

## Certificates and Degrees available through Distance Learning

The following certificates and Associate's degrees can be completed entirely through distance learning modalities in either Coastline's regular or military/contract education programs.

**Note:** These Associate's degrees are all "Option 1" degrees, since Coastline does not have a public speaking class in distance learning format which fulfills the CSU Oral Communications requirement. (Please consult with a counselor to confirm your degree requirements.) In addition, some courses required for these degrees and certificates require students to complete exams on campus, at examination centers, or in the presence of a proctor.
