

## Fall 2019 Distance Learning Telecourse Broadcast Schedule

*NOTE: Fall 2018 telecourse and cablecast broadcast dates begin the week of Monday August 25, 2019.*

To view a televised broadcast of telecourse and cablecast courses, students must be subscribers to Spectrum (formerly Time Warner Cable) AND live in Costa Mesa (Channel 27), Fountain Valley, Garden Grove, Huntington Beach, Midway City, Seal Beach, Stanton or Westminster (Channel 95). Those who do not have access to Spectrum but live in the local area, have the option to watch videolessons at a Coastline viewing center. Additional options are listed underneath each course. Courses with a streaming media option require Internet access.
