Dear Students:

Welcome to Coastline Community College. I am delighted that you have chosen Coastline for pursuing your associate degree, career/technical certificate, transfer preparation, or attainment of basic skills for college readiness. You have made an excellent choice. Coastline is an innovative college that is deeply committed to academic excellence and student success. We have an outstanding student-centered team of faculty and staff who are flexible and who genuinely enjoy working with students in both face-to-face formats or online. Coastline offers complete programs at our campuses in Newport Beach, Westminster (Le-Jao), and Garden Grove as well as online through our top-notch distance learning program.

The 2013-2014 school year is one of restoration and re-invigoration. With the passage of California’s Proposition 30, Coastline is able to offer approximately 14% more classes overall for the 2013-2014 school year compared to the year before. By adding sections and seats, we know that you will be able to complete faster and transfer sooner.

Coastline is continuing to strengthen and expand our academic degree and transfer programs, as well as our Career and Technical Education and Basic Skills programs—both on-site and online. Our programs, for example our accelerated degree/transfer program called STAR, are designed for students who are academically focused and highly motivated. Our career technical programs, which also include degree and transfer preparation programs, are designed to meet the current, emerging, and future needs of business and industry in terms of employees’ knowledge and skills.

If your goal is to attain a degree, prepare for transfer, get a new job or advance in your chosen career, Coastline is your college. Coastline is proud to be “Tomorrow’s College Today” through innovative, flexible, and high-quality programs. I am certain that the variety of academic programs and career-training we offer at Coastline will suit your goals and your passion.

Please remember that our student-centered team is here to assist you. Take advantage of the comprehensive array of support services that are available to you as a Coastline student. A great “first stop” would be meeting with one of our counselors, who can answer questions about which classes or degree programs are best suited for your long-term career goals.

Best wishes for a wonderful academic experience here at Coastline.

Sincerely,

Loretta P. Adrian, Ph.D., President

Why students choose community college

Community college is one of the biggest bargains in higher education, saving students thousands of dollars a year in tuition while offering the same quality courses and caring, knowledgeable instructors as four-year colleges or universities. That’s why community colleges throughout the country attract and enroll nearly 12 million students each year. There are more than 1100 community colleges throughout the United States tailored to the needs of busy individuals. Campuses are located near students’ homes and offices, and courses are offered in evenings, on weekends, and in condensed formats making education even more accessible. This flexibility, combined with the affordable nature of a community college, is what has made the dream of a college degree a realistic goal for so many people.

How Coastline is different from the rest

Imagine classes that come to you. When you’re on the go, this can be more important than ever. Coastline Community College, founded in 1976, has long been known as a “college without walls.” As one of the nation’s most innovative institutions, Coastline brings classes to you with advanced distance learning options as well as neighborhood campuses located right in your own backyard. In addition, Coastline offers numerous options for degrees and certificates in several popular fields. These programs are in demand by employers, and Coastline faculty and staff work hand-in-hand with business and industry to tailor these programs to apply to today’s working world.

Coastline offers you a small-college feel with big-college benefits. Whether you’re looking to obtain a degree or certificate, or just looking to take classes for fun or recreation, you’ll find that Coastline is your most accessible, flexible, and affordable option.

Coastline students

Students at Coastline range in age and educational goals. Some attend Coastline as fresh-out-of-high-school teens working on their GE requirements with the hopes of transferring to a four-year university. Others are adults looking to change careers by earning a certificate or A.A./A.S. degree in a new career field. Some want a class or two to add to their resume, and others want a super-packed, full schedule of classes (such as those in the STAR program) to help them finish their degree requirements fast.

Coastline also serves thousands of servicemen and women across the globe through the Military Contract Education program. This unique program allows those enlisted men and women to complete their degree requirements at a distance, without ever setting foot on a Coastline campus.

Coastline welcomes all students!

College Accreditation

Coastline Community College is accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC) of the Western Association of Schools and Colleges (10 Commercial Blvd., Suite 204, Novato, CA 94949, (415) 506-0234), an institutional accrediting body recognized by the Commission on Recognition of Postsecondary Accreditation and the U.S. Department of Education. Standards and Policies of ACCJC can be found at http://www.accjc.org.

Admissions Information

How to apply (general students)
Students planning to attend Coastline Community College must apply on-line at www.coastline.edu. The admission cycle for the Fall semester and Summer session begins Mid-March and for the Spring semester on the 1st of October.

How to apply (enlisted military students)
Enlisted Military personnel wishing to enroll in the Coastline Military Contract Education programs should do so online at http://military.coastline.edu.

Eligibility
Individuals 18 years of age or older who can profit from instruction qualify for admission. If under 18, you will qualify for admission if one of the following has been satisfied:
- Graduated from high school.
- Passed the California High School Certificate of Proficiency Test or equivalent.

High School Students
High School Students Special Part-Time 11th-12th Grade Students Admission and Registration Procedure: High school students may be eligible for Coastline Community College’s Special Part-Time Program. The Special Part-Time Program is designed for 11th and 12 grade high school students seeking advanced scholastic or vocational coursework not available at the high school. Consult the current class schedule or College Catalog for course pre-requisites and other requirements. Note: In accordance with SB338, enrollment in physical education courses have been restricted or excluded.

Academic Requirements for Special Part-Time Program Students
Eligible students have the opportunity to enroll in a maximum of six units each semester (3 units max for summer) and earn college credit while still attending high school. Students are expected to meet the same requirements as regular college students and coursework taken appears on the student’s college transcript. Students interested in attending Coastline Community College under the Special Part-Time Program must submit a completed admissions application to the Admissions and Records Office along with a Special Part-Time Program High School Release Form signed by both the high school principal and the parent/guardian. Students who are enrolled in the Special Part-Time Program and are designated as California residents (see residency information) are not required to pay the per units enrollment fee but are required to pay all other required fees.

Open enrollment policy
The Open Enrollment Policy of the Coast Community College District stipulates that unless specifically exempted by statute, every course section or class, the average daily attendance of which is to be reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to Section 58100 of Title V.

If you don’t have a high school diploma or G.E.D.
It is possible to complete a certificate program, an associate’s degree, a transfer program and/or a bachelor’s degree without earning a high school diploma. Many individuals, however, may want to obtain a high school diploma or its equivalent for personal or employment reasons. The following educational agencies may be contacted regarding obtaining the high school diploma, GED test and/or certificate of proficiency:
- California State University Fullerton
  (657) 278-2487
- Garden Grove Unified School District
  (Lincoln Education Center)
  (714) 663-6291
- Huntington Beach Adult/Alternative School
  (714) 842-4227
- Santa Ana Centennial Education Center
  (714) 241-5720
Assessment
Assessment testing for entry placement in English and Mathematics is expected of all first-time students, except for those students who have completed required English and Mathematics skill courses. New students who have earned an associate or degree higher from an accredited institution are not required to take the assessment tests if they have fulfilled the prerequisite for the course for which they intend to enroll. All other students who plan to enroll in English or Mathematics courses are required to complete the assessment tests.

Students are strongly encouraged to complete the no-cost, assessment tests early in their program since the scores are used for advisory purposes during counseling sessions. All English and Mathematics assessment testing takes place at the College Center in Fountain Valley. Testing dates and times are posted at the Assessment Center’s web page: http://coastline.edu/assessment. Students may schedule their assessment tests online by following the instructions posted at Assessment web page.

Assessment results are available immediately after completing the tests. Assessed students are directed to speak with a counselor or faculty advisor to determine course placements which are based upon multiple measures. Multiple assessment measures for entry placement decisions may include, but are not limited to, the following factors: assessment test results, goal definition, motivation, academic status, self-assessment or study skills. For information about the assessment process, please call the Assessment Center at (714) 241-6285.

Assistance for students with disabilities
Students with disabilities (e.g., mobility, communication, speech, hearing, learning, vision, acquired brain injury, developmental, psychological) are invited to request assistance from the Special Programs and Services for the Disabled office. Services include, but are not limited to: interpreting services, note taking, registration assistance, special counseling, special materials/equipment (i.e., digital recorders, enlarged print materials, taped texts and other alternately formatted materials), test proctoring, tutoring, and vocational guidance. Coastline also offers comprehensive programs and services for students with intellectual disabilities, acquired brain injuries and seniors adult fitness. Students with disabilities who wish to enroll in Coastline classes are invited to call upon the Special Programs office for assistance. Call 1 (714) 241-6214 for information about special classes, site accessibility or support services.
Counseling Services

All Coastline students have easy access to trained professionals dedicated to helping them develop an educational plan that best positions them to meet—and perhaps exceed—their academic, career, and personal goals. New, continuing, and re-entry students are encouraged to meet with a counselor to map out and discuss their educational plans, and learn about college programs and opportunities designed to enhance student success, extend learning “beyond the classroom,” and prepare for next steps after Coastline.

Counselors are available at the College Center (Fountain Valley), Newport Beach Center, Garden Grove Center, and Le-Jao Center (Westminster) throughout the academic year. Limited walk-in/resource counseling for short questions is also available. Advising is also available online via email and e-chat (times posted at “Counseling” web page.) Call (714) 241-6162 to schedule an appointment. Academic counseling and advisement for military students is available by e-mailing militarycounselor@coastline.edu, or by calling toll free (866) 422-2645.

When making an appointment, the counseling center assistant will explain the types of documentation you will need to gather if you have prior coursework from another college; this information will help your counselor provide the most accurate Educational Plan for your academic goal.
Extended Opportunities Programs and Services (EOPS) & CARE Programs

EOPS is a state-funded program which aims to provide the academic, personal and financial support necessary for students whose educational and socioeconomic backgrounds might limit their access to higher education, or hinder their ability to be academically successful as they begin their college level studies. The program’s services are designed to address these obstacles and help students earn a Certificate, Associate of Arts degree and/or successfully transfer to a 4-year university. Cooperative Agencies Resources for Education (CARE) is a supplemental program for EOPS students who are also single parents with a child or children under age 14 and receiving public assistance.

EOPS/CARE Services and Benefits

- Individualized assistance and guidance through the process of becoming a college student, including orientation to Coastline Community College
- Regular meetings with a counselor who will help you identify your educational goals and map out an academic plan
- Assistance with applications (financial aid, scholarships, etc.)
- Assistance with transfer goal-setting and applications
- Help with textbook costs
- Access to tutoring assistance
- Workshops that help you learn about effective techniques and strategies practiced by other successful students
- Priority registration (increasing the likelihood that you’ll get the classes you need)
- Grants and emergency loans

EOPS/CARE Program Eligibility Requirements

- California residency*

*After January 1, 2013, an undocumented student who meets the stated criteria and who has completed at least three years of high school in California and has either a high school diploma or the equivalency is also eligible for EOPS/CARE. The student also needs to apply for lawful immigration status. This legislation permits the eligible student to pay the regular California resident enrollment fee.

- Meet a “special admittance” criteria [e.g. first-generation college student; member of an underrepresented group; student whose primary language is other than English (with some restriction regarding ESL placement); emancipated foster youth, student whose educational goal is a degree, certificate or transfer; student whose last school attended was a Coastline service area high school with fewer than 30 units of college-level work; or STAR Fast Track student in good standing with fewer than 30 units of college-level work].

Admitted EOPS/CARE students sign the EOPS Mutual Responsibility Contract which outlines program requirements and expectations for remaining “in good standing”. EOPS/CARE students are eligible to participate for up to six consecutive semesters or until reaching 70 units of degree-applicable work. For most students, this means that they are able to complete their stated Educational Goal while receiving EOPS/CARE program benefits and services.

How to apply

The EOPS staff is available to discuss program eligibility guidelines and services with all interested students. Call (714) 241-6237 or drop by the EOPS/CARE Office, located at the Coastline College Center, Suite 400 or visit http://www.coastline.edu/academics/eops/.

Scholarships
Coastline students can apply for scholarships available through the Coastline Foundation during the fall and spring semesters. Applications are found online at www.coastline.edu/scholarships, and paper forms may be obtained from any Coastline campus. The annual deadline is in February. Scholarship awards are presented during the spring semester at the annual Scholarship Awards Reception. Factors for selection can include academic achievement, course of study, service and leadership, college and community involvement, and/or financial need. Applicants are required to submit a Scholarship Application and must be enrolled at Coastline in the fall and spring semester during the year in which they apply. For information about the program criteria and awards available, visit the Coastline website at: www.coastline.edu/scholarships.

California Dream Act of 2011
Undocumented students who have completed at least three years of high school in California and have either a high school diploma or the equivalency may qualify for enrollment under California’s AB 540 regulation. The student also needs to apply for lawful immigration status. This legislation permits the eligible student to pay the regular California resident enrollment fee.

Effective January 1, 2013, this act, which is the result of assembly bills AB 130 and AB 131, will allow undocumented and documented students who meet certain provisions of the AB 540 to receive forms of state aid, including the Board of Governors Fee Waiver, CAL Grants and EOPS assistance. Go to http://www.caldreamact.org for information and the application. For further details, go to the Coast Community College District website, www.cccd.edu/student/financialaid and click on California Dream Act.

Financial Aid & Scholarships
Financial aid programs attempt to fill the gap that may exist between the cost of education at Coastline and the money available to students from family, employment, savings and other resources. State and federal programs for eligible students include: fee waivers, grants, loans and work study opportunities. Coastline participates in the following programs: Pell Grant, SEOG (Supplemental Equal Opportunity Grant), Federal Work study, Perkins Loan, Direct Loans (Subsidized and Unsubsidized), Plus Loan and the California Board of Governors Fee Waivers. All recipients of financial aid must be in good academic standing, be participating in required class activities, be working toward a degree or certificate, have a high school diploma or GED, be a U.S. citizen or eligible noncitizen, have a valid Social Security number, and have financial need as determined by the Free Application for Federal Student Aid (FAFSA). Useful Telephone Numbers and Web Sites are:

guideU Student-Mentor Connection

The guideU Student-Mentor Connection provides you with the extra help you need to successfully navigate your higher education experience. Coastline’s guideU Student-Mentor Connection provides extra help to students aiming to complete a degree or certificate in three years or less. The mentors are Coastline faculty and staff members serving as volunteers. You can reach them by phone, e-mail, or text message...24/7. Students participating in guideU find mentors most helpful at the start of the semester especially when registering for classes. Coastline’s guideU mentors are always happy to help. As the semester progresses, your mentor will be available to talk things over whenever the need arises. Your mentor is your source for answers to college questions in general, or to guideU in the right direction to all Coastline services including academic or career counseling. A guideU mentor is your go-to person for all things Coastline. To get a guideU mentor, call (714) 241-6218 or cspoja@coastline.edu.

Associated Student Government

The Associated Student Government is the recognized student government at Coastline Community College. The ASG advocates student interests on-campus and in local, state, and national forums, and strives to develop relevant and quality-minded services, facilities, and experiences that are responsive to members of the campus and surrounding communities. Combining ASG with Student Activities provides opportunities for students and the College to expand and develop leadership skills through activities and experiences. These activities and experiences include student governance, student clubs, use of facilities and services by student clubs and organizations, student photo identification, and student scholarship awards and commencement.

The ASG fosters meaningful student development through leadership and community volunteer service experiences. In recognition of its responsibility to enhance student life, the ASG encourages and supports the activities of all Coastline’s recognized student organizations whose activities stimulate individual and group participation within the College community.
Matriculation
is a state-mandated program designed to assist each student in accomplishing his/her educational goals. It is an agreement between the college and the student. Coastline agrees to provide an organized process of admission, orientation, assessment, counseling and student progress follow-up. The student agrees to declare a specific educational objective, attend class regularly, complete assigned coursework and maintain satisfactory progress toward the achievement of their educational plan.

Goal
The primary goal of matriculation is to increase student success through institutional effectiveness. Success is measured by the attainment of student educational objectives. Matriculation is a coordinated process designed to:

1. Assist students to make wise educational choices concerning the programs and courses to pursue based upon clear and sensitive appraisals of their skills, interests and aptitudes in relation to the programs and courses offered.
2. Enable students to complete the units they attempt with satisfactory grades and to persist from semester to semester.
3. Identify the support services that students need to succeed and refer students to college and community resources to meet those needs.
4. Strengthen student motivation to succeed through the above, and provide frequent feedback and encouragement.

Matriculation Activities
Admission: Students use CCC Apply to expedite the entry process.
Assessment: Students are evaluated for current skill levels in English, and Math. District-approved, no-cost testing instruments are used and feedback is provided. Various testing times are available for accessibility and convenience. Career interest inventories and other specialized testing tools are also available.
Counseling: Students meet with educational counselors through selected classroom visitations and personal appointments. Students learn about Coastline’s educational options including transfer requirements, associate degrees, certificate programs, enrichment courses, weekend offerings and distance learning courses. Counselors help students identify their educational goals and develop curriculum plans to achieve them.

Exemption Criteria: All students entering Coast Community College District colleges are expected to participate fully in matriculation services. They are also expected to meet course skill level requirements and prerequisites. Students may be exempted from assessment, orientation and/or counseling on the basis of the following criteria:

1. Students who have earned an associate degree or higher from an accredited institution.
2. Students who are enrolling in six or fewer units and who are not pursuing a degree or a certificate. Upon completion of 12 or more units, however, these students will be apprised of requirements to participate in matriculation services.
3. Students who, in the opinion of the vice president instruction/student services or designee, would not directly benefit from participating in orientation, assessment and/or counseling.

Orientation: Students obtain current materials on Coastline’s programs, policies, procedures, locations and facilities through semester schedules, career and transfer planning guides, catalogs, mailings, brochures, newsletters and counselor classroom visitations. They obtain additional information on college services and activities from counselors, instructors and other staff members. New student orientations are conducted online at: www.coastline.edu/orientation.

Student Progress Follow-up: Students excelling in their coursework are notified of honor lists and scholarships. Students encountering academic difficulties are referred to appropriate college services by counselors, instructors and staff members. Students having special needs are directed to additional follow-up resources within the college and community.

Summary
Students are strongly encouraged to initiate and complete matriculation prior to course registration. Students who complete all components of matriculation are best positioned to develop, with the assistance of an academic counselor, the most efficient path to their academic goal. Call the Counseling Office for more information at 1 (714) 241-6162.

NATIONAL TESTING CENTERS

Military candidates can accelerate degree completion and save money on books and fees with credit earned through College Level Examination Program (CLEP) and DANTES Subject Standardized Tests (DSST) testing. Coastline is pleased to host several National Testing Center (NTC) facilities at the locations listed below.

Coastline National Testing Centers

- Dyess Air Force Base
- Fallon Naval Air Station
- Gulfport Naval Construction Battalion Center
- Holloman Air Force Base
- Pensacola Naval Air Station
- Point Loma Naval Submarine Base
- Westminster, California (in collaboration with NWS Seal Beach)
- Camp Pendleton (NOW OPEN)

Coastline Computer Career Learning Center

- Warrior Transition Battalion—Fort Bliss, TX

Services are available to active-duty military at no cost. Dependents, veterans, retired military, and DoD civilians may also utilize these NTCs.

Coastline accepts many CLEP/DSST course equivalencies toward degree completion in addition to the credits students may earn through military training and experience. Most accredited colleges recognize the CLEP and DSST tests.

For CLEP information, visit http://www.collegeboard.com/testing or http://clep.collegeboard.org/exam.

For DSST information, visit www.getcollegecredit.com.

Veterans Assistance

Coastline is approved by the Bureau of School Approvals, California State Department of Education, to offer programs to veterans and eligible persons seeking benefits under Federal Public Laws and the California Veterans Educational Laws. Coastline follows the guidelines issued by the Council for Private and Post Secondary and Vocational Education, which apply to all institutions enrolling veterans and other eligible persons for veterans benefits. For questions regarding Veterans benefits, check with the Veterans Technician in the Admissions office at 1 (714) 241-6325 or e-mail VeteranServices@coastline.edu.

Veterans Resource Center

The goal of the Veterans Resource Center (VRC) is to build a community-based service center that engages not only local veterans taking classes from Coastline, but also student-veterans located nationwide, and community veterans who wish to support their peers. The VRC was developed to offer a comfortable and positive environment and will provide academic resources, community referrals, networking opportunities, counseling and advisement services, computer access with Wi-Fi, a place to study, and workshops and guest lecturers of value to veterans seeking career and academic opportunities. Coastline also provides the resources available in the VRC to students nationwide through a Virtual VRC. For more information regarding the VRC, e-mail vet2vet@coastline.edu or call 1 (714) 241-6126.

Eligibility

Veterans may be eligible for benefits for ten years after the date of separation from active duty, provided discharge or release was other than dishonorable, he/she served at least one hundred and eighty-one (181) continuous days, or was discharged or released because of a service-connected disability. Veterans who entered active duty beginning July 1, 1985, may be eligible under Chapter 30 of the Montgomery GI bill provided you:

- Served at least two years with honorable discharge and
- Had $100 per month deducted from their military pay for educational benefits during the first 12 months of active duty.

Selected Reserve participants may be eligible under Chapter 1606.

Reserve Education Assistance Program (REAP) Chapter 1607 is a Department of Defense/VA Education Benefit Program that provides educational assistance to members of Reserve components called or ordered to active duty in response to a war or national emergency (contingency operation) as declared by the President or Congress.

The Post-9/11 GI Bill is a new education benefit program for individuals who served on active duty on or after September 11, 2001. Post-9/11 GI Bill benefits are payable for training pursued on or after August 1, 2009. No payments can be made under this program for training pursued before that date.

Veterans Administration Requirements for Receiving Veterans Benefits

1. In order to claim benefits, a veteran or eligible person must have, as an educational objective, an (a) Associates Degree, (b) Baccalaureate Degree, or (c) Certificate Program. If after consulting the college catalog or the schedule of classes a person wishing to file for veterans benefits is still unsure of his/her goals or major, arrangements should be made for a counseling appointment.

2. In order to insure continuity of benefits, satisfactory progress must be made toward the stated major.

3. Attendance in enrolled classes is expected at all times.

4. After each registration, the person receiving veterans benefits must notify the Veterans Technician of any program changes, i.e., complete withdrawal from college, adjustment of units, courses added and dropped, etc.

5. Those with 24 or more units of college work completed and who wish to apply for benefits must have program approval. Contact the Veterans Technician for proper procedure.

6. Veterans with fewer than 24 units must submit transcripts for all previous college work to Coastline Community College within four weeks after the semester begins.

CAL-VET: Students who qualify for CAL-VET benefits should contact the Veterans Technician.

It will be the responsibility of the veteran or eligible dependent to adhere to the regulations of the Veterans Administration and Coastline policies. If there are any questions regarding the Veteran benefits, check with the Veterans Technician at 1 (714) 241-6325.
Study Abroad

Coastline is proud to offer summer, winter intersession and expanded spring break Study Abroad programs to selected locations!

For additional information about current programs see the Study Abroad Web page at: www.coastline.edu/students/study-abroad or call Kevin Donahue at 1 (714) 241-6215 or e-mail kdonahue@coastline.edu for more information. Financial Aid may be available on a case-by-case basis. Call 1 (714) 241-6239 for more financial aid information.

The Transfer Center

The Transfer Center is located at Coastline’s Garden Grove Center on the first floor. The Center offers a wide array of services to our students who plan to transfer to a four-year college or university to earn a bachelor’s degree. The Center has an extensive library of college and university catalogs which are helpful to consult when exploring transfer options. Services include the use of computers with Internet access to facilitate your research on colleges and universities, ASSIST.org*, and application to CSU, UC, or private institutions. The Transfer Center can also provide you with interesting articles and helpful tips on degree programs and majors, how to choose the right college for you, specifics on articulation agreements with four-year colleges, and more. Professional academic counselors are available for on-site appointments to discuss re-entry services, transfer options, educational planning, course selection (including counseling classes which focus on career/life planning or college success strategies and for which you earn college credit), career options, and other campus programs and services designed to enhance your success as a student. A University Transfer Event is held each fall. Plus, campus visits by university representatives and special workshops occur throughout the year. The Transfer Center is open to students, prospective students and staff. Call 1 (714) 241-6171 or the Counseling Resource Center (College Center) at 1 (714) 241-6162 for more information. Please see the Transfer section for more information.

*ASSIST.org is a valuable online tool that helps you know which California community college courses earn transferable credit at various California four-year colleges and universities. Coastline counselors can help you learn to use this website to guide your educational planning and course selection.
The Virtual Library
Coastline's Virtual Library provides 24/7 access to over 50,000 ebooks, 10,000 digitized periodicals (journals, magazines, and newspapers), and many research and reference databases that contain encyclopedias, almanacs, atlases, and other subject-specific sources of information. These resources are freely available to students, faculty, and staff by clicking on the Library link on the College home page and entering appropriate MyCCC credentials. The library provides authoritative, reliable, and academically appropriate resources at the touch of a computer key.

In addition, the library provides online tutorials, guides, and instructional slide shows to help students develop information competency and research skills. Specific skill development workshops are scheduled during the semester free of charge.

Limited English-speaking students who are otherwise eligible, will not be excluded from any vocational education program.
Los estudiantes que estén calificados para entrar en el programa de educación vocacional no pueden ser excluidos debido a su inglés limitado.
Sinh viên nào với trình độ Anh văn kém, nếu hội đủ các điều kiện phù hợp vào những chương trình huấn luyện, vẫn được ghi danh học như thường.
Catalog Rights and Continuous Enrollment
For graduation, students may follow the catalog degree requirements that were in effect for the academic year when their attendance began at Coastline Community College or follow the catalog requirements in effect during subsequent years of attendance provided that continuous enrollment has been maintained.

Continuous enrollment is defined as enrollment in at least one course at Coastline Community College for at least one semester (fall and/or spring) in each academic year. The student must receive a grade of A, B, C, D, F, P, NP, W, I or IP for the course.

The following applies to Military Personnel who have an Official Servicemembers Opportunity Colleges (SOC) Student Agreement (SOCAD, SOCMAR, SOCCOAST, SOCNAV) with Coastline: The validity of the SOC Agreement (“contract for degree”) will remain in force for five years. Coastline will honor a SOC Student Agreement beyond five years if breaks-in-attendance do not exceed two years. The student’s educational activities will not be exclusively defined by taking courses at Coastline.

Classification of Students
Students are classified as follows:
Freshman: A student who has completed fewer than 30 units.
Sophomore: A student who has completed 30 or more units.
Part-time Student: A student enrolled in fewer than 12 units.
Full-time Student: A student enrolled in 12 or more units.

Student Status
New Student — No previous enrollment record at Coastline Community College.
Continuing Student — Continuing enrollment at Coastline Community College from one primary term to the next primary term.
Returning Student — Previously enrolled at Coastline Community College however missed at least one primary term of attendance.

General Education Philosophy
General Education Degree-Level Student Learning Outcomes
The term “general education” refers to a broad-based and comprehensive program that introduces students to the major areas of higher education: the humanities, fine arts, social sciences and natural sciences. The general education program is the basis for all degree programs at Coastline Community College and is designed to help students develop the knowledge and skills that will contribute to their intellectual, personal and professional growth.

Upon completion of a degree-level program, students will be able to:
1. Demonstrate understanding and appreciation for the visual and performing arts
2. Demonstrate ethical civic, environmental, and social responsibility
3. Demonstrate ability to apply critical thinking and analysis
4. Demonstrate innovative thinking, adaptability, and creative problem-solving skills
5. Demonstrate understanding and respect for cultural and global diversity
6. Demonstrate information competency
7. Use effective communication and interpersonal skills
8. Use scientific and quantitative reasoning

Additional Associate Degrees
Students who already possess an Associate degree may be awarded an additional degree upon completion of the following:
1. All requirements of a major or area of emphasis in a different field of study. Coursework from the previous major may be applied toward the new major.
2. Twelve additional units in residence at Coastline Community College after conferral of the previous degree.
3. General Education units earned from a previous Associate degree may be applied toward subsequent Associate degrees. If there has been a break in enrollment from when the last Associate degree was awarded, the student must complete the General Education requirements in effect at the time the student re-enrolls.

Multiple Majors
A student completing the requirements of more than one major may earn more than one Associate degree. When completing concurrent majors, the student simultaneously completes all academic requirements for his/her majors and graduates with two (or more) degrees in the same semester. Students must list all desired degrees on the Graduation Petition form.

Petition for Graduation
An Associate degree or a certificate of achievement is not automatically awarded. Students are required to petition for the degree or certificate of achievement at the beginning of the semester in which they will be completing their final requirements. Petitions are available in the Admissions office and online. If you are not currently enrolled you will need to meet the current catalog degree requirements for the current academic year. Military students may obtain a graduation petition online at http://military.coastline.edu/forms

• Summer filing date: June 17-July 19, 2013
• Fall filing date: August 26-November 15, 2013

General Education Requirements
OPTION 1 • 2013-2014

This option is designed for students pursuing a degree and who may or may not be planning to transfer to a four-year institution. Most of the coursework in this option is applicable towards transfer. Other colleges and universities may accept this degree for transfer. It is important to contact a Coastline counselor or your transfer institution for guidance in preparing your educational plan. In addition to the General Education requirements below, students must complete additional requirements for the Associate of Arts Degree listed in the catalog under Associate of Arts Degree Requirements.

Complete at least 18 units in the specific courses listed in Groups A-E. Students may select courses from any sub-area under each specific group. One course may not be used to satisfy more than one general education requirement; however, the same course may be used to satisfy both a general education requirement and a requirement for the major or area of emphasis. Students may also double-count courses for the Global and Multicultural Studies Requirement.

Associate Degree
General Education Requirements
OPTION 2 – Transfer CSU • 2013-2014

Designed for students who are planning to transfer to a university in the CSU system. However, it may be appropriate for transfer to some independent colleges. In addition to the General Education requirements below, students must complete additional requirements for the Associate Degree listed in the catalog. Transfer students are strongly advised to contact a Coastline counselor for guidance in preparing an educational plan. In addition, for the most current articulation information, visit assist.org.

Complete at least 39 units in the specific courses listed in Groups A-E. One course may not be used to satisfy more than one general education requirement; however, the same course may be used to satisfy both a general education requirement and a requirement for the major or Area of Emphasis. Students may also double-count courses for the Global and Multicultural Studies Requirement.

**Certificate of Achievement In CSU General Education**
Upon completion of this General Education pattern, students may qualify for a Certificate of Achievement in CSU General Education.

**Certification of General Education for Transfer to CSU**
Upon a student’s request, Coastline will verify the completion of lower-division general education requirements for transfer to the California State University. Courses can only be certified if they were on the CSU approved list at the time they were taken by the student. Upon transferring, the student will need to complete any upper-division general education requirements required by the university. Students who transfer without certification will have to meet both lower and upper-division general education requirements of the specific CSU campus to which they are transferring. Meeting these requirements usually necessitates taking additional courses. Students may also request subject-area (partial) certification. To qualify a student must satisfactorily complete the courses required in one or more sub-areas. Coastline will provide a full-certification only once. Certification is not automatic and must be requested after the completion of the last term prior to transfer. This request should be made in the Admissions office when final transcripts are requested to be sent to the transfer university.

---

**Area A – English Language Communication and Critical Thinking**
Must complete 9 units with a minimum of one course in A1, A2 and A3 (grade of “C” or better).

**A1—Oral Communication**
Communication Studies C100 or C101 or C110

**A2—Written Communication**
English C100

**A3—Critical Thinking**
English C102 or Philosophy C115

Area E – Lifelong Understanding and Self-Development
Must complete 3 units.

Business C120; Counseling C104, C105, C120; English, C102; Foods and Nutrition C170, C175; Gerontology 120, C140; Health Education C100, C175; Psychology C116, C118; Sociology C120

A maximum of one unit may be counted from the following activity courses:

Dance C105, C106, C107, C108, C110, C111, C112, C114, C116, C120, C124, C125, C126, C130, C140, C141, C150, C160

American Institutions Requirement
All CSU campuses require that a student demonstrate competence in the Constitution of the United States and in American History. This may be satisfied by taking Political Science C180 and History C170 or C175 at Coastline College or by taking a course at the CSU. These courses also count toward Area D requirements.
Associate Degree General Education
OPTION 3 - Transfer IGETC • 2013-2014

Designed for students who are planning to transfer to a university in the CSU or UC system. However, it may be appropriate for transfer to some independent colleges. In addition to the General Education requirements below, students must complete additional requirements for the Associate Degree listed in the catalog. Transfer students are strongly advised to contact a Coastline counselor for guidance in preparing an educational plan. In addition, for the most current articulation information, visit assist.org.

Complete at least 37 units in the specific courses listed in Areas 1-6. One course may not be used to satisfy more than one general education requirement; however, the same course may be used to satisfy both a general education requirement and a requirement for the major or Area of Emphasis. Students may also double-count courses for the Global and Multicultural Studies Requirement.

CERTIFICATE OF ACHIEVEMENT IN INTERSEGMENTAL GENERAL EDUCATION TRANSFER
Upon completion of this General Education pattern, students may qualify for a Certificate of Achievement in Intersegmental General Education Transfer (IGETC) and IGETC Certification of General Education.

CERTIFICATION OF GENERAL EDUCATION FOR TRANSFER TO CSU OR UC
Upon student request, Coastline will verify the completion of lower-division general education requirements for transfer to the California State University (either the CSU general education breadth requirements of the IGETC) or the University of California (IGETC). Courses can only be certified if they were on the CSU or IGETC approved list at the time they were taken by the student. Students who transfer without certification will have to meet the general education requirements of the specific CSU or UC campus to which they are transferring. Meeting these requirements usually necessitates taking additional courses. Coastline will certify courses only once. Certification is not automatic and must be requested after the completion of the last term prior to transfer. This request should be made in the Admissions office when final transcripts are requested to be sent to the transfer university.

PARTIAL CERTIFICATION OF IGETC
Students may request partial certification if they have completed all but two of the courses on the IGETC pattern. Students need Areas 1 and 2 completed to meet minimum transfer admission requirements. Therefore, partial certification that acknowledges a deficiency in Area 1 and/or 2 may also indicate a student does not meet minimum transfer requirements. Students have several options for completing the remaining courses. See a counselor for more information.

AREA 1 – English Communication
UC—Two courses, one from Group A and one from Group B.
CSU—Three courses, one from Group A, one from Group B and one from Group C.

Group A: English Composition
English C100

Group B: Critical Thinking
English C102

Group C: Oral Communication
Communication Studies C101, C110 (required for CSU and A.A. degree)

AREA 2 – Mathematical Concepts and Quantitative Reasoning
One course. Minimum of 3 units.

AREA 3 – Arts and Humanities
Three courses, with at least one course from Group A and one course from Group B. Minimum of 9 units.

Group A: Arts
Art C100, C101, C102, C103, C104, C105, C109, C261, C262

4I — Psychology - Psychology C100, C118, C165, C170*, C255, C280
4J — Sociology - Sociology C100

AREA 5 – Physical and Biological Sciences

Two courses, with one from Group A and one from Group B. Minimum of 7 to 9 units.

One of the courses must include a lab (indicated by + sign)

Group A: Physical Science
Anthropology C185
Astronomy C100, C100L*, C101, C102, C103
Geography C180
Geology C105, C105L+, C115, C140
Physics C110*, C110L+, C120+, C125+, C185+, C280+, C285+

Group B: Biological Sciences
Biology C100, C100L+, C180+, C185+, C210+, C220*, C220+, C221*, C225*, 283
Marine Science C100, C105+

Group C: Laboratory Science Requirement
At least one course from 5A or 5B must incorporate a laboratory component or take a corresponding lab course. Lab courses are indicated by (+).

AREA 6 – Languages Other Than English

(UC REQUIREMENT ONLY): This requirement may be fulfilled by one of the following methods. See a counselor for clarification.

A. Complete two years of a high school foreign language with grades of "C" or better (high school transcripts must be on file at CCC)
OR
B. Completion at Coastline of a foreign language course numbered C180 or higher with a grade of C or better.
OR
C. Earn a satisfactory score on one of the following tests (results must be on file at CCC):
   2 College Board Advanced Placement Examination in a language other than English (score: 3 or better)
   3. International Baccalaureate Higher Level Examination in language other than English (score: 5 or better)
   4. An achievement test administered by a college or university (score: proficiency equivalent to at least two years of high school language).
   5. Language other than English "0" level exam with a grade of "C" or better or "A" level exam with a score of "S" or higher.

D. Complete, with grades of “C” or better, two years of formal schooling at the sixth grade level or higher in an institution where the language of instruction is not English (documentation must be on file at CCC).

AMERICAN INSTITUTIONS REQUIREMENT

(Not part of IGETC. May be completed prior to transfer.)

CSU has an American Institutions requirement that is separate from IGETC. Courses used to meet the CSU requirement can be double counted in Area 3 or 4. To meet the CSU requirement, students should take Political Science C180 AND one of the following courses: History C170 or C175.

UC requires the completion of a college course or courses with a grade of “C” or better OR a one-year course in high school in U.S. history or a half-year course in U.S. history and a half-year course in American government with grades of “C” or better (UCLA requires grades of "B"). UCSB requires the completion of a college course. If you are using college coursework to satisfy this requirement, check the appropriate UC catalog to determine which course(s) to take.

Areas of Emphasis provide an opportunity for students to take courses in their areas of interest and apply them to an Associate degree. They are appropriate for students who do not plan on transferring as well as those who are transferring. Students who plan to transfer should consult with a counselor to make sure that they select the appropriate courses within the Area of Emphasis for their planned major and selected transfer university. All coursework in the Area of Emphasis must be completed with a grade of “C” or higher.

### American Studies

This interdisciplinary major is designed to provide students with an integrated understanding of American society, history, and culture. Students may select designated courses within the humanities, social sciences, and fine arts disciplines. More than 300 colleges and universities in the United States offer American Studies programs. They approach American culture from many directions but have in common the desire to view America as a whole rather than from the perspective of a single discipline. Students who have graduated from four-year universities with American Studies degrees have gone on to work as lawyers, librarians, business leaders, writers, archivists, researchers, teachers, and politicians.

**Requirements for the major:**

*Select a minimum of 18 units from at least 5 different disciplines. All courses must be completed with a grade of “C” or better.*

Liberal Studies Major (for Teaching)

Coastline’s Liberal Studies/Teaching Specialization A.A. Degree

The Liberal Studies/Teaching Specialization A.A. Degree offers future elementary school teachers an articulated transfer pathway and career ladder for a B.A. in Liberal Studies and the multiple-subject teaching credential. The focus of the degree is on content knowledge needed to teach in a K-8 setting and education courses that include early fieldwork opportunities for observation and practice. Coursework prepares students for the Multiple Subject CSET exam as required by the California Commission on Teacher Credentialing for elementary school teachers in both regular and special education. As a stand-alone degree without transfer the A.A., aligned with the requirements for No Child Left Behind, helps students become effective elementary school paraprofessionals in regular or special education classrooms. The degree is also appropriate for students pursuing a career other than in elementary school teaching (such as tutors and parents providing home schooling) who would like their course of studies and degree recognition to include an emphasis in liberal studies and teacher preparation curricula. Students may select courses to simultaneously earn the Certificate in Educational Studies as well.

All courses must be completed with a grade of “C” or better.

Complete one course in each area.

Associate Degree for Transfer

California Community College students who receive a Associate Degree for Transfer are eligible for admission with junior standing into the California State University (CSU) system. A student who has earned one of these degrees will not be guaranteed admission for a specific major or campus, but will be given priority admission consideration to the local CSU campus and to a program or major that is determined by the California State University to be similar to the transfer AA degree. Upon enrollment at the CSU campus, the student will be eligible to graduate with sixty remaining semester units.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To view the most current list of Coastline Community College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to www.coastline.edu. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum G.P.A. of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Completion of a minimum of 18 semester units in an “AA-T” or “AS-T” major as detailed in the catalogue. All courses in the major must be completed with a grade of C or better or a “P” if the course is taken on a “pass-no pass” basis (title 5 § 55063).
4. Certified Completion of the California State University General Education-Breadth pattern (CSU GE Breadth), Coastline’s Option 2 General Education pattern OR the Intersegmental General Education Transfer Curriculum (IGETC), Coastline Option 3 General Education pattern.

At the time of catalog publication, the following Associate Degrees for Transfer have been approved or are pending. Additional majors are under development. Please see a counselor and www.coastline.edu for more information.

Course Identification Numbering System (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Students should always go to www.assist.org to confirm how each college's course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database.

Preparation for Transfer

Students considering transferring to a CSU, UC or private college should plan as early as possible. Make an appointment to meet with a counselor for assistance in developing a Student Educational Plan (SEP) that outlines both your major and general education requirements.

Strategies for Successful Transfer

Identify your major
- Enroll in Counseling C104 or C105
- Meet with a counselor to explore majors
- Check out Exploring Majors on www.assist.org
- Explore majors on the Eureka Information System (see counselor)

Choose a University
- Visit the Coastline College Transfer Center
- Meet with college representatives at scheduled visits
- Attend the annual University Transfer Event
- Attend college fairs; preview days; open houses; campus tours
- Visit college Web sites

Determine Requirements
- Identify admission requirements
- Identify the best general education option pattern
- Identify major preparation requirements
- Visit www.assist.org
- Review college catalogs and websites
- Determine the competitive GPA for the major

Develop a Transfer Plan
- Meet with a counselor regularly to help you develop and maintain your educational plan
- Be aware of application deadlines for admissions, financial aid, and scholarships
- Don’t hesitate to ask for help when you have questions or concerns

ASSIST (www.assist.org)

ASSIST is an online transfer information system that shows how course credits earned at one public California college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California’s public colleges and universities and provides the most accurate and up-to-date information about student transfer in California. You can use ASSIST to find community college courses that are transferable to a UC or CSU campus and how those courses might be used to satisfy specific subject matter requirements for admissions, General Education, or lower division major preparation. You can also use ASSIST to explore the majors available at University of California and California State University campuses.

California State Universities (CSU)

All the campuses of the California State University welcome applications from transfer students. If a student completes college units after the summer following their graduation from high school, they are considered a transfer student. The majority of transfer students enter the CSU as “upper-division” transfers. Upper-division transfers must complete at least 60 semester units or 90 quarter units before transfer, maintain a 2.0 GPA or better (a higher GPA is recommended to remain competitive) in all transferable college units and be in good standing at the college or university attended. Some students enter as “lower-division” transfer students if they completed fewer than 60 transferable semester units (90 quarter units). Visit www.csumentor.edu for admissions and application procedures.

Academic Planning for Prospective Transfers: If a student is unsure of their major, they should first concentrate on completing the lower-division general education requirements. Of these requirements, the highest-priorities are the general education requirements in the English language, oral communications, English composition, and critical thinking - along with a general education course in mathematics. While completion of all general education requirements is not required for admission, it is important that students complete as many of the lower-division general education requirements as possible prior to transfer. If they are pursuing a high-unit major that requires extensive lower-division prerequisites, they may not be able to complete all lower-division general education requirements prior to transfer.
General Education/Breadth Requirements: CSU provides California Community College transfers with two options for fulfilling CSU lower-division general education requirements: CSU General Education Breadth (GE-Breadth) and the Intersegmental General Education Transfer Curriculum (IGETC). For a list of courses that meet these requirements refer to Option 2 and 3 in this catalog. You may also visit www.assist.org for both general education and articulated major requirements. Please see a counselor for additional guidance.

Impacted Majors: Many campuses have some impacted majors that require additional admission criteria. Several majors are impacted at one or more but not all of the campuses offering the major. Generally, the majors remain the same from one year to the next, but the criteria are subject to change, and you should contact the campus directly for the most current information.

Detailed information about the 2013-2014 CSU impacted campuses and majors can be accessed at www.calstate.edu/SAS/impactioninfo.shtml.

University of California (UC)

A transfer applicant, according to the University, is a student who has enrolled in a fall, winter or spring session at another college or university after high school. A student who meets this definition cannot disregard his or her college record and apply as a freshman.

Prospective transfer applicants should plan their coursework carefully. Selected courses should help them 1) meet the minimum admission requirements for transfer, 2) prepare them for their major and 3) fulfill recommended general education requirements. All courses must be UC transferable.

Admission Requirements: In addition to meeting the minimum admission requirements, a student should adhere to any special application or screening procedures for the selected major or UC campus. Additional requirements for highly competitive majors can also be identified through articulation agreements (available at www.assist.org). Students should enroll in the courses that meet these requirements. To earn 60 semester (90 quarter) units before transferring, the student should select courses that meet the eligibility, lower-division major-preparation and appropriate general education/breadth requirements.

Major-Preparation Requirements: Transfer students should take courses that meet major requirements. In most cases, completing at least a portion of the major requirements is essential to gain admission to the major. The Transfer Preparation Paths, available at www.uctransfer.universityofcalifornia.edu, outline the major preparation requirements at each UC campus for the most popular majors. They are particularly useful in helping students identify major-preparation coursework that will prepare them for multiple UC campuses. Information on major preparation requirements is also available at www.assist.org

General Education/Breadth Requirements: Transfer applicants to the University from California community colleges may satisfy lower-division general education requirements by completing the Intersegmental General Education Transfer Curriculum (IGETC). For a list of courses that meet these requirements refer to Coastline’s General Education Option 3 in this catalog. You may also visit www.assist.org for course information. Please see a counselor for additional guidance.

Minimum eligibility requirements - To be eligible for admission as a junior UC transfer student, a student must complete 60 semester (90 quarter) units of transferable college credit with a GPA of at least 2.4 (2.8 for nonresidents). However a higher GPA is recommended to remain competitive. No more than 14 semester (21 quarter) units may be taken Pass/Not Pass.

Transfer Admission Guarantee (TAG)

Coastline College has Guaranteed Transfer Admission (TAG) agreements with UC Davis, UC Irvine, UC Merced, UC San Diego*, UC Santa Barbara, UC Santa Cruz, and UC Riverside. By participating in a Transfer Admission Guarantee program, students receive early review of their academic records, early admission notification, and specific guidance about major preparation and general education coursework. Coastline College encourages students to take advantage of these agreements. See a counselor to determine eligibility. For more information and application procedures, see www.uctransfer.universityofcalifornia.edu/tag.

Independent Colleges and Universities

Coastline maintains articulation agreements with many private colleges and universities. Check our Articulation Web page for links to our agreements. We also recommend that you speak with a counselor to assist you with creating a Educational Student Plan (SEP) to help meet your educational goals.

Additionally, Coastline partners with many military-friendly colleges and universities, so you can transfer your Coastline Associate degree into these Bachelor degree programs with ease. Students may contact a Military Counselor at militarycounselor@coastline.edu or the transfer institution of their choice for current information.

Curriculum Requirements: Majors leading to technical competence in a variety of occupational areas are available at Coastline. The curriculum on the following pages leads to a certificate of achievement or, with additional work in general education, an Associate degree. Certificate programs are designed to prepare individuals to enter a particular field of employment or to provide in-service training for those already employed.

Certificates of achievement are awarded when students complete the course requirements of a specific program with a 2.0 grade point average and are in attendance at the time requirements are completed. The student must file a petition for graduation during his/her final semester in order to receive the certificate. Students must earn a minimum of 12 units of coursework at Coastline, excluding experiential credit. Those with prior experience may be excused from certain courses. However, the total number of required units must be completed; 50 percent of the certificate program must be completed at Coastline.
Certificates of Accomplishment

These certificates of Accomplishment are 12 or more units. A Coastline certificate will be awarded, but only courses will be posted on the transcript.

- Cisco Certified Networking Administrator (CCNA)
- CompTIA
- Digital Media
  - Animation and Gaming Foundation
- Educational Studies
- General Office Assistant
- Human Services
- Leadership
- Medical Administrative Office Technician
- Medical Coding Specialist
- Mobile Applications
- Network Security
- Process Technician Fundamentals
- Project Management
- Windows Server 2008

Certificates of Specialization

These Certificates of Specialization are less than 12 units. A Coastline certificate will be awarded, but only the courses will be posted on the transcript.

- Advanced Accounting
- Intermediate Accounting
- Business Plan
- Cisco Certified Networking Professional (CCNP)
- Cognitive & Caregivers Boot Camp
- Home Business
- MCSA: Windows 8
- Real Estate Lending & Mortgage Brokering
- Real Estate Property Salesperson

Curriculum Requirements: Certificates of Accomplishment and Certificates of Specialization meet emerging technological needs of employers in business, government, and industry. These certificates are awarded upon completion of the required work. Students must earn a minimum of 12 units of course work at Coastline, excluding experiential credit and must maintain at least a “C” average. At least 50 percent of the required certificate program must also be completed at Coastline. Students are required to petition at the beginning of the semester in which they will be completing their final requirements. Petition forms can be obtained in the Admissions office at the College Center in Fountain Valley. Note: A Coastline certificate for both the Certificates of Accomplishment and Certificates of Specialization will be awarded, but only courses will be posted on the transcript.

### Building Codes Technology
#### Certificate of Achievement

The Building Codes Technology Certificate Program consists of five concentrations which focus on both commercial and residential building code coursework for individuals employed either in the inspection field or the construction industry or for those new to the industry. Coastline’s Building Code courses are designed to help prepare individuals for jobs as either: Combination Building Inspector, Combination Residential Inspector, Code Professional, or as a Permit Technician. This certificate meets Education requirements for state certification and can help prepare students for the International Code Council (ICC) certification exams.

**Electronics**

Certificate of Achievement

This sequence of classes is designed to give the student a solid foundation in Electronics using applied theory to solve practical applications utilizing the materials and forces of nature for the benefit of society. Students who successfully complete this sequence of classes will be able to pursue a bachelor's degree in Engineering, Engineering Technology, or be employed as a skilled productive member of an Engineering team in Industry. Areas of interest in this program include: theory and application of electric and electronic systems and components, including circuits, electromagnetic fields, energy sources, communications devices, computers, and other components and devices powered by electricity. Design, assembly, installation, operation, maintenance, and repair of electronic equipment used in industry and manufacturing including the fabrication and assembly of related components. Design, development, testing, and maintenance of electro-mechanical and servo-mechanical devices and systems.

*Courses for a degree in Electronics at Coastline are offered through our Military/Contract Education Program with distance learning (online) delivery designed to meet the needs of our global military community. The class schedule and degree roadmap for this program can be found at http://military.coastline.edu. Students who wish to pursue a degree or certificate in Electronics who live in the local Orange County or nearby areas and are not eligible for enrollment in our Military/Contract Education Programs are encouraged to visit our sister college, Orange Coast College, the home college for Electronics. Information about their Electronics Program may be found at www.orangecoastcollege.edu.
Emergency Management / Homeland Security

Certificate of Achievement

The Emergency Management/Homeland Security (EM/HS) Certificate of Achievement is designed to prepare students to enter the emerging professions of disaster management and/or homeland security. Our curriculum is designed to provide the learner with a foundation of technical and professional knowledge needed by emergency and security workers to meet national, state and local public safety needs, both in the public and private sectors. Our program emphasizes an all-hazard approach to emergency planning/homeland security, with courses in emergency preparedness, response and recovery, incorporating Federal Emergency Management Agency (FEMA) and Emergency Management Institute (EMI) curriculum. In addition, we offer homeland security course teachings in terrorism, intelligence, critical infrastructure and the National Response Framework (NRF). Coastline’s EM/HS program advances students by developing core competencies in hazard assessment, planning, critical thinking, and effective communications. Those benefiting from completing the Certificate of Achievement are those who intend to work in the fields of law enforcement, fire service, government, private security, health care or other public safety/service related occupations.

There are no prerequisite courses for those listed. The Department of Emergency Management and Homeland Security recommends that students begin by registering in the foundation courses of EMGT C101 and EMGT C102.

Entrepreneurship and Small Business Management

Certificate of Achievement

The small business sector is one of the fastest growing in the nation’s economy. With an ever-increasing number of adults today self-employed, many people either work for a small business or plan to start one of their own. Coastline’s entrepreneurship program can help prospective entrepreneurs launch new ventures or, if you are an entrepreneur who already has your business established, you can strengthen your managerial and business skills to grow your business. You will learn the fundamentals of starting and operating your own business. The program includes basic business skills as well as specific courses in starting and managing a business. Course work covers evaluating a business opportunity, preparing a business plan, planning advertising and sales promotions, marketing a product or service, and financial management for the entrepreneurial company.

Gerontology
Certificate of Achievement

Gerontology, the interdisciplinary study of aging, offers students an understanding of their own aging and of society’s response to the increasing population of older people. Biological, psychological and sociological aspects of aging are explored. Gerontology coursework will provide information about the aging process and training to work in services and agencies that interact with older people.

Students have the option of completing the certificate in gerontology or the A.A. degree. The certificate offers training to two groups of individuals: those seeking new careers in gerontology and those who wish to advance their present careers by adding professional gerontology education and training components to their qualifications.

Courses for the certificate requirements can be completed on-line. A variety of classroom based courses are also available each semester. You may wish to visit the Gerontology Program Home page for more details.

**Health Care Management**
Certificate of Achievement

The Health Care Management Certificate is designed for the health care practitioner who is considering climbing the health care management ladder. Healthcare is one of today’s most dynamic and growing fields. It is the largest industry in the U.S., and the second largest employer, with more than 11 million jobs, presenting a wide range of management opportunities and challenges. Courses in this certificate will assist the student in exploring the management field and provide them with the knowledge and information to pique their interest and consider upward mobility in the health care industry. This program is designed to help office, administrative and support staff in the medical field to consider advancing to management positions. The program prepares students for transfer into bachelors programs in Health Care Administration, Business, Organizational Behavior, Management, and Leadership fields.

Paralegal Studies - Paralegal Associate Degree

The American Bar Association (ABA) approves Coastline's Paralegal Studies Program. The Paralegal Program prepares personnel for the intermediary position between the legal secretary and the attorney, performing work under the supervision of an attorney. Paralegals work in law offices and other legal and law related environments and many interact with clients. A paralegal shall not provide legal advice or engage in conduct that constitutes the unauthorized practice of law including contracting with a natural person other than an attorney for the performance of paralegal services (California Business & Professions Code, Sections 6450 et seq.). This program is not intended to prepare students for law school or the practice of law.

Students who do not already possess an associate in arts or bachelor degree from a regionally accredited college or university must complete the associate degree (60 units) as specified below. These requirements are in compliance with the ABA Guidelines for paralegal programs.
Degree candidate students are required to attend a paralegal orientation or a counseling session and complete the English and Math Placement Testing and Group A General Education requirements prior to entering LAW C105, LAW C118, LAW C121, LAW C390 and/or any major elective with a “LAW” designation. The remaining general education units are to be completed concurrently with the remaining paralegal courses. Students must achieve a grade point average of 2.0 or higher in each paralegal studies course.

Paralegal studies course work taken at other institutions in an ABA-approved program, with approval by the paralegal studies department, will qualify for no more than six (6) units of transfer credit in legal specialty courses in the paralegal studies certificate program. Paralegal studies courses taken for other than a letter grade are limited to seven (7) units within the 27 unit total and 21 units of paralegal course work must be completed at Coastline Community College. (Credit by examination is not available for courses within the Paralegal Studies Certificate.) Upon completion of the degree program, students will be awarded an associate degree in Paralegal Studies and a Certificate of Achievement in Paralegal Studies approved by the American Bar Association.

Students possessing a transferable associate in arts or bachelor degree from a regionally accredited college or university, with official transcripts on file at Coastline, will be awarded a Certificate of Achievement in Paralegal Studies approved by the American Bar Association upon completion of the 27 units of required paralegal courses. All students are required to attend a paralegal orientation or a counseling session and must achieve a grade point average of 2.0 or higher in each paralegal studies course. All students are required to demonstrate computer proficiency* (see below).

**Electives Subtotal ................................................... 12.0
**TOTAL UNITS for AA/AS degree program ............... 60.0

*Computer proficiency may be demonstrated by the satisfactory completion of LAW C170, or BUSINESS COMPUTING C148 and LIBRARY C110; by completion of similar courses; by transfer credit course work; by workplace substantiation; by Microsoft Certification; or, by other computer industry certification.

**Work Based Learning courses apply only to these elective units and are not a part of the paralegal studies courses. Earn credit for work you do on the job.  [Effective catalog 2012-2013]

### PROCESS TECHNOLOGY

#### Process Technician

*Currently not offered
Courses Numbered 001-099:
Introductory, developmental, special interest and some technical courses (not transferable to CSU or UC). Math C010, C020 and C030 are applicable to the Option 1 associate degree; other courses numbered below 100 cannot be counted toward the 60 units of credit required for an associate degree. These courses do carry college credit and thus can be used to determine eligibility for full-time or financial aid status.

Courses Numbered 100-299:
Transfer courses to the California State University. Courses transferable to the University of California are noted under the appropriate course descriptions. Depending upon the courses selected, the student’s major, and the specific four-year college/university, these courses will meet various baccalaureate program requirements. Courses numbered 100-199 are usually first-year courses; those numbered 200-299 are usually second-year courses and normally require a prerequisite.

Courses Numbered 300-399:
Highly specialized courses that may be student-negotiated for transfer to baccalaureate-granting institutions, depending upon the courses selected, the student’s major and the specific transfer college/university.

Courses Numbered 400 and Above:
Noncredit courses.

Special Topics:
Special topics courses offer in-depth study of topics not covered in the existing curriculum. Course content and units of credit are determined by the department. Special Topics may be designed as lecture or laboratory. Consult the Schedule of Classes for specific offerings.

Correct Use of English
All courses at Coastline are taught in English. Clear and correct use of English, both on tests and on written assignments, is expected of all students. All students, especially those planning to transfer to a four-year institution, are urged to take a course in English composition as soon as possible.

Critical Thinking
The major role of education in America is to produce an individual who can contribute to society as a well-informed member of a democracy. Competence in critical thinking empowers the student with an ability to distinguish opinion from fact and belief from knowledge. Evaluative skills learned through elementary inductive and deductive reasoning have applications in problem solving in all aspects of everyday existence. Therefore, all examinations, assignments and activities at Coastline reflect academic rigor by requiring critical thinking on the part of the student.

The History of Tuscan Art Part 2, From the Renaissance through the Modern Era
Advisory: ART C101
A multicultural survey of Tuscan Art from the Renaissance through the Modern Era. Discussion of major art forms from the periods including painting, sculpture, and architecture. The multicultural influences that formed Tuscan Art will be examined. Emphasis will be placed upon how Tuscan Art reflected the culture in terms of symbols, techniques, materials, and subject matter. Included in the course content is an examination of how Tuscan Art influenced and formed other European and Middle Eastern cultures. Illustrated lectures, field trips, reading, and study of related exhibitions. Transfer Credit: CSU; UC

ART C263 3.0 Units
Watercolor 1
ADVISORY: ART C120
A comprehensive course in watercolor painting with lectures and demonstrations. Includes the history of watercolor painting and its relevance to society. Involves the student in selection of subject matter, color, materials and tools, basic and advanced techniques and methods, composition, and design concepts for effective painting, as well as student analysis and evaluation of watercolor masterworks.

ART C265 3.0 Units
Methods and Materials of Italian Masterworks
Advisory: ART C120A
A multicultural, multi-century survey of Italian art masterworks with emphasis on the process of how the work was created and by whom. Includes exposure to a selection of the fine art techniques used in mural, fresco, egg tempera and oil painting, Renaissance drawing, mosaic-making, illuminated manuscript-making, ivory carving, and sculpture. Contains a studio art component: students will undertake some projects related to techniques studied. Prior art study not required. Transfer Credit: CSU; UC

ASTRONOMY

ASTRONOMY C100 3.0 Units
Introduction to Astronomy
Origin, characteristics, and evolution of the solar system, stars, galaxies, and the universe. Historical milestones in the science of astronomy from ancient astronomers to the space probes of today. Consideration of the future of astronomical research and current theories in astronomy. Transfer Credit: CSU; UC

ASTRONOMY C100L 1.0 Unit
Astronomy Laboratory
Prerequisite: ASTR C100 or concurrent enrollment in ASTR C100 and understanding of Beginning Elementary Algebra.
A beginning astronomy laboratory course for non-science majors. In this course the scientific method is applied to the analysis of experimental astronomical data. Transfer Credit: CSU; UC
Astronomy C101 3.0 Units
Planetary Astronomy
Advisory: ASTR C100
An introduction to the solar system and all its constituents (sun, planets, dwarf planets, moons, asteroids, comets, etc.), their origin and nature, and their development since the time of the creation of the solar system approximately 4.6 billion years ago. Current topics of interplanetary missions, other planetary systems, and development of life in our and in other planetary systems will be discussed. Transfer Credit: CSU

Astronomy C102 3.0 Units
Stellar Astronomy
Advisory: ASTR C100
A detailed study of the formation, structure, and evolution of the sun and stars, including an overview of binary systems, variable stars, Supernovae Types I and II, white dwarfs, neutron stars, black holes, and other stellar phenomena. A survey of particle physics and special and general relativity as relevant to the topics discussed will also be included. Transfer Credit: CSU

Astronomy C103 3.0 Units
Cosmology
Prerequisite: ASTR C100 or C102
Advisory: If ASTR C102 is used for the prerequisite, ASTR C100 must also be completed
An introduction to the origin and evolution of the universe with emphasis on the major cosmological models. Galaxy types, galaxy evolution, clustering, gravitational lensing, non-luminous (dark) matter, and the cosmological constant (dark energy) will be studied. An overview of relevant particle physics and special and general relativity will be included. Transfer Credit: CSU

Astronomy C104 3.0 Units
Tools of Astronomy
Advisory: ASTR C100
A coherent state-of-the-art account of the instruments and techniques used in astronomy and astrophysics today. This includes telescopes and their instrumentation, as applicable to different wavelength ranges in the electromagnetic spectrum as well as other "windows" like, e.g. cosmic ray or neutrino detectors, and gravitational wave detectors. Field trips to major astronomical observatories are included. Transfer Credit: CSU

Biology C100 3.0 Units
Introduction to Biology
Biology for non-science majors. A general study of the basic concepts of biology including the human body and the environment. Emphasis on the characteristics of plant and animal life, human body systems, health, genetics, and the interaction of organisms in their environment. Transfer Credit: CSU; UC

Biology C100L (Formerly Biology C101)
Introduction to Biology Lab
Prerequisite: BIOL C100 or concurrent enrollment.
Biology lab for non-science majors. A general study of plant and animal life processes to acquaint the non-biology major with basic biological concepts and instruments in the laboratory. Transfer Credit: CSU; UC credit limitations. See counselor.

Biology C104 3.0 Units
Medical Terminology for Health Professionals
This course introduces students to the subject of Medical Terminology and prepares them for all careers in the medical field. It covers the study of the basic elements of medical terms as well as the basic anatomy and physiology of the human body. In addition, it covers the medical terms used to describe different pathological conditions, diagnostic tests, and therapeutic procedures. Transfer Credit: CSU

Biology C120 3.0 Units
Biology of Aging
This course will explore normal vs. abnormal changes in aging and the human ability to adapt. Each body system will be reviewed, focusing on how age changes relate to the development of disorders, and disease in later life. Methods of assisting older persons in adapting to acute and chronic illness and in health promotion and maintenance will be discussed. Transfer Credit: CSU

Biology C180 4.0 Units
Cell and Molecular Biology
PREREQUISITE: CHEM C180 or equivalent
ADVISORY: Eligibility for ENGL C100
This course, intended for biological sciences and pre-health profession majors, explores principles and applications in cell and molecular biology. Topics include biological molecules; homeostasis; viruses; eukaryotic/prokaryotic cell structure and function; cell metabolism, including photosynthesis and respiration; cell communication; cell reproduction and its controls; classical (Mendelian) genetics; molecular genetics; and biotechnology. Transfer Credit: CSU; UC

Biology C185 5.0 Units
Diversity of Organisms
PREREQUISITE: BIOL C180 with a grade of C or better
This course is a survey of the basic biology and diversity of unicellular and multicellular organisms. It emphasizes general biological principles, such as classification, structure, function, evolution, and environmental interactions. Topics include morphological and molecular phylogeny, comparative anatomy, physiology, development, evolution, taxonomy, behavior, and ecology. Designed for biological science majors. Transfer Credit: CSU; UC

Biology C200 3.0 Units
Pharmacology
Prerequisite: BIOL C225
Advisory: CHEM C110; eligibility for ENGL C100
Introduction to the structure and design of the human body. Includes structural components spatial relationships, and body system interactions. Students will participate in the laboratory which will include dissection of the cat. Appropriate for students interested in human anatomy; satisfies requirements for nursing, physician assistant, occupational therapy, physical therapy, pre-pharmacy majors, and other allied health programs. Transfer Credit: CSU; UC

Biology C210 5.0 Units
General Microbiology
Advisory: CHEM C110
Major concepts of microbiology are discussed as they relate to the principal classes of microorganisms: bacteria, fungi, algae, protozoa and viruses. Topics covered include 1) functional anatomy of prokaryotes and eukaryotes, 2) microbial metabolism and genetics, 3) characteristics and control of microbial growth, 4) microbial taxonomy and methods of microbial classification, 5) host-microbe interactions, 6) mechanisms of microbial pathogenicity, 7) immunology, 8) biotechnology and human infectious diseases. The laboratory focuses on methods for identifying and characterizing microbes, including aseptic technique, microscopy, staining, cultivation, molecular biology, and bioinformatics. Both lecture and laboratory content relate to general and clinical applications. Transfer Credit: CSU; UC

Biology C220 4.0 Units
(Formerly Biology C170)
Human Anatomy
Introduction to the structure and design of the human body. Includes structural components and body system interactions. Students will participate in the laboratory, which will include dissection of the cat. Appropriate for students interested in human anatomy. Satisfies the requirements for nursing, physical therapy, and physical education majors. Transfer Credit: CSU; UC
BIOLOGY C221 3.0 Units
Introduction to Anatomy and Physiology
This course introduces students to the subject of Anatomy and Physiology of the human body. It highlights the interaction between different body systems to maintain homeostasis. This course prepares students for many programs in the medical field. Transfer Credit: CSU; UC credit limitations. See counselor.

BIOLOGY C225 4.0 Units
(Formerly Biology C175)
Human Physiology
Prerequisite: BIOL C220 and CHEM C110, C130, or C180
This course introduces students to the basic physiology of different systems of the human body with emphasis on the interaction between them to maintain body homeostasis. This course is designed for paramedical biology majors (nursing, X-ray technology, physical therapy, dental hygiene, etc.) Transfer Credit: CSU; UC

BIOLOGY C281 2.0 Units
Biochemistry
PREREQUISITE: BIOL C180 and CHEM C220 with a grade of C or better
An introduction to the chemistry of biology. This course serves to satisfy transfer requirements for some biology majors. Transfer Credit: CSU; UC

BIOLOGY C282 2.0 Units
Molecular Biology
PREREQUISITE: BIOL C281 with a grade of C or better
An introduction to molecular biology, emphasizing gene structure and function. This course serves to satisfy transfer requirements for some biology majors. Transfer Credit: CSU; UC

BIOLOGY C283 4.0 Units
Genetics
Prerequisite: BIOL C180 and CHEM C180 or C185
This course covers the principles of transmission, molecular and population genetics. Topics include Mendelian and non-Mendelian inheritance, eukaryotic and prokaryotic gene transmission, gene mapping in prokaryotes and eukaryotes, DNA replication, mutation, recombination, gene expression and regulation, cell division, meiosis, human genetic diseases, cancer genetics, developmental genetics, population genetics, genomics, bioinformatics, biotechnology and ethical implications of genetics. Emphasis is placed on problem solving. Graded only. Transfer Credit: CSU.

BIOLOGY C291 1.0 Unit
Work Based Learning
Prerequisite: Complete 5.0 Units in Biology at Coastline prior to work experience. Instructor permission required. Be employed or volunteer in a biology-related setting for 5 hours per week per unit of credit.
Course is designed to provide students with real-life experiences in Biological Science. On-campus work consists of instruction and training in all aspects of lab environment, including preparation; care; and maintenance of equipment, materials, training aids, and specimens used in the Biology Department. The student must also be employed, or serve as a volunteer, in a biology-based setting (e.g., hospital, lab, museum, park) under the supervision of a qualified professional or faculty member. Transfer Credit: CSU

BIOLOGY C292 2.0 Units
Work Based Learning
Prerequisite: Complete 5.0 Units in Biology at Coastline prior to work experience. Instructor permission required. Be employed or volunteer in a Biology-related setting for 5 hours per week per unit of credit.
Course is designed to provide students with real-life experiences in Biological Science. On-campus work consists of instruction and training in all aspects of lab environment, including preparation; care; and maintenance of equipment, materials, training aids, and specimens used in the Biology Department. BIOTECHNOLOGY C100 4.0 Units
Introduction to Biological Technology Skills
Advisory: Successful completion of a math class at least at the MATH C030 level.
A course designed to equip students with fundamental biological laboratory skills needed in a biotechnology laboratory. Students will learn good laboratory practices and current good manufacturing practices, participate in group meetings, receive laboratory projects, and use equipment similar to those found in biotechnology laboratories. Skills include proper industry laboratory notebook preparation, laboratory safety, and DNA manipulation, bacterial handling for cloning, sterile technique, media preparation, and quality control protocols. Internet projects assigned to enhance learning of theory and methods. Transfer Credit: CSU

BIOTECHNOLOGY C105 4.0 Units
Biological Technology Skills II
Prerequisite: BIOT C100
A course in advanced biological laboratory techniques used in the biotechnology industry, with an emphasis on protein detection and analysis. Protein techniques include polyacrylamide gel electrophoresis, ELISA, Bradford assay, horizontal electrophoresis, column chromatography, Western blot, GFP characterization, affinity column, dialysis, protein standard curve, sonication, ion exchange column purification, and fraction analysis. DNA techniques include PCR, restriction digests, DNA purification, and Southern blot. Students will learn to use a spectrophotometer, plot standard curves, and use a microplate reader. Internet projects assigned to enhance learning of theory and methods (virtual DNA sequencing, reading output from a DNA sequence, and entering sequences in BLAST database for DNA sequence comparison). Transfer Credit: CSU

BIOTECHNOLOGY C110 3.0 Units
Overview of Quality Assurance and Medical Devices
An overview of quality assurance systems used in the biotechnology industry, organizational functions, engineering technology, analysis, and application in an FDA regulated industry. Emphasizes the importance of adequate lot control, process and product, and record keeping. Transfer Credit: CSU
BUILDING CODES TECHNOLOGY

BUILDING CODES TECHNOLOGY C250 3.0 Units
Introduction to Building Codes Technology
Introduction to Building Codes Technology provides an introduction to the building code professional and the building code environment. The student will learn about the history of codes, what codes and standards are, and how they are developed, along with receiving an introduction to field inspections, plan reading, department administrations, zoning ordinances, and information on the industry and types of positions that work in a building department. The student is introduced to the various types of Building Codes, including Zoning, Grading, Structural/Architectural, Mechanical, Electrical, Plumbing, Energy, Disabled Access, and Sustainable Green Building Codes. Transfer Credit: CSU

BUILDING CODES TECHNOLOGY C251 3.0 Units
Introduction to Green Building
An overview of the entire process of green building, covering the history, theory, state of the industry, and best practices in green building. The course will provide an introduction to green building programs such as LEED assessment system, Build It Green, Green Globes and other standards such as ICC 700 and the State of California Green Building Code. Transfer Credit: CSU

BUILDING CODES TECHNOLOGY C281 1.0 Units
Work Based Learning
Prerequisite: Be employed or volunteer in a field related to Building Codes Technology for 5 hours per week per 1.0 unit of Work Based Learning.
Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.
To enhance each Work Based Learning participant’s opportunity for success in the field of Building Codes Technology by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student’s career or occupational goal in Building Codes Technology. Transfer Credit: CSU

BUILDING CODES TECHNOLOGY C282 2.0 Units
Work Based Learning
Prerequisite: Be employed or volunteer in a field related to Building Codes Technology for 5 hours per week per 1.0 unit of Work Based Learning.
Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.
To enhance each Work Based Learning participant’s opportunity for success in the field of Building Codes Technology by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student’s career or occupational goal in Building Codes Technology. Transfer Credit: CSU

BUILDING CODES TECHNOLOGY C283 3.0 Units
Work Based Learning
Prerequisite: Be employed or volunteer in a field related to Building Codes Technology for 5 hours per week per 1.0 unit of Work Based Learning.
Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.
To enhance each Work Based Learning participant’s opportunity for success in the field of Building Codes Technology by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student’s career or occupational goal in Building Codes Technology. BUILDING CODES TECHNOLOGY C290 3.0 Units
Building Permit Technician and Counter Operations
Advisory: BCT C250 and C300
This course covers topics of particular interest to the permit technician, or to the student preparing for a career as a building permit technician. This comprehensive course, along with the Building Permit Technician Certificate, will help students prepare for the national certification examination by covering topics of special interest to the permit technician, including building code, zoning codes, legal aspects, and building standards. Although, this course is primarily focused on topics of specific interest to the Permit Technician, it is also a recommended course for those interested in learning more about the permit process, applicable permit building codes, zoning administration, and legal aspects therein. Transfer Credit: CSU

BUILDING CODES TECHNOLOGY C300 3.0 Units
Introduction to the International Building Code
The student will gain insight into building laws founded on broad-based performance principles and will become familiar with the proper use of the International Building Code. This includes administrative, occupancy, types of construction, materials, fire resistive standards, exiting, and detailed regulating provisions of the document.

BUILDING CODES TECHNOLOGY C301 3.0 Units
Residential/Construction Blueprint Reading
Analysis of blueprints as they apply to residential/commercial construction; architectural graphic representations and their symbols for materials of construction and basic drafting principles related to working drawings.

BUILDING CODES TECHNOLOGY C302 3.0 Units
California Administrative Code (Title 24)
Applies the California Code of Regulations (Title 24) as it pertains to various types of buildings. Special emphasis will be placed on California State energy regulations, building modifications for the disabled for accessibility, and includes an introduction to the California State Green Building codes.

BUILDING CODES TECHNOLOGY C303 3.0 Units
Non-Structural Provisions of Building Codes
Advisory: BCT C300
A comprehensive course designed to give the student an understanding of the non-structural provisions of the International Building Code. Important aspects of this course are regulation of building areas, heights, location on property, fire resistance rated materials, fire suppression systems, and the means of egress of buildings.

BUILDING CODES TECHNOLOGY C304 3.0 Units
Concrete Codes
Advisory: BCT C300
All facets of concrete construction and code requirements are covered in this course. In addition, students will become more proficient and professional in relating to concrete field practices, construction, and inspections.

BUILDING CODES TECHNOLOGY C305 3.0 Units
Framing Requirements of Building Code
Advisory: BCT C300
This class will concentrate on the International Building Code chapters concerning, wood and steel framing, roofing and reroofing, drywall, stucco, plaster, plastics, soil classification, and foundation investigation.

BUILDING CODES TECHNOLOGY C306 3.0 Units
Electrical Code
Basic safety and the use of electricity. Includes basic wiring methods used in residential and commercial buildings in conjunction with the latest edition of the National Electrical Code. Application of the principles of inspection with details of electrical construction.

BUILDING CODES TECHNOLOGY C307 3.0 Units
Mechanical Code
Interpretation of the Uniform Mechanical Code as it pertains to heating and air conditioning installations; includes venting, heater and air conditioning selection, gas, electrical, and applicable State Green Building codes.
BUSINESS CODES
TECHNOLOGY C308 3.0 Units
Plumbing Code
Advisory: Knowledge of building construction.
Plumbing code interpretation for inspectors and installers necessary for correct selection of material, sizing of pipe, and installation of conventional and Green Building Plumbing systems.

BUSINESS CODES
TECHNOLOGY C311 3.0 Units
International Residential Code
Comprehensive study of International Residential Code for One and Two-Family Dwellings. Topics include all residential code requirements for building a home according to IRC, including international building, electrical, plumbing, mechanical, and fire codes. Laboratory and classroom experiences are designed to develop skills in noncommercial construction. Field experiences are used when applicable.

BUSINESS CODES
TECHNOLOGY C312 3.0 Units
Construction Estimating
Fundamentals of Construction Estimating takes a comprehensive approach to estimating, offering readers a well-rounded, up-to-date perspective on the estimating process. It is designed for entry level courses and focuses on the process of utilizing the latest technology to compile cost estimates for general contractors.

BUSINESS CODES
TECHNOLOGY C314 3.0 Units
Green Building Codes
Advisory: BCT C251
Detailed review of California Green Building Code Chapter 11 of Title 24 and ICC 700-2008 National Green building standards. The students will learn the various components for LEED for New Construction and Leadership in Energy and Environmental Design (LEED) for homes. Transfer Credit: CSU

BUSINESS CODES
TECHNOLOGY C316 3.0 Units
Masonry Codes
Advisory: BCT C300
All facets of masonry construction and inspection are covered in this course. In addition to code requirements, students will learn field-testing of concrete masonry, understand sampling materials, quality control of materials, grouting, and type and placement of reinforcing steel.

BUSINESS
BUSINESS C007 3.0 Units
Business Mathematics
Business Mathematics provides a practical, up-to-date coverage of widely-used topics in business including basic math, bank services, payroll, discounts and markups, simple and compound interest, stocks and bonds, consumer loans, taxes and insurance, depreciation, financial statements, and business statistics. (NOT APPLICABLE TO A.A. DEGREE)

BUSINESS
BUSINESS C100 3.0 Units
Introduction to Business
A survey in business providing a multidisciplinary examination of how culture, society, economic systems, legal, international, political, financial institutions, and human behavior interact to affect a business organization's policy and practices within the U.S. and a global society. Demonstrates how these influences impact the primary areas of business, including organizational structure and design; leadership, human resource management, organized labor practices; marketing; organizational communication; technology; entrepreneurship; legal, accounting, financial practices; the stock and securities market, and, therefore, affect a business' ability to achieve its organizational goals. Transfer Credit: CSU.

BUSINESS
BUSINESS C101 3.0 Units
Introduction to Project Management
The introduction to Project Management class is designed to provide students an overview of the concepts, tools, and techniques of formal project management. Concepts and methods learned are immediately usable in the workplace, leading to a greater retention of newly acquired skills, measurable project improvements, and the achievement of desired project results. The class focuses on key concepts in each of the process and knowledge areas of project management to create a unique learning environment that prepares students to manage projects in a global, multicultural, and online environment. Transfer Credit: CSU

BUSINESS
BUSINESS C102 3.0 Units
Advanced Project Management
The Advanced Project Management (PMP) class is designed to give students a solid foundation in the concepts, tools, and techniques of formal project management. Concepts and methods learned are immediately usable in the workplace, leading to a greater retention of newly acquired skills, measurable project improvements, and the achievement of desired project results. The focus of the class is key concepts in each of the process and knowledge areas of project management. This course also helps the student to prepare for the Project Management Professional (PMP) certification exam. Transfer Credit: CSU

BUSINESS
BUSINESS C103 3.0 Units
Project Management Professional Certification Review
This course is designed to assist students in preparing for the PMP certification exam given by the Project Management Institute (PMI). The topics include the project management processes, and skills and professional responsibility. The class will focus on learning the purpose for processes, inputs, tools, techniques and outputs. The students will develop a study schedule, organize study groups and create a plan with tasks that will guide them to preparing for the PMP exam. Techniques on exam taking, including study time management, will also be addressed to ensure success. Transfer Credit: CSU

BUSINESS
BUSINESS C104 3.0 Units
Legal Environment of Business
Fundamental legal principles pertaining to business transactions. Introduction to the legal process and law as an instrument of social and political control in society. Topics include sources of law and ethics, contracts, torts, agency, criminal law, business organizational forms, administrative processes, employment law, forms of business organizations, and domestic and international governmental regulations. Transfer Credit: CSU, UC.

BUSINESS
BUSINESS C120 3.0 Units
Personal Finance
The goal of Personal Financial Planning is to teach students the fundamentals of financial planning as well as develop an understanding the social, psychological, and physiological contexts which influence decision making. Personal Financial Planning provides comprehensive coverage the role of money in student's lives and provides financial planning tools enabling students to identify and evaluate choices that lead to long-term financial security and develop an understanding of their connection with money and the consequences of their decisions. Transfer Credit: CSU

BUSINESS
BUSINESS C124 3.0 Units
Risk Management for Enterprises and Individuals
Risk Management for Enterprises and Individuals focuses on current as well as old and new risks for our times treating them in a holistic, global and integrated manner. Today the stakes are higher; decisions more complex; and consequences more severe and global. Knowledge and understanding of the risks at each phase in business and personal undertakings is critical. Tomorrow's leaders in business and individuals need to understand risks to make successful decisions. This course provides the background needed. Transfer Credit: CSU

BUSINESS
BUSINESS C130 3.0 Units
E-Commerce: Strategic Thinking and Management
This course provides a comprehensive introduction to e-Commerce/e-Business. The course provides comprehensive coverage of a broad spectrum of e-Commerce essentials from a global perspective centering on four key areas of strategic planning, technology, management, marketing, and finance. The course focuses on the most recent developments in online behavior and what students need to know about developing, managing, and maintaining a successful e-business. Transfer Credit: CSU

BUSINESS
BUSINESS C150 3.0 Units
Introduction to Marketing
Introduction to Marketing provides a practical introduction to contemporary marketing principles as applied in an increasingly internet-driven marketplace. Analyze market characteristics, evaluate product and service strategies, and build marketing plans. Topics include pricing, promotion, and distribution; web-based storefronts and other e-commerce channels; product introduction, branding, and packaging; consumer, industrial, and government markets. Internet experience helpful. Transfer Credit: CSU
BUSINESS C170 3.0 Units  
Entrepreneurship and Small Business Finance  
Upon successful completion of this course, the student should be able to identify and evaluate the various sources available for funding a small business; demonstrate an understanding of financial terminology; read, prepare and analyze a financial statement; and write a loan proposal. In addition, the student should be able to explain the importance of working capital and cash management. The student should also be able to identify financing needs, establish credit policies, and prepare sales forecasts. Transfer Credit: CSU

BUSINESS C180 3.0 Units  
Entrepreneurship and Small Business Plan  
This course focuses on the development of a comprehensive business plan applicable for the needs of an entrepreneurial venture by moving through several phases: generating ideas and recognizing opportunities, researching and gathering marketing data, assembling resources, launching the new venture, and enabling long-term success. Students will learn the individual components of a business plan which comprises of marketing, management, operation, and finance. It is ideal for anyone who is ready to take the entrepreneurship challenge. Transfer Credit: CSU

BUSINESS C190 3.0 Units  
Investments  
Advisory: BUS C120  
Examination of various investment vehicles and portfolios. This course provides a comprehensive study of stocks, bonds, mutual funds, and related securities that include a detailed study of the nature of these securities and their markets. Emphasis is placed on personal investment objectives for growth, growth with income, and income with preservation of capital. Also covered are portfolio management and the effect of taxes on investment policy. Transfer Credit: CSU

BUSINESS C197 3.0 Units  
E-Commerce/Online Business  
E-Commerce/Online Business is designed for individuals, entrepreneurs, and small businesses who want to create a presence on the Internet by offering their products and/ or services through online transactions. This is a hands-on course that includes setting up an e-Commerce business. Transfer Credit: CSU

BUSINESS C222 3.0 Units  
Entrepreneurship and Small Business Operations and Management  
Small Business Operations and Management provides a study of the practical problems encountered in finding, organizing and operating small business enterprises. Included are topics related to initiating the business, developing strategies, marketing, financial and administrative control and related topics. Transfer Credit: CSU

BUSINESS C282 2.0 Units  
Work Based Learning  
Prerequisite: Be employed or volunteer in a field related to Business for 5 hours per week per 1.0 unit of Work Based Learning.  
Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.  
To enhance each Work Based Learning participant's opportunity for success in the field of Business by bridging the gap between educational theory and on the job practices through individualized performance objectives related to the student's career or occupational goal in Business. BUSINESS C280 1.0 Unit  
Computers Basics - Internet  
Advisory: Basic keyboarding skills helpful.  
Introduction to the Internet, including terminology, operation, and navigation. Students will learn to use popular software such as Internet Explorer/Outlook Express. Pass/No Pass Only. (NOT APPLICABLE TO A.A. DEGREE)

BUSINESS COMPUTING C080 1.0 Unit  
Computers Basics - Internet  
Advisory: Basic keyboarding skills helpful.  
Introduction to the Internet, including terminology, operation, and navigation. Students will learn to use popular software such as Internet Explorer/Outlook Express. Pass/No Pass Only. (NOT APPLICABLE TO A.A. DEGREE)

BUSINESS COMPUTING C100 3.0 Units  
Introduction to Computers  
Advisory: Basic keyboarding skills recommended.  
An introduction to computers, including terminology, basic operations, and use of basic features of word processing, spreadsheets, database, and presentation software. Transfer Credit: CSU

BUSINESS COMPUTING C103 3.0 Units  
Cascading Style Sheets  
Advisory: BC C171 or DGA C166  
Cascading style sheets are the preferred way to set the “look and feel” of your web sites. In this class, you will learn to use CSS for layout, positioning, styling lists, tables, headings, and many other functions. Transfer Credit: CSU

BUSINESS COMPUTING C104 1.5 Units  
Microsoft Windows 1  
This course provides an overview of the Windows operating system to enable the student to begin using computer programs in the Windows environment quickly. Topics covered in this overview include: program opening and closing, file saving and storage, file editing, program launching, working with folders and files, performing desktop customization, using Multimedia, communications, and other related topics. Transfer Credit: CSU

BUSINESS COMPUTING C107A 1.5 Units

Keyboarding and Formatting Documents  
Advisory: Computer access required. Students without a computer should enroll in BC C300L to complete assignments.  
Develop your typing speed and accuracy. Learn to type simple letters, memos, and more. For personal or business use. Transfer Credit: CSU
BRAIN COMPUTING C108 1.5 Unit
Data Entry
Advisory: Keyboarding skills of at least 25 words per minute. Computer access required. Students without a computer should enroll in BC C300L to complete assignments.
This course teaches the students to be customer service aware. Transcends superfluous elements and pinpoints the skills needed to improve and sustain customer satisfaction and business relationships. Transfer Credit: CSU

BUSINESS COMPUTING C109 1.5 Unit
Keyboarding Speed and Accuracy
Advisory: Computer access required. Students without a computer should enroll in BC C300L to complete assignments.
This course teaches the students to be customer service aware. Transcends superfluous elements and pinpoints the skills needed to improve and sustain customer satisfaction and business relationships. Transfer Credit: CSU

BUSINESS COMPUTING C110 1.5 Units
Microsoft Excel 1
Advisory: BC C104, basic mathematical skills, and keyboarding skills of at least 25 words per minute.
Students will learn to use Microsoft Excel to create professional worksheets that include formulas, range names, MS Excel Wizards, printing techniques, data analysis, and file management. Transfer Credit: CSU

BUSINESS COMPUTING C111 1.5 Units
Computer Fundamentals
Advisory: Computer access required. Students without a computer should enroll in BC C300L to complete assignments.
This course teaches the students to be customer service aware. Transcends superfluous elements and pinpoints the skills needed to improve and sustain customer satisfaction and business relationships. Transfer Credit: CSU

BUSINESS COMPUTING C112 3.0 Units
Office Organization
Advisory: Keyboarding skills of at least 25 words per minute.
This course teaches the students to be customer service aware. Transcends superfluous elements and pinpoints the skills needed to improve and sustain customer satisfaction and business relationships. Transfer Credit: CSU

BUSINESS COMPUTING C115 1.5 Units
Customer Service/Soft Skills
This course teaches the students to be customer service aware. Transcends superfluous elements and pinpoints the skills needed to improve and sustain customer satisfaction and business relationships. Transfer Credit: CSU

BUSINESS COMPUTING C116 3.0 Units
Introduction to Mobile Applications
Advisory: Computer literacy
This course examines the development and future of mobile applications, including Smart Phone, I-phone, I-pad, and other Mobile Tablet devices. Content will include how mobile applications are researched, designed, created, and marketed. Project outcomes, software selection, interface design, graphics, programming, marketing and promotion will be introduced. Students will create a simple mobile application of their own design. Transfer Credit: CSU

BUSINESS COMPUTING C117 3.0 Units
Mobile Applications Development
This course examines the development of mobile applications using current mobile technologies and distribution and operation on common platforms on the market (iPhone, iPad, Android operating systems and BlackBerry). Content will include the use and development of HTML5, jQuery Mobile, PhoneGap and designing elements with CSS3 for functionality and performance. Transfer Credit: CSU

BUSINESS COMPUTING C120 1.5 Units
Microsoft Excel 2
Advisory: BC C120
Advanced training and practice in Microsoft Excel based on the fundamentals learned in BC C120. Topics include formulas, range names, functions, Windows, spreadsheet linking, advanced charting, databases, and advanced macros. Transfer Credit: CSU

BUSINESS COMPUTING C123 3.0 Units
Introduction to QuickBooks
Learn to use QuickBooks to track the financial activity of a small business. Topics include banking, accounts payable/receivable, invoicing, inventory, billing, and customer data management. Students should be familiar with personal computers and the Windows operating system. Transfer Credit: CSU

BUSINESS COMPUTING C124 3.0 Units
Using Adobe Acrobat
Adobe Acrobat is the essential tool for universal document exchange. It is a reliable, efficient, and effective way to share information electronically. Acrobat lets you convert any document into an Adobe Portable Document Format (PDF) file, with its original appearance preserved, and then distribute for viewing and printing on any system. Transfer Credit: CSU

BUSINESS COMPUTING C145 3.0 Units
Medical Administrative Assistant I
Advisory: Microsoft Word and Internet experience
A hands-on course designed for students in medical assisting, nursing, and allied health programs to learn how to successfully support the front or back office of a clinic or hospital. Transfer Credit: CSU

BUSINESS COMPUTING C147 2.0 Units
Beginning Microsoft Word
Advisory: BC C107A or keyboarding skills of at least 25 words per minute.
This course is designed for students who want to learn how to use Microsoft® Word latest version to create professional-looking documents for workplace, school, and personal communication needs. Students will learn the essential features and functions of computer hardware, the Windows XP or Vista operating system, and Internet Explorer. Topics cover the basics of computer hardware, an introduction to Windows XP or Vista, an introduction to Internet Explorer, creating and managing documents, formatting and maintaining documents, applying formatting and inserting objects, creating tables, and using SmartArt to create diagrams and organizational charts. Transfer Credit: CSU

BUSINESS COMPUTING C148 2.0 Units
Intermediate Microsoft Word
Advisory: BC C147
This course is designed for students who want to learn how to use Intermediate Microsoft Word latest version features to create professional-looking documents for workplace, school, and personal communication needs. Students will learn the essential features and functions of computer hardware, the Windows XP or Vista operating system, and Internet Explorer. Topics cover the basics of computer hardware, an introduction to Windows XP or Vista, an introduction to Internet Explorer, creating and managing documents, formatting and maintaining documents, applying formatting and inserting objects, creating tables, and using SmartArt to create diagrams and organizational charts. Transfer Credit: CSU
This course uses authentic medical cases to cover concepts that give a more in-depth understanding of physician-based services.

Analysis capabilities of the ArcView software work is based on the mapping and spatial structure, body systems, medical procedures, and pathological conditions. Instruction includes exercises in spelling, definition of terms, abbreviations, and pronunciation. Advisory: ability to use Microsoft Windows.

The course reviews the guidelines for physician- and facility-based coding requirements in preparation for the student to take one of the certification examinations given by the American Health Information Management Association (AHIMA) or the American Academy of Professional Coders (AAPC). The content reviews anatomy, terminology, pathophysiology, diagnostic and procedural coding, and reimbursement guidelines and issues. The use of the CPT, ICD-9-CM and/or ICD-10-CM, and HCPCS Level II manuals is emphasized. ADVISORY: BC C161 and BC C162 and BC C163. Transfer Credit: CSU.

This intermediate course provides further study in ArcView, it is a continuation of the skills and concepts learned in BC C160, Introduction to Geographic Information System (GIS). Course work is based on the mapping and spatial analysis capabilities of ArcView software. Students will be creating and editing spatial data, geocode data, perform spatial data processing, and conduct spatial analysis. Transfer Credit: CSU

This course is designed to provide K-14 instructors with an introduction to how the Internet can be used to enrich learning. Students will learn how to access the Internet and use popular browser menus and toolbars, use search engines to locate web sites and resources, facilitate easy access to sites through well-organized bookmarks, find and create student projects, integrate web resources and projects into classroom lessons, organize the classroom for Internet use, and locate and subscribe to RSS feeds, wikis, and blogs. Copyright, security, and analysis of content integrity will also be covered. Transfer Credit: CSU

Using the Internet Advisory: Keyboarding skills of at least 25 words per minute.

Hands-on course, to learn how to locate information on the Internet; access World Wide Web servers, blogs, wikis, and other resources. Send and receive E-mail. Discuss netiquette, Internet browsers, and computer requirements. Transfer Credit: CSU

This is the second course in working toward the foundations of Web design, including planning, creating, and publishing a Web site. It emphasizes coding at the HTML/XHTML level rather than using a WYSIWYG (What You See Is What You Get) editor. The course also covers some critical issues related to Web design often overlooked in such classes (e.g., background information about the Internet and World Wide Web, copyright issues, etc.) Transfer Credit: CSU

The Web Design/XHTML 2 course continues where the Web Design/XHTML 1 course left off. Thus, it delves into advanced HTML and XHTML code, including more complex tables and frames, style sheets, and forms. Students will be introduced to XML, CGI, and JavaScript. Legal, copyright and contract issues will also be explored. Additionally, introductory information regarding project management, marketing, and commerce will be covered. Finally, students will get a brief overview of networking and site security issues. All lessons include relevant information regarding accessibility. Transfer Credit: CSU

XML—Extended Markup Language Advisory: BC C171 or BC C171B or BC C174A or BC C174B, and keyboarding skills of at least 25 words per minute.

The Internet is causing a revolution in how we represent, retrieve, and process information. This has given us a universally accessible database, but in the form of an unorganized collection of documents. XML is changing how data is represented. Learn how to represent, retrieve, and process information from the Internet using XML. [Features publishing structured documents on the Web, learning methods for querying and updating structured Web documents, and learning sound techniques for writing Web data queries.] Transfer Credit: CSU
Course Descriptions

BUSINESS

COMPUTING C173 1.5 Units
Internet Research I
Advisory: BC C170 or Basic Internet knowledge and keyboarding skills of at least 25 words per minute.

Instructions using various search techniques and resources to quickly locate information on the Internet. Emphasis includes using Internet access tools, data formats and media, search engines, subject guides, library catalogs, and commercial, and government resources. Learn the secrets that the experts use to efficiently locate people and data. Transfer Credit: CSU

COMPUTING C174A 3.0 Units
JavaScript for Nonprogrammers
Advisory: BC C170, C171, C171B and keyboarding skills of at least 25 words per minute.

A continuing web page design course for beginning to intermediate-level people who know how to create web pages but who may know next to nothing about programming. Includes many scripts that can be typed into web pages or taken straight from other web pages using an online companion for JavaScript. Utilizes plain English and only those programming terms that are necessary for an understanding of how to work with JavaScript. Transfer Credit: CSU

COMPUTING C174B 3.0 Units
JavaScript 2
Advisory: BC C174A and keyboarding skills of at least 25 words per minute.

A continuation of JavaScript for Non-Programmers, this is a comprehensive hands-on coverage of both client and server side JavaScript. Individuals learn to create interactive and dynamic user interfaces and integrate databases with Web sites. Transfer Credit: CSU

COMPUTING C175 1.5 Units
Microsoft Access 1
Advisory: BC C104 or experience with the Windows Operating System.

Using Microsoft Access, learn database basics. Design and create tables, forms, and reports. Create SELECT queries including aggregate functions and crosstab queries to analyze and filter data. Transfer Credit: CSU

COMPUTING C176 1.5 Units
Microsoft Access 2
Advisory: BC C175 or fundamental skills using a personal database.

Hands-on continuation to Microsoft Access for Windows, emphasizing relational database design, maintenance, customized forms, built-in functions, macros, an introduction to Structured Query Language and an overview of Visual Basic for Applications. Transfer Credit: CSU

COMPUTING C180 2.0 Units
Introduction to Multimedia
Advisory: Experience with a personal computer.

The course defines multimedia and shows how it will affect the way we live, learn, work, and play. Various real-world applications will be examined, including business presentations, tutorial and interactive training, education, games, and entertainment on CD-ROM. Transfer Credit: CSU

COMPUTING C181 3.0 Units
Multimedia Essentials
Advisory: Experience with a personal computer.

This course defines the individual building blocks involved in multimedia. An emphasis will be placed on the integration of elements into a multimedia production. Both hardware and software issues will be discussed as well as the role multimedia plays on the Internet. Transfer Credit: CSU

COMPUTING C185 1.5 Units
Microsoft PowerPoint
Advisory: BC C104, C147 or C150 or strong programming experience to build dynamic web pages using PHP programming language and MySQL database. Students will learn basic programming skills, how to embed PHP scripts in HTML pages, and how to connect to and query a MySQL database. Transfer Credit: CSU

COMPUTING C194 3.0 Units
Web Accessibility
Advisory: Basic knowledge of HTML.

The Web Accessibility course is designed to enable participants to create new, accessible Web sites and “fix” existing, non-accessible Web sites, all at the HTML coding level. Each unit of the course contains some background information about accessibility, specific strategies for making sites accessible, hands-on practice via several practice activities, assignments related to an individual Web accessibility project, and additional optional resources to expand one’s knowledge about Web accessibility. Transfer Credit: CSU

COMPUTING C202 3.0 Units
ColdFusion
Advisory: BC C171 or BC C171B, and BC C175 or BC C176 and keyboarding skills of at least 25 words per minute.

ColdFusion is a popular Web server and development environment. ColdFusion will encompass simple database-query applications and move to full-featured electronic-commerce systems. Included are ColdFusion tools, ColdFusion Markup Language (CFML), SQL, and the Verity search language. Transfer Credit: CSU

COMPUTING C204 1.5 Units
Using Structured Query Language (SQL)
Advisory: Students enrolled in this class should have experience with either a relational database product or administration of a server-based database.

A vendor-neutral course in using Structured Query Language (SQL) to organize, modify, and retrieve data from a relational database. Transfer Credit: CSU

COMPUTING C205 3.0 Units
Building Dynamic Web Pages with PHP and MySQL
Advisory: BC C168A or BC C171 or experience creating well formed HTML pages.

An introductory course designed to enable web developers and others with limited programming experience to build dynamic web pages using PHP programming language and MySQL database. Students will learn basic programming skills, how to embed PHP scripts in HTML pages, and how to connect to and query a MySQL database. Transfer Credit: CSU

COMPUTING C281 1.0 Unit
Work Based Learning
Prerequisite: Be employed or volunteer in a field related to Business Computing for 5 hours per week per 1.0 unit of Work Based Learning.

Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.

To enhance each Work Based Learning participant’s opportunity for success in the field of Business Computing by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student’s career or occupational goal in Business Computing. Transfer Credit: CSU

COMPUTING C282 2.0 Units
Work Based Learning
Prerequisite: Be employed or volunteer in a field related to Business Computing for 5 hours per week per 1.0 unit of Work Based Learning.

Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.

To enhance each Work Based Learning participant’s opportunity for success in the field of Business Computing by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student’s career or occupational goal in Business Computing. ### CHEMISTRY

**CHEMISTRY C100**

**Principles of Chemistry**

- Analysis of problems of current concern to the individual relating to his/her surroundings and the role that chemistry plays both in these problems and in their possible solutions.
- Transfer Credit: CSU

**CHEMISTRY C105**

**Chemistry Explorations for Teachers**

- A class in basic scientific principles and methods related to chemistry. Emphasis is on developing a molecular understanding of the world, and applying the scientific method to understanding everyday phenomena.
- Course is designed to introduce future elementary and middle school teachers to the central ideas of chemistry through a series of laboratory experiments, hands-on exercises, and discussions. Topics have been chosen to ensure coverage of the content in state and national science education standards.
- Letter Grade Only, Transfer Credit: CSU

**CHEMISTRY C110**

**Introduction to Chemistry**

- Advisory: "C" or better in Intermediate Algebra.
- A lab science course in principles of inorganic, organic, and biochemistry for transfer and for A.A. Degree programs in nursing, dietetics, paramedical, and related fields.
- Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.

**CHEMISTRY C130**

**Preparation for General Chemistry**

- Advisory: "C" or better in Intermediate Algebra.
- An introduction to both the principles and calculations of chemistry and lab techniques, especially for those students who will be continuing with future chemistry courses.

**CHEMISTRY C180**

**General Chemistry A**

- Prerequisite: Completion of CHEM C130 or a recent high school chemistry course with a grade of C, and completion of MATH C030 or a recent high school course in intermediate algebra with a grade of C or appropriate placement on a math placement assessment.

**CHEMISTRY C180L**

**General Chemistry A Lab**

- Prerequisite: Completion of CHEM C180 and CHEM C180L
- Corequisite: Concurrent enrollment in CHEM C220.

**CHEMISTRY C185**

**General Chemistry B**

- Prerequisite: CHEM C180 and CHEM C180L
- Corequisite: CHEM C185
- This course is the second semester of a two-semester sequence (CHEM C180 and CHEM C185L). A basic course in the principles of inorganic chemistry and lab techniques with special emphasis on chemical kinetics, chemical equilibrium, electro chemistry, nuclear chemistry, acids, and bases. Letter grade only. Transfer Credit: CSU; UC

**CHEMISTRY C185L**

**General Chemistry B Lab**

- Prerequisite: CHEM C180 and CHEM C180L
- Corequisite: CHEM C185
- This course is the second semester of a two-semester sequence (CHEM C180 and CHEM C185L). A basic course in the principles of inorganic chemistry and lab techniques with special emphasis on chemical kinetics, chemical equilibrium, electro chemistry, nuclear chemistry, acids, and bases. Letter grade only. Transfer Credit: CSU; UC

**CHEMISTRY C220**

**Organic Chemistry A**

- Prerequisite: CHEM C185 with grade of "C" or better.
- Corequisite: Concurrent enrollment in CHEM C220.
- Emphasis is placed on the reaction mechanisms, fundamental principles, and modern instrumental methods. Letter grade only. Transfer Credit: CSU

**CHEMISTRY C220L**

**Organic Chemistry A Lab**

- Prerequisite: CHEM C185 with grade of "C" or better.
- Corequisite: Concurrent enrollment in CHEM C220.
- Emphasis is placed on the reaction mechanisms, fundamental principles, and modern instrumental methods. Letter grade only. Transfer Credit: CSU

**CHEMISTRY C225**

**Organic Chemistry B**

- Prerequisite: CHEM C220 with grade of "C" or better.
- This course is the second part of Organic Chemistry, two semesters, which includes topics on the properties and reactions of aliphatic and aromatic organic compounds.
- Emphasis is placed on the reaction mechanisms, fundamental principles, and modern instrumental methods. Letter grade only. Transfer Credit: CSU

**CHEMISTRY C225L**

**Organic Chemistry B Lab**

- Prerequisite: CHEM C220 with grade of "C" or better.
- This course is the second part of Organic Chemistry, two semesters, which includes topics on the properties and reactions of aliphatic and aromatic organic compounds.
- Emphasis is placed on the reaction mechanisms, fundamental principles, and modern instrumental methods. Letter grade only. Transfer Credit: CSU

CHINESE

CHINESE C180 5.0 Units
Elementary Chinese 1
Advisory: Students who have completed two years of high school Chinese with a grade of "C" or better should enroll in CHIN C185 or C185A.
This course is designed to develop the student’s fundamental ability to both comprehend and converse in daily spoken Chinese. Early reading and writing skills are introduced, as well as Chinese customs and culture. Transfer Credit: CSU; UC credit limitations. See counselor.

CHINESE C180A 2.5 Units
Elementary Chinese 1A
Advisory: Students who have completed two years of high school Chinese with a grade of "C" or better should enroll in CHIN C185 or C185A.
This course is designed to develop the student’s fundamental ability to both comprehend and converse in daily spoken Chinese. Early reading and writing skills are introduced, as well as Chinese customs and culture. Transfer Credit: CSU; UC credit limitations. See counselor.

CHINESE C180B 2.5 Units
Elementary Chinese 1B
Prerequisite: CHIN C180A
Advisory: Students who have completed two years of high school Chinese with a grade of "C" or better should enroll in CHIN C185 or C185A.
This course is designed to develop the student’s fundamental ability to both comprehend and converse in daily spoken Chinese. Early reading and writing skills are introduced, as well as Chinese customs and culture. Transfer Credit: CSU; UC credit limitations. See counselor.

CHINESE C182 1.0 Unit
Conversational Chinese
Prerequisite: CHIN C180 or C180B
Speaking, understanding, reading, and writing Chinese (Mandarin), with emphasis on tradition and customs of China. Transfer Credit: CSU

CHINESE C185 5.0 Units
Elementary Chinese 2
Prerequisite: CHIN C180 or C180B
This course is designed to further develop the essential communication skills in Mandarin Chinese based on the Pinyin system, Chinese characters, and basic communicative skills learned in CHIN C180. The goal of this course is to have students carry more sophisticated communicative tasks by increasing their listening, speaking, reading, and writing proficiency. The course presents more complex language structures and further explores aspects of Chinese daily life, culture, and customs. Transfer Credit: CSU; UC Credit Limitations. See counselor

CHINESE C185A 2.5 Units
Elementary Chinese 2A
Prerequisite: CHIN C180 or C180B
Continuation of CHIN C180. First half of CHIN C185. Designed to develop the student’s fundamental ability to both comprehend and converse in daily spoken Chinese. Sentence patterns, vocabulary and pronunciation are emphasized. Reading and writing skills are continuously introduced as well as appreciation and understanding of Chinese customs and cultures in China, Taiwan and elsewhere. CHIN C180 and C185 together constitute the beginning level of the language. Transfer Credit: CSU; UC Credit Limitations. See counselor.

CHINESE C185B 2.5 Units
Elementary Chinese 2B
Prerequisite: CHIN C185A
Continuation of CHIN C185A. CHIN C185B is the second half of CHIN C185. Designed to develop the student’s fundamental ability to both comprehend and converse in daily spoken Chinese. Sentence patterns, vocabulary and pronunciation are emphasized. Reading and writing skills are continuously introduced as well as appreciation and understanding of Chinese customs and cultures in China, Taiwan and elsewhere. CHIN C180 and C185 together constitute the beginning level of the language. Transfer Credit: CSU; UC Credit Limitations. See counselor.

CHINESE C280 4.0 Units
Intermediate Chinese 1
Prerequisite: CHIN C185 or C185B
CHIN C280 is a continuation of CHIN C185 or C185B. It is designed to develop further the abilities students have attained to comprehend and converse daily in spoken and written Chinese at an intermediate level. Reading and writing skills are stressed and enhanced. Cultural notes, authentic reading materials, literary selections, and grammar beyond the phrasal level present new concepts to stimulate vocabulary acquisition, to provoke expressive ability, and to generate communicative competency. Cultural and philosophical aspects of the Chinese-speaking world will also be discussed. Transfer Credit: CSU; UC

CHINESE C285 4.0 Units
Intermediate Chinese 2
Prerequisite: CHIN C280
CHIN C285 is a continuation of CHIN C280 or of C285B. It is designed to develop further the abilities students have attained to comprehend and converse, to read and to write with everyday Chinese at an intermediate level. Reading and writing skills are stressed and enhanced in this last of the basic-skills language sequence for Chinese. Cultural notes, authentic reading materials, literary selections, and grammar beyond the phrasal level present new concepts to stimulate vocabulary acquisition, to provoke expressive ability, and to generate communicative competency. Cultural and philosophical aspects of the Chinese-speaking world will also be addressed. Transfer Credit: CSU; UC

COMMUNICATION STUDIES

COMMUNICATION STUDIES C100 3.0 Units
(Formerly Speech C100)
Interpersonal Communication
Language use and effective interpersonal communication, both verbal and non verbal. Recommended for students wanting to understand and improve their communication skills in interpersonal relationships. Content areas include: conversation, listening, perception, non verbal communication, language, self concept, and self disclosure. Transfer Credit: CSU

COMMUNICATION STUDIES C101 3.0 Units
(Formerly Speech C101)
Human Communication
This course is an introduction to the fundamentals and principles which underlie effective speech communication. Practical experience, emphasizing content, organization and delivery, will be required in at least three speaking situations, specifically including persuasive and informative speaking. Particular emphasis will be on Milton Rokeach’s value theory (1969) as an explanation for the relationship between self-concept and behavior. Transfer Credit: CSU; UC

COMMUNICATION STUDIES C110 3.0 Units
(Formerly Speech C110)
Public Speaking
Principles of public speaking, including planning, preparation and delivery of an effective oral presentation. Consideration of and practice in problem solving, information, persuasion and communication techniques. Emphasis on developing self confidence and skill in communicating to and with groups. Transfer Credit: CSU; UC

COMMUNICATION STUDIES C200 3.0 Unit
(Formerly Speech C200)
Public Communications
This course focuses on the preparation, presentation, and delivery of informative and persuasive public speeches. Particular emphasis is on organizing and outlining, reasoning and arguing, and analyzing audiences and adapting to different audiences. Transfer Credit: CSU

COMMUNICATION STUDIES C220 3.0 Units
Essentials of Argumentation
ADVISORY: ENGL C100
Essentials of Argumentation is the study of theory, practice, and criticism of argumentation, focusing on principles of effective argumentation, including the use of inductive and deductive logic, propositions, reasoning, evidence, and refutation. Students analyze, construct, and present written and oral arguments. The emphasis of the course is on critical thinking skills necessary for personal, professional, and academic success. Transfer Credit: CSU
COMMUNICATIONS  
(SEE COURSES LISTED UNDER  
MASS COMMUNICATIONS)  

COMPUTER INFORMATION SYSTEMS  
(ALSO, SEE COURSES LISTED UNDER  
INFORMATION AND COMPUTER SCIENCE)  

COMPUTER INFORMATION SYSTEMS C100  3.0 Units  
Introduction to Information Systems  
This course prepares students with a non- programming introduction to information systems and personal computer applications including word processing, spreadsheets, database and presentation software. Transfer Credit: CSU  

COMPUTER INFORMATION SYSTEMS C110  1.5 Units  
Introduction to Programming with Visual Basic.Net  
This course teaches the students the fundamentals of programming with emphasis on programming, coding, and troubleshooting tips using Visual Basic.Net. Transfer Credit: CSU  

COMPUTER INFORMATION SYSTEMS C111  3.0 Units  
Introduction to Information Systems and Programming  
Examination of information systems and their role in business. Focus on information systems, database management systems, networking, e-commerce, ethics and security, computer systems hardware and software components. Application of these concepts and methods through hands-on projects developing computer-based solutions to business problems. Transfer Credit: CSU  

COMPUTER INFORMATION SYSTEMS C150  3.0 Units  
Introduction to C++  
This course covers the beginning concepts of C++ programming. Students, with no prior computer programming knowledge, will learn the fundamentals of writing computer programs using C++. Transfer Credit: CSU  

COMPUTER INFORMATION SYSTEMS C171  1.0 Unit  
Computer Programming with Alice  
Advisory: Ability to use a Graphical User Interface operating system (such as Vista or MAC OS).  
Introduces both majors and non-majors to the concepts and topics of computer and simulation programming. Students with develop algorithmic thinking and abstraction through the use of a 3-D animation programming environment. This course is designed for beginning programmers, and web developers who need to understand object oriented concepts. Transfer Credit: CSU  

COMPUTER INFORMATION SYSTEMS C190  3.0 Units  
Introduction to Geographic Information Systems  
Advisory: BC C121 and C175  
An introduction to the concepts and use of Geographic Information Systems (GIS) and its role in analysis and decision making. Course work is based on the mapping and spatial analysis capabilities of the ArcView software program. Students will be introduced to basic cartographic principles, maps, scales, coordinate systems, and projections. Through computer lab tutorials and case studies, students will learn to use ArcView to view relationships, patterns, or trends that are not possible to see with traditional charts, graphs, and spreadsheets. Transfer Credit: CSU  

COMPUTER INFORMATION SYSTEMS C191  3.0 Units  
Intermediate Geographic Information Systems  
Advisory: GIS C190  
This intermediate course provides further study in ArcView; it is a continuation of the skills and concepts learned in GIS C190, Introduction to Geographic Information System (GIS). Course work is based on the mapping and spatial analysis capabilities of ArcView software. Students will be creating and editing spatial data and geocode data, perform spatial data processing, and conduct spatial analysis. Transfer Credit: CSU  

COMPUTER SERVICES TECHNOLOGY  

COMPUTER SERVICES TECHNOLOGY C102  3.0 Units  
Fiber Optic Cabling  
Authorized Cisco Academy PNIE course. Lecture and labs in this course will include topics such as basic networking concepts, copper cabling, and different modes of fiber optics, safety principles, and cabling installation processes. Emphasis on hands-on training. Transfer Credit: CSU  

COMPUTER SERVICES TECHNOLOGY C111  3.0 Unit  
VMware vSphere  
Advisory: CST C112 or CST C113  
Virtualization allows consolidation of several hardware servers into a single hardware server to realize significant cost savings. vSphere allows for whole server farms to be consolidated on only a few physical servers. Students will learn how to partition a physical server into several virtual machines as well as how to centralize and simplify management, including how to expand capacity, optimize performance, and track cost savings using vSphere. Transfer Credit: CSU  

COMPUTER SERVICES TECHNOLOGY C112  1.0 Unit  
Introduction to VMware  
Advisory: CST C116, C117, and C128  
Virtualization allows a business or student to expand the utilization of a computer system. For Business it means consolidating server sprawl, optimizing technology assets, developing business continuity solutions, increasing IT productivity, and saving money. For computer technology students it means running multiple computer operating systems (Microsoft, Linux, & Novell) simultaneously on the same computer. Transfer Credit: CSU  

COMPUTER SERVICES TECHNOLOGY C113  3.0 Units  
Overview of VMware Technologies  
Advisory: CST C128  
This class is a hands-on survey of several of the Virtualization Software products available. It includes VMWare Server, Microsoft Virtual PC, and SUSE Xen Works as well as several other products. Virtualization Software allows businesses to achieve the maximum use of their computer system potential and better plan for business continuity. Students will find that they can have multiple operating system environments for each class. Transfer Credit: CSU  

COMPUTER SERVICES TECHNOLOGY C114  2.0 Units  
Microsoft Office Visio  
Examine, visualize, explore, and communicate complex information, data systems, processes and organizations. <tr>
<td>CRIMINAL JUSTICE C141</td>
<td>Criminal Law</td>
<td>3.0</td>
<td>An introduction to the general doctrines of criminal liability. This course covers the historical and philosophical foundations of criminal law, as well as its purpose and structure. Students examine major conceptual legal principles and terminology. Topics include constitutional issues, legal causation, criminal defenses, parties to a crime, and inchoate offenses. Emphasis is placed on court decisions and their impact on law enforcement activities. Transfer Credit: CSU</td>
</tr>
<tr>
<td>CRIMINAL JUSTICE C146</td>
<td>Written Communication for Criminal Justice</td>
<td>3.0</td>
<td>This course presents techniques for accurately communicating information and ideas in a clear, concise manner within the context of the criminal justice community. It focuses on developing the student's ability to organize information and prepare effective written correspondence in a law enforcement, court, or correctional environment. The course emphasizes instruction in the mechanics of writing, vocabulary development, and methods of effectively gathering information. Students practice note-taking, report writing, and investigative strategies to assist in the administration of justice. Transfer Credit: CSU</td>
</tr>
<tr>
<td>CRIMINAL JUSTICE C148</td>
<td>Multi-Cultural Studies in Criminal Justice</td>
<td>3.0</td>
<td>This course examines current issues and social problems relating to the administration of justice in a culturally diverse society. It focuses on the cross-cultural contact that criminal justice professionals have with citizens, victims, suspects, and coworkers from diverse backgrounds. The course emphasizes law enforcement's role and responsibility in understanding cultural differences and respect toward those of different backgrounds. Topics include prejudice in law enforcement, hate crimes, jury bias, racial profiling, disparate treatment in prisons, and terrorism/homeland security considerations. Transfer Credit: CSU</td>
</tr>
<tr>
<td>CUSTOMER SERVICE ACADEMY C010</td>
<td>Customer Service</td>
<td>0.5</td>
<td>This course is designed to acquaint the student with various skills the supervisor needs to help employees. Topics include stress recognition and how to manage it, job burnout and what to do about it, and employee counseling in various situations.</td>
</tr>
<tr>
<td>CUSTOMER SERVICE ACADEMY C020</td>
<td>Team Building</td>
<td>0.5</td>
<td>This course is designed to provide the student with an understanding of how to solve common types of problems. Students will learn to recognize various team player styles and will be introduced to team building in the workplace.</td>
</tr>
<tr>
<td>CUSTOMER SERVICE ACADEMY C025</td>
<td>Stress Management</td>

DANCE C105 1.0 Unit
Pilates
This course is designed to develop flexibility, strength, and coordination. It will introduce exercises with specific conditioning techniques based on Pilates Principles. Transfer Credit: CSU; UC

DANCE C106 1.0 Unit
Pilates Mat Work
A course based on exercises and concepts developed by Joseph H. Pilates. The course will utilize "mat work" and will focus on exercises for improving body alignment, strength, coordination and breathing. Transfer Credit: CSU; UC

DANCE C107 1.0 Unit
Intermediate Pilates Mat
Prerequisite: DANC C105 or C106
A course based on exercises and concepts developed by Joseph H. Pilates. The course will utilize intermediate mat work and will focus on exercises for improving body alignment, breathing, core strength and stabilization. Transfer Credit: CSU; UC

DANCE C108 1.0 Unit
Pilates: Beginning Reformer
Prerequisite: DANC C105 or C106 or C107
An instructed course based on exercises and concepts developed by Joseph H. Pilates. This course will utilize "mat" and Reformer concepts along with focusing on exercises that will work to improve body alignment, coordination and range of motion. Transfer Credit: CSU; UC

DANCE C110 1.0 Unit
Ballet I
A course in basic ballet techniques including barre, and center work. Schedule indicates beginning or intermediate level. Course includes French terminology and musicality. Transfer Credit: CSU; UC

DANCE C111 1.0 Unit
Introduction to Classical Dance
An introductory course in a classical technique for the very beginning ballet dancers. Includes basic ballet terminology, positions and movements. Transfer Credit: CSU; UC

DANCE C112 1.0 Unit
Advanced Classical Technique
Advisory: DANC C110 or equivalent experience
An advanced course in classical technique. Longer and more complex combinations with increased use of arms and head. Transfer Credit: CSU; UC

DANCE C114 1.0 Unit
Classical Turns and Jumps
Prerequisite: Successful completion of DANC C110
An intermediate level class concentrating on various classical turning and jumping techniques alone and in combination. Transfer Credit: CSU; UC

DANCE C115 1.0 Unit
Ballet 2
Advisory: DANC C110 or C111 or equivalent experience
An intermediate course in ballet technique, including barre and center work. Students will learn lengthened movement patterns incorporating adagio and allegro combinations. Includes French terminology and musicality.

DANCE C116 1.0 Unit
Jazz Dance 1
An instructor choreographed class with emphasis on jazz dance. Includes learning, rehearsing, and performing several choreographic works. Beginning and intermediate levels. Transfer Credit: CSU; UC

DANCE C120 1.0 Unit
Jazz Technique
Prerequisite: Intermediate Level: Beginning Jazz or equivalent experience
A course in the fundamentals of jazz technique. Beginning and intermediate levels. Transfer Credit: CSU; UC

DANCE C124 1.0 Unit
Performance Studies in Jazz
Prerequisite: Successful completion of DANC C120 or equivalent experience
An instructor choreographed course with emphasis on Jazz dance. Includes learning, rehearsing and performing one or more routines. Transfer Credit: CSU; UC

DANCE C125 1.0 Unit
Tap Dance
Fundamentals of tap dancing into more complex steps and combinations. Includes advanced rhythms and techniques. Transfer Credit: CSU; UC

DANCE C130 1.0 Unit
Broadway Tap Styles
Prerequisite: Successful completion of DANC C125 or DANC C126.
Advisory: Intermediate Tap
An exploration of percussive dance in the style of Broadway figures such as Gene Kelly and Fred Astaire. Transfer Credit: CSU; UC

DANCE C140 1.0 Unit
Performance Jazz Ensemble
Prerequisite: DANC C120, C257, or equivalent experience.
A course designed to provide performance experience for the beginning/intermediate jazz dancer. Curriculum includes learning, rehearsing, and performing one or more routines. Transfer Credit: CSU; UC

DANCE C141 1.0 Unit
Dance Techniques in Modern Jazz
Prerequisite: DANC C101 or equivalent experience.
Instructor-choreographed course with emphasis on integrating modern jazz techniques including learning, rehearsing, and performing one or more routines. Transfer Credit: CSU; UC

DANCE C160 2.0 Units
Choreography
A course designed to learn the fundamentals of dance composition and experience the process of creating choreographic works. Transfer Credit: CSU; UC

DANCE C162 1.0 Unit
Dance Production
Specifically designed to learn and perform choreography with emphasis on integrating jazz and modern techniques. Also includes, rehearsing, and performing one or more choreographic pieces. Transfer Credit: CSU; UC

DANCE C200 1.5 Units
Dance Appreciation
A lecture course exploring the evolution of dance throughout history and different cultures, and an appreciation for the various elements to observe when viewing dance choreography. Mandatory attendance at minimum of two live dance performances; cost to be paid by student (discounts available). Transfer Credit: CSU and UC

DANCE C256 1.0 Unit
Tap Dance Repertoire
Advisory: Intermediate tap or equivalent experience.
An instructor choreographed course with emphasis on tap dance, includes learning, rehearsing and performing one or more routines. Transfer Credit: CSU; UC

DANCE C257 1.0 Unit
Jazz Repertoire
Advisory: DANC C120 or equivalent experience.
Intermediate level jazz course offering individual instruction in dance technique. Includes learning, rehearsing, and performing various choreographic works. Transfer Credit: CSU; UC

DIGITAL GRAPHICS APPLICATIONS

DIGITAL GRAPHICS APPLICATIONS C110 1.5 Units
Animation I
Advisory: DGA C116A
This course teaches the foundational animation skills. Students will plot, storyboard, and create animations using basic techniques including staging, timing, mechanics and kinetics. Drawing skills, life drawing, storytelling, mechanics of motion and animation camera techniques are covered. Transfer Credit: CSU

DIGITAL GRAPHICS APPLICATIONS C111 3.0 Units
3-D Simulation and Multimedia Using Maya and 3DS
Advisory: DGA C116A
This course teaches foundational animation skills such as 3D modeling, animation, rendering, compositing, visual effects, production, and performance skills. Hands-on training is emphasized. Transfer Credit: CSU
DIGITAL GRAPHICS
APPLICATIONS C116A 3.0 Units
Adobe Photoshop 1
The course will introduce basic tools and techniques to explore the graphic capabilities of Adobe Photoshop. Learn how selection and editing tools are used to manipulate graphics and photographs by duplicating, deleting, replacing, or changing image elements. Create original images and produce multi-layered graphics from existing photographs. Create eye catching display graphics, color correct, and retouch photos. No art background required. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C116B 3.0 Units
Adobe Photoshop 2
Advisory: DGA C116A
This project-based course will focus on the intermediate tools and techniques that expand the graphic capabilities of Adobe Photoshop. Learn how editing tools and actions are used to enhance images and retouch photographs by compositing, deleting, replacing, or changing image elements with filters, masks, channels, and paths. Create original images and produce multi-layered graphics for print and the web. No art background required. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C118A 3.0 Units
Introduction to Adobe Illustrator
This course is primarily designed for the student wishing to master the basics of Adobe Illustrator. Topics covered include the working environment using appropriate tools or filters for illustrations, applying strokes and color fills, creating and editing paths, using layers, transformation effects, and gradients, working with images, and creating basic object shapes. Course is hands-on environment with lecture. No artistic background is required. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C118B 3.0 Units
Adobe Illustrator 2
Advisory: DGA C118A
This course is primarily designed for the student wishing to expand their basic knowledge and enhance their skills using Adobe Illustrator. Topics include using Illustrator’s effect and appearance features, expanded text techniques, special effects filters, stylized palettes, transformation tools, and preparing illustrations for the web. Create impressive illustrations utilizing features such as transparency, text, masking, and shadow & glow effects. Course is hands-on environment with lecture. No artistic background is required. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C120 3.0 Units
Introduction to InDesign
This project-based course will introduce the basic tools and techniques to explore the graphic and type capabilities of Adobe InDesign. Learn how to import and edit text; create and manipulate styles, tables, and graphics; and use effects and blend modes to create multi-page documents, such as letterhead, tri-fold brochures, flyers, and booklets for print and the web. No art background required. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C121 3.0 Units
Introduction to Adobe Premiere
This project-based course will introduce the basic tools and techniques to explore the capabilities of Adobe Premiere in storytelling using video. Learn how to import and edit video and audio; create; and apply transitions, effects, and animations to create movies that can be exported in various formats. No art background required. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C122 3.0 Units
Introduction to After Effects
This project-based course will introduce fundamental techniques used to integrate text, graphics, sound, video, and 2D/3D animation into video projects. Learn the skills used to create compelling digital effects and motion graphics to enhance storytelling and bring a new dimension to the finished video. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C130 3.0 Units
Adobe Web Tech
Introduction to the Web design process including the integrated use of Adobe’s Web design products: Photoshop, Illustrator, Acrobat, and InDesign. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C131 3.0 Units
Digital Photography Using Photoshop
Advisory: Student must have access to or own a digital camera.
This basic, introductory course will teach you how to use a digital camera with Adobe Photoshop Elements to perform the basic image editing techniques to enhance and correct images. Learn basic camera controls, camera support systems, basic lighting techniques, file formats, transfer of files, and saving options. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C166A 3.0 Units
Dreamweaver Basics
To be competitive, web site developers need to stay current in the newest web technology tools. Learn to use Dreamweaver to produce visually appealing web sites with concise editable code while allowing you to use the most advanced features of this web editor. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C166B 3.0 Units
Fireworks
To be competitive, digital graphic developers need to stay current in the newest web technology tools. Learn to use Fireworks to produce professional graphics and animations for digital media projects. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C166C 3.0 Units
Adobe Photoshop Elements
Advisory: DGA C166C
ActionScript is a powerful, object-oriented programming language that signifies an important step in the evolution of the capabilities of the Flash program and player. Design and build rich internet applications using the consistent, industry standard, programming model found in ActionScript and Flash. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C166D 1.5 Units
Character Design
Advisory: ART C121
In this course, students will learn the principles of hand drawn character design as it pertains to the animation, comic book, feature film, and other multimedia entertainment industries. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C168 3.0 Units
Computer Programming with Alice
Introduces both majors and non-majors to the concepts and topics of computer and simulation programming. Students with develop algorithmic thinking and abstraction through the use of a 3-D animation programming environment. This course is designed for beginning programmers, and web developers who need to understand object oriented concepts. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C170 3.0 Units
Introduction to Survey of Multimedia Entertainment
This course will present a survey of the multimedia industry. It will focus on entry-level jobs and responsibilities, career paths, and the necessary skills for success. The regional differences in employment and types of projects and products will be explored. An introduction of the production processes from concept to publication will be researched and discussed. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C171 1.0 Unit
Flash Basics
From basic drawing to simple frame animations to complex video-enhanced materials, learn to build requisite skills with Flash, while allowing creative talent to emerge. Develop projects for the web or digital media projects. Transfer Credit: CSU
DIGITAL GRAPHICS
APPLICATIONS C172 3.0 Units
Introduction to 2-D Animation
The course will demonstrate the principles of traditional 2-D animation. Students will create animation using techniques such as acting, timing, staging, weight, and physics. The course places an emphasis on drawing skills. Work from different studios and productions will be explored. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C174 3.0 Units
Introduction to 3-D Animation
Advisory: DGA C172
In this course students will apply 2-D animation principles to a 3-D platform. Students are introduced to basic 3-D animation concepts such as applying key framing, camera control, and editing. Work from different studios and production will be explored. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C176 3.0 Units
Web Animation
The course uses industry standard animation tools in which the principles of animation are developed for web animation. Students are expected to create one short webisode with sound of at least one minute in length using these tools. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C182 3.0 Units
Simulation Building
Advisory: DGA C174
Students will learn to apply basic design principles to the solution of visual problems using elements of 3-D design. The student will conceptualize his/her intended design from concept into a 3-D environment. The use of primitive shape based design, 3-D coordinate systems and construction of 3-D models will be explored. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C184 3.0 Units
Interface Design
Same as Informatics C184
This course covers the basics of designing media using authoring software and creating animation, interactivity, and basic programming techniques. Emphasis is on interface design and development. Transfer Credit: CSU

DIGITAL GRAPHICS
APPLICATIONS C185 3.0 Units
Interface Design Project
Advisory: DGA C184
Students, working in teams, will design and implement a multimedia entertainment software system, paying particular attention to human computer/interface issues. Transfer Credit: CSU

Digital Graphics
Applications C195
Intro to BioTech Digital Media Design
Advisory: DGA C116A and C118A
This course emphasizes the foundational digital arts skills required to design and create professional media products for the BioTech field. Students will develop conceptual pathways related to interdisciplinary STEAM fields (Science, Technology, Engineering, Art & Math); experiment with mixed digital arts and media, including 3D modeling; and discuss the importance of research, models, and props in the design and execution of the final product. Career options, self-promotion, and practical application of digital media skills will also be discussed. Letter Grade only. Transfer Credit: CSU.

ECOLOGY
ECOLOGY C100 3.0 Units
Human Ecology
Provides students with an understanding of the biological implication of man's interplay with the planet. The course is focused on the biological prospects of the future as viewed by examining the biosphere and biogeochemical cycles. Future predictions and current topics will be analyzed in relationship to planet management. Transfer Credit: CSU; UC

ECONOMICS
ECONOMICS C110 3.0 Units
Contemporary Economic Issues and Problems
(Formerly Economics C100)
Provides an introduction to the basic tools and concepts of economic analysis with an emphasis of applying economic theory to current problems and issues. Topics include scarcity and decision making, supply and demand, and the effects of fiscal and monetary policy as applied to selected problems such as crime and drug control, pollution, taxation, Social Security, healthcare, poverty and income equality, and international trade. Transfer Credit: CSU, UC credit limitations. See counselor.

ECONOMICS C170 3.0 Units
Principles of Microeconomics
(Formerly Economics C185)
Advisory: MATH C030
Prerequisite: MATH C030
This course offers an introduction to the concepts and tools of economic analysis. The course studies price theory including supply and demand, marginal analysis, utility, cost and revenue concepts, perfect and imperfect competition, production and factor markets. Economic principles are applied to the analysis of such problems as industrial organization, the environment, public choice and the distribution of income. Transfer Credit: CSU; UC

EDUCATION
EDUCATION C101 0.5 Unit
Tutor Training
Learn strategies for effective tutoring. Discover how to motivate, foster independence, stimulate active learning, and build confidence in the learner. Identify factors that affect student learning such as language and cultural differences; learn how to handle difficult tutoring situations, and to identify different learning styles. Transfer Credit: CSU

EDUCATION C103 2.0 Units
Introduction to Computers in Education: Technology Proficiencies for Teachers 1
Corequisite: EDUC C104 may be taken at the same time.
Based on the Technology Standard for a California K-12 Preliminary Teaching Credential, this class focuses on the computer proficiencies that credential candidates are required to master before they can be issued a preliminary Multiple or Single Subject Credential. The curriculum and course represent a working partnership between the California Technology Assistance Project (CTAP), Region IX and Coast Community College District’s TEACH Program. Students will complete a portfolio in all the state mandated proficiencies and will receive certification as a Preliminary (Level I) Technology Proficient Educator. Letter Grade Only. Transfer Credit: CSU

EDUCATION C104 1.0 Unit
Introduction to Teaching and Learning in Diverse Contemporary Classrooms
Advisory: Eligibility for ENGL C100.
The course will address the qualities of an effective teacher, components and purposes of an effective professional portfolio, and critical issues in diverse contemporary classrooms. Students will initiate the development of a reflective practitioner workbook, begin their electronic professional portfolio, and learn about their own learning needs and styles. Learning outcomes are aligned to the California Standards for the Teaching Profession and associated teacher performance expectations. Ten hours of arranged fieldwork /observation included. Letter Grade Only. Transfer Credit: CSU; UC
EDUCATION C107 1.0 Unit
Introduction to Distance Learning
Advisory: BC C050 or basic computer skills.
Using the tools and systems of distance learning, students will develop skills that will enable them to successfully complete distance learning programs on their own in the future. This course is a 1.0 unit class that addresses the technical competencies and computer skills needed for distance learning success. Transfer Credit: CSU

EDUCATION C108 1.0 Unit
How to Succeed in Distance Learning
Advisory: EDUC C107 or equivalent experience with computer technology in a distance learning environment.
This course provides an orientation to the characteristics and processes of distance learning. Students will learn the meaning of key terms used in distance education. They will experience the differences between traditional classroom and distance learning courses. They will learn how to anticipate, avoid, and/or solve typical problems encountered in distance learning environments. In addition, students will learn practical strategies and skills that will help them succeed in online, television, CD-ROM, and hybrid classes. Transfer Credit: CSU

EDUCATION C121 2.0 Units
Expert Learning 1
This course focuses on students’ acquisition of expert learner skills in the areas of text comprehension and summarization, note-taking, test-taking, memory tools, graphic organizers, and time management. Transfer Credit: CSU

EDUCATION C122 2.0 Units
Expert Learning 2
Prerequisite: EDUC C121
This course focuses on students’ acquisition of expert learner skills in the areas of textbook reading and comprehension, note-taking, listening skills, and visual notes and study tools. Transfer Credit: CSU

EDUCATION C180 3.0 Units
Family/School/Community Partnerships
A course for prospective teachers about current family, school, and community partnership models and approaches that foster two-way partnerships with families and communities of diverse backgrounds. This course covers historical, legal, social, and political perspectives regarding educational access and equity for diverse student populations found in contemporary classrooms; students learn about building relationships with ethnically and linguistically diverse families and communities along with a focus on socialization, identity development, and the developing child in a societal context. Includes ten hours of arranged fieldwork/focused observations aligned with students’ area of interest (preschool, elementary, middle school, high school). Letter Grade Only. Transfer Credit: CSU

EDUCATION C200 3.5 Units
The Teaching Profession
Advisory: Eligibility for ENGL C100.
Designed for students considering teaching as a career or for those interested in a class that focuses on issues facing teachers and students in today’s schools. The course examines opportunities, requirements, responsibilities, and rewards in teaching as well as skills needed and problems often encountered in the classroom. Additional focus on educational philosophies and sociology of education. Includes tutoring training and 40 hours of assigned fieldwork. Meets the new California Commission on Teacher Credentialing requirement that students who are considering a teaching career have early and frequent opportunities to engage in field experiences that are linked with college/university coursework. Letter Grade Only. Transfer Credit: CSU; UC

ELECTRONICS C101 3.0 Units
Introduction to Electronics with Computer Applications
This class is an introduction to the field of Electronics. It is designed to familiarize the student with the fundamental equations, calculations, and numeric representations used by Engineers and Technicians. Topics covered will include understanding the range of magnitude of numbers (data) and their SI representation in Scientific and Engineering notation. Base conversion of numbers (hex to decimal). Analog to digital (A/D) and digital to Analog (D/A) conversion, Charting and Graphing of data and how to interpret data on different graphs (semi-log, log-log). Transfer Credit: CSU

ELECTRONICS C102 4.0 Units
DC Circuit Analysis
Advisory: MATH C010
Students learn to conduct an experiment using modern tools, collect data, analyze data, and write a report to professional standards. Students learn to analyze DC networks with applied scientific principles. Students develop an understanding of the function of resistors, capacitors, and inductors in a functioning circuit. Students are required to perform computer analysis using modern software tools to validate calculations and experimental results. Transfer Credit: CSU

ELECTRONICS C103 4.0 Units
AC Circuit Analysis
Advisory: ELEC C101 and MATH C010
Students learn to conduct an experiment using modern tools, collect data, analyze data, and write a report to professional standards. Students learn to analyze AC networks with applied scientific principles. Students develop an understanding of the function of resistors, capacitors, and inductors in a functioning circuit. Students are required to perform computer analysis using modern software tools to validate calculations and experimental results. Transfer Credit: CSU

ELECTRONICS C104 3.0 Units
Digital Computer Electronics
Advisory: ELEC C101 and C102
This class is a continuation of the digital logic portion of ELEC C101 and C102 (binary numbers, Logic gates AND / OR). It starts with an introduction to one-bit memory cells (Flip-Flops), comparators, ADDITION and 2’s complement using discreet logic gates (XOR), decision making circuitry, sequential circuits, program counter, instruction sequencing. This class gives the student a “behind the scene look” at what makes every digital computer work. Transfer Credit: CSU

ELECTRONICS C204 4.0 Units
Semiconductor Devices and Circuits
Advisory: ELEC C101, C102, and C103
The student will learn the characteristics of semiconductor devices including diodes, BJTs, and FETs. Biasing and DC and AC load-lines are presented in each of the three configurations -- CB/CG, CE/CS, and CC/CD, followed by analysis and design of amplifier circuits at mid-band with emphasis on input/output impedance and gain. Students learn to design and analyze diode and transistor circuits, simulate test results with a circuit simulation package. Transfer Credit: CSU

ELECTRONICS C210 4.0 Units
Analog Electric Circuit Analysis
Advisory: ELEC C102 and C103 and MATH C010
Students learn to write transfer functions of low, high, and band pass RC filters; phase lead and lag RC networks; and use complex conjugates to separate functions into gain-magnitude and phase components and sketch bode plots on semi-log axes. Write transfer functions of series and parallel RLC resonant circuits and plot their response. Determine h-parameters from device curves and convert them into small signal models to compute input/output RLC impedances. Work with four idealized forms of amplifiers -- VV, VI, IV, and II. Students learn to analyze passive RC, RC, and RLC circuits, simulate test results with EWB or PSpice, set-up test apparatus, and gather data and to prepare technical reports to professional standards. Transfer Credit: CSU

EMERGENCY MANAGEMENT C120 3.0 Units
Disaster Recovery
This course is designed for individuals from both the private and public sector who may be responsible for developing and implementing their organization's emergency recovery team during contingencies. The course will define and discuss short-term restoration and long-term recovery, discuss common restoration and recovery measures and activities and challenges related to this phase of emergency management, and identify recovery planning considerations and key elements of the recovery process. Transfer Credit: CSU

EMERGENCY MANAGEMENT C130 3.0 Units
Hazard Mitigation
This course is designed for individuals from both the private and public sector, who may be responsible for developing and implementing their organization's hazard mitigation strategies, based upon a defined hazard analysis process. This course will review advanced concepts of mitigation, in both the pre and post disaster or man-made occurrence, with an emphasis on strategy development. Transfer Credit: CSU

EMERGENCY MANAGEMENT C140 3.0 Units
Crisis Response for Responders (CRR)
An introduction to crisis response for first responders of an emergency or significant incident or event. This course will assist those who are assisting people in the immediate aftermath of a disaster or other type of tragedy. Students will learn how to reduce initial stress, gather information, debrief, and produce an environment of connectedness to empower communities to heal in the recovery process. It is an organized approach to supporting emergency first responders who are involved in emergency operations under stress. The purpose of debrief is to mitigate long-term emotional trauma following the incident. Transfer Credit: CSU

INFORMATICS C131 3.0 Units
Human Computer Interaction
An introduction to human-computer interaction with an emphasis placed on user interface design. Students learn about Human Computer Interaction (HCI) theory, guidelines for effective interface design, and the evaluation of user interfaces. Transfer Credit: CSU

INFORMATICS C132 3.0 Units
Project in Human Computer Interaction and User Interfaces
A project based course in which students, working in teams, will design and implement new software/web based systems, paying particular attention to human computer interface issues. Transfer Credit: CSU

INFORMATICS C141 4.0 Units
Informatics Core Course I
Advisory: INFM C141
Fundamental concepts of computer software design and construction that includes data, algorithms, functions, and abstractions. Overview of computer systems: data representation, architectural components, operating systems, and networks. Introduction to information systems: parties involved architectural alternatives, usability, and organizational and social concerns. Transfer Credit: CSU

INFORMATICS C142 4.0 Units
Informatics Core Course II
Advisory: INFM C141
This course introduces object-oriented programming concepts and techniques classes, objects, inheritance, interfaces, formal languages, automata, and the Java programming language. It introduces additional data structures (hash tables and balanced trees) and explores the basis for making tradeoffs and design decisions among alternative data structures and implementations. Transfer Credit: CSU

INFORMATICS C143 4.0 Units
Informatics Core Course III
Advisory: INFM C141 and C142
This course describes the development pitfalls for large-scale software systems, explores the tools and techniques available to facilitate development and enhance quality, and provides students with the opportunity to apply these tools and techniques to a problem of significant size. Transfer Credit: CSU

INFORMATICS C144 1.0 Unit
Seminar in Informatics Research Topics
Advisory: INFM C141, C142, and C143.
This seminar course explores the current research topics in Informatics. Experts, faculty members, and student team's present topics related to software/interface design, programming and interface design. Transfer Credit: CSU
INFORMATICS C168 1.5 Units
Introduction/Survey of Multimedia Entertainment
This course will present a survey of the multimedia industry. It will focus on entry-level jobs and responsibilities, career paths, and the necessary skills for success. The regional differences in employment and types of projects and products will be explored. An introduction of the production processes from concept to publication will be researched and discussed. Transfer Credit: CSU

INFORMATICS C171 1.0 Unit
Computer Programming with Alice
This course introduces both majors and non-majors to the concepts and topics of computer and simulation programming. Students with develop algorithmic thinking and abstraction through the use of a 3-D animation programming environment. This course is designed for beginning programmers, and web developers who need to understand object oriented concepts. Transfer Credit: CSU; UC

INFORMATICS C176 3.0 Units
Web Animation
The course uses industry standard animation tools in which the principles of animation are developed for web animation. Students are expected to create one short webisode with sound of at least one minute in length using these tools. Transfer Credit: CSU

INFORMATICS C182 3.0 Units
Simulation Building
Advisory: DGA C174
Students will learn to apply basic design principles to the solution of visual problems using elements of 3-D design. The student will conceptualize his/her intended design from concept into a 3-D environment. The use of primitive shape based design, 3-D coordinate systems and construction of 3-D models will be explored. Transfer Credit: CSU

INFORMATICS C184 3.0 Units
Interface Design
Same as DGA C184
This course covers the basics of designing media using authoring software and creating animation, interactivity, and basic programming techniques. Emphasis is on interface design and development. Transfer Credit: CSU

INFORMATICS C185 3.0 Units
Interface Design Project
Advisory: INFM C184
Students, working in teams, will design and implement a multimedia entertainment software system, paying particular attention to human computer/ interface issues. Transfer Credit: CSU

INFORMATION AND COMPUTER SCIENCE
(Also, see courses listed under COMPUTER INFORMATION SYSTEMS)

INFORMATION AND COMPUTER SCIENCE C1233.0 Units
Fundamental Data Structures
Prerequisite: INFM C141 and C142, PHIL C115; ENGL C100 with a “C” or better grade.
An introduction to computer science that is primarily concerned with the topic of data structures: what various ones are and how they are used, and the pros and cons, in terms of execution time and memory usage, of choosing one over another. Transfer Credit: CSU; UC

INFORMATION AND COMPUTER SCIENCE C1413.0 Units
Concepts of Programming Languages 1
Prerequisite: INFM C141, C142, and C144; ICS C123; PHIL C115; ENGL C100 with a “C” or better grade.
Explore a broad range of approaches to programming, the technical principles and characteristics of different programming languages, and the issues that programming language designers must consider. Transfer Credit: CSU; UC

MARINE SCIENCE
MARINE SCIENCE C100 3.0 Units
Introduction to Marine Science
A general study of the marine environment. Examines the chemical, biological and geological properties of the sea, the sea as a natural resource and its geo-political and economic impact. Transfer Credit: CSU; UC

MARINE SCIENCE C100L 1.0 Unit
Marine Sciences Oceanography Laboratory
Corequisite: MRSC C100 or taken previously.
An orientation to marine science research process, techniques, equipment, institutions, and training/education centers. Investigations of physical and chemical properties of the sea, conditions of the air/sea/land interface, review of biological taxonomy and classification, study of longitude, latitude, ocean basin geography and geology. Evaluation of the sea as a physical, chemical biological and recreational resource. Analyses of human efforts to control pollution manage fisheries and monitor the ocean world. Transfer Credit: CSU

MATHEMATICS
MATHEMATICS C004 0.5 Unit
Math Skills 1
An individualized, self-paced, computerized math program designed to develop, improve, or refresh math skills for college placement exams, job placement, or general math usage. The student will complete a diagnostic assessment at the first session. (NOT APPLICABLE TO A.A. DEGREE)

MATHEMATICS C005 3.0 Units
Beginning Mathematics
Advisory: Take Math placement test.
Fundamental operations of arithmetic including operations on whole numbers, fractions, decimals, percents, and descriptive statistics, geometry, and consumer applications. (NOT APPLICABLE TO A.A. DEGREE)

MATHEMATICS C006 0.5 Units
Math Skills 2
An intermediate self-paced, computerized math program designed to develop, improve, or refresh math skills for college placement exams, job placement, or general math usage. The student will complete a diagnostic assessment at the first session. (NOT APPLICABLE TO A.A. DEGREE)

MATHEMATICS C007 3.0 Units
Business Mathematics
Business Mathematics provides a practical, up-to-date coverage of widely-used topics in business including basic math, bank services, payroll, discounts and markups, simple and compound interest, stocks and bonds, consumer loans, taxes and insurance, depreciation, financial statements, and business statistics. (NOT APPLICABLE TO A.A. DEGREE)

MATHEMATICS C008 3.0 Units
Pre-Algebra
Prerequisite: MATH C005 or MATH C007 with a grade of “C” or better or achieve qualifying score on Math placement test.
Introduction to algebraic expression and linear equations with an emphasis on the arithmetic of integers, fractions, decimal numbers, and rules of exponents. Applications include ratios, percentages, and graphs. (NOT APPLICABLE TO A.A. DEGREE)

MATHEMATICS C010 4.0 Units
Elementary Algebra
Prerequisite: MATH C008 with a grade of “C” or better or achieve qualifying score on Math placement test.
Numerical and algebraic operations, number systems, linear and quadratic equations/inequalities, polynomials, factors, roots and exponents, and applications.

MATHEMATICS C020 3.0 Units
Plane Geometry
Prerequisite: MATH C10 with a grade of “C” or better or achieve qualifying score on Math placement test.
Construction, congruence, proof, geometric inequalities, parallel lines, perpendicular lines, planes, coordinate geometry, circles and similarity.

MATHEMATICS C030 4.0 Units
Intermediate Algebra
Prerequisite: MATH C010 with a grade of “C” or better or achieve qualifying score on Math placement test.
Review of elementary algebra, linear and quadratic equations, curve plotting, exponents, radicals, polynomials, systems of equations/inequalities, nonlinear equations, logarithmic and exponential functions, complex numbers, and applications.

Mathematics C045 6.0 Units
Accelerated Algebra
Prerequisite: MATH C008 with a grade of “C” or better or achieve qualifying score on Math placement test.
Numerical and algebraic operations, number systems, linear and quadratic equations/inequalities, exponents, polynomials, radicals, curve plotting, systems of equations/inequalities, nonlinear equations, logarithmic and exponential functions, complex numbers, and applications.

MATHEMATICS C070 5.0 Units
Intermediate Algebra and Trigonometry
Prerequisite: MATH C010 with a grade of “C” or better, or achieve qualifying score on Math placement test.
Advisory: MATH C020 with a grade of “C” or better.
Topics covered will be functions, linear and quadratic equations curve sketching, exponents, rational expressions, rational exponents, logarithms, systems of equations, determinants, Cramer’s rule, conic sections, trigonometric and inverse trigonometric triangles, and complex numbers. This is an intense and fast-paced course designed for students intending to continue into pre-calculus.

MATHEMATICS C080 0.5 Unit
Math Assessment for Student Success
An individualized assessment course to determine current math skill level. Emphasis will be on short term, computerized, prescriptive development in math as preparation for the college math placement test or for pre-employment mastery of math. (NOT APPLICABLE TO A.A. DEGREE)

MATHEMATICS C100 3.0 Units
Liberal Arts Mathematics
Prerequisite: MATH C030 with a grade of “C” or better or achieve qualifying score on Math placement test.
This course will focus on the mathematics involved in current issues, topics and applications that directly affect students’ lives. Topics may include personal finance, environmental issues, the social sciences, politics and voting, business and economics, graph theory, fractals, art, and music. Transfer Credit: CSU
MATH 103 3.0 Units
Statistics for Elementary Teachers
Prerequisite: MATH C030 with a grade of “C” or better or achieve qualifying score on Math placement test.
This course is designed for prospective teachers. It is an activity-based exploration of statistics aligned with the California State Mathematics Standards for K–12. Topics include data representation and analysis, randomization and sampling, measures of central tendency and dispersion, hypothesizing, and statistical inference. Letter Grade Only. Transfer Credit: CSU

MATH 104 3.0 Units
Mathematics for Elementary Teachers
Prerequisite: MATH C030 with a grade of “C” or better or achieve qualifying score on Math placement test.
This course will build fluency and understanding of basic mathematical concepts and develop reasoning, problem-solving, and communicating skills. The course involves using technology, participating in group work and projects, and observing and/or teaching in local elementary schools. Topics covered include whole numbers, integers, rational numbers, real numbers, number theory, ratio, and proportion. Letter Grade Only. Transfer Credit: CSU; UC

MATH 106 3.0 Units
Geometry for Elementary Teachers
Prerequisite: MATH C030 with a grade of “C” or better or achieve qualifying score on Math placement test.
This course will build fluency and understanding of basic mathematical concepts and develop reasoning, problem solving, and communicating skills. The course involves using technology, participating in group work and projects, and observing and/or teaching in local elementary schools. Topics covered include data analysis, probability, geometry, measurement, algebra, and coordinate geometry. Letter Grade Only. Transfer Credit: CSU; UC

MATH 115 4.0 Units
College Algebra
Prerequisite: MATH C030 with a grade of “C” or better or achieve qualifying score on Math placement test.
Basic concepts of algebra, equations and inequalities along with functions and graphs, polynomial and rational functions, exponential and logarithmic functions, systems, matrices and the determinants, linear programming, conic sections, sequences, series, and combinatorial. Transfer Credit: CSU; UC

MATH 120 3.0 Units
Trigonometry
Prerequisite: MATH C030 with a grade of “C” or better or achieve qualifying score on Math placement test.
Advisory: MATH C020
Circular functions, trigonometric identities and graphs, inverse functions, triangles, vectors, applications, and imaginary and complex numbers. Transfer Credit: CSU

MATH 140 4.0 Units
Business Calculus
Prerequisite: MATH C115 or C170 with a grade of “C” or better or achieve qualifying score on Math placement test.
For Business, Management, and Social Science majors. Functions, graphs, limits, continuity, derivatives, and integrals of exponential and logarithmic functions, the Chain Rule, multivariable functions, differential equations, and applications. Transfer Credit: CSU; UC

MATH 150 4.0 Units
Finite Mathematics with Applications
Prerequisite: MATH C030 with a grade of “C” or better or achieve qualifying score on Math placement test.
Topics include sets, logic, number bases, number theory, mathematical systems, equations, graphs, probability, statistics, matrices, Markov chains, and game theory, with applications. Transfer Credit: CSU; UC

MATH 160 4.0 Units
Introduction to Statistics
Prerequisite: MATH C030 with a grade of “C” or better or achieve qualifying score on Math placement test.
Topics covered include collecting of data, sampling, probability, hypothesis testing, analyzing of variance, nonparametric testing, and correlating for application in the natural sciences, social sciences, business, and management. Use of statistical technology will be introduced. Transfer Credit: CSU; UC

MATH 170 5.0 Units
Precalculus
Prerequisite: MATH C120 with a grade of “C” or better or achieve a qualifying score on Math placement test.
Topics include algebra review, complex numbers, sequences and series, polynomial, rational, exponential, logarithmic, and trigonometric and inverse functions, vectors, analytic geometry, linear systems, matrices, elementary theory of equations, and polar coordinates. This course is designed for those students planning to study calculus. Transfer Credit: CSU; UC

MATH 180 5.0 Units
Calculus 1
Prerequisite: MATH C120 or C170 with a grade of “C” or better or achieve a qualifying score on Math placement test.
A first course in the calculus sequence. It satisfies the requirement for majors in mathematics, science, or engineering. Topics include limits, derivatives of algebraic and transcendental functions, applications of derivatives, indefinite integrals, definite integrals, the Fundamental Theorem of Calculus, and applications of integration. Transfer Credit: CSU; UC credit limitations. See counselor.

MATH 185 5.0 Units
Calculus 2
Prerequisite: MATH C180 with a grade of “C” or better or achieve a qualifying score on Math placement test.
Second course in the calculus sequence. It satisfies the requirement for majors in mathematics, science, or engineering. Topics include techniques and applications of integration, calculus applied to parametric curves and polar curves, analytic geometry, sequences, series, and an introduction to differential equations. Transfer Credit: CSU; UC

MUSIC 100 3.0 Units
History and Appreciation of Music
The study of the major genres, forms, styles, and periods of musical history since the Middle Ages with an emphasis on listening with an increased awareness of the musical material of the composers and characteristics of each period. Transfer Credit: CSU; UC

MUSIC 103 3.0 Units
World Music
This course will give the student an appreciation of the elements of music through recorded or performed examples from each of the continents of the world. Emphasis is given to the music of the Americas, Asia, and Africa, and the folk music of Europe, as well as the primary composers of the Western classical tradition. Transfer Credit: CSU

MUSIC 110 2.0 Units
Beginning Guitar
Prerequisite: Must have own acoustic or electric guitar.
For the beginning player, or a player with no prior professional instruction. Studies include basic chord forms, scales and music theory. Focus is on music styles of the last 40 years and is very “rock” oriented. Students learn songs of their choice as part of the curriculum. Student must provide own acoustic or electric guitar. Daily practice is necessary for satisfactory progress. Transfer Credit: CSU; UC
MUSIC C131 2.0 Units
Intermediate Guitar
Prerequisite: Must have own acoustic or electric guitar.
Advisory: MUS C130
Continuation of MUS C130 or placement at instructor's discretion. Studies include advanced chord forms, modes, diatonic music theory, improvisation and song analysis. Focus is on music styles of the last 40 years and is very rock oriented. Students learn songs of their choice as part of the curriculum. Student must provide own acoustic or electric guitar. Daily practice is necessary for satisfactory progress. Transfer Credit: CSU; UC

MUSIC C139 3.0 Units
(Formerly Music C105)
History of Rock Music
An overview of the social and musical characteristics of music in the Rock and Roll era, 1950's through the present, with emphasis on its impact on American culture today. Multimedia collections will be used. Transfer Credit: CSU; UC

MUSIC C143 3.0 Units
(Formerly Music C106)
History of Jazz
An overview of the social and musical characteristics of music in the Jazz era from the early 20th century to the present, with an emphasis on its impact on American culture and the world. An appreciation of Jazz History will be achieved through compact discs, videos, live performances, and multimedia. Transfer Credit: CSU; UC

Learn the methods and procedures of statutory and case law analysis, including proper briefing and persuasive writing techniques. Transfer Credit: CSU

LAW C120 3.0 Units
Legal Research
Advisory: LAW C100 or C127; C118, and C128
Course in legal research methods and writing by examination and analysis of the law, written legal memoranda, and supervised library assignments. Students will have a working knowledge of statutory and case law, secondary sources, and computerized research techniques. Transfer Credit: CSU

LAW C121 4.0 Units
Legal Research/CALR
Advisory: LAW C100, C105 and C118.
Course in legal research methods and writing by examination and analysis of the law, written legal memoranda, and supervised library assignments. Students will have a working knowledge of statutory, case law, secondary source research techniques, and computer assisted legal research. Transfer Credit: CSU

LAW C122 1.0 Unit
Computer Assisted Legal Research
Prerequisite: LAW C120 or concurrent enrollment.
Advisory: LAW C118
This course is a continuation of LAW C120, solving legal research problems with computer assisted legal research resources. Transfer Credit: CSU

LAW C126 3.0 Units
Legal Aspects of Health Care Administration
This course introduces students to the legal and ethical issues that affect the health care industry, health care providers, and health care managers. It covers all related topics such as tort law, criminal aspects of health care, patient confidentiality, release of medical information, informed consent, corporate and personal liability, and medical malpractice. Special emphasis is placed on the procedures that protect the security of health care data. Transfer Credit: CSU

LAW C127 3.0 Units
Legal Procedure 1
Knowledge and skills required of paralegals and legal assistants, including procedures and functions in the court structure and litigation procedures including personal injury and general civil cases, probate, family law, dissolution, adoption, and bankruptcy. Transfer Credit: CSU

LAW C128 3.0 Units
Legal Procedure 2
Advisory: LAW C127 or concurrent enrollment.

PHYSICAL EDUCATION

PHYSICAL EDUCATION C101 1.0 Unit
Personal Fitness and Wellness
Individualized program of exercise, fitness, stress control and body weight control to improve muscle strength, endurance, flexibility, and overall physical fitness to achieve and maintain a healthy lifestyle. Transfer Credit: CSU; UC

PHYSICAL EDUCATION C102 0.5 - 1.0 Unit
Lifeline Fitness
Individualized program for adults to achieve and maintain physical fitness. Transfer Credit: CSU; UC. See counselor.

PHYSICAL EDUCATION C115 0.5 - 1.0 Unit
Tai Chi Beginning
A focus on movement, balance, and concentration for greater health and well-being. Transfer Credit: CSU; UC. See counselor.

PHYSICAL EDUCATION C116 0.5 - 1.0 Unit
Tai Chi Intermediate
Advisory: PE C115
An intermediate level of Tai Chi skills including movement, balance, and concentration. Transfer Credit: CSU; UC. See counselor.

PHYSICAL EDUCATION C118A 0.5 - 1.5 Units
Introduction to Yoga 1
An overview course in yoga, the integrated study of health and movement. It includes breathing techniques, yoga postures, meditation, and relaxation. Emphasis is on practicing the principles of breathing and deep relaxation to reduce stress as well as practicing the postures to improve flexibility, balance, and strength. The first segment of a two-part course. Transfer Credit: CSU; UC. credit limitations. See counselor.

PHYSICAL EDUCATION C118B 0.5 - 1.5 Units
Introduction to Yoga 2
An overview of yoga, which is an integrated study of health. It includes breathing techniques, yoga postures, meditation, and relaxation. Emphasis is on practicing the principles of breathing and deep relaxation to reduce stress as well as practicing the postures to improve flexibility, balance, and strength. The second segment of a two-part course. Transfer Credit: CSU; UC. credit limitations. See counselor.

PHYSICAL EDUCATION C119A 0.5 - 1.5 Units
Hatha Yoga 1
Designed to teach a variety of yoga postures. Breathing, concentration/meditation and relaxation techniques will be presented as a method of personal development encompassing body, mind, and spirit. The first segment of a two-part course. Transfer Credit: CSU; UC credit limitations.

PHYSICAL EDUCATION C119B 0.5 - 1.5 Units
Hatha Yoga 2
Designed to teach a variety of beginning and intermediate yoga postures. Breathing, concentration/meditation and relaxation techniques will be presented as a method of personal development encompassing body, mind, and spirit. Transfer Credit: CSU; UC credit limitations.

Power Yoga 1
Power Yoga is an ancient Eastern practice, connecting movement using mind, body, and breathing practice. The course focuses on dynamic movement that keeps the body strong, flexible, and relaxed. The first segment of a two-part course. Transfer Credit: CSU; UC. credit limitations. See counselor.

PHYSICAL EDUCATION C121B 0.5 - 1.5 Units
Power Yoga 2
Power Yoga is an ancient Eastern practice, connecting movement using mind, body and breathing practice. The course focuses on dynamic movement to keep the body strong, flexible and relaxed. The second segment of a two-part course. Transfer Credit: CSU; UC. credit limitations. See counselor.

PHYSICAL EDUCATION C126A 0.5 - 1.5 Units
Relaxation Movements 1
The students will participate in a variety of techniques from various Eastern healing traditions which can include Hatha Yoga, Qigong, Taij Chi (Tai Chi) that are designed to improve quality of life on all levels-physical, emotional, and spiritual. Breathing, concentration/meditation, self-massage, gentle flowing movement, strengthening poses, and relaxation techniques will be presented. The first segment of a two-part course. Transfer Credit: CSU; UC.

PHYSICAL EDUCATION C169A 0.5 - 1.5 Unit
Self-Defense Arts
The first segment of a two-part course. The student will participate in and sample a variety of techniques from various Martial Arts, which can include Aikido, Judo, Jujitsu, Karate, and Hawaiian Lua that are designed to increase self-awareness, confidence, and assertiveness when faced with a physical confrontation. The Laws of Self-Defense will also be covered in the course. Transfer Credit: CSU.

PHYSICAL EDUCATION C169B 0.5 - 1.5 Unit
Self-Defense Arts Part 2
The second segment of a two-part course. The student will participate in and sample a variety of techniques from various Martial Arts, which can include Aikido, Judo, Jujitsu, Karate, and Hawaiian Lua, that are designed to increase self-awareness, confidence, and assertiveness when faced with a physical confrontation. The Laws of Self-Defense will also be covered in the course. Transfer Credit: CSU.

PHYSICAL EDUCATION C190 3.0 Units
Physiology of Exercise
This course is designed for the student who has an interest in health, wellness, fitness, or sports, or who is planning a career in the fitness industry. This course will cover the basic principles and functions of the three main systems of the body: cardiovascular-respiratory system, metabolic system, and neuromuscular system. Emphasis will be placed on the body’s response to exercise conditioning. Transfer credit CSU, UC

PHYSICAL EDUCATION C190L 1.0 Unit
Physiology of Exercise Lab
Advisory: PE C190
An introduction to techniques and analysis used to determine the body’s responses, adjustments, and adaptations to physical activity. Students will be assigned various lab activities that demonstrate the main concepts of exercise physiology. Students will demonstrate an understanding of the scientific processes of neurological, cardiovascular, respiratory, muscular, and metabolic systems. Transfer Credit: CSU.

PHYSICS

PHYSICS C110 3.0 Units
Conceptual Physics
Advisory: MATH C010 and C020
Discusses the fundamental laws of nature: mechanics, Newton’s Laws, energy, momentum, rotational dynamics, gravity, properties of 3 states of matter, heat and thermodynamics, harmonic motion, waves, and sound. Other topics will be selected from electricity and magnetism, light, and modern physics. Transfer Credit: CSU; UC.

PHYSICS C110L 1.0 Unit
(Formerly Physics C111)
Conceptual Physics Lab
Prerequisite: PHYS C110 or concurrent enrollment.
Advisory: MATH C010 and C020
Introductory Physics Laboratory to complement PHYS C110. This course utilizes lectures and demonstrations to present various principles of physics in a non-mathematical manner as discussed in PHYS C110. Transfer Credit: CSU; UC.
PHYSICS C120 4.0 Units  
Algebra Based Physics: Mech  
Corequisite: MATH C120 or achieving qualifying score on Math Placement Test.  
Advisory: PHYS C110 or concurrent enrollment.  
The course covers mechanics, heat, and sound. It satisfies the physics requirement of biological science programs (except University of California Programs) and technical programs, except physics, chemistry, or engineering. It satisfies requirements as liberal arts elective. Transfer Credit: CSU

PHYSICS C125 4.0 Units  
Algebra Based Physics: Elec/Mag  
Prerequisite: PHYS C120  
The course covers electricity, magnetism, light/optics and modern physics. It satisfies the physics requirement of biological science programs and technical programs, except physics, chemistry, or engineering. It satisfies requirements as liberal arts elective. Transfer Credit: CSU; UC

PHYSICS C185 4.0 Units  
Calculus Based Physics: Mech  
Prerequisite: MATH C180  
Advisory: MATH C185, PHYS C110  
The course covers mechanics, heat and sound. Topics include kinematics and dynamics in one and two-dimensions, Newton's Laws of Motion, Energy and Momentum, conservation principles, rotational motions, elasticity, Hook's Law, simple harmonic motion, wave behavior, interference and standing waves, properties of fluids, Pascal's principle and Bernoulli's principle, temperature, heat, calorimetry, the Gas Laws, and the Laws of Thermodynamics. Transfer Credit: CSU; UC

PHYSICS C280 4.0 Units  
Calculus Based Physics: Electricity and Magnetism  
Prerequisite: PHYS C185 and MATH C185.  
The course covers electricity and magnetism. Topics include electric fields, Gauss's Law, electric potential, capacitance and dielectrics, current and resistance, direct current circuits, magnetic fields, sources of the magnetic fields, Faraday's Law, inductance, alternating current circuits, and electromagnetic waves. Lecture and Lab. Transfer Credit: CSU

PHYSICS C285 4.0 Units  
General Physics: Light and Modern Physics  
Prerequisite: MATH C185 and PHYS C185 or C280.  
The course covers light, optics, and modern physics. Topics include nature of light and laws of geometric optics, image formation, and interference of light waves, diffraction patterns and polarization, relativity, introduction to quantum physics, quantum mechanics, atomic physics, molecules, and solids. Transfer Credit: CSU

POLITICAL SCIENCE  

POLITICAL SCIENCE C101 3.0 Units  
(Formerly Political Science C110)  
Survey of Current Issues  
Advisory: Read the U.S. Constitution prior.  
An analysis of crucial current political issues in American society and the world. This course will focus on defining key problems facing modern society and potential resolutions. Students will learn how to evaluate contemporary issues in an informed manner and construct arguments based upon reliable data and appropriate political science theory. Transfer Credit: CSU; UC

POLITICAL SCIENCE C140 3.0 Units  
Politics of the Middle East  
An introduction to the principles and problems of government, with particular attention to the American political system at all levels. Emphasis is on the human factor in politics and the realities of government at work. This course satisfies the state college requirement on the Constitution of the United States and California State and local government. Transfer Credit: CSU; UC

POLITICAL SCIENCE C180 3.0 Units  
American Government  
An introduction to the principles and problems of government, with particular attention to the American political system at all levels. Emphasis is on the human factor in politics and the realities of government at work. Transfer Credit: CSU; UC

POLITICAL SCIENCE C185 3.0 Units  
(Formerly Political Science C130)  
Comparative Politics  
This class provides a comparative analysis of governments in various regions of the world, including Latin America, Asia, Europe, Africa, and the Middle East by examining the differences in the structures and functions of major political systems, including democratic, communist, and monarchial types of governance. Transfer Credit: CSU; UC

PROCESS TECHNOLOGY  

TECHNOLOGY C110 3.0 Units  
Introduction to Process Technology  
Introduction to Process Technology provides an overview of various process industries (oil and gas, chemical, mining, power generation, pulp and paper, water and waste water treatment, food and beverage, and pharmaceutical), basic chemistry, basic physics, safety, health, environment and security, quality, teams, process drawings, and process equipment. Transfer Credit: CSU

TECHNOLOGY C111 3.0 Units  
Health, Safety, and Environment  
Advisory: PTEC C110  
The purpose of this course is to provide an introduction into the field of Safety, Health, and Environment within the process industry. Within this course, students will be introduced to various types of plant hazards, safety and environmental systems, equipment, and regulations under which plants are governed. Transfer Credit: CSU

TECHNOLOGY C112 1.5 Units  
Quality Management  
The purpose of this course is to provide an introduction to the field of Quality within the process industry. Within this course students will be introduced to many process industry-related quality concepts, including operating consistency, continuous improvement, plant economics, team skills, and statistical process control (SPC). Transfer Credit: CSU

TECHNOLOGY C113 3.0 Units  
Process Technology I: Equipment  
Advisory: PTEC C110  
The purpose of this course is to provide an introduction to the field of equipment within the process industry. Within this course, students will be introduced to many process industry-related equipment concepts including purpose, components, operation, and the Process technician's role for operating and troubleshooting the equipment. Transfer Credit: CSU

TECHNOLOGY C114 3.0 Units  
Process Technology II: Systems  
Advisory: PTEC C113  
The purpose of this course is to study the interrelation of process equipment and process systems. Students will be able to arrange process equipment into basic systems, describe the purpose and function of specific process systems, explain how factors affecting process systems are controlled under normal conditions, and recognize abnormal process conditions. Transfer Credit: CSU

TECHNOLOGY C115 3.0 Units  
Process Control II: Operations  
Advisory: PTEC C114  
The purpose of this course is to provide an introduction to the field of operations within the process industry. Within this course, students will use existing knowledge of equipment, systems, and instrumentation to understand the operation of an entire unit. Students study concepts related to commission, normal startup, normal operations, normal shutdown, turnarounds, and abnormal situations as well as the process technician's role in performing the tasks associated with these concepts within an operating unit. Transfer Credit: CSU

TECHNOLOGY C116 3.0 Units  
Instrumentation I  
Advisory: PTEC C115  
The purpose of this course is to study the interrelation of instrumentation used in the petrochemical and refining industries. Students will be able to identify instrumentation loops and explain how industrial processes are controlled by instruments and loops. Transfer Credit: CSU
The advanced instrumentation used in the petrochemical and refining industries. Students will be able to select instrumentation loops and describe industrial processes controls. Transfer Credit: CSU

**PROCESS**

**TECHNOLOGY C117** 3.0 Units

**Instrumentation II**

Advisory: PTEC C116

The purpose of this course is to study on-the-job practices through individualized Work Based Learning. Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.

To enhance each Work Based Learning participant’s opportunity for success in the field of Process Technology by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student’s career or occupational goal in Process Technology. Transfer Credit: CSU

**TECHNOLOGY C281** 1.0 Unit

Work Based Learning

Prerequisite: Be employed or volunteer in a field related to Process Technology for 5 hours per week per 1.0 unit of Work Based Learning.

Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.

To enhance each Work Based Learning participant’s opportunity for success in the field of Process Technology by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student’s career or occupational goal in Process Technology. Transfer Credit: CSU

**TECHNOLOGY C282** 2.0 Units

Work Based Learning

Prerequisite: Be employed or volunteer in a field related to Process Technology for 5 hours per week per 1.0 unit of Work Based Learning.

Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.

To enhance each Work Based Learning participant’s opportunity for success in the field of Process Technology by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student’s career or occupational goal in Process Technology. Transfer Credit: CSU

**TECHNOLOGY C283** 3.0 Units

Work Based Learning

Prerequisite: Be employed or volunteer in a field related to Process Technology for 5 hours per week per 1.0 unit of Work Based Learning.

Corequisite: Be enrolled in a total of 7.0 units including Work Based Learning.

To enhance each Work Based Learning participant’s opportunity for success in the field of Process Technology by bridging the gap between educational theory and on-the-job practices through individualized performance objectives related to the student’s career or occupational goal in Process Technology. **PSYCHOLOGY**

**PSYCHOLOGY C100** 3.0 Units

**Introduction to Psychology**

Fundamentals of human psychology. Using a scientific approach to the study of human behavior, this course examines and integrates physiological, intrapsychic, and social/behavioral perspectives on human thought and behavior. Major units include biological bases of behavior, sensation, perception, motivation, learning and memory, maturation and development, personality, and social psychology. Transfer Credit: CSU; UC

**PSYCHOLOGY C116** 3.0 Units

(Formerly Psychology C115)

**Child Growth and Development**

Examination of human development from conception through adolescence. Includes the biological, psychological, and socio-cultural aspects of the maturation process. Letter Grade Only. Transfer Credit: CSU; UC

**PSYCHOLOGY C118** 3.0 Units

**Life Span Development Psychology**

This course offers an engaging look at human development across the life span, paying particular attention to the biological, cognitive, and psychosocial processes that people experience as they adapt to life circumstances. Transfer Credit: CSU; UC

**PSYCHOLOGY C165** 3.0 Units

(Formerly Psychology C148)

**Principles of Human Sexuality I**

Advisory: ENGL C099 or eligibility for English composition (ENGL C100). An interdisciplinary analysis of the biological, statistical, psychological and emotional aspects of human sexual behavior. Emphasis on sexual patterns, sexual identity, physiological and biological processes, reproduction, and object choice. Transfer Credit: CSU; UC

**PSYCHOLOGY C170** 3.0 Units

**Psychology of Aging**

Advisory: SOC C120

Investigates the lifespan of adults - career choices and changes, marriage, relationships, family issues, aging parents, and retirement. Opportunities and challenges for retirees and the elderly to explore the potential for longer, healthier lives. Transfer Credit: CSU; UC credit limitations. See counselor.

**PSYCHOLOGY C250** 3.0 Units

Psychobiology

Prerequisite: PSYC C100

Advisory: ENGL C099 or eligibility for English composition (ENGL C100) and ENGL C096 or ability to read a college-level text, as measured by the placement test.

This course will provide an introduction to how the brain and nervous system influence our thinking and behavior. Students will examine neuroanatomy of the brain, the neuron, the peripheral and central nervous systems, and the endocrine system. Students will study the five major senses, perception, and higher cognitive processes. Students will understand how these nervous system components contribute to basic biological functions (e.g., sleep, wakefulness, and drive states), feelings, memory, movement, language, thinking, and behavioral actions. Transfer Credit: CSU; UC

**PSYCHOLOGY C255** 3.0 Units

(Formerly Psychology C120)

**Abnormal Psychology**

Prerequisite: PSYC C100

An introduction to emotional and mental disorders from a biological, socio-cultural, and psychological approach. The course covers the field’s historical approaches and the range of psychological disorders as well as their symptoms, treatment, and the prevention of mental problems. Transfer Credit: CSU; UC

**PSYCHOLOGY C260** 3.0 Units

**Social Psychology**

Advisory: ENGL C099 or eligibility for English composition (ENGL C100) and ENGL C096 or ability to read a college-level text, as measured by the placement test.

The scientific study of the influence of the group on an individual’s mental processes and behavior. Topics include self-perceptions, attitudes and behavior, group influence and persuasion, attraction and relationships, stereotypes, prejudice, discrimination, aggression, belonging, helping, and the application of social psychology to law, health, and business. Transfer Credit: CSU

**PSYCHOLOGY C280** 4.0 Units

**Introduction to Research Methods in Psychology**

Prerequisite: PSYC C100 and MATH C160 or concurrent enrollment in MATH C160

Advisory: ENGL C100

This course introduces to students psychological research methods and critical analysis techniques that may be applied to diverse research studies and issues. Transfer Credit: CSU; UC
**Purchasing**

**See Supply Management**

**Real Estate**

**Real Estate C100 3.0 Units**

**Real Estate Principles**

This is an introductory course in California real estate business. Topics covered include the following: contracts, manner of holding title to real property, escrow, basic appraisal understanding, marketing, financing, property management, and many other topics. This course is one of three required for the State of California real estate license exams.

**Real Estate C105 3.0 Units**

California Mortgage Loan Brokering and Lending

Advisory: RE C100

Introduces student to Mortgage Brokering operations including office setup, loan processing by computer, lending regulations, types of loans, A to D paper, loan submission, quality control, ROG credit scoring, and loan packaging and shipping. Transfer Credit: CSU

SPAN C160A is the first part of SPAN C160. It is designed to enrich the communication skills of the Spanish-English bilingual student. The course focuses on improving the communication skills in formal and familiar ways of speaking, reading, grammar, spelling, vocabulary building, and composition. The course explores Hispanic culture through readings, plays, and film. Transfer Credit: CSU; UC

#### SPANISH C160B 2.5 Units
(Formerly Spanish C260B)

Spanish for Spanish Speakers 1B

Prerequisite: SPAN C160A

SPAN C160B is the second part of SPAN C160. It reviews and expands the communication skills of Spanish-English bilingual students. The course focuses on improving the communication skills in formal and familiar ways of speaking, reading, grammar, spelling, vocabulary building, and composition. The course explores Hispanic culture through readings, plays, and film. This course is conducted mainly in Spanish. Transfer Credit: CSU; UC

#### SPANISH C165 5.0 Units
(Formerly Spanish C265A)

Spanish for Spanish Speakers 2

Prerequisite: SPAN C160 or C160B

SPAN C165 is the continuation of SPAN C160. It is designed to advance the communication skills of Spanish-English bilingual students who are native or near native speakers of Spanish. The course focuses on improving the communication skills in formal speaking, reading, grammar, spelling, vocabulary building, and composition. The course explores Hispanic culture through literature, plays, music, and film. This course is conducted mainly in Spanish. Transfer Credit: CSU; UC credit limitations. See counselor.

#### SPANISH C165A 2.5 Units
(Formerly Spanish C265A)

Spanish for Spanish Speakers 2A

Prerequisite: SPAN C160 or 160B

SPAN C165A is equal to the first half of SPAN C165. It is designed to advance the communication skills of formal and familiar ways of speaking, reading, grammar, spelling, vocabulary building, and composition of Spanish-English bilingual students who are native or near native speakers of Spanish. The course explores Hispanic culture through literature, plays, music, and film. This course is conducted mainly in Spanish. Transfer Credit: CSU; UC credit limitations. See counselor.

#### SPANISH C165B 2.5 Units
(Formerly Spanish C265B)

Spanish for Spanish Speakers 2B

Prerequisite: SPAN C165A

SPAN C165B is the continuation of SPAN C165. It is designed to advance the communication skills of formal and familiar ways of speaking, reading, grammar, spelling, vocabulary building, and composition of Spanish-English bilingual students who are native or near native speakers of Spanish. The course explores Hispanic culture through literature, plays, music, and film. This course is conducted mainly in Spanish. Transfer Credit: CSU; UC credit limitations. See counselor.

#### SPANISH C176 1.0 Unit
Beginning Conversational Spanish 1

Prerequisite: SPAN C180 or SPAN C180B

Basic communication skills with emphasis on oral communication and pronunciation. This course is designed to develop the student's ability to communicate fluently, idiomatically, and correctly in Spanish. Conversational material is selected from magazines, the internet, and selected texts. Grammar is taught only as it will facilitate conversation. Transfer Credit: CSU. See counselor.

#### SPANISH C177 1.0 Unit
Beginning Conversational Spanish 2

Prerequisite: SPAN C180 or SPAN C180B

Students will continue to develop basic oral skills speaking in Spanish during guided conversations with other classmates. This course is designed to develop the student's ability to communicate fluently, idiomatically, and correctly in Spanish. Conversational material is selected from magazines, the internet, and selected texts. Grammar is taught only as it will facilitate conversation. Transfer Credit: CSU. See counselor.

#### SPANISH C178 1.0 Unit
Intermediate Conversational Spanish 1

Prerequisite: SPAN C180 or SPAN C180B

Students will continue to develop basic oral skills by speaking in Spanish during guided conversations with other classmates and the instructor. This course is designed to develop the student's ability to communicate fluently, idiomatically, and correctly in Spanish. Conversational material is selected from magazines, the internet, and selected texts. Grammar is taught only as it will facilitate conversation. Transfer Credit: CSU. See counselor.
SPANISH C180 5.0 Units
Elementary Spanish 1
Advisory: Students who have completed two years of high school Spanish with a grade of "C" or better should enroll in SPAN C185 or C185A.
This course is designed to develop the student’s fundamental ability to both comprehend and converse in daily spoken Spanish. Early reading and writing skills are introduced as well as the customs and culture of the Spanish-speaking world. Transfer Credit: CSU; UC credit limitations. See counselor.

SPANISH C180A 2.5 Units
Elementary Spanish 1A
Advisory: Students who have completed two years of high school Spanish with a grade of "C" or better should enroll in SPAN C185.
This course is designed to develop the student’s fundamental ability to both comprehend and converse in daily spoken Spanish. Early reading and writing skills are introduced as well as the customs and culture of the Spanish-speaking world. SPAN C180A is equal to the first half of SPAN C180. SPAN C180A and C180B are equivalent to SPAN C180. Transfer Credit: CSU; UC credit limitations. See counselor.

SPANISH C180B 2.5 Units
Elementary Spanish 1B
Prerequisite: SPAN C180A
This course reviews and expands the student’s ability to comprehend and converse in daily spoken Spanish. There is increased emphasis on reading and writing. An introduction to Hispanic culture is continued. SPAN C180B is equal to the second half of SPAN C180. Transfer Credit: CSU; UC credit limitations. See counselor.

SPANISH C185 5.0 Units
Elementary Spanish 2
Prerequisite: SPAN C180, C180B, or completion of two years of high school Spanish with a grade of "C" or better.
This course is a continuation of SPAN C185A and is designed to further develop the student’s ability to comprehend and converse in daily spoken Spanish at the second semester level. Academic Freedom Statement
Coastline Community College recognizes that the free search for truth and the expression of diverse opinions are essential to a democratic society, and encourages and protects academic freedom as per Coast Community College District Board of Trustees policy number BP 4030 as approved 02/05/03.

Academic Honesty
Coastline Community College's institutional integrity is built in part upon the individual student's commitment to academic honesty. The College's institutional integrity is also founded upon the effective administration of academic honesty issues by the College's faculty and staff.

Coastline Community College Faculty are responsible for ensuring that the student grades are truly indicative of the student's learned knowledge as exhibited in the classroom. Student acts of academic dishonesty cause disruption of the educational process, weaken our College's institutional integrity, and present challenges for our faculty to fairly assess the student's academic performance.

Coastline Community College Faculty holds primary responsibility for ensuring that academic honesty is maintained in their classes. Individual students also share in this responsibility. Coastline students are required to refrain from all acts of academic dishonesty. The Coast Community College District’s Student Code of Conduct and Disciplinary Procedures (BP-3902) apply to students whose conduct violates this academic honesty procedure.

Procedures for Dealing with Violations of Academic Honesty

Actions Taken by Faculty Member
Any Coastline Faculty member who has evidence that a student has committed an act of academic dishonesty, shall, after speaking with the student, take one or more of the following disciplinary actions:

- Issue an oral reprimand.
- Give the student an “F” grade or zero points or a reduced number of points on all or part of a particular paper, project or examination;
- If the act of academic dishonesty results in a “F” grade or zero points being awarded to the student for that particular paper, project, or examination, and this result affects the student’s overall grade in the class, then the student shall be issued the proper grade, as affected by the specific “F” or zero grade, by the faculty member.

For any incident of academic dishonesty resulting in the instructor's issuance of an “F” or zero points - the instructor shall assess the severity of the student's misconduct and determine whether the incident should be immediately reported to the College's Student Discipline Officer (presently the Dean of Counseling, Special Programs & Services) on the “Academic Dishonesty Report” form.

Actions by the College Administration
The sanction imposed for an act of academic dishonesty depends on the severity of the alleged improper conduct of the student. However, sanctions are generally imposed as follows:

Upon receipt of a faculty-member completed first “Academic Dishonesty Report” form concerning a student, (or) upon satisfactory investigation of allegations brought by other staff or students about academic misconduct by a student, the Student Discipline Officer shall respond in one of two ways:

1. By sending a Student Discipline Notification Letter to the student, inviting the student to present a response to the allegations of academic dishonesty. The Student Discipline Officer will inform the student that if a finding of academic dishonesty is sustained, the student will be placed on disciplinary probation for a minimum of one year, with other possible sanctions being imposed pursuant to the District’s Student Code of Conduct.

2. The Student Discipline Officer may also create an Academic Dishonesty Report file and send no letter (the Student Disciplinary Officer will not take action, based on the request of the individual instructor, who will handle the disciplinary action individually with his/her own students). If the Student Discipline Officer notes that multiple Academic Dishonesty Reports have been filed for particular students, from multiple instructors, however, then the student will receive the Letter of Student Discipline Notification.

Upon receipt of a second or more “Academic Dishonesty Report” of academic misconduct committed by a student, the Student Discipline Officer shall seek the suspension of the student for one full calendar year.

If, upon this student’s return from the one year suspension, the Student Discipline Officer receives any further reports of academic dishonesty concerning this student, the Student Discipline Officer shall recommend the student be expelled from the District for a period of no less than three years.

Depending on the severity of the student’s academic dishonesty, a student may be suspended from the College on a first offense or be recommended for expulsion by the CCCD Board of Trustees.

The Student Discipline Officer shall keep the faculty member and Division Dean reasonably informed of the status of the student discipline process and outcome.
Examples of Academic Dishonesty Conduct

Some examples of academic dishonesty conduct warranting the imposition of disciplinary probation, suspension or expulsion include, but are not limited to, the following:

- Taking an examination for another student or having someone else take an examination for one-self.
- Altering a graded examination/assignment and returning it for additional credit.
- Having another person or a company do research and/or writing of a report.
- Stealing or attempting to steal an examination or answer key.
- Printing an online exam without the express authorization of the instructor.
- Stealing or attempting to change official academic records.
- Forging or altering grades.
- Obtaining answers from another student before or during an examination.
- Falsely reporting or claiming to have experienced technical difficulties with online instructional tests, quizzes, or assignments.
- Knowingly allowing another student to copy one’s work.
- Using unauthorized materials, such as notebooks, calculators, or other items, without the instructor’s consent during an examination or placement test.
- Sharing answers for a take-home or on-line examination unless otherwise authorized by the instructor.
- Receiving help in creating a speech, essay, report, project or paper unless otherwise authorized by the instructor.
- Turning in a speech, essay, report, exam answer, discussion board posting, project or paper done for one class to another class unless specifically authorized by the instructor of the second class.
- Misreporting or altering the data in laboratory or research projects.
- Offering another person’s work as one’s own: copying a speech, essay, report, exam answer, discussion board posting, project or paper from another person or from books, websites, or other sources.
- Using outside sources (books, or other written sources) without giving proper credit (by naming the person and putting any exact words in quotation marks).
- Intentionally impairing the performance of other students and/or a faculty member.
- Collusion - when any student knowingly or intentionally helps another student perform an act of academic dishonesty. Collusion in an act of academic dishonesty will be disciplined in the same manner as the act itself.

Academic Renewal Policy and Procedure

This Academic Renewal Policy (BP 4240) for Coastline Community College is issued pursuant to Section 55764 and 55765 of the California Administrative Code (Title 5) regulations. The purpose of this policy is to disregard past substandard academic performance of a student when such work is not reflective of their current demonstrated ability. It is based on the recognition that due to unusual circumstances, or circumstances beyond the control of a student, the past substandard work will negatively affect their academic standing and unnecessarily prolong the rate at which he/she may complete his/her current objectives.

Therefore, under the circumstances outlined below, Coastline Community College may disregard from all considerations associated with requirements for the Certificate of Achievement/Associate in Arts Degree and general education certification up to a maximum of thirty (30) semester units of course work from two semesters taken at any college. These circumstances are:

1. The student has requested the action formally and has presented evidence that work completed in the term(s) under consideration is substandard (less than a 2.0 grade point average) and not representative of present scholastic ability as verified by the current level of performance. Verification must consist of:
   a. Completion of a minimum of 12 semester units of course work at any regionally accredited college or university with a minimum cumulative grade point average of at least 2.0 subsequent to the course work to be disregarded.
   b. At least 12 months has elapsed since completion of the most recent course work to be disregarded.

2. Agreement that all units taken during the semester(s) to be disregarded, except those courses required as a prerequisite or to satisfy a requirement, in the student’s “redirected” educational objective.

3. An understanding that the student’s permanent academic record shall be annotated so that it is readily evident to all users of the records that units disregarded, even if satisfactory, may not apply to certificate, degree or general education certification requirements.

4. Agreement that all course work remains legible on the student’s permanent record ensuring a true and complete academic history.

If another accredited college has acted to remove previous course work from Certificate of Achievement, Associate in Arts or Bachelor Degree consideration, such action shall be honored in terms of that institution’s policy. Units disregarded by another institution shall be deducted from the thirty semester units maximum of course work eligible for alleviation at Coastline Community College.

Students requesting removal of previous course work for certificate or degree consideration shall file a petition at the Admissions and Records Office. The petition shall outline...
the semesters of course work to be disregarded and shall include evidence verifying (1) that work completed during this period is substandard, and (2) the expiration of at least 12 months since the end of the last term to be excluded. All official transcripts must be on file at Coastline Community College.

The Director of Admissions and Records or his/her designee shall act to approve the petition and make the proper annotation on the student’s permanent record upon verification of the conditions set forth herein.

Note: It is possible that other colleges or universities may not accept the Academic Renewal Policy.

Animals and/or Pets
Animals and/or pets of any kind or description are not allowed on or within college property. This restriction also applies to animals and/or pets confined in any vehicle parked on College property. This does not apply to the use of guide, signal or service dogs for assisting persons with disabilities.

Family Educational Rights and Privacy
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. The rights include:

1. The right to inspect and review the student’s education records within 45 days of the day Coastline Community college receives a request for access. Students should submit to the Director of Admissions and Records, or appropriate official, written requests that identify the record(s) they wish to inspect. The Coastline Community College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Coastline Community College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate. Students may ask Coastline Community College to amend a record that they believe is inaccurate. They should write the College official responsible for the records, clearly identify the part of the record they want changed, and specify why it is inaccurate.

If Coastline Community College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

School officials may disclose any and all educational records, including disciplinary records, to another institution at which the student seeks or intends to enroll without the prior consent of the student.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Coastline Community College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Directory Information
Student’s directory information is released only upon approval of the Director of Admissions and Records. Students may request in writing to the Director of Admissions and Records or his/her designee, that directory information not be released.

Directory information includes one or more of the following: student’s name, birthdate, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, number of units of enrollment, and degrees and awards received.

Coastline Community College maintains in the Admissions and Records Office the following student record information:

1. Demographic data supplied to the college by the student through the enrollment process.
2. Transcripts of high school work if supplied by the student.
3. Transcripts of college work.
4. Placement test data.
5. Semester class enrollment data. Additional information maintained in other offices on some students may include:

6. Financial Aid and EOPS application information on students who have applied for either program.

7. Work Experience records on students who have taken work experience courses within the past three years.

8. Records maintained of students who have been disciplined.

Students may review the information contained in items 1-8. For items 1-5, a letter requesting review should be directed to the Admissions and Records Office. Requests for review of information contained in item 6 may be made to the Vice President of Instruction/Student Services and information in item 7 may be reviewed by arrangement with the office of Instruction. Inquiries regarding information contained in items 8, are to be directed to the Dean of Counseling & Matriculation. All requests for review will be honored within 15 days. Students may challenge the contents of any records by notifying the administrator associated with the records in question. If the issue is not resolved at that level, the student may use the student grievance procedure.

**Liability**

Throughout the academic year, some classes will meet at off-campus locations. The College will not provide transportation to these sites, and students enrolled in these classes are responsible for making their own transportation arrangements. Coastline personnel may assist in coordinating this transportation and/or may recommend travel time, routes, carpooling, etc.; however, the student does not have to follow these recommendations. The Coast Community College District (CCCD) is in no way responsible, nor does it assume liability, for any injuries or losses resulting from this non-sponsored transportation. If you ride with another student, that student is not an agent of, nor driving on behalf of the District.

Under the California Code of Regulations, Subchapter 5, Section 55450, if you participate in a voluntary field trip or excursion, you hold the CCCD, its officers, agents and employees harmless from all liability or claims that may arise out of or in connection with your participation in this activity.

**Parking Regulations**

**Permit Required:** Parking permits are required at the Newport Beach, and Garden Grove Centers. Any motorized vehicle requiring registration with the California Department of Motor Vehicles (DMV) must have a current parking permit affixed to the inside lower left corner of the windshield in clear view. Permit hangers are not recommended. However, if you choose to use one you must ensure the permit is visible at all times. Motorcycles (mopeds) will have the permit affixed to the left front fork.

Cars without permits properly displayed will be cited. Vehicles may park only in spaces or areas designated for vehicle parking. PURCHASE OF A PARKING PERMIT DOES NOT GUARANTEE A PARKING SPACE ON CAMPUS.

Purchase parking permits online: Current semester permits are now available online at www.coastline.edu. Daily parking permits can also be obtained from the office at each area site. Coastline parking permits are not valid at Golden West or Orange Coast Colleges.

**Parking Areas:** Designated parking areas are color coded:

- Yellow (Faculty and Staff) permit required
- White Grid (Motorcycles only) permit required
- Blue (Handicapped—DMV) permit required
- Unmarked white stalls—open for permit parking

All designated permit parking areas will be enforced Monday-Friday, 8 a.m.-10 p.m.

**Responsibilities for Penalties:** The registered owner of any vehicle on a Coastline site shall be held responsible for any liability or damage claims including parking or other traffic violation penalties arising in connection with the possession and/or operation of the vehicle on the Coastline site.

**Liability:** Coastline is not responsible and assumes no liability for damage or theft of any vehicle or its contents.

**Lost, Stolen, Damaged Permits or Sold Vehicles:** Replacement of lost, damaged or permits sold with the vehicle will be $10. Stolen permits are to be reported to the Admissions Office.

**Parking, Traffic Rules and Regulations:**

**ARTICLE 1—ENFORCEMENT**

The West Orange County Municipal Court has granted authorization to the Campus Safety Department to issue parking citations within the confines of any Coastline Community College site. PARKING AND TRAFFIC RULES AND REGULATIONS WILL BE IN EFFECT 24 HOURS A DAY.

**Parking Regulation/Citation Penalties:**

When signs or markings prohibiting and/or limiting parking are erected or placed upon any street, road or area, no person shall park or leave standing any vehicle upon such street, road or area in violation of any such sign or marking. BAIL: $27

No person shall park in any area marked in blue pursuant to BP 3517, the Coast Community College District Policy Regarding Student Code of Conduct and Disciplinary Procedures. The Coast Community College District has special interests and purposes essential to its effective functioning as an educational institution. These include (a) the opportunity for students to attain their educational objectives, (b) the creation and maintenance of an intellectual and educational atmosphere throughout the District, and (c) the protection of the health, safety, welfare, property, and human rights of all members of the District community and the property of the District itself. The Coast Community College District has a clear responsibility in the area of student conduct to protect and promote the pursuit of its goals. The Coast Community College District Policy Regarding Student Code of Conduct and Disciplinary Procedures sets forth those acts which constitute unacceptable conduct. All alleged violations of this policy may result in referral to the College Administrator charged with enforcing this policy.

A student of the Coast Community College District accepts the responsibility to conform to all District rules and regulations. Failure to meet this obligation will justify appropriate disciplinary actions including, but not limited to, expulsion, suspension, disciplinary probation, or reprimand. Although the District will make every reasonable effort to make the District’s rules and regulations available, students are responsible for becoming familiar with them.

This policy applies to all students, and also applies to:

a. applicants for offenses committed as part of the application process;

b. applicants for offenses committed on campus and/or while participating in District-related events or activities that take place following a student’s submittal of the application through his or her official enrollment;

c. individuals who participate in a District-sponsored program;

and

d. former students for offenses committed while a student.

If specified in the campus regulations, this policy shall also apply to conduct that occurs off campus and that would violate student conduct and discipline policies or regulations if the conduct occurred on campus, or where the conduct occurs within a reasonable distance from the campus and such conduct disrupts or interferes with the educational mission of the campus.

The following acts are defined by the District to be unacceptable. The list is not all inclusive. The Chancellor and/or College President may add violations to this code as they deem appropriate subject to the provisions of Section 3.50. A student found to have violated any of the

Sexual Assault Prevention
Coastline Community College recognizes that sexual assault is a serious issue, and will not tolerate acts of sexual assault on district property or district-sponsored activities. Pursuant to BP 3517, the Coast Community College District will investigate all allegations of sexual assault that occur on District property or at sponsored activities and take appropriate criminal, disciplinary or legal action. Coastline is committed to its students’ safety as a vital ingredient to student learning and success. Coastline encourages victims of sexual violence to report the crime.

As soon as it is safe to do so, any student who is the victim of a sexual offense should report the incident, including the date, time, and other pertinent to the local police, campus public safety department, vice president of student services, or other college official.

Coast Community College District Sexual Assault Policy: The Coast Community College District (CCCD) Web site describes the district’s policy regarding sexual assault and provides several informative links (e.g., definitions, filing a complaint, common victim reactions, resources for help and advice, etc.):
following regulations is subject to the maximum sanction of expulsion. Being under the influence of drugs and/or alcohol or the existence of other mental impairment does not diminish or excuse a violation of the Disciplinary Code.

The District may impose discipline for the commission or attempted commission of the following types of violations by students, or for aiding or abetting, inciting, conspiring, assisting, hiring or encouraging another person to engage in a violation of this Policy:

3.1 Academic Misconduct. All forms of academic misconduct including but not limited to cheating, fabrication, plagiarism, or facilitating academic dishonesty.

3.2 Cheating/Plagiarism. Cheating or plagiarism in connection with an academic program of the District.

3.3 Dishonesty. All forms of dishonesty including but not limited to fabricating information, furnishing false information, or reporting a false emergency to the District.

3.4 Forgery. Any forgery alteration, or misuse of any District document, record, key, electronic device, or identification, or knowingly furnishing false information to a District official.

3.5 Misrepresentation. Misrepresentation of oneself, or of an organization, to be an agent or representative of the District.

3.6 Misuse of Identification. Transferring, lending, borrowing, altering or unauthorized creation of District identification.

3.7 False Report of Emergency. Knowingly and purposefully, causing, making, and/or circulating a false report or warning of a fire, explosion, crime, or other catastrophe.

3.8 Assault/Battery. Assault, battery or any threat of force or violence upon a student or upon a Member of the District Community. This includes, but is not limited to: (a) Inflicting bodily harm upon any Member of the District Community; (b) taking any action for the purpose of inflicting bodily harm upon any Member of the District Community; (c) taking any reckless but not accidental action, from which bodily harm could result to any Member of the District Community; (d) causing a Member of the District Community to believe that the offender or his/her agent may cause bodily harm to that person or any member of his/her family or any other Member of the District Community; (e) any act which purposefully demeans, degrades, or disgraces any person.

3.9 Physical Abuse. Physical abuse including but not limited to rape, sexual assault, sex offenses, and other physical assault; threats of violence; or any action which results in serious injury or death or other conduct that threatens the health or safety of any person.

3.10 Serious Injury or Death. Any action which results in serious injury or death to a Member of the District Community or his/her family.

3.11 Threat of Sexual Assault or Sexual Assault. Rape or sexual assault, or the threat thereof, upon a Member of the District Community or his/her family.

3.12 Infliction of Mental Harm. (a) Inflicting mental harm upon any Member of the District Community; (b) taking any action for the purpose of inflicting mental harm upon any Member of the District Community; (c) taking any reckless, but not accidental action, from which mental harm to Member of the District Community could result; (d) causing a Member of the District Community to believe that the student or his/her agent may cause mental harm to that person or any member of his/her family or any other member of the District Community; (e) any act which purposefully demeans, degrades, or disgraces any person.

3.13 Stalking. Stalking behavior in which a student repeatedly engages in a course of conduct directed at another person and makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her family; where the threat is reasonably determined by the District to seriously alarm, torment, or terrorize the person; and where the threat is additionally determined by the District to serve no legitimate purpose.

3.14 Harassment. Verbal or physical abuse, or the threat of physical abuse on or off District Property of any Member of the District Community or members of his/her family.

3.15 Sexual Harassment. Sexual harassment against a Member of the District Community. Sexual harassment is defined as (a) verbal harassment, e.g., epithets, derogatory comments or slurs; (b) physical harassment, e.g., assault, impeding or blocking movement, or any physical interference with normal work or movement when directed at an individual; (c) visual forms of harassment, e.g., derogatory posters, cartoons, or drawings; (d) unwelcome sexual advances, requests for sexual favors; or (e) an intimidating, hostile, or offensive environment. “Unwelcome conduct” is defined as conduct which the Member of the District Community does not solicit or initiate and which the person regards as undesirable or offensive.

3.16 Discrimination. Discrimination against a person on the basis of race, color, religion, national origin, sex, age, disability, veteran status, or sexual orientation, except where such distinction is authorized by law.

3.17 Hateful Behavior. Hateful behavior aimed at a specific person or group of people.

3.18 Hazing. Participation in hazing or any method of initiation or pre-initiation into a campus organization or other activity engaged in by the organization or members of the organization at
any time that causes, or is likely to cause, physical injury or personal degradation or disgrace resulting in psychological harm to any student or other person.

3.19 Possession of Weapons. Unauthorized possession, use, storage, or manufacture of explosives, dangerous chemicals, firebombs, firearms, or other destructive devices or weapons.

3.20 Narcotics. Unlawful or attempted manufacture, distribution, dispensing, possession, use, distribution or sale of, controlled substances, dangerous drugs, restricted dangerous drugs or narcotics, as those terms are used in state or federal statutes on District Property or at any District function.

3.21 Alcohol. Manufacture, distribution, dispensing, possession, use, distribution, consumption or sale of, or the attempted manufacture, distribution, dispensing, distribution, consumption or sale of alcohol that is unlawful or otherwise prohibited by, or not in compliance with, District policy or campus regulations.

3.22 Public Intoxication. Public intoxication or being under the influence of alcoholic beverages on District Property or at any District function.

3.23 Smoking. Smoking in an area where smoking has been prohibited by law or regulation of the District.

3.24 Theft or Conversion of Property. Theft or conversion of District Property or services, or the property of any person or business on District Property or at a District function, or possession of any property when the student had knowledge or reasonably should have had knowledge that it was stolen.

3.25 Possession Of Stolen Property. Possession of District Property, or the property of any other person, when the student knows, or reasonably should know, that the property was stolen.

3.26 Destruction of Property. The damaging, destroying, defacing, or tampering with District Property or the property of any person or business on District Property or at a District function, including but not limited to, taking down, defacing, or otherwise damaging District authorized posters, handbills and/or notices posted on District property.

3.27 Failure to Repay Debts or Return District Property. Failure to (a) repay debts to the District; (b) return District property; (c) return property of any member of the District community.

3.28 Theft or Abuse Of District’s Computers Or Electronic Resources. Theft or abuse of District computers and other District electronic resources such as computer and electronic communications facilities, systems, and services. Abuses include (but are not limited to) unauthorized entry, use, transfer, or tampering with the communications of others, and interference with the work of others and with the operation of computer and electronic communications facilities, systems, and services. Use of District computer and electronic communications facilities, systems, or services that violates other District policies or campus regulations.

3.29 Violation of Computer Usage Policy. Violation of the District’s or College's Computer Usage Policy and/or any of the following:

a. Accessing and/or without permission altering, damaging, deleting, destroying, or otherwise using any data, computer, computer system, or computer network belonging to or used by the District or any Member of the District Community.

b. Accessing and/or without permission taking, copying, or making use of any data from a computer, computer system, or computer network, or taking or copying any supporting documentation, whether existing or residing internal or external to a computer, computer system, or computer network belonging to or used by the District or any Member of the District Community.

c. Using or causing to be used District computer services without permission.

d. Accessing and/or without permission adding, altering, damaging, deleting, or destroying any data, computer software, or computer programs which reside or exist internal or external to a computer, computer systems, or computer network belonging to or used by the District or any Member of the District Community.

e. Disrupting or causing the disruption of computer services or denying or causing the denial of computer services to an authorized user of a computer, computer system, or computer network belonging to or used by the District or any Member of the District Community.

f. Providing or assisting in providing a means of accessing, without permission, a computer, computer system, or computer network belonging to or used by the District or any Member of the District Community.

g. Accessing or causing to be accessed without authorization any computer, computer system, or computer network belonging to or used by the District or any Member of the District Community.

h. Introducing any computer contaminant or virus into any computer, computer system, or computer network belonging to or used by the District or any Member of the District Community.
3.30 Trespass and Unauthorized Possession. Unauthorized or forcible trespass on, entry to, possession of, receipt of, or use of any District services, grounds, equipment, resources, properties, structures, vehicles, boats, water craft or facility, including the District’s name, insignia, or seal without permission or authorization.

3.31 Disruption of Educational Process. (a) Destruction or disruption on or off District Property of the District educational process(es), including but not limited to interrupting, impeding, obstructing or causing the interruption or impediment of any class, lab, administrative office, teaching, research, administration, disciplinary procedures, District activity or District authorized student activity; (b) administrative process or other District function; or (c) disturbing the peace on District Property or at any District function.

3.32 Disruptive Behavior. Disruptive behavior, disobedience, habitual profanity or vulgarity or the open defiance of the authority of or abuse of District personnel.

3.33 Disturbing the Peace. Disturbing the peace and good order of the District by, among other things, fighting, quarreling, disruptive behavior, or participation in a disturbance of the peace or unlawful assembly.

3.34 Failure to Comply or Identify. Failure to identify oneself to, or comply with the directions of, a District official, employee, policy, law enforcement, or other public official when requested to do so; or resisting or obstructing such District or other public officials in the performance of or the attempt to perform their duties.

3.35 Failure to Appear. Failure to appear before a District official when directed to do so.

3.36 Disorderly or lewd conduct. Engaging in disorderly or lewd, indecent or obscene behavior on District Property or at a District function.

3.37 Unauthorized Use Of Course Materials. Selling, preparing, or distributing for any commercial purpose course lecture notes or video or audio recordings of any course unless authorized by the District in advance and explicitly permitted by the course instructor in writing. The unauthorized sale or commercial distribution of course notes or recordings by a student is a violation of these Policies whether or not it was the student or someone else who prepared the notes or recordings. Copying for any commercial purpose handouts, readers or other course materials provided by an instructor as part of a District course unless authorized by the District in advance and explicitly permitted by the course instructor or the copyright holder in writing (if the instructor is not the copyright holder).

3.38 Library Materials. Cutting, defacing, or otherwise damaging or theft of college library or bookstore materials or property.

3.39 Continued Misconduct or Repeat Violation. Repeated misconduct or violations of this Policy, when other means of correction have failed to bring about proper conduct.

3.40 Failure to Obtain Permits. Participating in an organized protest for which a District permit has not been obtained.

3.41 Fighting. Fighting with any other person on District Property or at any District function.

3.42 Gambling. Unauthorized gambling on District Property or at any District function.

3.43 Unreasonable Demands. Placing repeated, hostile, or unreasonable demands on District staff.

3.44 Unauthorized Tape Recording. Tape recording any person on District Property or at any District function without that person’s knowledge or consent.

3.45 Unauthorized Use of District Keys. Unauthorized use, distribution, duplication or possession of any keys issued for any building, laboratory, facility, room, or other District Property.

3.46 Unauthorized Use of Electronic Devices. Unauthorized use of an electronic device on District property or at any District function, including but not limited to, classes, lectures, labs and field trips.

3.47 Unauthorized Use of Property or Services. Unauthorized use of property or services or unauthorized possession of District Property or the property of any other person or business.

3.48 Violation of Driving Regulations. Driving unsafely on District property or while taking part in any District function, or repeated violation of District parking regulations.
3.49 Violation of Health & Safety Regulations. Violation of any health, safety or related regulations, rule or ordinance on District property or at any District function.

3.50 Violation of Posted District Rules. Violation of any rule or regulation posted on District property by the District or the College, or printed in any District publication.

3.51 Violation of Law. Violation of any federal, state or local law on District property, at a District function or involving a member of the District community.

**Student Grievance Procedures**

Coastline Community College extends to all students the right to petition for readress of grievance. The right to petition may be initiated at any time when the student has a grievance against any college employee, policy or procedure at Coastline Community College.

Every effort will be made to preserve confidentially as grievances are fairly and equitably considered. The procedures will allow students to exhaust every administrative level possible in receiving fair and complete hearing of their grievances. These are college-level procedures for resolving problems and should not be viewed as legal or quasi-legal proceedings.

Based on the principle of improved communication between the students and the institution, the following procedures will be followed for students registering grievances:

**NOTE:** In order to establish due process, all parties to the grievances will adhere to the steps as outlined.

**STEP I:** Prior to filing a formal grievance, the student is expected to first contact the Dean of Enrollment Services and the person(s) who has (have) the closest contact with the pertinent issue. The grievance should be thoroughly defined to be discussed objectively.

If the grievance cannot be resolved at this step, the student may progress to Step II after informing the person(s) involved of intended plans to file a formal grievance. The formal grievance must be filed during the semester in which the grievance occurs.

**STEP II:** The student meets with the Dean of Enrollment Services to discuss the grievance. At this step, the "Formal Grievance Petition" is filed. The Vice President of Instruction/Student Services will serve as an ombudsman in order to examine objectively both sides of the issue. The Vice President of Instruction/Student Services will then meet with all persons involved with the grievance. At the conclusion of Step II, the Vice President, within five (5) school days, will provide the student and others involved with a written summary of the discussion.

If the grievance has not been resolved by this step, the student may proceed to Step III.

**STEP III:** The student, within five (5) school days after the conclusion of Step II, will submit a written request to the Vice President of Instruction/Student Services for a meeting of an arbitration committee.

The committee will consist of:
1. The appropriate Dean for the Area involved
2. Vice President of Instruction/Student Services
3. Faculty Member
A meeting of the committee will be called by the Vice President of Instruction/Student Services to review and/or take action on the grievance. In ten school days after the student has filed a written request, the committee will meet with all involved parties and discuss the grievance in detail in an attempt to resolve the issue at this step. Meetings will be chaired by the Vice President of Instruction/Student Services. Within five (5) school days, the decision and proposed action will be communicated to the following:
1. Student involved
2. Committee members
3. College President
4. Other person(s) involved with the grievance

**STEP IV:** If either the grievant or other person(s) involved are not satisfied with the decision of action of the Grievance Committee an appeal may be made. Within five (5) school days after the decision or action, the appeal must be filed with the President of the College for consideration. Once the College President has reviewed the memorandum and the written Communication from the Grievance Committee, the President will schedule a private meeting with the complainant to discuss the matter.

**NOTE:** The College President has discretionary power to uphold, Reverse, or modify the action taken by the Grievance Committee. The president’s decision will be delivered to the Grievant/student in writing with copies to the appropriate individuals involved.

**STEP V:** If the grievant/student is not satisfied with the final college level disposition of the case, She/he may, through the Chancellor of the Coast Community College District, appeal directly to the Board of Trustees. The Board, after reviewing the materials pertaining to the grievance, may determine the time, place and manner of the hearing.

**Student Right to Know**

In compliance with the Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), Coastline makes its completion and transfer rates available to all current and prospective students at the following Web site:

www.srtk.cccco.edu/index.asp. A copy of this information may be obtained by calling Coastline’s Public Relations office at 1 (714) 241-6186.
Students' Rights

The Coast Community College District and Coastline are committed to the concept and principles of providing all persons with equal opportunity in employment and education by prohibiting discrimination based on race, color, sex, national origin, religion, age disability, marital or veteran's status or sexual preference. This commitment applies to every aspect of education and personnel policies and practices in the treatment of employees, students and the general public.

Rights of Students with Disabilities: Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990 prohibit discrimination on the basis of disability against persons in programs or activities receiving or benefiting from federal assistance. Thus, in postsecondary education settings, Section 504 mandates “reasonable accommodation” for adults with professionally documented physical or learning disabilities. Any person with a disability who believes that he or she has been discriminated against on the basis of disability should contact: Cynthia Pienkowski, Americans with Disabilities Act (ADA) officer, 1 (714) 241-6240 or Helen Rothgeb, Equal Employment officer, 1 (714) 241-6146.

Sexual Harassment: It is the policy of the Coast Community College District to provide an educational, employment and business environment free of unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct or communications constituting sexual harassment as defined and otherwise prohibited by state and federal statutes. It shall be a violation of this policy for anyone who is authorized to recommend or take personal or academic action affecting a student or employee, or who is otherwise authorized to transact business or perform other acts or services on behalf of or for the Coast Community College District, to engage in sexual harassment as stated in the definition. Within the Coast Community College District, sexual harassment is prohibited regardless of the status and/or relationships the affected parties may have.

Contact one of the following college administrators: Dean of Counseling and Matriculation, 1 (714) 241-6162; Helen Rothgeb, Equal Employment Officer, 1 (714) 241-6146; or Cynthia Pienkowski, Sexual Harassment Prevention Coordinator, 1 (714) 241-6240 for further information.

Study Load

College work is measured in terms of the “unit.” In a lecture course, a college unit is normally defined as one hour of lecture and two hours of homework per week. In a laboratory course, three hours in the classroom per week with no outside work constitutes one unit of work. Coastline recognizes 19 units as a maximum load during the Fall and Spring Semesters and nine units during the Summer Session. (Full-time student status is achieved by completing 12 or more units during the Fall or Spring Semesters and six or more units during the Summer Session.)

Course Load Limit: No student will be permitted to carry more than 19 units during the fall/spring terms and 9 units during the summer session without permission from the Director of Admissions and Records/designee. Petitions to take more than the previously referenced units will only be considered during the first week of the term or session.

Remedial Coursework Limits

No more than 30 semester units of course credit may be assigned to a student for remedial coursework except when the student is enrolled in one or more course in English as a Second Language or is identified as having a learning disability. This limit may be waived if the student can show significant and/or measurable progress toward the development of skills appropriate to enrollment in college-level courses. Student needing remedial instruction beyond the course credit restrictions set forth in this section shall be referred to appropriated non-credit adult basic education programs conducted by an adult school.
Academic Standards

Honors: Coastline recognizes academic honor in four ways.

1. **PRESIDENT’S LIST**: A student is eligible to be included on the President’s List after completing a semester of at least 12 units in courses awarding letter grades during which a GPA of 4.0 is earned.

2. **DEAN’S LIST**: A student is eligible to be included on the Dean’s List after completing a semester of at least 12 units in courses awarding letter grades during which a GPA of 3.50 to 3.99 is earned.

3. **HONOR’S LIST**: A student is eligible to be included on the Honor’s List after completing a semester of 6.0 to 11.9 units in courses awarding letter grades during which a GPA of 3.75 to 4.0 is earned.

4. **GRADUATION WITH HONORS**: A student is eligible for Graduation with Honors* if he or she achieves a 3.50 or higher GPA in all college units attempted and a 3.50 or higher GPA in all courses completed at Coastline.

**Probation Status**: The Coast Community College District’s policy on probation states that a student shall be placed on probation if he or she meets one of two conditions:

1. **Academic Probation**
   - A student is on academic probation if he or she has attempted at least 12 semester units at a District college and
   - a. has a GPA of less than 2.0 in the most recent semester completed, or
   - b. has a cumulative GPA of less than 2.0 in all units attempted.

2. **Progress Probation**
   - A student is on progress probation if he or she has attempted at least 12 semester units at a District college and the percentage of units with “W, I, or NP” grades reaches or exceeds 50 percent.

Students on probation at one District college shall be on probation at all colleges within the District. All probationary students shall be notified of their status and counseling services shall be made available.

**Disqualification Status**: The approved disqualification policy states that a student in the District who is on academic or progress probation shall be disqualified whenever he or she meets one of two conditions:

1. **Academic Disqualification**
   - Any student on academic probation for two consecutive semesters shall be academically disqualified. However, students on academic probation whose most recent semester GPA equals or exceeds 2.0 shall not be disqualified but shall be continued on academic probation.

2. **Progress Disqualification**
   - Any student on progress probation for two consecutive semesters shall be disqualified for lack of satisfactory progress. However, students on progress probation whose most recent semester work indicates less than 50 percent of “W, I or NP” entries shall not be disqualified but shall be continued on progress probation.

Students on disqualification at one District college shall be disqualified at all District colleges. Students shall be notified of disqualification status near the beginning of the semester that it shall take effect but, in any case, no later than the start of the Fall Semester.

Upon notification of eligibility for disqualification, students shall be informed of appeal procedures and of counseling and other appropriate services. If circumstances warrant, exceptions may be made and reinstatement granted at the discretion of and under the conditions established by the Probation and Disqualification Review Committee.

* Spring grades will not be used in computing the GPA for the graduation ceremony, but will be used in determining the final GPA for the diploma.

**Attendance**

**Class Attendance**: Regular and prompt attendance is expected of every student. Instructors may drop students who incur excessive absences. Excessive absences could lead to a lower grade, even a failing grade.

It is especially important that students attend the first class meeting of every class in which they are registered since a full period of instruction will begin the first day of the semester. Instructors may drop students who miss the first class meeting to make room for students who may wish to enroll. Registered students who must miss the first class should notify their instructors through the appropriate area center prior to the first meeting to avoid being dropped from the class.

Each instructor will determine the attendance policy for his or her class and its implication for successful completion of the course. The instructor will explain to students during the first class meeting the policy for attendance and grading to be used in the course.

It is the student’s responsibility to officially drop classes that he or she is no longer attending (see the Withdrawal from Class Policy). If a student stops attending class, but does not officially withdraw from the course via MyCCC, by mail or in person, he or she could receive a failing grade.

**Continuous Attendance**: Defined as the completion of at least one course during a regular semester in an academic year.
Auditing
The college is no longer offering students the option to audit a course.

Awarding College Credit
Coastline recognizes college credit, except sectarian courses, earned at any institution of higher education which is accredited by one of the regional accrediting associations of schools and colleges as identified by the Council on Postsecondary Accreditation.

Upon completion of 12 units at Coastline, students may receive a maximum of 40 units through experiential learning, including American Council on education (ACE) College credit recommendations, Military, CLEP, DSST, and Advanced Placement towards the experiences in similar subject areas.

Students planning to transfer credit awarded by Coastline for experience other than classroom attendance should contact the specific transfer institution, since each college has a different policy regarding experiential credit.

Advanced Placement Credit: Credit may be granted for Advanced Placement courses completed in high school. The credit may be applied toward the Associate degree and/or CSU General Education Certification. Official test scores must be submitted to Coastline’s Admissions and Records Office. See Appendix B—AP Chard for the required scores and degree application.

CLEP (College Level Examination Program)
The College Entrance Examination Board offers examinations covering material taught in courses that most students take in the first two years of college.

- CLEP credits will count towards general education, major, or elective credits for the Associate degree or CSU General Education Certification. See Appendix C—CLEP Chart for the required scores and applicability.
- The University of California does not grant credit for CLEP.
- CLEP may or may not be accepted by other colleges and universities. A student must check with the specific transfer institution to determine regulations regarding CLEP. General CLEP policies can be found in the college catalogs.
- CLEP exams may not be used to retake or improve a grade in a course at Coastline or any other institution.
- CLEP credit posted to another institution’s transcript will be reevaluated based on Coastline’s standards and may or may not be equal to credit received at another institution. CLEP credit posted to a student’s Coastline transcript may or may not be accepted for equal units at another institution.
- Coastline has established CLEP and DSST National Testing Centers on base at Dyess AFB, Fallon NAS, Gulfport NCP, Holloman AFB, Pensacola NAS and Point Loma, and in Westminster in collaboration with NWS Seal Beach.

Credit by Examination: $25 per course. Students with appropriate post high school experience may petition for “Credit by Examination” and receive college credit in courses reflecting this experience, providing the:
1) student is in good standing;
2) course is appropriate for credit by examination;
3) course is listed in the college catalog and
4) appropriate instructor, currently teaching the classroom course, is willing to assist the student in completing “Credit by Examination.”

The appropriate number of units may be posted to the student’s transcript upon completion of 12 units at Coastline. This credit will be designated “Credit by Examination” and will be awarded the grade of “Pass” if the student successfully passes the examination; the grade of “No Pass” will be assigned if the student fails the examination.

DANTES (Defense Activities Non-Traditional Education Support) Subject Standardized Tests (DSSTs)
- Coastline accepts DANTES (DSSTs) with scores from 44 to 400 depending on the exam.
- DSST credits will count towards general education, major, or elective credits for the Associate degree. (See DSST chart for applicability)
- DSST scores may not count toward CSU and IGETC certifications.
- DSST scores may or may not be accepted by other colleges and universities. A student must check with the specific transfer institution to determine regulations regarding DSST credit.
- DSST exams may not be used to retake or improve a grade in a course at Coastline or any other institution.
- CLEP/DSST credit posted to another institution’s transcript will be reevaluated based on Coastline’s standards and may or may not be equal to credit received at another institution.

See Appendix D—DSST Chart.

Foreign College Units: Coastline is unable to evaluate foreign transcripts. International students are encouraged to utilize the Credentials Evaluation Service provided by the International Research Foundation, Inc. This agency is familiar with educational systems throughout the world and can properly evaluate international transcripts.

Although the agency charges a fee for the service, the expense is usually much less than repeating the courses at an American institution of higher education. Coastline will accept the official evaluation and will count the units and/or degrees toward the student’s educational program. Call the Counseling office for information at 1 (714) 241-6162.
Independent Study: Students whose past experiences and present activities provide an accepted alternative method for completing course objectives may petition for Independent Study:

1. If the course is offered during the petition semester;
2. If the course is appropriate for this method of instruction, and
3. If the petition is approved by the specific instructor teaching the class, the discipline dean and the vice president of instruction.

Military Credit: Coastline recognizes that U.S. Service members receive intensive training and educational instruction unmatched by many others in our society. Coastline will award a maximum of 40 units of credit for military training and experience as recommended by the American Council on Education (ACE). The determined number of units may be posted to the student's transcript upon completion of 12 units at Coastline.

- Military transcripts are evaluated to verify credit applicable to a degree. Transcript documentation includes JST (Joint Service Transcript), Coast Guard Institute Transcript, DD 295 and DD 2586.
- Military credits may count towards general education, major, areas of emphasis, certificate, and elective credits and are applicable to an associate degree at Coastline.

Work-based Learning: Students pursuing any vocational major at Coastline may earn elective credit for learning on the job through a planned program of goal setting, site visits and evaluations. Concurrent enrollment in Coastline’s vocational classes is required. For further information, contact the Work-based Learning office at 1 (714) 241-6209.

Classification of Students

Students are classified as follows:

Freshman: A student who has completed fewer than 30 units.

Sophomore: A student who has completed 30 or more units.

Full-time Credit Students: A student carrying 12 units or more of work.

Full-time Noncredit Student: A student attending 24 class hours per week.

Part-time Student: A student carrying fewer than 12 units of work.

Course Repetition

In accordance with Title 5, sections 55024, 55040-55045 only courses which fall into the following categories may be repeated. Enrollment in two sections of the same course in the same term or part of term is not permitted.

Repetition of Activities Courses—Families of Courses

New regulations governing the repetition of credit courses in the California Community College system effective FALL 2013 have eliminated repeatability in Dance, Drama, Physical Education, Visual Arts, and most Music courses. Intercollegiate Athletics and some Music courses that are required for transfer programs will be the only courses that will remain repeatable; all other courses previously offered as repeatable will be offered as one time enrollment courses.

While students will not, in most cases, be allowed to repeat active participatory courses in Dance, Drama, Music, Physical Education, and Visual Arts, you will still be allowed to enroll in a series of active participatory courses that are related in content (commonly referred to as a family of courses) a maximum of four times. This is a state regulation and applies to all Dance, Drama, Music, Physical Education and Visual Arts activity classes in the District.

For example, all Ballet courses are part of the “Ballet Family”. Repeatable courses that are related in content and taken prior to FALL 2013 will count toward the four enrollment limitation. Therefore, the “Ballet Family” includes Dance C110 Ballet 1 and Dance C115 Ballet 2. A student who previously enrolled in Dance C110 twice can only take two more courses in the family; a student who previously enrolled in Dance C110 four times may not take any additional courses in the family.

A family of courses may include more than four courses, but students are limited to a maximum of four courses in any family, in the District. Further, all grades, including “W”s, will count toward the four course enrollment limitation and for computing the grade point average (GPA). Students can repeat Art, Dance, Drama, Music, and PE courses that are included in Families of Courses in which a “NP”, “D”, “F” grade was earned or “W” was assigned; however, all enrollments count toward the 4 enrollment maximum for each family of courses.

Repeating Courses

It is possible to repeat a class only in certain circumstances as follows:

1. In the course description in the catalog, the class is identified as eligible for repetition; or
2. The class is eligible for grade remediation by repetition.

Students are limited to three (3) total enrollments for most credit courses. Students will not be allowed to repeat a course more than three times without documented evidence of extenuating circumstances. “W” grades are counted as enrollments.

3. Special classes which meet the needs of students with a documented disability may be repeated in compliance with Title 5, Section 56029, of the Education Code.
Reasons to Repeat a Class:

A. Repeating a course in an effort to alleviate a substandard grade; Students who receive substandard grades ("D", "F", "NP" or "NC") and/or one or more Withdrawals ("W") on the transcript may attempt to successfully complete the course up to a total of two additional times within the Coast Community College District, if necessary to alleviate the substandard grade or successfully complete the course.

B. Repeating a course due to a significant lapse of time, where a passing grade (CR or P) or C or better was previously earned. A significant lapse of time is defined as at least five years. All coursework shall remain on the student’s permanent record.

C. You have extenuating circumstances - verified cases of accidents, illness, or other life changing even beyond the control of the student that prevented you from doing well in the course (must submit documentation);

D. The course you wish to repeat is part of a legally mandated training as a condition of continued or volunteer employment. Regardless of whether or not a substandard grade (D, F, NC, or NP) was previously earned, the grade and unit credit shall be included each time for the purpose of calculating the GPA. (Documentation must be attached to certify that course repetition is necessary to complete legally mandated training).

E. Repeating a course previously taken at another college. Substandard or non-substandard grades earned at another institution will not be alleviated by repeating a course at Coastline Community College. The grade and unit credit earned will be calculated and averaged in GPA.

Note: Some transfer institutions may elect to include both courses or may choose to use only the first grade taken in their computation of the grade point average to establish entrance requirements.

Note: There is current State and District policy pending regarding changes to the Course Repetition Policy. Please check with the Admissions and Records Office or Counseling for updated information.

Expenses

Enrollment Fees: $46 per unit. The enrollment fee is subject to change by the state legislature.

College Services Charge (formerly Student Services Charge): $6 per semester. This charge underwrites many student services, classes and programs. It is not mandatory. A portion of each $6 charge goes to instructional grants and student scholarships.

Information about specific programs funded by this charge and requests for waiver of the charge are available and granted only in the Admissions and Records office during the registration period. Waivers must be secured in advance and submitted at the time of a student’s initial enrollment.

Housing: Coastline maintains no dormitories. Housing transactions must be made individually.

Non-resident Tuition: $190.00 per unit + $29.00 per unit Non-Resident Capital Outlay. Students who are not California residents as defined by the Education Code are required to pay the non-resident tuition fee in addition to the fees described above. Please note that it is the student’s responsibility to prove that he/she is a California resident.

Materials Fees: Students may need to purchase materials for classes, as follows:

1. Required instructional materials of continuing value outside of the classroom must be paid for by the student. These are tangible materials that are essential to satisfy course objectives, have value to the student outside the classroom, belong to the student and may be taken home. These materials include, but are not limited to, such items as textbooks, workbooks, syllabi, computer discs, tools, uniforms and canvases. They also include materials, such as clay, that are transformed into materials of lasting value.
NOTE: Some classes carry a fee for required instructional materials. These fees are for the types of materials described above. When such fees are indicated, the materials for which the fees are levied are supplied at district costs and are sold as a convenience to students. However, students may choose not to pay the fee indicated and provide the materials themselves. Students are warned that they will not be able to complete the requirements of a course if they do not purchase or provide required instructional materials.

2. Students are advised to provide certain instructional materials of an optional nature. These are materials that enhance a student’s learning experience in the classroom, but are not essential to completion of course objectives.

Parking Fee: $15 per Fall/Spring Semester. $7 for Summer Session. See “Parking Regulations” on page 133.

Health Services Fee: All students enrolling in one or more courses are required to pay the Health Services Fee of $10. This is a mandatory fee unless the student presents a waiver. Students who qualify for a waiver are:

- Students who depend solely upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization. Call 1 (714) 241-6160 for information.
- Students enrolled only in courses of two weeks or less in duration.
- Students enrolled only in non-credit courses.
- Students enrolled in an approved Study Abroad Program.
- Students enrolled in an approved apprenticeship training program.

Textbooks: Students may need to buy textbooks as determined by their instructors. Total cost will vary from approximately $75 per class to $600 per semester for full-time students. In some cases, used textbooks are available at a reduced price. Some textbooks may also be rented. Textbooks may be purchased in the Bookstore located at the College Center or online at: www.coastlinebookstore.com.

Information about textbook pricing and ordering for courses delivered through the Military Program may be found online at http://military.coastline.edu/text50.cfm.

Grading

Student performance is indicated by one of seven grades. Grades, which carry a point value and which are used in determining the grade point average (GPA) are as follows:

- A = Excellent 4 grade points per unit
- B = Good 3 grade points per unit
- C = Satisfactory 2 grade points per unit
- D = Passing-less than satisfactory 1 grade point per unit
- F = Failing 0 grade points per unit

The grade point average is calculated by dividing the number of grade points by the number of units attempted for the grades of A, B, C, D, or F.

The following grades are not part of the GPA calculation:

- P (formerly CR) = Pass satisfactory, C or better
- NP (formerly NCR) = Not passing, less than satisfactory or failing
- W = Withdrawal
- MW = Military withdrawal
- I, IB, IC, ID, IF, INP = Incomplete* No units granted
- NG = Non graded
- RD = Report delayed

*Incompletes were expanded to include the grade that the incomplete will revert to in one year if the student does not make up the coursework with the instructor (i.e. ID = incomplete which will revert to a “D” in one year if the student does not make up missing coursework).

An “E” to the far right of a course indicates that the grade has been excluded from the GPA calculation. The reason for the exclusion may be notated as follows:

**Grading Options**

1. **Optional Pass/No Pass or grade classes.**

   In these courses, students may elect to receive either a traditional letter grade of “A” through “F” or Pass/No Pass for the course. This choice must be made by the same deadlines as last day to drop without a “W”, which is printed on your Student Class Program (Web Schedule Bill) through MyCCC.

2. **Pass/No Pass” grading option:**

   Students who enroll in courses designated “graded or pass/ no pass option” may change the grade by logging into MySite, clicking on Add/Drop Classes then clicking on the Grade Mode for the class you wish to change the grade option.

   Once the Pass/No Pass grading option deadline has passed, the grade option cannot be reversed. Therefore, before selecting this option, students should consult with a counselor.

**NOTE:** In classes graded on this basis, students are held to attendance regulations and academic standards expected in the standard graded courses.

Students are advised to read the following statements before deciding to pursue a course on a graded (“A” to “F”) or Pass/No Pass basis.

- A grade of “Pass” or “No Pass” does not affect a student’s grade point average at Coastline Community College.
- “NP”, “W”, and “I” grades are utilized by Coastline Community College in the determination of academic probation and disqualification. (Refer to college regulations concerning “Probation/Disqualification.”)
- Courses taken at Coastline Community College to remedy an admissions deficiency for the University of California due to poor or incomplete high school preparation are not acceptable if completed on a “pass” basis.
- Students required to complete 60 units of course work with a grade point average of 2.4 prior to transfer to a University of California campus, such as Irvine, must complete at least 42 of these units on a graded (“A” through “F”) basis.
- Some universities may specify that courses required for a major be completed on a standard grade basis (“A” through “F”).
- A grade of “pass” is equivalent to a “C” for purposes of transfer.
- Some universities specify that courses taken to satisfy general education breadth requirements be completed on a standard grade basis (“A” through “F”).
- Some institutions limit the number of units completed on a “pass” basis which are accepted toward the bachelor’s degree.
- Students planning to apply to competitive admissions programs such as the health professions are usually advised to complete the specified preparation on a graded basis (“A” through “F”).

**W (Withdrawal)**

Withdrawal is not an automatic process. The student is responsible for officially withdrawing, through the Admissions and Records Office, to avoid receiving “F” or “NP” (no-pass) grades.

Upon entering Coastline Community College, the student assumes the responsibility of completing each course in which he/she is registered. A college student is expected to attend all sessions of the classes in which he/she is enrolled. An instructor may drop a student for excessive absences when the instructor determines that, due to absences, the student may not successfully complete the course. Students who miss the first meeting of the class may also be dropped.

Students who are dropped by their instructors for missing the first class meeting or for excessive absences should verify the instructor drop with the Admissions Office in order to avoid grade penalties and to comply with critical drop dates as specified.

After a student has been dropped from the class for unexcused absences, appeal for reinstatement will be considered only under extenuating circumstances.

When withdrawing from a class, students should be aware that the following policies apply:

**Early Withdrawal**

Classes will not appear on a transcript (a “W” will not be assigned) when a student officially withdraws during the first two (2) weeks of full semester (16-week) fall or spring courses, and 20% of all other length courses. Students should refer to their “Student Class Program, Web Schedule Bill” for specific course deadlines.

**Other Withdrawals**

A “W” will appear on a transcript for official withdrawals made between the Tuesday of the 3rd week and the last day of the 12th week for full semester (16-week) fall or spring courses and more than 20% and less than 75% in all other length courses.
MW (Military Withdrawal)
“Military withdrawal” occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol of “MW” is assigned. Military withdrawals shall not be counted in progress probation and dismissal calculations.

I (Incomplete)
An incomplete grade (I, I/B, I/C, I/D, I/F, and I/NP) may be assigned when the course is not completed for unforeseen, emergency and justifiable reasons, with permission from the instructor, and the student intends to complete the work after the end of the term. The condition for the removal of the “I” shall be stated by the instructor as well as the grade assigned in lieu of its removal in a written record available to the student at the Admissions and Records Office.

The “I” must be made up no later than one year following the term in which it was assigned. If the work assigned is not completed within that year, then the grade will revert to the grade attached to the “I” (i.e., I/B = B)

A final grade shall be assigned when the work stipulated has been completed and evaluated by the instructor or when the time limit for completion of the work has passed.

NOTE: When unusual circumstances prevail, a petition may be filed at the Admissions and Records Office requesting a reasonable extension of time.

IP (In Progress)
The “IP” (In Progress) grade indicates that the class extends beyond the normal academic term. It indicates that work is “in progress” but assignment of a final grade awaits completion of the course. The “IP” symbol remains on the student’s record and is not used in calculating units attempted or grade points. The appropriate evaluative grade, units and grade points are assigned and appear on the student’s record for the term in which the course is completed.

Note: There are very few classes at Coastline Community College that qualify to use the IP grade.

NG (Non-Graded)
The NG symbol is assigned to non-graded courses.

Grade Challenge Policy
The determination of the student’s grade by the instructor shall be final in the absence of mistake, fraud, bad faith or incompetence. A student who has been assigned a final grade which he/she believes to be incorrect may file a Grade Challenge Petition form obtained from the Office of Admissions and Records. All grade challenges must be made by the student, in writing, within two years after the end of the semester in which the grade in question was assigned. Grade challenges filed after the two-year deadline will be reviewed for recording errors only to ensure that the student’s grade on the instructor’s roster is, in fact, the grade that appears on the transcript.

Examinations
Final examinations are required in all courses, except physical education. Normally final examinations are given the last week of class. No student will be excused from these examinations. Students must be in attendance at Coastline Community College for the entire semester and must take the final examination to receive credit.

MW (Military Withdrawal)
“Military withdrawal” occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol of “MW” is assigned. Military withdrawals shall not be counted in progress probation and dismissal calculations.

Incomplete Grades: Incomplete academic work for justifiable reasons at the end of the term may result in an “I” symbol being entered in the student’s transcript (permanent record). The “I” may be made up no later than one year following the end of the term in which it was assigned. Students are notified by the College regarding the conditions necessary to receive a grade. An “I” not made up within the one-year limit shall be changed to the alternate grade assigned by the instructor at the time the “I” was issued.

NOTE: Students are not permitted to enroll in a course in which they were assigned an “I” grade. Incompletes must be agreed upon by both the student and the instructor.

Examinations: Final examinations are required in all graded courses. Exceptions to this policy may occur in certain physical education activity courses. Students must be in attendance at Coastline for the entire length of the course and must take the final examination to receive credit.

Prerequisites, Corequisites and Other Limitations on Enrollment
All prerequisites or corequisites identified in Coastline’s catalog and class schedule were established according to state laws as outlined in the Coast Community College District’s Model Plan. The following information is provided in compliance with those laws.

Except for district priority registration procedures for continuing students and courses or programs with prerequisites or corequisites, all Coastline classes are open to enrollment on a first-come, first-served basis until they are filled to maximum capacity.

Definitions: “Prerequisite” means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. “Corequisite” means a condition of enrollment
consisting of a course that a student is required to simultaneously take in order to enroll in another course. “Advisory” means a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Challenging Limitations on Enrollment

Closed classes without prerequisites or corequisites: For courses that do not have prerequisites or corequisites, students may attend the first class meeting and ask instructor for permission to enroll in class.

Closed classes with prerequisites or corequisites: For courses that do have prerequisites or corequisites, students must have completed all prerequisites or corequisites. Students who have not met the appropriate prerequisites or corequisites and who complete in-class registration may not be officially enrolled or may be involuntarily dropped from the course.

Open courses with prerequisites or corequisites: Students may challenge prerequisites or corequisites based on the types of challenges listed below which are established by law. It is the student’s responsibility, however, to provide satisfactory evidence that the challenge should be upheld. “Prerequisite/Corequisite Challenge Petition” forms are available in the Admissions office. Students wishing to challenge prerequisites or corequisites should first speak with the Dean of Counseling. They must then complete the petition form and submit it, along with supporting documentation, to the Admissions office. Petitions will be approved or denied within five working days. If approved, the petitioner will be allowed to enroll in the course of choice. If the desired course is already closed when the challenge is filed, the challenge shall be resolved prior to the beginning of the registration for the next term. If the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for that subsequent term.

Authorized Grounds for Challenge (Title V—Section 55201):
Colleges are required to notify students about the types of challenges that are established by law, and to advise students of the circumstances under which they are encouraged to make a challenge.

Any prerequisite or corequisite may be challenged by a student on one or more of the grounds listed below. The student shall bear the initial burden of showing with documentation that grounds exist for the challenge. Challenges shall be resolved in a timely manner and, if the challenge is upheld, the student shall be permitted to enroll in the course or program in question. Grounds for challenge are:

1. The prerequisite or corequisite has not been established in accordance with the District’s process for establishing prerequisites and corequisites;
2. The prerequisite or corequisite is a violation of this article;
3. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;
5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or corequisite course has not been made reasonably available; and
6. Such other grounds for challenge as may be established by the district governing board.

Coastline has established all prerequisites or corequisites in full compliance with the District’s process for establishing prerequisites and corequisites. The existing prerequisites and corequisites are not in violation of state law. The District has not established any grounds for challenge other than those already permitted by law. Therefore, students are not advised to challenge a prerequisite or corequisite based on items 1, 2 or 6 above.

Coastline students are encouraged to submit their official transcripts as documentation of prerequisite or corequisite completion at the time of registration. The transcripts will usually indicate which completed coursework from other colleges is equivalent to the prerequisite or corequisite. This action will avoid the need to file the Prerequisite/Corequisite Challenge Petition.

Student Rights to Appeal: If a challenge is denied based upon the determination of one person and not a committee, the student has the opportunity to appeal to the Dean of Counseling and Matriculation.

Assessment and Placement Test Requirements

Placement testing for English and mathematics is required for all non-matriculated students prior to enrolling in courses. All students must either place into a course or successfully complete the pre-requisite prior to enrolling. Students may not register in a course level higher than what is indicated on their placement test results. Coastline Community College, in compliance with California Community College State Chancellor’s Office regulations, has validated the assessment process used to place students and found it to correlate highly with a student’s ability to perform at the level indicated. However, the College recognizes that, on occasion, the assessment process is not always the only indicator to determine a student’s placement, and in some cases, other factors may need to be considered. Therefore, students may submit an appeal for review for consideration of higher placement if they believe their placement is inaccurate. Appeal forms are located in the Admissions and Records Office and must be made prior to enrolling in the course.

Since the standard English test may not accurately measure non-native English speakers’ reading, writing, and speaking skills, the College recommends that non-native English speakers take the ESL Assessment Test, which can correctly place the student in ESL or English courses.

Contact the Assessment Center in the College Center for information about scheduling an appointment for placement testing.
Priority Registration Policy
The Coast Community College District is committed to the philosophy that all students should have fair and equitable access to courses and programs within the resources of each college and in accordance with State Education Code, Title 5 provisions and guidelines adopted by the Board of Governors. Further, the District believes that students should be able to progress toward their stated educational objective in a timely manner. The primary mission of the District colleges is to provide transfer and vocational courses and programs. Therefore, priority is extended to matriculated students who have demonstrated progress toward their declared educational objectives, the completion of their transfer requirements, and/or the completion of a degree or vocational certificate. Enrollment priority is the process used to determine the order in which students will have the opportunity to register for classes. Recognizing that each college serves a unique student population that may have differing needs, the development of specific registration priorities will be done at the college level in accordance with District procedures. Contact the Dean, Enrollment Services for additional information.

Effective for the Fall 2014 semester:
ALL students must complete orientation, placement testing, and have a Student Education Plan (SEP) in order to be granted priority registration.

Priority registration as outlined in the new regulations will be determined as follows:
• 1st Priority = Active duty military, veteran students, and current and former foster youth
• 2nd Priority = Extended Opportunity Programs & Services (EOPS) and Disabled Students Programs & Services (DSPS)
• 3rd Priority = Continuing students in good standing and new students

We understand that this may impact you as you plan for your academic year. Please be assured that we working to develop tools that will assist you. In the coming months, we will be implementing DegreeWorks. DegreeWorks is a tool that will help you meet your academic goals by allowing you to access your Student Education Plan online.

Important Things to Remember:
• Only students who complete placement testing, orientation, and have a Student Education Plan (SEP) on file will be eligible for priority registration
• Once students have completed 100 or more units, they will lose their registration priority
• Students must remain in good academic standing to receive priority registration each semester

Tips to Keep in Mind:
• Do your best to keep your grade point average (GPA) at 2.0 or higher. Seek help from the Student Success Center if you feel you are falling behind.
• If you haven’t already done so, make an appointment with a counselor for a Student Education Plan (SEP).

Refund Policy
In accordance with State regulations and District Board policy, registration fees will be refunded according to the following:
1. Enrollment Fees, Nonresident Tuition, Material Fees: 100% of the fees paid at registration for the affected class(es) will be refunded provided the student withdraws by the refund deadline date printed next to the class on the student’s class program. Withdrawals after the printed refund date for the class are not eligible for refund.

2. Parking Fee, Health Fee College Services Charge: 100% of the fees paid at registration will be refunded if the student totally withdraws from all classes in accordance with the refund deadline date for each of the classes being dropped as printed on the student’s class program, and the student returns the Parking Permit Decal within the refund deadline.

Refund Procedure
In accordance with California State Regulations and Coast District Policy, registration fees will be refunded according to the following:
Enrollment fees, Non-Resident Fees, Material Fees: 100% refund of fees paid at registration for each class dropped by the refund deadline. No refund will be made after the refund deadline. There are no exceptions.

Health Fee, College Service Charge:
100% of the fees paid at registration will be refunded if the student totally withdraws from all classes by the refund deadline for each class. No refund will be made after the refund deadline. There are no exceptions.

Parking Permit:
Return the parking permit (if purchased) in-person or by mail. The Parking Permit must be postmarked or returned to the Public Safety Office on or before the earliest refund deadline on your official Student Class Program, which is available via the student tab on your MyCCC portal.

To Be Eligible For a Refund:
Students must officially withdraw from classes by the refund deadline (Refer to the Student Class Program/Web Schedule Bill on the Student tab of the MyCCC portal page or see Important Dates.) It is the student’s responsibility to officially withdraw from classes and to
verify all withdrawals. An instructor may drop students for non-attendance. Instructors are not responsible for making sure drops are made by the refund deadline. If the student has not been dropped from the class by the instructor, the student is responsible for withdrawing from the class by the refund deadline. Students who are officially enrolled in a class after the refund deadline will not be eligible for a refund. There are no exceptions.

Refund Processing:
Refunds will be automatically processed every Monday beginning the first week of registration of the semester in which the fees were paid and each week thereafter until the end of the term. Official withdrawals made in accordance with the refund policy and by the withdrawal deadline will generate a credit balance on the student account.

Online Credit Card Payment Refunds:
Registration fee payments made by credit card through MyCCC will be refunded to the same credit card used for payment. Allow 6-10 business days for the refund to post. If the Credit Card used to pay fees is no longer valid, it is the student’s responsibility to notify the Admissions and Records Office once the credit has been posted to the student’s account and prior to the refund being processed. The refund will be converted to a check refund upon proper notification.

Refund Processing
The Coast College District will no longer issue refund checks for registration fees. The refund checks will now be issued through a third party company. Payments made by credit card online via your student portal will continue to be refunded back to your credit card.

Effective June 15, 2013- The Coast College District will offer direct deposit and debit card refund options in place of check refunds. Please visit the refund page on the CCC website for current and up to date information.

On Campus Payment Refunds:
Fee payments posted on campus, by cash, check, money order or credit card, will be refunded by check and mailed to the mailing address the Admissions and Records Office has on file. It is the responsibility of the student to maintain correct and up-to-date address information. Addresses can be updated on MyCCC, under the Student Tab, and then click on Banner Self Service.

Effective April 1, 2013 - The Coast College District will no longer issue refund checks for registration fees. The refund checks will now be issued through Sallie Mae Bank. Payments made by credit card online via your student portal will continue to be refunded back to your credit card.

Effective June 15, 2013- The Coast College District will offer direct deposit and debit card refund options in place of check refunds. Please visit the refund page on the CCC website for current and up to date information.

Important:
Payments made using multiple payment methods (online credit card payments and cash, check or money order) during the current registration period will be refunded to the credit card used for online payments.

Cancelled Classes
If Coastline Community College cancels a class, registration fees for that class will be refunded. If you purchased a parking decal, it must be returned within two weeks of the class cancellation date.

Returned Checks
Any check returned unpaid (stop payment or insufficient funds) does not constitute automatic withdrawal from class. A check returned from the bank for any reason is subject to a $25 service charge. A hold will be placed on student records for any financial obligation, until the obligation is cleared.

Residence Requirements
California Residence: California Residence
Generally, California residence is established by one of the following:
1. If the applicant is under the age of 18, his or her parents must have had legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester or summer session.
2. If the applicant is 18 but not yet 19 years of age, the applicant and the applicant’s parents or legal guardian must have residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester or summer session.
3. If the applicant is 19 years of age or older, the applicant must have had legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester.
4. Alien students holding visas which do not preclude them from establishing residency in California must have legal residence in California for a minimum of 12 consecutive months preceding the day before the first day of the semester.

It is the responsibility of all students to maintain an accurate address on file with the Admissions and Records Office.

Nonresident Students
The following conditions are applicable regarding nonresident fees:
1. Students who are not residents of California as of the day immediately preceding the first day of the semester or summer session will be required to pay a nonresident tuition fee.
2. Active military personnel are exempt from nonresident tuition fees provided they are in California for a purpose other than attending a state supported institution of higher education.
3. Dependents of active military personnel are granted a one-year exemption from paying the nonresident tuition fee. The one-year period begins on the date the dependent enters California. After the exemption period has ended, dependents will be charged nonresident tuition unless they have met the residency intent and durational requirements for a one-year period prior to the residency determination date.

4. Minors (under 18 years of age and not married) will be required to pay the nonresident tuition if their parents or legal guardians reside outside the state even though such minors may have lived in California for one year or more.

5. Students who are financially dependent on their parents or legal guardians will be required to pay nonresident tuition if their parents or legal guardians reside outside the state even though such students may have lived in California for one year or more.

6. Alien students holding visas which preclude them from establishing residency in California may be restricted in their enrollment at Coastline Community College and will have to pay nonresident tuition. In addition, alien students with visas who are citizens of another country are required to pay an additional per unit capital outlay fee. See the class schedule for the amount of the fee.

7. In accordance with Education Code 68130.5 (AB 540), other than nonimmigrant aliens, students who meet all of the following requirements are exempt from paying the nonresident tuition fees.
   a. Attendance in a California high school for three or more years. Copy of High School transcript must be submitted to the Admissions Office
   b. Graduation from a California high school or attainment of the equivalent prior to the start of the term. Copy of High School diploma or equivalent required
   c. Students without lawful immigration status must have filed an application to legalize their immigration status or will file for lawful status as soon as they are eligible to do so. The student is required to submit an affidavit with the college admissions application to verify that the student has met all conditions described above.

8. This is a “Non Resident Tuition” Exemption: In accordance with AB669, a student who currently resides in California and is 19 years of age or under at the time of enrollment, who is currently a dependent or ward of the state through California’s child welfare system, or was served by California’s child welfare system and is no longer being served either due to emancipation or aging out of the system, may be entitled to resident classification until he or she has resided in the state the minimum time necessary to become a resident.

Note: Students who are nonimmigrant aliens (e.g., F series student visas or B series visitor visas) are not eligible for this AB 540 exemption unless they have applied to INS for a change of status to other than nonimmigrant status and meet all other requirements for the exemption.

Non-resident Tuition: $190.00 per unit + $29.00 per unit Non-Resident Capital Outlay. Students who are not California residents as defined by the Education Code are required to pay the non-resident tuition fee in addition to the fees described above. Please note that it is the student’s responsibility to prove that he/she is a California resident.

International Students: Coastline is authorized by the United States Immigration Naturalization service to enroll International Students (F-1).

The faculty, students and staff of Coastline believe that our international students provide an ethnic and cultural diversity to the college and help increase the awareness and understanding of students from other countries and cultures. Conversely, we provide an opportunity for our international students to study in the United States and learn about us and our culture. Coastline uses multiple instructional sites in the community as classroom locations. Based on this, foreign students are reminded to make appropriate arrangements for transportation to and from classes.

Interested International students should request applications from:

Coastline Community College
Attn: International Students Admissions
11460 Warner Avenue
Fountain Valley, CA  92708

The following are entrance procedures for international students requesting F-1 status:

- Our rolling admissions process allows for acceptance to Coastline during the Fall and Spring semesters. Applicants outside the U.S. should apply at least two months prior to the start of the term. Approximate start dates: fall, in late August; spring, in late January; and summer, in mid-June. We recommend early application for the best selection of classes.
- International applicants must complete an international student admission packet including:
  1. International student application
  2. A $30 non-refundable application fee, in U.S. dollars (check, money order, cash, or credit card) must be submitted with the application.
  3. International Student Financial Support Information Form
  4. Bank Certification Form
  5. All evidence of high school graduation or higher must be submitted. The “official” transcripts of the original records must be accompanied by a notarized English translation.
6. TOEFL score: A minimum score of 450 (paper based) or 133 (computer-based) in order to be accepted into the regular college program. Students who plan to enroll in the English as a Second Language (ESL) are not required to take the TOEFL test. However, students are strongly encouraged to provide TOEFL or equivalent scores for appropriate placement purposes. To make arrangements to take the TOEFL, write to: TOEFL, Educational Testing Service, P.O. Box 592, Princeton, New Jersey, 08540. International students must designate Coastline (Institution Code 004086) as the recipient of the test results.

7. Notice of Intent to Transfer if transferring from a college in the U.S.

8. International students must provide proof of private health insurance during their entire course of studies at Coastline, meeting the minimum requirement of $30,000 of health insurance.

9. International students must complete 12.0 or more units each semester with at least a 2.0 GPA while pursuing their selected academic goal.

10. The Bureau of Citizenship and Immigration Services (BCIS) restricts international students from off-campus employment for the first year of study. After the first year of study, International students are allowed to work part-time. International students must get approval from the BCIS and the vice president of student services before they can be legally employed off-campus.

11. International students pay nonresident tuition during their attendance at Coastline.

Admission materials received from international applicants remain active for 12 months after their submission. If the international applicant does not register during that 12-month period, the materials are destroyed.

Students Holding Visas Other Than Student (F-1) Visas: Aliens holding valid visas that are otherwise eligible for admission may enroll in classes provided that they are proficient in English and their visas do not expire before the end of the term for which they are enrolling. Contact the Admissions & Records Office for information concerning specific enrollment restrictions.

An alien who is precluded from establishing domicile in the United States shall not be classified as a resident unless and until he or she has been granted a change in status by the U.S. Citizenship and Immigration Services (USCIS) to a classification which permits establishing domicile and has met all other applicable residency requirements. Aliens considered to be nonresidents are required to pay the nonresident tuition charge, and are not eligible for tuition exemption (Education Code 68130.5).

Coast Community College District Residence: In order to attend Coastline, an applicant must meet the California residence requirements.

This notice has been prepared in accordance with Education Code Section 25505.5 and shall remain in effect until further written notice.

Student Records

Active Records: Most requests for changes to a student’s current class program or information can be done online by logging in to MyCCC or in the Admissions and Records Office. Included are “adds” to program, “withdrawal from class,” “fee payments” “and address changes.” Grade option requests and name changes must be done in person in the Admissions & Records Office. If changing a name, official documentation must be presented at the time of the request.

Transcripts: Transcripts of academic work taken at Coastline Community College are available upon official request. Students make their requests online through Credentials, Inc. on the CCC website, www.coastline.edu Two transcripts and/or enrollment verifications will be provided free of charge. For each additional transcript there will be a charge of $5. Students may request “rush” (next day) services for an additional $5 per transcript or verification. Fees are subject to change. In accordance with Education Code provision 72237, transcripts will be withheld from students and former students who have outstanding financial or materials obligations to the college and/or district or who have unresolved matters related to student discipline.

Cumulative Folders: The Admissions and Records Office maintains an electronic cumulative file on each student who has records sent to the College. The file, containing copies of high school and college transcripts, and other relevant academic information, such as records of military service and other awarded credit, is available to the student. These files are the property of the college.

Verifications: The Admissions and Records Office will provide information regarding a student’s records upon written student request. There is a $3 charge. Two verifications and/or transcripts will be provided free of charge. This fee is subject to change. Coastline Community College also utilizes the National Student Clearinghouse for reporting of enrollment status. Enrollment status is reported automatically several times during the semester or session.

Student Picture Identification: Students may be required to furnish picture identification in order to participate in certain classes and activities. Photo I.D cards are issued in the Admissions & Records office during the students first semester and validated each semester thereafter after verification of enrollment and payment. Students are only allowed one replacement during their studies at Coastline Community College.
**Academic Senate**
The Academic Senate represents Coastline Community College faculty concerns on academic and professional matters to the college administration and to the Board of Trustees. The Senate office is located in the College Center building on the second floor. Call 1 (714) 241-6157 for information.

**Instruction**

Coastline offers a comprehensive education program at times, places and in formats designed to serve the diverse needs of its students. The college’s instructional program includes a full range of courses leading to an A.A. or A.S. degree and/or a transfer to a four-year institution; more than 25 occupational programs preparing students to enter into or advance in the workplace; courses in basic language and mathematics skills to help students prepare for college studies or employment; special programs for students with disabilities; and a wide range of courses for those wishing to broaden their general education and acquire special skills and knowledge needed in today's fast-changing world.

Coastline offers several programs designed to serve the needs of specific community groups. The college's *English as a Second Language (ESL)* helps nonnative speakers acquire the necessary communication skills needed for daily living, employment and college study. The *Student Success Center* provides an opportunity for all students to improve their ability to read, write and do mathematics, and to review their skills before taking the college placement tests. *Special Programs & Services for the Disabled* offers an *Acquired Brain Injury (ABI) Program* and programs for students with intellectual disabilities. *Coastline STAR Programs* are a fast-track route for transfer to a four-year university. STAR Programs offer majors in Business, Psychology, and Math Sciences, with guaranteed enrollment in needed classes. Students can achieve transfer-readiness in as little as 3.5 semesters.

Courses are offered both day and evening and via distance learning to accommodate the busy schedules of Coastline students, most of whom are employed full or part-time while attending college. Coastline also provides courses on-site at local businesses and large companies for the convenience of their employees. These programs are developed for the employer on a fee basis to meet their individual needs via Coastline Contract Ed.

A leader with more than three decades of experience, Coastline’s Distance Learning Department offers a comprehensive selection of distance learning courses for Coastline students to earn college credit and to complete their educational goals with convenience and flexibility. Distance learning courses are offered through a variety of delivery methods. Each distance learning course is academically proven, well-produced curriculum developed by college faculty, scholars, practitioners and instructional design specialists. Students interact with their instructors by telephone, fax, e-mail, electronic bulletin boards, chatrooms, via *Second Life* virtual world, or in person. *Internet Courses* enable students to complete course work online at their own time, place and speed! The course Web site features text lectures, video clips, sound files, images, site links, assignments, online quizzes, instructor interaction, and discussion forums for student-to-student interaction. Textbooks, as well as possible multimedia and video materials, are required to complete the Internet course. Examinations are conducted on-site or proctored. *Telecourses* are pre-produced video lessons broadcast over local TV stations. Students can watch the lessons as they are aired, record lessons to watch or repeat at a more convenient time or watch the lessons at one of the Coastline Viewing Centers. The instructor conducts review sessions, administers examinations on-site and may have optional workshops. *Cablecast Courses* are locally produced lessons shown on cable TV from Coastline's Cable Television Center. For students who do not have cable access within the District, cablecast lessons are available at Coastline’s Viewing Centers. Students watch their instructor's lectures, read text books and complete course assignments. You can also buy DVDs of Telecourses and Cablecast courses for your viewing convenience. For both, the instructor administers examinations on-site. *Independent Study Courses* are specially prepared with course materials including reading materials, text books, study guides, self-paced assignments and video materials. Courses may also include CD-ROM multimedia materials, Internet access or lab kits. Although these courses are designed for students to study independently, students can interact with their instructor by telephone, fax, e-mail, electronic bulletin boards, chatrooms or in person. Examinations are administered by the instructor or a proctor on-site. Coastline’s Distance Learning Department schedules more than 200 courses during the fall and spring semesters and many courses in the summer which meet general education requirements for a degree or certificate. These are fully transferable to the California State University and University of California systems.

Coastline’s faculty is comprised of more than 300 highly qualified, credentialed, full- and part-time career educators and community professionals. The faculty and staff welcome the participation of all community members in developing an educational program relevant to today’s world.

In addition, students have full privileges at Golden West College and Orange Coast College Learning Resource Centers, at several public libraries and access to Coastline’s Virtual Library System at: www.library.coastline.edu.

Coastline’s goal is to provide comprehensive and state-of-the-art instruction which meets the special needs of the communities it serves.
Department Chairs are elected every other spring. Their primary activities include acting as a liaison among and between faculty, the Academic Senate and administrators, as well as assisting deans with class scheduling, faculty evaluations, curriculum development, faculty interviews and staff development.

OLIT coordinates Coastline's Summer Institute, a two-day conference on instructional techniques, technology, tools, and resources, conducted each year for faculty and staff.

Director, Technology Support Services .................................Anthony Maciel
Director, Marketing & Product Development .......................Lynn M. Dahnke
Director, Instructional Media Design & Production ..............Judy M. Garvey
Director, eLearning, Application & Web Development ..........David L. Thompson
Institutional Research, Planning and Grant Development
Knowing our students and community is important to Coastline Community College. The Research Office provides support to the staff, faculty, administration, and the Associated Student Government (ASG). Located on the second floor of the College Center in Fountain Valley, the Research Office conducts studies to assist in planning and evaluation; designs and conducts “special” studies addressing a variety of research needs (e.g., evaluation of services and grant projects); and provides assistance and guidance to faculty and staff engaged in their own research or grant-seeking activities.
Associate Dean, Institutional Research and Planning...........Jorge Sanchez, Ph.D.

President
The President is responsible for the conduct of all college programs, functions and activities and reports directly to the Chancellor of the Coast Community College District.
President..................................Loretta P. Adrian, Ph.D.

Foundation
Coastline Community College Foundation (CCCF) is an IRS-approved, tax-exempt, 501(c)(3) nonprofit auxiliary organization. Its goal is to support students with scholarships and provide funds for college programs and specialized services. The Foundation receives gifts of time, talent, and resources from hundreds of donors each year who are committed to changing a life . . . one student at a time.
Current giving programs include but are not limited to: Scholarships, President’s Circle, Planned Giving, and Visionary Awards. Call 1 (714) 241-6154 for information.
Director, College Foundation............Maram Khosravani

Marketing, Public Relations
Marketing and Public Relations serves as the communications arm of the College. The office coordinates public information activities, media and promotional efforts, and manages the printing/publication services for the College. The college Web site is also administered through this department.
Director, Marketing and Public Relations..........................Michelle Ma

Student Services
Student Services is responsible for admissions, registration, records, transcripts, student information, international students, counseling, articulation, matriculation, guidance, Special Programs and Services for the disabled, financial aid, Extended Opportunity Programs and Services (EOPS), Associated Student Government (ASG), and career and transfer services. It also manages student conduct and grievance procedures. Student Services maintains and provides a full range of matriculation services for students.
Dean, Enrollment Services and ASG.......Lois Wilkerson
Counseling & Matriculation Assessment, Transfer Center, EOPS and CalWORKs.........Vacant
Director, Admissions and Records ... Jennifer McDonald
Director, Financial Aid ..................Cynthia Pienkowski

Educational Options in California

**Appendix A:**

**Vocational Certificates**
Major courses ONLY. Number of units required varies. A series of special major courses, all related to a particular occupational skill. Offered by community colleges and private educational organizations. Certificates help students prepare for new careers or upgrade current employment skills.

**Associate Degrees**
Major courses plus general education courses and electives, 60 units required. Usually referred to as Associate of Arts (A.A.) or Associate of Science (A.S.) degrees.

**Bachelor's Degrees**
Major courses plus general education and electives, 120-132 total units required. Usually referred to as Bachelor of Science (B.S.) or Bachelor of Arts (B.A.) degrees. You may complete the first two years at a community college and then transfer to a four-year university.

**Master's Degrees**
Bachelor's degree plus graduate courses in a specialized area. Bachelor's degree units (120-132) plus approximately 36 units. Usually referred to as Master of Science (M.S.) or Master of Arts (M.A.) degrees. Normally requires two additional years full-time work after completion of bachelor's degree.

**Doctoral Degrees**
Advanced training beyond a bachelor's or master's degree. Units vary, depending on field of study. Usually referred to as Doctor of Philosophy (Ph.D.) or Doctor of Education (Ed.D.). Normally requires three to five additional years of full-time work after completion of master's degree.
College Credit for Advanced Placement (AP) Tests

Students may earn credit for College Entrance Examination Board (CEEB) Advanced Placement (AP) Tests with scores of 3, 4, or 5. AP credit can be used to meet IGETC, CSU GE and A.A. general Education (GE) and/or major requirements.

Students must have the College Board send AP exam results to the Admissions Office (hand carried copies will not be accepted) for use on the A.A. or GE patterns.

Course credit and units granted at Coastline College may differ from course credit and units granted by a transfer institution.

This AP Chart is based on the most current information available. Although every attempt has been made to assure the accuracy of the information provided, make sure to use the links below to view the source documents:

**Notes**

**#AB subscore on Calculus BC examination** - Students who take the Calculus BC examination and earn a subscore of 3 or higher on the Calculus AB portion will receive credit for the Calculus AB examination, even if they do not receive a score of 3 or higher on the BC examination.

**Associate degrees**: Students should be aware that AP test credit is evaluated by corresponding it to an equivalent Coastline College course. A student who receives AP credit and then takes the equivalent Coastline College course will have the unit credit for such duplication deducted prior to being awarded the Associate degree. Advanced Placement exam results and courses for which credit is granted will be posted on a student’s transcript, with units assigned and no grade.

**CSU GE**: The Advanced Placement examinations may be incorporated into the certification of CSU General Education-Breadth requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated General Education-Breadth area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of General Education-Breadth requirements.

**IGETC**: AP exams must be used in area indicated regardless of where the certifying CCC’s discipline is located.

As directed in Executive Order 1036, Section 1.2.4, the CSU faculty have determined the following passing scores, minimum units of credit earned, and certification area (for General Education Breadth and/or U.S. History, Constitution, and American Ideals) for the enclosed list of standardized external examinations. Note that each campus in the California State University system determines how it will apply external examinations toward credit in the major. For students not already certified in GE and/or American Institutions, the campus also determines how to apply credit from such exams toward the local degree requirements.

* A minimum of score of 4 is needed for CSU credit

**CSU GE:** The IB examinations may be incorporated into the certification of CSU General Education-Breadth requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated General Education-Breadth area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of General Education-Breadth requirements.
