

BRIDGING *THE GAP*

Between Federal and State Funding and Tuition

WE KNOW the gap between federal and state funding and tuition can be an added stress as a returning student in our Bachelor of Science in Management degree completion program. To ease that burden, we're now offering a \$3,500 first semester scholarship! If using federal loans, this will bridge the out-of-pocket expenses between what the loans cover and the tuition for eight units. Submit your completed application by October 31st to take advantage of this new **SCHOLARSHIP!**

*Subsequent term scholarships and amounts vary. \$3,500 amount is contingent upon submitting a completed application by 10/31/14. Valid for Spring 2015 term only. New students only. Continuing students may contact the financial aid office for options. Other scholarships are offered and can be combined. Available for Bachelor of Science in Management program applicants only. Please contact your recruiter for more information.
