FOR THE DISABLED (714) 241-6214**

REFERENCE: 06-CCC-EJV-218

Dear Applicant:

Thank you for your recent inquiry regarding services and programs offered by Coastline Community College's Special Programs and Services for the Disabled. Enclosed please find a Special Programs and Services Application, Disability Verification Form, Release Forms, and my card.

Coastline Community College is committed to providing educational accommodations to qualified disabled students. Eligibility for state funding to provide such services, however, requires that the college obtain professional certification of each student's disability.

If you have received services for your disability from the high school you attended, another community college, or the California Department of Rehabilitation, these agencies may be able to provide sufficient information to verify your disability. Please complete, sign, and mail the Records Release forms directly to the doctors, agencies, and/or educational facilities from which you have received services. Once our office has received appropriate verification of your disability, our office will contact you and set up an interview appointment.

Feel free to contact our office at any time to check on the status of your application for services. We look forward to receiving your application. If you have any questions, please feel free to contact our office at (714) 241-6214.

Sincerely,

Mainstream Support Services
