Adoption of College Accreditation Follow-up Reports

As a result of the accreditation follow-up reports submitted by the three colleges in March 2014 and visits by members of the Accrediting Commission for Community and Junior Colleges (ACCJC) in April 2014, ACCJC, in its July 2014 letters to the three College Presidents, decided to remove from Warning Coastline Community College and Orange Coast College and continue on Warning Golden West College. ACCJC also requested that all three colleges submit follow-up reports by March 15, 2015 as follows:

- Coastline Community College submit a follow-up report addressing College Recommendation 4 and District Recommendation 2. The report will be followed by a visit by members of ACCJC in Spring 2015.
- Golden West College submit a follow-up report addressing College Recommendations 2, 3, 5 and 6 and District Recommendation 2. The report will be followed by a visit by members of ACCJC in Spring 2015.
- Orange Coast College submit a follow-up report addressing District Recommendation 2. There will not be a follow-up visit.

Attached, for adoption, are the college accreditation follow-up reports for Coastline Community College (**See Attachment #3a**), Golden West College (**See Attachment #3b**), and Orange Coast College (**See Attachment #3c**). The draft reports for Coastline Community College and Golden West College were brought to the Board of Trustees for first reading at the January 14, 2015 meeting. Both reports included the follow-up response for District Recommendation 2 and a report for Orange Coast College was not included for first reading at the January 14, 2015 Board meeting because the report includes the same written response to District Recommendation 2 which was included in the two college reports provided.

Contact person: Dr. Andreea Serban (for response to District Recommendation 2); Dr. Lori Adrian (for Coastline Community College - response to College Recommendation); Mr. Wes Bryan (for Golden West College - response to College Recommendations)
