

Program Requirements & Universities Participating in ISDA Program:

Program Requirements:

International students in this program will be granted conditional admission to the universities listed below at the time they are admitted into this program. They will be guaranteed full admission to the university they select upon completion of the following:

1. The general education courses and eligibility to receive an associated degree.
2. The GPA required by the university.
3. The lower division courses in the major they select.

Coastline Community College will provide academic counseling to assure the student is aware of these requirements.

Participating Universities:

California State University Fullerton- Fullerton, California
