee will continue to establish and/or designate appropriate classifications, to reclassify existing classifications, to redesign responsibilities within the organization, and to assign a classification to a position within the District's classification structure. Further, the Committee will make recommendations regarding titles, job specifications and ranges for newly created positions, as well as review any requests for added responsibilities or removal of responsibilities to existing job specifications. A representative of the Office of Human Resources shall serve as clerical support to the Committee.

12.1 Reclassification. (See Article 11, Section 11.2E) In accordance with California Education Code Section 88001(f), reclassification means the upgrading of a position to a higher classification as a result of the gradual increase of the duties being performed by the incumbent in that position. More specifically, the reclassification process is established to address the level of responsibility, level of impact of the position on the unit, department or campus, reporting relationships, scope of duties, creativity/innovation, supervision received, supervision exercised, knowledge and skills required to perform the additional duties, change in time required to perform more complex tasks, problem solving, accountability, higher level responsibilities, amount of independent work required, and technical evolution of the same job over time. Applications to request a reclassification of an employee's current position will be made available through the District Office of Human Resources, and will be made available on the District's website, beginning the first working day of August through the close of the last week of October. A request for reclassification of the current position may be submitted by the employee to the District's Office of Human Resources during the window period specified below. A District-wide Reclassification Committee shall be established to act on employee requests for reclassification and recommend modification, approval or disapproval of all reclassification requests. Findings and recommendations of this Committee shall be forwarded to the Vice Chancellor for Human Resources for consideration and recommendation. The Reclassification Committee shall be constituted by the Vice Chancellor for Human Resources who will appoint five (5) members and five (5) members will be appointed by the President of the Federation. The first Committee shall be established by lot for three (3) years. An employee requesting reclassification shall be notified of the meeting at which his/her reclassification is to be reviewed. The employee may attend the meeting to make a personal presentation and release time will be granted. The Reclassification Committee will recommend procedures to the Vice Chancellor for Human Resources on how the committee will operate.

2. If the Vice Chancellor for Human Resources disagrees with the District-wide Reclassification Committee, a response, in writing, to the Committee will be submitted stating the reasons.

(a) If a reclassification request is not approved, the Committee may recommend out-of-class pay. The out-of-class period and range must be identified and validation be made that the individual actually performed duties beyond their current job classification.

(b) If the recommended reclassification from the Committee is not approved due to fiscal or organizational reasons, the recommendation will be returned to the Committee for review of any out-of-class pay as in 2 (a) above.

3. If modifications are made to a job specification, all members in that classification shall receive a revised job class specification, which will be provided by the Office of Human Resources.

B. Appeal Process.

1. In the event that an employee requesting reclassification disagrees with the recommendation of the District-wide Committee or the Vice Chancellor for Human Resources, the following procedure will be followed:

(a) The employee will have ten (10) working days following receipt of the recommendation to appeal to the Vice Chancellor for Human Resources. The President of the CFCE or his or her designee shall be in attendance at the time Vice Chancellor for Human Resources meets with the employee. All written and verbal information will be available for review and discussion by the President of CFCE or his or her designee and the Vice Chancellor for Human Resources. Observations and information provided by the President will be considered in the decision making process. The appellant may have the assistance of a Federation representative. The employee may attend the meeting to make a personal presentation and released time will be granted. If the appellant is a member of the Office of Human Resources staff, the appeal will be conducted by the Vice Chancellor of Administrative Services or designee.

(b) Within fifteen (15) working days of receiving the appeal, the Vice Chancellor for Human Resources will make a final determination and send a written response to the appellant. The decision of the Vice Chancellor for Human Resources shall be final.

(c) If a recommended position reclassification request is denied, the Vice Chancellor of Human Resources shall return the recommendation to the Committee to recommend any appropriate out of class pay. The out of class period and range must be identified and validation be made that the individual actually performed duties beyond their current job classification.

12.4 District Reclassification Decisions. The reclassification decisions of the District shall not be subject to the grievance procedure of this Agreement.

12.5 Reclassification Forms. Reclassification forms will be available on the District web site.

ARTICLE 13. LAYOFF PROCEDURES & REEMPLOYMENT RIGHTS.

13.1 Layoff and Reemployment. Should layoffs be required, the District shall in every way possible preserve the rights of the individual employee.

B. Exclusions. The following categories of employment are excluded from seniority rights:

1. Probationary.
2. Persons not covered by this contract (see Article 7, Section 7.2).

C. Equal Class (Lateral Class). The same salary range on the current salary schedule.

D. Higher Class. A higher salary range on the current salary schedule.

E. Lower Class. A lower salary range on the current salary schedule.

F. Layoff. The cessation of an employee's regular classified assignment or any reduction in hours that is other than the changes made as part of disciplinary action. (See Section 13.5)

G. Displacement Rights (Bumping). The right to displace or bump into a current, lateral or lower classification in which permanency has been attained is based on seniority. Seniority in a lower classification shall be computed on the basis of hours of paid service in the higher classification(s) plus hours of paid service in the lower classification(s) including hours worked while in a probationary status. When an employee's position is eliminated or the employee is displaced, the employee has the right to bump only into classification(s) currently or previously held. The employee will first bump into the current classification(s) and then into lateral classification(s) previously held. If the employee is then displaced from the lateral classification(s), the employee has the right to bump into the next lower classification(s) previously held. In the event an affected classification requires state mandated licensure or certification, the employee with seniority will be required to meet the state requirements within state mandated time periods.

H. Assignment to a Vacant Position. An employee who is qualified may be assigned by the District to a vacant position if the employee is unable to exercise any rights under Section 13.2G of this Article. The following conditions shall prevail:

1. The District shall determine which positions are vacant.
2. The District shall determine the employee's qualifications to be assigned to a vacant position in lieu of layoff.
3. An employee assigned to a vacant position shall serve a new probationary period.

(a) If the employee successfully completes the probationary period, the employee will be permanent in the new classification, but will not have waived the thirty-nine (39) month recall right to the former classification.

(b) An employee who is terminated during the probationary period is deemed to be on layoff. The time served in the probationary period will be subtracted from the thirty-nine (39) months to which the employee was originally entitled.

4. Assignment to a vacant position will be offered at the time of layoff notice. An employee will be considered for the recall rights, under subsection 13.5A.2 during the thirty- (30) day notice period.
5. No grievance may be filed as a result of any action taken under Section 13.2H of this Agreement.

I. Seniority. Seniority, subsequent to July 1, 1971, shall be determined by hours in paid status, excluding overtime, in assigned classification(s).

J. Reemployment. Reemployment is a provision whereby an employee who has been laid off or has voluntarily accepted demotion or reduction in hours has preferential rights to employment in vacant positions in classification(s) previously held, based on seniority.

K. Seniority - Reclassification. When the District acts to reclassify, and as a result, two (2) or more classifications are merged or titles are changed and a previous classification is abolished, the seniority of regular employees who are reclassified will be computed from the date of earliest entrance into the abolished classification(s). When a portion of the position(s) within the classification is reclassified, seniority in the new classification begins at the time of employment in the new classification.

13.3 Notice of Layoff and Reemployment: Written Notice. The District will make every reasonable effort to notify an employee of a potential layoff as soon as possible. Not less than thirty (30) days prior to the effective date of layoff, the District shall provide written notice to the employee, informing her/him of displacement rights, if any, and reemployment rights. Such notice shall specify the reason(s) and identify the employee by name, classification, and work location.

A. An employee who is on duty shall be notified by delivery of a written notice of layoff. The thirty- (30) day notice period will begin on the date the employee gives a statement verifying receipt of the written notice of layoff.

B. Employees who are on a leave of absence, vacation, industrial accident leave, or sick leave shall be notified of layoff by certified mail.

1. The first day of the thirty (30) day period shall be the next succeeding calendar day following the date of delivery or attempted delivery of the notice by certified mail.
2. The notice of layoff shall be sent to the most recent address on file with the Office of Human Resources. It shall be the responsibility of the employee to keep the Office of Human Resources informed on how and where the employee may be contacted.
3. Should the certified letter be returned after attempted delivery has been made, it shall be deemed that the employee has been notified of layoff and the layoff shall be effective as of the end of the specified thirty (30) day period.

13.4 Order of Layoff. Regular classified employees shall be subject to layoff only for lack of work or lack of funds. An employee whose position is being eliminated, whose schedule is being reduced, or who is being displaced, may elect layoff or may elect to become a candidate for reassignment to another position according to the following guidelines:

A. Layoff Option.

1. Within five (5) working days following written receipt of notice of the elimination of a position, reduction of schedule, or displacement, the employee shall notify the Office of Human Resources, of her/his choice of layoff or reassignment. The day of notice is not counted as one of the five (5) days. Employees who have been notified and are on duty shall respond in writing to the Office of Human Resources before 5:00 p.m. of the fifth (5th) working day.
2. Employees who are on a leave of absence, vacation, industrial accident leave, or sick leave shall have fifteen (15) calendar days from the date of notice, or until 5:00 p.m. on the day of return to duty, whichever is sooner, to inform the Office of Human Resources of this decision.
3. In all cases the employee shall have at least five (5) working days beyond the date of delivery or attempted delivery of the notice by certified mail.
4. It is the responsibility of the employee to keep the Office of Human Resources informed of how and where the employee may be contacted.
5. Should an employee fail to respond in writing to the Office of Human Resources within the designated time constraints, it shall be presumed the employee has elected layoff.

B. Reassignment to Another Position.

1. The employee shall be reassigned to a position in the following sequence. Should person(s) in the position(s) first described below have more seniority than the candidate for reassignment, that candidate shall be reassigned to position(s) described consecutively in this Section. Should all persons in positions described in this Section have more seniority than the candidate for reassignment, that candidate would be laid off except as provided in Section 13.2H.

(a) Current Classification. A position in the employee's current classification.

(b) Lateral Classification. A position in a lateral classification previously held.

(c) Lower Classification. A position in a lower classification previously held.

2. Employees reassigned under this Section will be placed in positions as defined in Sections 13.4B.1. (a), 1. (b), and 1. (c), above, whose incumbents have least seniority, which have:

(a) Same proportion of full- or part-time (hours per day) and same proportion of contract months per year;

(b) Same proportion of full- or part-time (hours per day) but fewer contract months per year;

(c) Same proportion of full- or part-time (hours per day) but more contract months per year;

(d) Different proportion of full- or part-time hours and same contract months;

(1) Fewer hours per day to a minimum of fifty percent (50%) assignment;

(2) More hours per day to a maximum of a one hundred percent (100%) assignment;

(1) Fewer contract months;

(2) More contract months.

13.5 Reemployment Rights.

A. Recall Rights.

1. A classified employee laid off because of lack of work or lack of funds is eligible for re-employment for a period of thirty-nine (39) months and shall be reemployed in preference to new applicants, without further qualifying examination, as a regular employee in a position in the former classification or lateral classification or as a regular employee in the next lower classifications in which the employee formerly had regular status. Individuals on the recall list shall be considered to have an employment relationship with the District.

2. If an employee is laid off as a result of a general cutback or reduction in force, she/he has the right to be recalled to any position for which she/he is qualified. Qualification standards for any position shall be determined by the District. An arbitrator may not set aside the decision of the District as to a particular qualification standard in any particular case, so long as the standard is reasonably related to the job requirements and it was not used in bad faith to discriminate against the grievant. Nor shall the fact that different standards apply in each college, or by department, be grounds for the arbitrator to set the standard aside or to conclude that discrimination or bad faith has occurred.

B. Employees who take voluntary reductions in assigned time in lieu of layoff shall be recalled to positions in their class with increased assigned time in order of seniority. Such employees who take voluntary reductions shall have an additional twenty-four (24) months available for recall to positions in their classification in addition to the thirty-nine (39) month period covered in A.1 above.

C. Reemployment Offer. An employee shall be offered reemployment in the same sequence as outlined in Section 13.4B of this Article.

D. Recall Procedure.

1. The Office of Human Resources shall notify an employee in a layoff status of a request to return to work using certified mail. Certified letters will be forwarded to the last address provided to the District by the employee. It shall be the responsibility of the employee to keep the District informed of the latest mailing address.

2. The employee shall have up to ten (10) calendar days from the postmarked date of the notice to accept or decline the position being offered. Failure to reply within ten (10) calendar days will be considered a refusal. When an employee has declined two (2) offers of reemployment in the same classification from which laid off, with the same proportion of full- or part-time and same proportion of contract months, the employee shall have relinquished all reemployment rights. The employee shall have the right to decline three (3) offers of reemployment to positions other than in the same classification from which laid off with the same proportion of full- or part-time and the same proportion of contract months, until they have declined two (2) offers as per the prior sentence.

3. If the employee in a layoff status accepts the position being offered, the employee shall have up to fifteen (15) calendar days from the postmarked date of the notice to report for work. This does not preclude an employee from returning to work in fewer than fifteen (15) calendar days. Should the employee fail to report back to work within fifteen (15) calendar days, all reemployment rights are relinquished.

4. Should compliance with the fifteen (15) day requirement be precluded by circumstances beyond the control of the employee, reasonable extension of time may be granted by mutual agreement between the District and the employee.

13.6 Salary Placement. An employee who accepts a reassignment to a lower classification in lieu of layoff shall be Y-rated.

13.7 Probationary Period. An employee accepting a reassignment in lieu of layoff to a position in which she/he previously held permanency shall not serve a new probationary period.

13.8 Seniority Roster. The District shall maintain a seniority roster for all regular classified employees. A copy of each updated list shall be sent to the Federation in October of each year.

13.9 Maintenance of Benefits after Layoff.

A. Maintenance of Benefits - Layoff. Employees who have one (1) or more years of continuous service with the District in a regular classified position and who are laid off shall have medical, dental, vision, and life insurance benefits continued at District expense at the rate of one (1) month for each continuous year of service up to a total of six (6) months. The aforementioned benefits will be continued at the same level as in force prior to the layoff.

B. Maintenance of Benefits - Reduced Assignment. Classified employees who have one (1) or more years of continuous service with the District, who accept reduction in assigned time that affects benefits, shall continue to participate for eleven (11) months following the month in which the reduction occurs, in the same program of medical, dental, vision, and life insurance benefits in force for active employees in their prior F.T.E. as provided in Article 20.

C. Maintenance of Benefits - Employee Option. Employees who are eligible for, and participating in, the insurance program at the time they are laid off, or at the time District paid benefits cease in accordance with Section 13.9A and Section 13.9B, above, have the option of retaining the insurance benefits at their own expense as long as they remain on the recall list and do not accept employment with another employer who provides such benefits.

13.10 Retirement in lieu of Layoff.

A. Retirement in lieu of Layoff. Regular employees with at least five (5) years of service credit under the Public Employees' Retirement System who are fifty (50) years of age or older, may elect to accept a service retirement in lieu of layoff, voluntary demotion, or reduction in assigned time. Such employees shall, prior to the effective date of the proposed layoff, complete and submit an application for retirement to the Public Employees' Retirement System. Notification in writing shall also be forwarded through the supervisor to the Office of Human Resources.

B. Reinstatement from Retirement. Any person subject to layoff for lack of work or lack of funds electing service retirement shall be placed on an appropriate reemployment list. The District shall notify the Board of Administration of the Public Employees' Retirement System that the retirement was due to layoff for lack of work or lack of funds. If the employee is subsequently offered reemployment and accepts in writing the appropriate vacant position, the District shall maintain the vacancy until the Board of Administration of the Public Employees' Retirement System has properly processed the employee's request for reinstatement from retirement.

13.11 Special Cases. Should cases not otherwise covered be identified during the displacement or reemployment processes, if an employee's previous classification having been eliminated, reclassified, or subdivided, it shall be the responsibility of the Vice Chancellor for Human Resources or designee to place the individual within a classification and a salary level most nearly like the position previously held by the employee.

13.12 Recall - Restoration of Benefits (Industrial Accident Leave, Longevity, Step Increments, Sick Leave and Vacation). Employees recalled within thirty-nine (39) months shall have insurance benefits as provided by the District, effective the first day of the month following the first day of reemployment. All other rights shall be restored.

ARTICLE 14. HOURS AND OVERTIME.

14.1 Regular Work Schedules and Workday. The work schedule shall be forty-(40) hours per week. The workday shall be eight (8) hours, except as otherwise stipulated in this article. These provisions do not restrict the extension of a regular workday or work schedule on an overtime basis when such is necessary to carry on the business of the District subject to the provisions of this article.

14.2 Other Work Schedules. The District may establish a workday other than eight (8) hours per day (e.g., 9/80, 4/10, 4/9 and 1/4, including a flexible schedule).

A. Holidays will be paid for the same number of hours as the employee's scheduled workday and under the provisions of Article 16.

B. A compensatory day will be granted for a holiday which would have normally fallen on a scheduled workday but falls on a day off under a 4-10 or modified work schedule. In such cases, the overtime rate will be paid for all work in excess of the scheduled ten (10)-hour workday or forty (40)-hour work week. (See Appendix B for Flex guidelines).

14.3 Work Week. A regular work schedule shall consist of not more than five (5) consecutive working days for any employee having an average work day of four (4) hours or more during a work week. A regular work schedule of five (5) consecutive days may begin on any day of the week and at any hour of the day.

14.4 Changes to Employee Schedules

A. Changes involving Saturday and/or Sunday

1. No unit member shall be required to change his or her workweek to include Saturday or Sunday without his/her written consent when that work is a result of the District adding Saturday and Sunday classes. If there are changes in the State law the language in this Section will be modified to reflect current law.
2. No unit member shall be assigned Saturday or Sunday work if the employee objects in writing that the assignment would conflict with his/her religious beliefs or practices.
3. Enactment of parts A.1 and A.2 of this section shall cause no change or disruption in existing work schedules that may already include Saturday or Sunday as regular workdays.

B. Permanent changes to an employees regular work schedule shall not be made in an arbitrary or capricious manner.

C. Should changes to an employee's regular work schedule need to be made, consultation between the supervisor and the employee shall take place as soon as the need for change is determined and no less than ten (10) working days prior to the implementation of the change.

D. When the employee presents reasonable justification that the change will create a verifiable hardship, other qualified employees in the same department, should they exist, shall be offered the new schedule on the basis of seniority. If no volunteers come forward, the least senior classified employee of the same department and classification who is qualified, shall be given the changed schedule.

E. The employee who actually has a schedule change will receive at least ten (10) working days notice prior to having the hours of the regular schedule changed after consultation between the employee and supervisor. If the District fails to provide proper notice to the employee or violates Article 14.3, the employee shall either be paid at 1.5 times his/her daily rate from the date the employee should have been notified to the date the change is implemented, or the District may delay the implementation of change, to accommodate the ten (10) day notice provision.

14.5 Fluctuating Daily Schedule.

A. Employees may have a fluctuating schedule due to the demands of the job. The supervisor will explain to the employee the need for the change in hours. The employee will receive at least forty-eight (48) calendar hours notice prior to having the hours of the regular schedule changed after consultation between the employee and supervisor. The days of the work week may be changed with seven (7) calendar days notice to the employee. A fluctuating schedule shall not be implemented to avoid the payment of overtime.

B. An employee on a fluctuating schedule whose regular schedule has been adjusted shall have a rest period of at least ten (10) hours between the end of the assignment on one day and the time scheduled to report on the next day.

An employee receiving less than a ten (10) hour rest period will receive, in addition to any other compensation, the regular overtime rate for all time worked prior to the completion of the tenth (10th) hour from the end of the previous day's assignment. For example, if an employee finishes the days work at 11:00 p.m. and is required to begin work again at 7:00 a.m., the employee has received only an eight (8)-hour period of rest. Two hours of overtime would be paid the employee for the hours of 7:00 a.m. to 9:00 a.m. as outlined in Section 14.8 as to rate of pay.

Provision 14.5(B) shall not apply if the employee initiates a request for a short turnaround and the supervisor agrees.

C. An employee on a management initiated fluctuating schedule shall receive a differential in accordance with Section 14.7(A) (Fluctuating Schedule). If the employee on a fluctuating schedule is eligible for other differential compensation, the employee will receive up to a maximum of 10% total differential rate for the entire work assignment.

D. This Section shall be applied only to those classes whose duties require fluctuations in daily working hours.

E. Interpreters for the deaf shall be excluded from provisions of this Section.

14.6 Definition of Shifts. The workday is eight (8) hours (except as otherwise provided) and may begin at any hour of the day.

A. Day Shift. When over sixty percent (60%) of the time worked in a position falls between 8 a.m. and 5 p.m. the position shall be designated as a day shift position.

B. Swing Shift. When forty percent (40%) or more of the time worked in a position falls between 5 p.m. and midnight, the position shall be designated as a swing shift position.

C. Graveyard Shift. When forty percent (40%) or more of the time worked in a position falls between midnight and 8 a.m. the position shall be designated as a graveyard shift position.

D. Split Shift. When forty percent (40%) or more of the working days are broken by an interval of two (2) or more hours (without pay), the position shall be designated as a split shift position.

E. Weekend Shift – Full. When forty percent (40%) or more of the time worked in a position falls between 12:01 a.m., Saturday, and 12:00 a.m. Sunday, the position will be described as a full weekend shift.

F. Weekend Shift – Partial. When twenty percent (20%) or more of the time worked in a position falls between 12:01 a.m., Saturday and 12:00 a.m. Sunday, the position will be described as a partial weekend shift.

G. Fluctuating Shift – When the regular schedule of the employee consists of differing hours or days from one day to the next or one week to the next.

14.7 Shift Differential.

A. Shift differentials are as follows:

Shift

Add to Base Salary

Day	0%
Swing (40% after 5 p.m.)	5.0%
Graveyard (40% after midnight)	7.5%
Split (minimum 2-hr break)	2.5%
Weekend Shift – Partial	2.5%
Weekend Shift -- Full	5.0%
Fluctuating Schedule	3.0%

B. An employee whose regular assignment is on the swing, graveyard, weekend, or split shift, and who is temporarily assigned to another shift not entitled to differential compensation, will not lose the differential payment for the regular assignment unless the temporary assignment is twenty-two (22) consecutive working days or longer. If a temporary schedule change results in a shift assignment that carries a differential, or a higher differential, for five (5) consecutive working days or longer, the employee will receive the higher differential for the total period.

C. An employee whose regular assignment is a combination of more than one of the shift differentials defined above or split shift, and who is temporarily assigned to another shift entitled to differential compensation, will receive up to a maximum of ten (10) percent differential rate for the entire work assignment. Those employees who are hired prior to July 1, 1999 shall not be affected by 14.7(C).

14.8 Lunch Periods.

A. Bargaining unit employees are guaranteed an uninterrupted, duty free lunch period. Lunch periods are sixty (60) minutes in length, except for flex schedules, but may, with the consent of the employee and the immediate supervisor, be thirty (30) minutes in length. No employee shall be required to work for a period of more than five (5) consecutive hours without a lunch period, except that when a work period of not more than six (6) hours will complete the day's work, the lunch break may be waived by mutual consent of the supervisor and the employee.

B. If an employee's lunch period is interrupted by the immediate supervisor or a person in higher authority, the employee is entitled to extend the lunch period that day by thirty (30) minutes in addition to the time spent carrying out the duties required.

14.9 Overtime. The District agrees to compensate employees at the rate of one and one-half (1.5) times the employee's regular rate of pay (including shift differential) for each hour of work in excess of eight (8) hours work in one day or forty-(40) hours in one week. The District agrees to compensate employees at the rate of two (2) times the employee's regular rate of pay (including shift differential) for each hour of work in excess of twelve (12) hours in one day. (Exception: any approved Plan such as 4/10, 9/80, etc.) No overtime will be paid unless approved in advance by the appropriate supervisor unless circumstances make obtaining prior approval impossible. In such cases, the employee may submit the overtime to the supervisor and the supervisor will determine whether overtime without prior approval is to be paid. In lieu of overtime pay, the employee may choose to receive compensatory time at the overtime rate, (1.5 hour of time for every hour of work or 2 hours of time for every hour of work if twelve hours of work in one day).

14.10 Assignment of Overtime. An employee may refuse overtime work, except in case of emergency as defined in Article 3.2 of this contract. The District shall make every attempt to distribute the overtime work evenly among the qualified employees who agree to work overtime. If a scheduling problem exists, seniority on a rotating basis shall prevail.

14.11 Average Workday of Four (4) Hours or More. Employees having an average workday of four (4) hours or more shall be compensated for any work required to be performed on the sixth (6th)

or seventh (7th) consecutive day following the commencement of their work week at a rate equal to one and one-half (1-1/2) times their regular rate of pay (including shift differential).

14.12 Average Workday of less than Four (4) Hours. Employees having an average workday of fewer than four (4) hours during the work week shall be compensated for any work required to be performed on the seventh (7th) consecutive day following the commencement of the work week at a rate equal to one and one-half (1-1/2) times their regular rate of pay (including shift differential).

14.13 Overtime in Multiple Assignments. When an employee works in two (2) or more different classifications during the work week and is entitled to overtime pay, compensation will be computed at the rate appropriate to the classification of work performed. The appropriate rate shall be determined by the supervisor who assigns the overtime and shall be consistent with the number of hours worked in each classification. In no case shall the compensation be less than the overtime rate for the classification in which the overtime work was performed.

14.14 Compensatory Time.

Such compensatory time off shall be at the rate of one and one-half (1-1/2) hours for every hour of overtime worked or two (2) hours for every hour of overtime worked over twelve (12) hours in a day and will be taken within twelve (12) months following the end of the month in which the overtime was worked. Compensatory time shall be scheduled with the supervisor to meet the needs of the department. If compensatory time is not taken within a twelve-(12) month period, it will be paid at the current overtime rate as prescribed under the provisions of Section 14.8.

14.15 Rest Periods. The authorized, uninterrupted, duty free rest period shall be based on the total hours worked daily at the rate of fifteen (15) minutes per four (4) hours. Employee rest periods will be scheduled approximately in the middle of each work period. (In the case of the 4/10 plan, three (3) fifteen (15) minute rest periods shall be authorized.) Employees who work less than three and one-half (3-1/2) hours per day are not authorized for the rest period. Time from unused rest periods may not be used to lengthen the lunch break or shorten the work day.

14.16 Reporting Time Pay.

A. Emergency Call Back. An employee called back to work after the completion of the regular assignment shall be reimbursed a minimum of three (3) hours pay at the employee's overtime rate. Any time worked in addition to the first three (3) hours shall be compensated at the regular overtime rate of actual time worked.

B. Emergency Call In. An employee called to work on an emergency basis on a day other than when the employee is regularly scheduled to report is guaranteed a minimum of three (3) hours pay at the overtime rate. In addition, the employee is guaranteed at the overtime rate two (2) additional hours of pay beyond any actual time worked after the first sixty (60) minutes. (1st example: an employee is called in, works thirty (30) minutes, receives three (3) hours pay. 2nd example: an employee is called in, works one (1) hour and thirty (30) minutes, receives three (3) hours and thirty (30) minutes pay. 3rd example: an employee is called in, works three (3) hours, receives five (5) hours pay.)

C. Standby Duty. There will be no standby duty for any bargaining unit employee.

D. Inconvenience Pay. An employee will become eligible for inconvenience pay when an employee has not been scheduled to work and is contacted, at the insistence of a supervisor, during off-duty hours to help resolve a problem without the need to come in. Inconvenience pay shall be paid

at the overtime rate of pay. An employee shall be guaranteed a minimum of one hour of pay at the overtime rate or compensatory time of 1.5 hours per hour worked.

14.17 Adjustment of Assigned Time. The workday and work week for part-time employees shall be established by the District. The workday so established shall be the basis for determining vacation, sick leave, and holiday pay for part-time employees. An employee who works an average of thirty (30) minutes or more per day, in excess of the regular assignment, for a period of more than twenty (20) consecutive work days, shall have the benefits adjusted upward and recalculated to reflect the longer hours effective on the twenty-first (21st) day. The increased benefits will continue as long as the employee is assigned to the increased schedule. In addition, the employee may request, and the District will examine, whether or not the percentage of assigned time should also be adjusted upward

Supervisors may not circumvent giving increased benefits for such work by creating a pattern of asking an employee to work slightly fewer than 20 days and then regularly rotating with other employees to avoid the necessity of increased benefits.

14.18 Work Calendars of less than Twelve (12) Months.

A. All unit members on less than twelve month work calendars whose schedules need to be changed by the District for the following year will be notified of the intent of the District to change their duty calendar at least 30 days prior to the end of the spring semester preceding the change.

1. The District may modify an individual calendar, as established in Section 14.17A, by written notification to the employee. The notification will include the reason for the change. The District will provide the Federation with a copy of the Notice of Change at the same time as the employee is notified.
2. At the employee's request, he or she may schedule a conference with his or her supervisor regarding the proposed changes within seven (7) days of notification of the intent of the District to change the schedule.

B. Individual employee variations from established work calendar may be arranged by mutual agreement between the employee and the employee's immediate supervisor according to established, written District procedures.

ARTICLE 15. VACATION.

15.1 Vacation Accrual. Regular employees will earn vacation according to the following schedule. Employees working less than full-time will have their vacation earnings prorated at a percentage equal to the percentage of their contract.

15.2 Vacation Scheduling.

A. Efforts will be made to enable vacation to be taken at times requested by and convenient to the employee consistent with the needs of the District. An attempt will be made to approve and assign vacation periods in a manner which is fair to all employees. If a scheduling problem exists, seniority on a rotating basis shall prevail. Employee vacation requests shall be in writing and approved or denied by the supervisor within five (5) working days. Denial of request will be in writing.

B. When an employee, to meet the convenience of the District, is not permitted to take vacation, the amount not taken in excess of the allowable balance as provided in Section 15.1 shall be accumulated to carry over for use in the following fiscal year or, at the request of the employee, a lump sum payment shall be made for the excess accumulated vacation. A request for vacation time credit or lump sum payment shall be forwarded by the employee to the appropriate supervisor.

15.3 Vacation Compensation.

A. Eligibility to receive scheduled vacation or vacation pay will commence on the first (1st) day of the month following completion of six (6) months or one hundred and thirty (130) days of paid service in a regular assignment. No payment shall be made for accumulated vacation to an employee who terminates prior to attaining eligibility to receive vacation. Vacation will be paid at the employee's current rate of pay.

B. Employees who work less than a twelve-(12) month assignment will normally be assigned vacation time during the recess periods. Unearned vacation may be advanced for vacation assigned during recess periods when requested on the absence report. Excess vacation time may be scheduled during the regular work year in accordance with Section 15.2 of this Agreement. When convenient for both the employee and the District, an employee may request an unpaid leave of absence during recess periods.

C. Vacation may be granted that has not been earned, except as provided in Section 15.3A. In such cases, a written request must be initiated by the employee and approved by the immediate supervisor, appropriate College administration, and the Vice Chancellor for Human Resources or designee. Unearned vacation that has been granted shall be deducted from the employee's final salary warrant if the employee terminates prior to earning such vacation.

D. Employees who terminate generally will be required to use accrued vacation prior to the termination date. Any unused accrued vacation will be paid in a lump sum.

F. An employee who commences an approved vacation and subsequently becomes ill or bereaved before the vacation has been completed, may request that the appropriate amount of time be charged against sick leave and/or bereavement leave rather than vacation.

ARTICLE 16. HOLIDAYS.

16.1 Annual Holidays. Holidays will be granted on the basis of the established Annual District Calendar. **(Elimination of Floating Holiday effective July 1, 2008).**

16.2 Holiday Eligibility.

A. Compensation. When a regular employee is in a paid status either immediately preceding or immediately following a holiday on which they would have been normally scheduled to work, the employee will be paid for the holiday. While on a paid leave of absence (vacation, illness, or other), an employee shall be paid for any holiday which occurs during the leave, and such day shall not be charged to vacation or leave time.

B. In lieu of Day-off Compensation. Regular employees scheduled to work five (5) days per week, other than Monday through Friday, will be granted an in-lieu day off for any holiday that falls on the employee's normal day off. Regular employees scheduled to work less than five (5) days a week will be granted in-lieu holiday time prorated according to the employee's contract percent of full-time employment.

16.3 Holiday Compensation. When an employee is required to work on a District-approved holiday, such employee will be paid straight time for the holiday and one and one-half (1-1/2) times the regular rate of pay (including shift differential) for hours worked. Any employee who loses a holiday as a result of the holiday being moved to a non-paid status day shall be given a day off in lieu of the unused holiday. The employee and her/his supervisor shall mutually arrange a convenient date for the day off to be taken.

ARTICLE 17. LEAVES OF ABSENCE.

17.1 General Provision.

The District will grant paid and unpaid leaves of absence to classified staff for the purposes outlined and subject to the conditions set forth in this Article.

General Conditions.

A. Employees shall make a written request for paid or unpaid leave as soon as possible, in accordance with procedural rules established by the District on the District provided application form. If paid leave is denied, the employee will be provided with a statement in writing giving the reason for such denial.

B. Upon approval, in accordance with procedural rules established by the District, an employee may be granted an unpaid leave of absence. (For good and sufficient reason(s), the administration may recommend an unpaid leave of absence without requiring the employee to exhaust all accumulated and earned vacation benefits.)

C. An employee who is absent without prior approval, because of illness or emergency, shall notify the office of the immediate supervisor as soon as possible. Failure to do so in a timely manner may result in ineligibility for paid leave and may be considered to be an unauthorized leave.

D. Upon return to work following an absence, the employee will complete a classified absence report and submit it to the immediate supervisor as soon as possible. Should the employee be absent more than one (1) week, an absence report will be filed weekly by the immediate supervisor during the period of absence.

E. Any absence during which the employee remains in a paid status will not be considered as a break in service.

F. Any personal leave granted without pay for ninety (90) calendar days or less, subsequent to Family Medical Leave where applicable, shall not be considered a break in service in computing anniversary dates for vacation and longevity benefits. Employees on an unpaid leave of absence which exceeds ninety (90) calendar days shall not earn vacation or sick leave benefits during the time the employee is in an unpaid status. Employees in an unpaid status for more than ninety (90) calendar days will not receive credit for salary advancement commencing on the ninety-first (91st) day of their absence.

17.2 Sick Leave.

A. Sick Leave - Earned. "Earned" sick leave is the number of hours the employee shall be entitled to earn each month at their full rate of pay for illness or injury. Therefore, employees scheduled to work forty (40) hours per week, twelve (12) months per fiscal year shall be entitled to earn eight (8) hours per month for a total of ninety-six (96) hours of sick leave per fiscal year.

1. Minimum Hours Requirement. Sick leave shall be taken in increments of no less than 30-minutes.

2. Probationary Sick Leave. Probationary employees who are scheduled to work forty (40) hours per week, twelve (12) months per fiscal year, shall not be eligible to use more than forty-eight (48) hours of sick leave during the first six (6) months of their employment.

3. Sick Leave for less than full-time Employment. Regular employees scheduled to work less than forty (40) hours per week and/or less than twelve (12) months per full fiscal year are entitled to that proportion of ninety-six (96) hours of "earned" sick leave **and eight hundred (800) hours of "extended"** sick leave per fiscal year as the employee's number of scheduled work hours relates to a full time work schedule.

4. Family Leave. Regular employees may use one-half (50%) of annual earned sick leave to take care of an ill family member(s).

B. Sick Leave - Accumulated. "Accumulated" sick leave is the unused sick leave which was "earned" but not used from the previous year(s). This "accumulated" sick leave carries over to

the new fiscal year at the employee's full rate of pay for illness or injury. There is no maximum to the number of **"accumulated"** sick leave hours at full pay which an employee may accrue.

C. Sick Leave - Extended. **"Extended"** sick leave is the number of hours the employee shall be entitled to each fiscal year which extends beyond their **"earned"** and **"accumulated"** sick leave. This **"extended"** sick leave is paid at fifty percent (50%) of the employee's full rate of pay. The combination of **"earned"**, **"accumulated"** and **"extended"** sick leave shall not exceed eight hundred (800) hours per fiscal year. If the employee has more than a total of eight hundred (800) hours of **"earned"** and **"accumulated"** sick leave, then they are not entitled to **"extended"** sick leave for that fiscal year.

(Refer to Article 20, Section 20.2E.1 for eligibility). An employee who is determined by a physician to be totally disabled for a period which exceeds fourteen (14) calendar days may receive short-term disability benefits. The benefit is paid only when an employee is entitled to extended sick leave and while an employee is in the one hundred (100) working day period. If approved, the employee receives fifty percent (50%) of their salary in the form of extended sick leave plus fifty percent (50%) of their salary in the form of short-term disability benefits totaling one hundred percent (100%) of their salary. The benefit is paid through District payroll. All claims are subject to review and the guidelines of the plan.

E. Long-Term Disability. Employees who have attained permanency and who become totally and continuously disabled for a period of more than one hundred (100) working days may be eligible to receive long-term disability benefits. (Refer to Article 20, Section 20.2E.2 for eligibility.) This coverage provides up to sixty percent (60%) of the salary the employee earned before becoming

disabled. Long-term disability claims are subject to approval by the insurance company that provides the benefit.

F. Medical Release. An employee may be required to furnish a medical release in those circumstances where the District determines that a need exists for such a release.

G. Quarantine. An employee shall continue to receive remuneration from the District at the regular rate of pay for a period during which the employee is quarantined by city or county health officers because of another person's illness.

H. Long-Term Disability Medical Continuation Plan. Any Employee who is eligible and receives long-term disability will receive the District's medical insurance plan for themselves while on disability. When all paid leave is exhausted and the employee is placed on a thirty-nine (39) month reemployment list, the District will continue the employee's medical insurance at the rate of three (3) months for each year of service, to a maximum of thirty-nine (39) months.

17.3 Bereavement Leave.

A. Length of Leave. When the death of any member of the immediate family of the employee occurs, the District agrees to grant necessary leave of absence with pay at the employee's regular rate (including shift differential), not to exceed three (3) days if travel of less than two hundred and fifty (250) miles one way is required, and not more than five (5) days if travel of more than two hundred and fifty (250) miles one way or out-of-state travel is required. At the unit member's option, bereavement leave may be distributed over a period of six (6) calendar months following the death.

Under special circumstances, and with the approval of the Vice Chancellor for Human Resources or designee, other persons may be considered as relatives for purposes of granting bereavement leave.

17.4 Jury Duty.

A. Conditions of Leave. The District agrees to grant to an employee called for jury duty, in the manner provided by law, leave of absence without loss of pay for the time the employee is required to perform jury duty. The District may require verification of jury duty time served.

B. District Notice by Employee. An employee called for jury duty must notify the District of the service date(s) upon receiving said notice from officers of the court.

<h2 style="margin: 0;">GUIDELINES FOR FLEXIBLE SCHEDULING (Flex-time)</h2>
--

COAST COMMUNITY COLLEGE DISTRICT
Costa Mesa, CA

I. GENERAL INFORMATION

A. Flex-time Concept

The Flexible Schedule allows for more flexibility in work hours while retaining the constraints necessary due to law, organization policy, CFCE contract and, above all, the operational requirements of the job. Employees are subject to basic requirements set forth in the policy and operating guidelines and are responsible to organize and manage their time to meet those requirements.

Flex-time is a concept which allows redistribution of employees' work hours within limits set by District policy and the requirements of maintaining necessary levels of service³. It does not change the total number of hours worked, but does allow each individual greater participation in selection of the hours to be worked.

In Flex-time, fixed times of arrival and departure are replaced by two different types of time: core time and flexible time.

1. Core time is the time employees are expected to be on the job and available for committee meetings, etc. unless other arrangements have been made.
2. Flexible time is the time when employees may or may not be present, dependent on meeting specific job requirements and working the required number of hours.

Management defines:

1. The guidelines for time use in accordance with contractual and organizational policy.
2. The policy for establishing operational requirements.
3. The requirements for time management and administration.
4. The conditions under which exceptions are approved.

Flex-time, therefore, is a policy which extends the privilege of time control to each employee provided the employee carries out the responsibility for time organization, time planning and accountability or, Privilege for Performance.

II. DISTRICT-LEVEL GUIDELINES

Flex Time		Core Time		Flexible lunch break (Min: 30 min.)		Core Time		Flex Time
------------------	--	------------------	--	--	--	------------------	--	------------------

There may be exceptions to the above for individual employees and specific offices based on department hours and needs, including the year round 4-10 plan.*

Guidelines for the Flex-time program are detailed in the following sections. These guidelines were established to provide the maximum flexibility compatible with the policies of the Coast Community College District.

1. Bandwidth
 The time during which employees may be on the job. There may be exceptions to times of Bandwidth base on department hours and needs. **7:00 to 6:00 pm**

2. Standard Service Day
 The time during which normal service and functional operations must be available. There may be exceptions based on department hours and needs. **8:00 to 5:00 pm**

3. Core Time
 The time when all employees would be on the job, unless prior arrangements are made. **8:30-11:30 am
1:30 – 4:00 pm**

4. Flexible Time
 Designated time when employees may or may not be present, provided job and total time requirements are met. **7:00 – 8:30 am
11:30-1:30 pm**

5. Lunch Break
 The time an employee may be off the job during the mid-day flex period **Minimum: ½ hour
Maximum: 2 hours**

6. Maximum Weekly Hours
 The number of hours that may be worked by classified employees without requiring supervisor approval and overtime pay. **40 hrs./week**

7. Maximum Daily Hours
The number of hours that may be worked by classified employees during any one day without requiring supervisor approval and overtime pay. **8hrs/day**
8. Scheduling – Employees’ work schedules will be mutually agreed upon to the fullest extent possible. Final determination will be made by the supervisor. Changes in work schedule will be made only when approved in advance by the supervisor.

*Under this plan it is permissible for an employee to request 4-10 year round. A department may use 4-10 year round for one or more individuals with the consent of the employees. Each instance will be determined on its own merit. Recommendation will be made by the supervisor, but final approval will require District concurrence.

III. TIME MANAGEMENT AND ADMINISTRATION GUIDELINES

A Flex-time program involves employees as well as supervisors in the dynamic process of time planning and organization.

It is the responsibility of each participant to organize work time to meet the policy and operational guidelines for time distribution and be accountable for the required work hours.

It is the responsibility of each supervisor to assure that policy and operating guidelines are understood and are being met within the work unit.

IV. OPERATING GUIDELINES

The setting of operating requirements for each work unit involves employees as well as supervisors in decisions about effective time use.

1. Supervisors must identify critical functions and tasks, and associated coverage requirements or schedules for completion.
2. Normal Service Coverage – the designated level for manning functions which must be maintained to assure normal service during the standard service day.
3. Supervisors, in cooperation with employees in their work unit, define operating requirements to assure achievement of the unit’s functional objectives.
4. Employees must assume responsibility for the required coverage; must plan and organize their time to meet the requirements of the guidelines.
5. Prime Responsibility – The assumption of responsibility for coverage by an individual employee as part of the shared total responsibility of the work unit.
