Evaluated Foreign College Transcripts

- Students will need to obtain a detailed, official evaluation of their foreign credits from one of the evaluations services listed on the [NACES site](http://www.naces.org/members.htm).

- Although agencies charge a fee for the service, the expense is usually much less than repeating the courses at an American institution of higher education. Coastline will accept the official evaluation and will count the credit/semester hours and/or degrees toward the student's educational program as appropriate.
