A 30-minute consultation is usually enough time for a complete analysis of the problem if you are well prepared. Please follow these suggestions:

**1. Write down the basic facts of your problem.** Start at the beginning and note dates, times, names, places, and phone numbers. Note any other information that you believe is important to the case. This will enable you to spend most of the consultation time discussing the problem with the attorney.

**2. Please bring all documents that relate to your situation, anything that may apply, so that we can best assist you.**

- Summons
- Complaints
- Contracts
- Court Orders or Court Papers
- Trusts

- Tickets
- Wills
- Licenses
