Subject: Letter to Summer 2020 and Fall 2020 Coastline International Students

Dear Coastline Student,

I am delighted to share some great news with you!

Today, the United States government rescinded the rule about foreign students studying in the United States!

Neither you nor Coastline need to worry about being able to study in the States or having to rush home if you are still here in the States.

Because of the pandemic, Coastline College will continue to provide classes online for the Fall 2020. A small number of classes will be offered in person, safely, such as some of our science labs. If you have not registered for Fall, here is a link to the Fall 2020 schedule.

As always, Javier Alcala remains your primary point of contact. I continue to be available to you if you have questions or want to share ideas on how we can support you even more.

Kindest regards,

Javier Alcala
