Participation Rate was 75.0% of the 12 members

Table 1 indicates that 85.0% of the time the Budget Committee almost always exhibits effective committee interactive behaviors overall, with being collaborative, transparent, effective, and efficient as the highest categories (87.5%). All participants felt that each of the interactive committee behaviors are exercised almost always or often.

**100%** of the committee members that participated indicated:

- They felt comfortable sharing ideas, felt that they were treated with respect and have sufficient opportunity to provide input.
- The quality of communication within the committee and to the constituency was rated highly favorable (good or very good).
- The quality of access to information, meeting space location and resources to conduct the committee were rated highly favorable (good or very good).

The highlighted **accomplishments** included the organization of the committee and budget allocation.

The **suggestions for improvement** included reading special interests.
