Ranked #1 Community College in the United States

—Huffington Post

The Huffington Post recognized Coastline Community College for being named the number one Community College in the U.S. according to financial planning organization, SmartAsset.

In their study, SmartAsset, Financial Planning organization, addressed key factors that included: low cost education, high success rates, and return on investment. The organization looked at close to 700 public community colleges across the county in order to find the best of the best.

To measure the cost of education, SmartAsset reviewed in-state tuition for one academic year and reviewed the ratio of starting salaries for graduates to the cost of the education to determine return on investment. The organization also measured success rates by looking at the percentage of students who enroll at the community college, graduate, and go on to transfer to a four-year institution. It provided a list of the top ten community colleges in the country.

Coastline Community College ranked at the top of the list. Coastline has twenty-one academic departments largely in educational and medical support fields. Coastline graduates make one and three-quarters times their total education costs their first year working after graduating, and in-state students pay \$2,200 less a year than the national average to go to school, making it both the least-expensive school for local students and the top-performing community college on SmartAsset's list.

The 24-hour notification period will include nights and weekends so check your email often. Waitlist email notifications are sent to the Coast District assigned student email account (your username@student.cccd.edu). All prerequisites and corequisites must be met.

Special Note: High School students are not able to place their names on a waitlist for a course. If a class is closed at the time of registration, High School students should attend the first day of class and attempt to petition the class in person. Petitioning the class is at the sole discretion of the instructor.

Waitlists become available when class seat counts meet capacity. The "Select" checkbox on the searchable schedule will remain available for registration until both the class seat counts AND the waitlist seat counts meet capacity (i.e., "Closed—C"). These numbers will fluctuate due to drops. Classes with lecture/lab corequisites will have a waitlist option on the lab section only and NOT on the lecture section. Do not attempt to add the lecture when you waitlist the lab as you will receive an error message. If you are notified via email that a seat has become available for the lab, a seat has been reserved for you in a lecture.

PAY FEES EVEN IF YOU HAVE FINANCIAL AID: Fees are due immediately and should be submitted within 48 hours and received within 5 business days. Coastline College does not bill for unpaid registrations. If payments are not received, students MAY be dropped from classes to make seats available for other students seeking to register. If you receive financial aid, you still need to make sure that your fee balance is paid within 48 hours (that you have a zero balance due) or you may be dropped from all your classes. Financial Aid such as the Board of Governors Grant does not cover all fees that are charged.

LATE REGISTRATION (ONCE THE TERM HAS STARTED): Students who are still enrolled in classes when the term begins and have not paid their fees, WILL NOT be dropped for non-payment (see the Drop for non-payment schedule on page 10). Students will incur a financial obligation to the college AND a hold will be placed on their record if payment is not received.

Students who register for classes after the term begins WILL NOT be dropped for non-payment. Students will incur a financial obligation to the college AND a hold will be placed on their record if payment is not received. This hold will block future registration (adds, drops), obtaining transcripts, grades, diplomas, or verification of enrollment until all fees are paid.

UNPAID BALANCES: Will be forwarded to Collections and the student will be charged a \$25 collection fee in addition to their balance due.

VERIFY YOUR REGISTRATION AND PRINT YOUR RECEIPT/DETAIL CLASS SCHEDULE: Once you register online and pay your fees, you may print confirmation of your payment and a Detail Class Schedule showing the course information for the courses you registered for. Always double check your registration to make sure it's accurate! This is the time to make sure you registered in the correct course(s)!

BUY YOUR BOOKS: Bring a copy of your Detail Class Schedule with you to the bookstore to help you find the books or go online to purchase your textbooks.

ATTEND CLASS: Go to class! If you miss the first day of class, your seat may be given away to another student. If you enrolled in an online class, log in to the class via the "My Courses" link in your MyCCC portal on the first day of the semester! If you don't log on during the first week of class you might be dropped!

PARKING DECAL: (Must be purchased online) If you purchased a parking decal, make sure you have it displayed on your vehicle by the end of the second week of the semester. Campus Safety starts ticketing the Monday of the 3rd week (Fall and Spring term)!

CHECK your MyCCC portal page daily! It will include targeted announcements regarding registration, grades, cancelled classes, and much more. If all else fails, just contact Admissions & Records and ask us! (714) 241-6176 Monday-Thursday 8:00 am to 5:00 pm and Friday 8:00 am to noon.

STUDENT PHOTO ID CARDS: Students may have their photos taken for a Coastline Community College Student Identification Card as soon as they register, and have paid all of their fees.

Photos are taken in the Admissions and Records Office (located at the College Center) during normal business hours. Students must bring a copy of their current term "student class program" and another form of photo identification (driver's license, passport, etc.).

The CCC Photo ID card will need to be re-validated each semester after you register and pay all fees due.

The cost for the CCC Photo ID card is included in your college fees.

Costs and Fees

ENROLLMENT FEE—\$46 per unit for California residents (enrollment fee is determined by the State and is subject to change at any time).

HEALTH SERVICES FEE—All students enrolling in one or more courses are required to pay the Health Services Fee of \$10. This is a mandatory fee unless the student presents a waiver. Students who qualify for a waiver are:

- Students who depend solely upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization. Call (714) 241-6160 for information.
- Students enrolled only in courses of two weeks or less in duration.
- Students enrolled only in Non credit courses.
- Students enrolled in an approved Study Abroad Program.
- Students enrolled in an approved apprenticeship training program.

COLLEGE SERVICES CHARGE—\$6 per semester. It is not mandatory; however, Coastline Administration and Associated Student Government (ASG) expect students to support the college by paying the charge. A portion of each \$6 charge goes to instructional grants and student scholarships. Information about specific programs funded by this charge and requests for waiver of the charge are available and granted only in the Student Services office during the registration period. Waivers must be secured in advance and submitted at the time of a student's initial enrollment.

NON-RESIDENT TUITION—\$200 per unit, plus \$31 per unit non-resident capital outlay. Students who are not California residents as defined by the Education Code are required to pay the non-resident tuition fee in addition to the fees described above. Please note that it is the student's responsibility to prove that he/she is a California resident.

MATERIALS FEE—Students may need to purchase materials for classes, as follows:

1. Required instructional materials of continuing value outside of the classroom must be paid for by the student. These are tangible materials essential to satisfy course objectives, have value to the student outside the classroom, belong to the student and may be taken home. These materials include, but are not limited to, such items as textbooks, workbooks, syllabi, computer discs, tools, uniforms and canvases. They also include materials such as clay that are transformed into materials of lasting value.

NOTE: Some classes carry a fee for required instructional materials. These fees are for the types of materials described above. When such fees are indicated, the materials for which the fees are levied are supplied at district costs and are sold as a convenience to students. However, students may choose not to pay the fee indicated and provide the materials themselves. Students are warned that they will not be able to complete the requirements of a course if they do not purchase or provide required instructional materials.

2. Students are advised to provide certain instructional materials of an optional nature. These are materials that enhance a student's learning experience in the classroom, but are not essential to completion of course objectives.

PARKING FEE—\$15 per Fall and Spring Semester, \$7 for Summer Session. Parking permits are required at the Newport Beach, Le-Jao, and Garden Grove centers. All registered students using these lots at any time are required to purchase and display a parking permit. Although the sticker will not guarantee a parking space, it will avoid the possibility of receiving a parking citation. Coastline parking permits are not valid at **Golden West** or **Orange Coast Colleges**. Vehicles receiving Coastline citations have the same legal status as parking citations issued by a law enforcement agency in California. For further information regarding these regulations see Parking Regulations, located under "Policies", or contact the Public Safety office at (714) 241-6120, ext. 16350. Purchase Parking Permits on-line at www.coastline.edu.

FEE PAYMENT PROCEDURE—Prior to the start of the term.

Fees are due and payable at the time you register for classes. Coastline Community College does not bill for registration fees. If payments are not

received by the fee payment deadlines students will BE DROPPED from classes to make seats available for other students seeking to register. It is the student's responsibility to withdraw from classes by the refund deadline to ensure cancellation of fees.

If this doesn't work, log back in no later than the next day to see if your fee waiver has been posted. If it has not, please pay the total balance due to avoid being dropped.

IMPORTANT: Students are responsible for any fees incurred and grades received. It is the student's responsibility to drop classes by the State mandated refund deadline to avoid fee obligations and must print a student class program (available via MyCCC) to verify their withdrawal. (Once classes begin, non-attendance or non-payment does not release the student from his responsibility and may result in failing grades being awarded).

Students who chose to sign up must do so within 48 hours of registration to avoid being dropped from classes. Tuition Pay requires a down payment plus a \$25 non-refundable fee per semester. This service is only available for the fall and spring semesters.

Need help paying your COLLEGE FEES?

Financial Aid at Coastline Community College

Both the federal and state government offer funds to eligible Coastline students who need assistance in covering the cost of attending college. Generally, financial aid comes in the form of grants, loans, and part-time work programs. In addition, the BOG fee waiver covers Coastline enrollment fees for students who qualify.

All students who enroll in degree, transfer, or certificate programs should apply for financial aid. Some students pass up the opportunity and don't apply for financial aid because they think they might not qualify. However, many of these students are eligible and miss out on aid they should have received.

All federal and state financial aid can be applied for through one application: the FAFSA (Free Application for Federal Student Aid). The FAFSA is completed online at www.fafsa.ed.gov. Before attempting to complete the FAFSA, students should go to the site to see what they will need to have with them in order to fill out all of the information required. Here are just some of the aid programs a student will be applying for by completing only this one application:

Pell Grant: Up to \$5,775 per year that is gift money.

SEOG Grant: Up to \$400 per year that is gift money.

Cal Grant: Up to \$1,648 per year at Coastline that is gift money.

Federal Work Study: Up to \$4,000 per year. This money is earned in on-campus employment.

BOG Fee Waiver: Waives all CA resident unit fees.

Federal Direct Loans and Perkins Loans: Subsidized and unsubsidized student loans that must be repaid. (Payments begin once the student has finished college or is enrolled in less than 6 units.)

Some students may be eligible to receive several, or even all of these in the same academic year. It makes no sense not to apply to at least see what one might receive.

The FAFSA can be submitted anytime during the academic year. However, students who want to be considered for the most aid possible should apply in January – March 2nd of the prior year (i.e., January – March 2 of 2015, for funds in the 2015-16 academic year)

Much more information about financial aid is available on the Coast Community College District Financial Aid Website: www.cccd.edu/students/financial-aid

Questions?

Call (714) 241-6239 or email financialaid@coastline.edu; or stop by the office at the College Center. Financial Aid is open Monday-Thursday, 8 a.m.-5 p.m.; and Friday, 8 a.m.-12 p.m.

APPLY ONLINE FOR THE BOARD OF GOVERNORS' FEE WAIVER (BOGW). The fee waiver covers the enrollment fee for California residents who qualify. To apply for all aid, you need the FAFSA:

Go to www.fafsa.ed.gov

Go to www.fafsa.ed.gov and fill out the 2015-2016 FAFSA, Free Application for Federal Student Aid. Our school code is 013536. Your processed Federal data will be electronically downloaded for a fee waiver if you qualify.

To apply for BOGW:

Go directly to www.cccapply.org and follow the prompts to do the online fee waiver application.

Most students have a better chance of qualifying for the BOGW through the FAFSA.

EOPS/CARE

About the EOPS Program

Coastline Community College's Extended Opportunity Programs and Services is a state-funded program whose aim is to provide the academic, personal, and financial support necessary for students whose educational and socioeconomic backgrounds might limit their access to higher education, or hinder their ability to be academically successful as they begin their college level studies.

Special Services We Provide

1. **Book assistance:** The EOPS book service program provides assistance for book rental and/or purchase (depending on the availability of funds).
2. **Priority registration:** The program provides EOPS students with early registration, making it easier for those students who qualify and participate to get the right classes they need at the times they need them.
3. **Counseling and advisement:** Staff are available most days to assist with general information and advisement, and a professional educational EOPS counselor to assist with educational and career goals, including transfer help. All EOPS students must see the EOPS counselor a minimum of three times a semester to maintain good standing.
4. **New student orientation:** This is a two-hour presentation by EOPS staff to give you comprehensive information.
5. **Other assistance:** Gasoline cards, parking permits, classroom supplies, cap and gown, transfer, grants, workshops, recognition and award events.

AA GENERAL EDUCATION—OPTION 2

General Education Breadth Requirements for California State University (CSU)

Every attempt has been made to assure the accuracy of the transfer General Education list at the time of publication. Courses may be added to the approved GE list during the year. Students are encouraged to see a counselor and check the ASSIST website (www.assist.org) regularly for the most up-to-date information on General Education courses and their application. ASSIST is the official repository of articulation of California's public colleges and universities. ASSIST does not take the place of a counselor. It is intended to help students and counselors work together to establish an appropriate path toward transferring from a public California community college to a public California university.

Intersegmental General Education Transfer Curriculum (IGETC)

Every attempt has been made to assure the accuracy of the transfer General Education list at the time of publication. Courses may be added to the approved GE list during the year. Students are encouraged to see a counselor and check the ASSIST website (www.assist.org) regularly for the most up-to-date information on General Education courses and their application. ASSIST is the official repository of articulation of California's public colleges and universities. ASSIST does not take the place of a counselor. It is intended to help students and counselors work together to establish an appropriate path toward transferring from a public California community college to a public California university.

Discover Coastline's Business Program

Studying business can prepare you for a wide variety of careers, but choosing what type of business career you want can sometimes be difficult. Many business careers incorporate similar skill-sets, like critical thinking, management methods, e-commerce or e-business tactics, the principles of entrepreneurship, and finance or accounting skills. Although numerous careers in business require most of these skills, you can find the career that best suits your interests by analyzing the different work environments and duties you'll encounter on the job.

For example, you can go into Health Care Management and work at a hospital, for an insurer, or for a local clinic. In the field of Human Resources, you'll recruit and manage a company's finest resource—its employees. With a focus on Marketing, you can work at an ad agency, go into sports marketing, or even go into the field of entertainment marketing for a movie studio or network. And, if you're interested in how businesses work together to provide services to millions of customers, you can focus your business studies on Supply Chain Management.

At Coastline, you'll find courses that lead to an Associate's degree in Business Administration, General Business, Health Care Management, Human Resources, Management, Marketing, Retail Management, Small Business Ownership, Supervision, and Supply Chain Management. These courses can launch a new career for you, or help you to advance in your current career! Call today to find out more: (714) 241-6209.

About Distance Learning

The flexible, convenient way to complete your courses

Distance Learning (DL) combines technology—television, computers, FAX/modems, telephone—with printed materials to bring course content, instructor, and students together. DL courses fulfill degree and transfer requirements, and Coastline offers a comprehensive selection of DL courses that allows you to meet nearly all requirements for an associate degree or for transfer to the CSU or UC systems.

The Distance Learning program at Coastline is perfect for highly self-motivated, committed, goal-oriented learners. It is also a great option for students with limited mobility due to disabilities or other special situations.

Available Distance Learning Opportunities

With more than 30 years of experience in distance learning, Coastline offers a variety of college-credit course options to meet your educational needs:

TELECOURSES—Watch preproduced programs on broadcast or Cable TV, record lessons for later viewing, or visit Coastline's viewing centers. Read textbooks, handbooks and study guides; interact with instructors via phone, fax or email; attend live review sessions; mail in assignments and quizzes, and take on-site or proctored exams. Access telecourse student handbook, quizzes and instructor information online at <http://dl.coastline.edu>, select "Course websites."

CABLE COURSES—Watch instructors in locally produced programs on cable TV, record lessons for later viewing, or visit Coastline's viewing centers. Read textbooks, handbooks and study guides; interact with instructors via phone, fax or email; attend review sessions; mail in assignments and quizzes, and take on-site or proctored exams. Additional internet/online support may be available.

INDEPENDENT STUDY/CD-ROM COURSES—Study independently using specially prepared course materials that include reading materials, textbooks, study guides, self-paced assignments and

video materials. May also include CD-ROM multimedia materials, Internet access or lab kits. Interact with instructor via phone, fax or email, watch or listen to pre-recorded review sessions, mail in assignments and quizzes, and take on-site or proctored exams. Many of these courses are contracted for U.S. Military use.

INTERNET/WEB-BASED COURSES—Take courses online and work at your own time, place and speed! Each course has a substantive portion of course materials (syllabus, assignments, lectures) delivered online. Students must have access to a multimedia computer with full-service Internet connection (Internet Service Provider) and Internet Explorer (7.0 or above)

Course activities include discussion forums for student-student as well as instructor-student interactions. Textbooks, email, media materials, videotape (real video and audio), postal mail, fax and CD-ROM materials may also be used as part of the learning experience. Examinations will be administered on-site or proctored by arrangement. Passwords to access portions of the website content will be issued once the student completes a "letter of agreement" online. All Internet sites will be available to registered students one week prior to the official start date of the course.

For more information on Distance Learning, please see pages 75-85.

Academic Freedom Statement

Coastline Community College recognizes that the free search for truth and the expression of diverse opinions are essential to a democratic society, and encourages and protects academic freedom as per Coast Community College District Board of Trustees policy number BP 4030 AS APPROVED 02/05/03.

Coastline Community College Academic Honesty Procedures

ACADEMIC HONESTY IS A JOINT RESPONSIBILITY OF THE INDIVIDUAL STUDENT AND THE COLLEGE'S FACULTY AND STAFF

Coastline Community College's institutional integrity is built in part upon the individual student's commitment to academic honesty. The College's institutional integrity is also founded upon the effective administration of academic honesty issues by the College's faculty and staff.

Coastline Community College Faculty are responsible for ensuring that the student grades are truly indicative of the student's learned knowledge as exhibited in the classroom. Student acts of academic dishonesty cause disruption of the educational process, weaken our College's institutional integrity, and present challenges for our faculty to fairly assess the student's academic performance.

Coastline Community College Faculty holds primary responsibility for ensuring that academic honesty is maintained in their classes. Individual students also share in this responsibility. Coastline students are required to refrain from all acts of academic dishonesty. The Coast Community College District's Student Code of Conduct and Disciplinary Procedures (BP-3902) apply to students whose conduct violates this academic honesty procedure.

PROCEDURES FOR DEALING WITH VIOLATIONS OF ACADEMIC DISHONESTY

Actions Taken by Faculty Member

Any Coastline Faculty member who has evidence that a student has committed an act of academic dishonesty, shall, after speaking with the student, take one or more of the following disciplinary actions:

- Issue an oral reprimand.
- Give the student an "F" grade or zero points or a reduced number of points on all or part of a particular paper, project or examination;
- If the act of academic dishonesty results in a "F" grade or zero points being awarded to the student for that particular paper, project, or examination, and this result affects the student's overall grade in the class, then the student shall be issued the proper grade, as affected by the specific "F" or zero grade, by the faculty member.

For any incident of academic dishonesty resulting in the instructor's issuance of an "F" or zero points - the instructor shall assess the severity of the student's misconduct and determine whether the incident should be immediately reported to the College's Student Discipline Officer (presently the Dean of Counseling) on the "Academic Dishonesty Report" form.

Actions by the College Administration

The sanction imposed for an act of academic dishonesty depends on the severity of the alleged improper conduct of the student. However, sanctions are generally imposed as follows:

Upon receipt of a faculty-member completed first "Academic Dishonesty Report" form concerning a student, (or) upon satisfactory investigation of allegations brought by other staff or students about academic misconduct by a student, the Student Discipline Officer shall respond in one of two ways:

- 1) By sending a Student Discipline Notification Letter to the student, inviting the student to present a response to the allegations of academic dishonesty. The Student Discipline Officer will inform the student that if a finding of academic dishonesty is sustained, the student will be placed on disciplinary probation for a minimum of one year, with other possible sanctions being imposed pursuant to the District's Student Code of Conduct.
- 2) The Student Discipline Officer may also create an Academic Dishonesty Report file and send no letter (the Student Disciplinary Officer will not take action, based on the request of the individual instructor, who will handle the disciplinary action individually with his/her own students). If the Student Discipline Officer notes that multiple Academic Dishonesty Reports have been filed for particular students, from multiple instructors, however, then the student will receive the Letter of Student Discipline Notification.

Upon receipt of a second or more "Academic Dishonesty Report" of academic misconduct committed by a student, the Student Discipline Officer shall seek the suspension of the student for one full calendar year.

If, upon this student's return from the one year suspension, the Student Discipline Officer receives any further reports of academic dishonesty concerning this student, the Student Discipline Officer shall recommend the student be expelled from the District for a period of no less than three years.

Depending on the severity of the student's academic dishonesty, a student may be suspended from the College on a first offense or be recommended for expulsion by the CCD Board of Trustees.

The Student Discipline Officer shall keep the faculty member and Division Dean reasonably informed of the status of the student discipline process and outcome.

EXAMPLES OF ACADEMIC DISHONESTY CONDUCT

Some examples of academic dishonesty conduct warranting the imposition of disciplinary probation, suspension or expulsion include, but are not limited to, the following:

1. Taking an examination for another student or having someone else take an examination for one-self.
2. Altering a graded examination/assignment and returning it for additional credit.
3. Having another person or a company do research and/or writing of a report.
4. Stealing or attempting to steal an examination or answer key.
5. Printing an online exam without the express authorization of the instructor.
6. Stealing or attempting to change official academic records.
7. Forging or altering grades.
8. Obtaining answers from another student before or during an examination.
9. Falsely reporting or claiming to have experienced technical difficulties with online instructional tests, quizzes, or assignments.
10. Knowingly allowing another student to copy one's work.
11. Using unauthorized materials, such as notebooks, calculators, or other items, without the instructor's consent during an examination or placement test.
12. Sharing answers for a take-home or on-line examination unless otherwise authorized by the instructor.
13. Receiving help in creating a speech, essay, report, project or paper unless otherwise authorized by the instructor.
14. Turning in a speech, essay, report, project or paper done for one class to another class unless specifically authorized by the instructor of the second class.
15. Misreporting or altering the data in laboratory or research projects.
16. Offering another person's work as one's own: copying a speech, essay, report, discussion board posting, project or paper from another person or from books, websites, or other sources.
17. Using outside sources (books, or other written sources) without giving proper credit (by naming the person and putting any exact words in quotation marks).
18. Intentionally impairing the performance of other students and/or a faculty member.
19. Collusion - when any student knowingly or intentionally helps another student perform an act of academic dishonesty. Collusion in an act of academic dishonesty will be disciplined in the same manner as the act itself.

Academic Renewal Policy and Procedure

This Academic Renewal Policy (BP 4240) for Coastline Community College is issued pursuant to Section 55764 and 55765 of the California Administrative Code (Title 5) regulations. The purpose of this policy is to disregard past substandard academic performance of a student when such work is not reflective of their current demonstrated ability. It is based on the recognition that due to unusual circumstances, or circumstances beyond the control of a student, the past substandard work will negatively affect their academic standing and unnecessarily prolong the rate at which he/she may complete his/her current objectives.

Therefore, under the circumstances outlined below, Coastline Community College may disregard from all considerations associated with requirements for the Certificate of Achievement/Associate in Arts Degree and general education certification up to a maximum of thirty (30) semester units of course work from two semesters taken at any college. These circumstances are:

1. The student has requested the action formally and has presented evidence that work completed in the term(s) under consideration is substandard (less than a 2.0 grade point average) and not representative of present scholastic ability as verified by the current level of performance. Verification must consist of:
 - a. Completion of a minimum of 12 semester units of course work at any regionally accredited college or university with a minimum cumulative grade point average of at least 2.0 subsequent to the course work to be disregarded.

- b. At least 12 months has elapsed since completion of the most recent course work to be disregarded.
2. Agreement that all units taken during the semester(s) to be disregarded, except those courses required as a prerequisite or to satisfy a requirement, in the student's "redirected" educational objective.
3. An understanding that the student's permanent academic record shall be annotated so that it is readily evident to all users of the records that units disregarded, even if satisfactory, may not apply to certificate, degree or general education certification requirements.
4. Agreement that all course work remains legible on the student's permanent record ensuring a true and complete academic history.

If another accredited college has acted to remove previous course work from Certificate of Achievement, Associate in Arts or Bachelor Degree consideration, such action shall be honored in terms of that institution's policy. Units disregarded by another institution shall be deducted from the thirty semester units maximum of course work eligible for alleviation at Coastline Community College.

Students requesting removal of previous course work for certificate or degree consideration shall file a petition at the Admissions and Records Office. The petition shall outline the semesters of course work to be disregarded and shall include evidence verifying (1) that work completed during this period is substandard, and (2) the expiration of at least 12 months since the end of the last term to be excluded. All official transcripts must be on file at Coastline Community College.

The Director of Admissions and Records or his/her designee shall act to approve the petition and make the proper annotation on the student's permanent record upon verification of the conditions set forth herein.

Note: It is possible that other colleges or universities may not accept the Academic Renewal Policy.

Academic Standards

Coastline recognizes academic honor in four ways:

1. **PRESIDENT'S LIST:** A student is eligible to be included on the President's List after completing a semester of at least 12 units in courses awarding letter grades during which a GPA of 4.0 is earned.
2. **DEAN'S LIST:** A student is eligible to be included on the Dean's List after completing a semester of at least 12 units in courses awarding letter grades during which a GPA of 3.50 to 3.99 is earned.
3. **HONOR'S LIST:** A student is eligible to be included on the Honor's List after completing a semester of 6.0 to 11.9 units in courses awarding letter grades during which a GPA of 3.75 to 4.0 is earned.
4. **GRADUATION WITH HONORS:** A student is eligible for Graduation with Honors if he or she achieves a 3.50 or higher GPA in all college units attempted and a 3.50 or higher GPA in all courses completed at Coastline.

Probation Status: The CCCD's policy on probation states that a student shall be placed on probation if he or she meets one of two conditions:

1. **ACADEMIC PROBATION**—A student is on academic probation if he or she has attempted at least 12 semester units at a district college and
 - a. has a grade point average of less than 2.0 in the most recent semester completed, or
 - b. has a cumulative grade point average of less than 2.0 in all units attempted.
2. **PROGRESS PROBATION**—A student is on progress probation if he or she has attempted at least 12 semester units at a district college and the percentage of units with "W, I, NC, AND NP" grades reaches or exceeds 50 percent.

Students on probation at one CCCD college shall be on probation at all colleges within the CCCD. All probationary students shall be notified of their status and counseling services shall be made available.

Disqualification Status: The approved disqualification policy states that a student in the CCCD who is on academic or progress probation shall be disqualified whenever he or she meets one of two conditions:

1. **ACADEMIC DISQUALIFICATION**—Any student on academic probation for two consecutive semesters shall be academically disqualified.
2. **PROGRESS DISQUALIFICATION**—Any student on progress probation for two consecutive semesters shall be disqualified for lack of satisfactory progress.

Students on disqualification at one CCCD college shall be on disqualification at all colleges within the CCCD. Students shall be notified of dismissal status near the beginning of the semester that it takes effect, but in any case, no later than the start of the Fall semester. If circumstances warrant, exceptions may be made and reinstatement granted by the Probation and Disqualification Review Committee.

Accreditation

Coastline Community College is accredited by the Accrediting Commission of Community and Junior Colleges of the Western Association of Schools and Colleges, 10 Commercial, Ste. 204 Novato, CA 94949, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

Animals and/or Pets

Animals and/or pets of any kind or description are not allowed on or within college property. This restriction also applies to animals and/or pets confined in any vehicle parked on college property. This does not apply to the use of guide, signal or service dogs for assisting persons with disabilities.

Auditing

The college is no longer offering students the option to audit a course.

Campus Safety

Your safety continues to be our highest priority. The following policies and procedures were created with this goal in mind:

Procedures: To report a crime in progress, or other emergency requiring police or fire response, call 9-1-1. For non-emergency or routine calls, contact the Campus Safety Department or the business number of the local police department. The Campus Safety Department may be contacted directly at (714) 241-6360 or through any of the area offices.

Coastline has an incident report form available which allows for a complete description of any incident. If students, staff or faculty are parties or witnesses to an incident that requires further review or investigation by the college, they should contact the College Center or one of the area offices to file a report.

A college safety suggestion/hazard report is also available to all students, faculty and staff who wish to report a safety or hazard concern of any nature. Forms are available at various locations throughout District facilities and work locations. All reports are kept on file and reviewed on a regular basis.

Facilities: In general, all facilities remain open during business hours, 8 a.m. – 9:30 p.m. at instructional sites, and 8 a.m. – 5:00 p.m. at the College Center.

Law Enforcement: The Campus Safety Department maintains a close working relationship with the local police departments for each area containing a Coastline facility. Coastline security officers and key staff will report incidents or summon the assistance of local agencies on an as-needed basis.

Communication: When a particular incident occurs that is of interest to students, faculty and staff, a collegewide flier/bulletin may be distributed which describes the incident, the actions taken, and safety suggestions.

Crime Statistics (Jeanne Clery Act): Crime statistics for Coastline can be found on the college website at coastline.edu or the Department of Education website at <http://ope.ed.gov/security/>. A complete copy of the report can be obtained from the Campus Safety department, or Coastline's Business office. Call (714) 241-6145 for more information.

Changes

Coastline makes every effort to assure the class schedule information is accurate. Because this publication must be prepared well in advance, changes in some programs inevitably will occur. Courses described in this publication are subject to change without notice. All classes offered are based upon sufficient enrollment to economically warrant them. Classes may be canceled as a result of low enrollment, state legislation and/or financial consideration. When classes are canceled due to low enrollment, every attempt will be made to help students adjust their academic schedules. In addition, students are advised that all information set out in this publication is subject to change without notice, and the Board of Trustees of the CCCD, the chancellor of the CCCD and the president of Coastline reserve the right to add, amend or repeal regulations, rules, resolutions or policies within the administrative area of responsibility of such officers.

Class Attendance

Registered students who miss the first class meeting may be dropped. Students who must miss the first class should notify their instructors through the appropriate learning center prior to the first meeting to avoid being dropped from the class. Students are expected to attend class on a regular basis. Each instructor will determine the attendance policy for his/her class and its implication for successful completion of the course.

Class Withdrawal Procedures

Each student is responsible to complete OR officially withdraw from each class in which he/she enrolls.

Students who are dropped by their instructors for missing the first class meeting or for excessive absences should verify the instructor drop with the Admissions Office in order to avoid grade penalties and to comply with critical drop dates as specified.

Students should be aware that "W's" are used to determine academic status.

Students may withdraw/drop a class by:

1. Logging in to your MyCCC site. Drops will be allowed via the web in accordance with published drop deadlines.

- Mailing a letter or Student Drop Form by the drop deadline date to Coastline Community College, 11460 Warner Avenue, Fountain Valley, CA 92708. The letter should be sent to the attention of the Admissions office and the student needs to make sure the envelope has a USPS postmark on or before the deadline date.
- In-person in the Admissions Office during normal business hours, Monday – Thursday, 8:00 am to 5:00 pm and Fridays 8:00 am to 12 noon. Students will be required to present a valid Drivers License, Military ID or Passport to drop a class.

Repeating Classes

It is possible to repeat a class only in certain circumstances as follows:

- In the course description in the catalog, the class is identified as eligible for repetition; or
- The class is eligible for grade remediation by repetition.

New repeat rules effective Summer Term 2012-- Students are now limited to three (3) total enrollments for most credit courses. Students will not be allowed to repeat a course more than three times without documented evidence of extenuating circumstances. 'W' grades are counted as enrollments.

Reasons to Repeat A Class

- Repeating a course in an effort to alleviate a substandard grade; Students who receive substandard grades ("D", "F", "NP" or "NC") and/or one or more Withdrawals ("W") on the transcript may attempt to successfully complete the course up to a total of two additional times within the Coast Community College District, if necessary to alleviate the substandard grade or successfully complete the course.

After the third attempt to receive a passing grade in a course, the student may complete the Petition to Repeat form and submit to the Admissions and Records Office for one additional attempt. Petitions are only considered for documented extenuating circumstances. Students who Withdraw and receive a "W" on each of the three allowable attempts, if by petition the student is given permission to enroll, the students will not be able to withdraw from the course again and an evaluative grade symbol will be recorded. NO FURTHER ATTEMPTS WILL BE PERMITTED.

If the substandard grade is repeated within the Coast Community College District, the Repeat/Delete grade exclusion will be automatically performed on the student's academic transcript. The grades in the latest term will be the grade which will be used to calculate grade point average regardless of which grade was higher. Although the previous grade(s) will not be counted in the grade point average, they will remain visible on the transcript and the last recorded attempt is the course which will be counted in the student's permanent academic history.

When a student repeats an equivalent course in which a substandard grade outside the Coast Community College District at a regionally accredited college, they must file a Repeat/Delete Request and submit it to the Admissions and Records Office along with an official transcript from the other college showing successful completion of the course.

- Repeating a course due to a significant lapse of time, where a passing grade (CR or P) or C or better was previously earned. A significant lapse of time is defined as at least five years. All coursework shall remain on the student's permanent record. The current grade and credit will be disregarded in computing your CCC GPA. Course repetition based on significant lapse of time may only occur once. (Documentation must be submitted)
- You have extenuating circumstances - verified cases of accidents, illness, or other life changing even beyond the control of the student that prevented you from doing well in the course (must submit documentation);
- The course you wish to repeat is part of a legally mandated training as a condition of continued or volunteer employment. Regardless of whether or not a substandard grade (D, F, NC, or NP) was previously earned, the grade and unit credit shall be included each time for the purpose of calculating the GPA. (Documentation must be attached to certify that course repetition is necessary to complete legally mandated training).
- Repeating a course previously taken at another college. Substandard or non-substandard grades earned at another institution will not be alleviated by repeating a course at Coastline Community College. The grade and unit credit earned will be calculated and averaged in GPA.

Grading

Student performance in courses is indicated by one of twenty grades. Grades which carry grade point value, and which are used in determining the grade point average (GPA), are as follows:

Symbol	Definition	Grade Points/Units
A	Excellent.....	4
B	Good.....	3
C	Satisfactory.....	2
D	Passing, less than satisfactory.....	1
F	Failing.....	0

The following grades are not part of the GPA computations:

CR/P	– Credit at least satisfactory	Unit credit granted
NC/NP	– Non-Credit, less than satisfactory or failing.....	No units granted

W	– Withdrawal	No units granted
MW	– Military Withdrawal	No units granted
I, IB, IC, ID, IF, INP	– Incomplete	No units granted
IP	– In Progress.....	No units granted
RD	– Report Delayed.....	No units granted

Pass/No Pass: When you select the pass (P)/no pass (NP) option, you will receive a P or NP on your report card instead of a letter (A-F) grade. P means you have satisfactorily completed (passed) the course. NP means you have unsatisfactorily completed (failed) the course. The P/NP option does not affect overall grade point average. Select the P/NP option in classes offering a choice by returning your P/NP postcard to the Admissions office by the appropriate deadline. Postcards are distributed with your registration confirmation packet. You may also obtain them at Coastline area offices. For more complete details, refer to the Catalog.

Examinations: Final examinations are required in all graded courses. Exceptions may occur in certain physical education activity courses. Students must attend Coastline for the entire length of the course and take the final examination to receive credit.

Incomplete Grades: Incomplete academic work for justifiable reasons at the end of the term may result in a "I" symbol being entered in the student's permanent record. The "I" may be made up no later than one year following the end of the term in which it was assigned. Incompletes were expanded to include the alternative grade that the incomplete will revert to after one year if the student does not make up the coursework with the instructor (i.e., ID = incomplete which will revert to a "D" in one year if the student does not make up missing coursework).

NOTE: Students are not permitted to enroll in a course in which they were assigned an "I" grade. Incompletes must be agreed upon by both the student and the instructor.

Grades

Grade reports are not mailed. Students may access their grades online by logging in to their MyCCC site. Students also have the option of printing their own CCC unofficial transcript. Semester grades are available online approximately 10 working days after the end of the semester (excluding holiday periods).

Student Grievance Procedures

Coastline Community College extends to all students the right to petition for readress of grievance. The right to petition may be initiated at any time when the student has a grievance against any college employee, policy or procedure at Coastline Community College.

Every effort will be made to preserve confidentially as grievances are fairly and equitably considered. The procedures will allow students to exhaust every administrative level possible in receiving fair and complete hearing of their grievances. These are college-level procedures for resolving problems and should not be viewed as legal or quasi-legal proceedings.

Based on the principle of improved communication between the students and the institution, the following procedures will be followed for students registering grievances:

NOTE: In order to establish due process, all parties to the grievances will adhere to the steps as outlined.

STEP I: Prior to filing a formal grievance, the student is expected to first contact the Discipline Dean or Program Supervisor and the person(s) who has (have) the closest contact with the pertinent issue. The grievance should be thoroughly defined to be discussed objectively.

If the grievance cannot be resolved at this step, the student may progress to Step II after informing the person(s) involved of intended plans to file a formal grievance. The formal grievance must be filed during the semester in which the grievance occurs.

STEP II: The student meets with the Dean of Enrollment Services to discuss the grievance. At this step, the "Formal Grievance Petition" is filed. The Vice President of Instruction/Student Services will serve as an ombudsman in order to examine objectively both sides of the issue.

The Vice President of Instruction/Student Services will then meet with all persons involved with the grievance. At the conclusion of Step II, the Vice President, within five (5) school days, will provide the student and others involved with a written summary of the discussion.

If the grievance has not been resolved by this step, the student may proceed to Step III.

STEP III: The student, within five (5) school days after the conclusion of Step II, will submit a written request to the Vice President of Instruction/Student Services for a meeting of an arbitration committee.

The committee will consist of:

- The appropriate Dean for the Area involved
- Vice President of Instruction/Student Services
- Faculty Member and student

A meeting of the committee will be called by the Vice President of Instruction/Student

Services to review and/or take action on the grievance. In ten school days after the student has filed a written request, the committee will meet with all involved parties and discuss the grievance in detail in an attempt to resolve the issue at this step. Meetings will be chaired by the Vice President of Instruction/Student Services.

Within five (5) school days, the decision and proposed action will be communicated to the following:

1. Student involved
2. Committee members
3. College President
4. Other person(s) involved with the grievance

STEP IV: If either the grievant or other person(s) involved are not satisfied with the decision of action of the Grievance Committee an appeal may be made. Within five (5) school days after the decision or action, the appeal must be filed with the President of the College for consideration. Once the College President has reviewed the memorandum and the written Communication from the Grievance Committee, the President will schedule a private meeting with the complainant to discuss the matter.

NOTE: The College President has discretionary power to uphold, reverse, or modify the action taken by the Grievance Committee. The president's decision will be delivered to the Grievant/student in writing with copies to the appropriate individuals involved.

STEP V: If the grievant/student is not satisfied with the final college level disposition of the case, She/he may, through the Chancellor of the Coast Community College District, appeal directly to the Board of Trustees. The Board, after reviewing the materials pertaining to the grievance, may determine the time, place and manner of the hearing.

Hope Scholarship Credit

Several new tax benefits are now available to help families meet the cost of postsecondary education. These tax benefits are intended to help students and their parents as well as all working Americans to fulfill a variety of education objectives.

Taxpayers can claim one or, in some cases, two new tax credits for expenses they pay for postsecondary education for themselves and their dependent children. This tax credit can directly reduce the amount of federal income tax for returns filed in 1999 or later. The Hope Scholarship Credit is available on a per-student basis for the first two years of postsecondary education, while the Lifetime Learning Credit applies on a tax-return basis and covers a broader time frame and range of educational courses.

Additional information may be obtained in the Admissions and Records office, from your tax advisor, or by going to the National Association of College and Business Officers website: <http://www.nacubo.org> and click on the TRA97 Resource Page icon.

Housing

Coastline maintains no dormitories. Housing transactions must be made individually.

Liability

Throughout the academic year, some classes will meet at off-campus locations. The college will not provide transportation to these sites, and students enrolled in these classes are responsible for making their own transportation arrangements. Coastline personnel may assist in coordinating this transportation and/or may recommend travel time, routes, carpooling, etc.; however, the student does not have to follow these recommendations. The CCCD is in no way responsible, nor does it assume liability, for any injuries or losses resulting from this non-sponsored transportation. If you ride with another student, that student is not an agent of, nor driving on behalf of the District.

Under the California Code of Regulations, Subchapter 5, Section 55450, if you participate in a voluntary field trip or excursion, you hold the CCCD, its officers, agents and employees harmless from all liability or claims that may arise out of or in connection with your participation in this activity.

Open Enrollment Policy

It is the policy of the Coast Community College District that, unless specifically exempted by statute, every course section or class, the attendance of which is to be reported for state aid, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the college(s) and who meets such prerequisites as may be established pursuant to Section 58106 of Title 5 of the California Administrative Code.

Parking Areas: Designated parking areas are color coded:

Liability: Coastline is not responsible and assumes no liability for damage or theft of any vehicle or its contents.

Lost, Stolen, Damaged Permits or Sold Vehicles: Replacement of lost, damaged or permits sold with the vehicle will be \$10. Stolen permits are to be reported to the Public Safety office.

Parking, Traffic Rules and Regulations:

Sexual Misconduct Information & Title IX Compliance

Members of the Coastline Community College (CCC) community, guests and visitors have the right to be free from sexual violence. All members of the campus community are expected to conduct themselves in a manner that does not infringe upon the rights of others. CCC has zero tolerance for sexual misconduct. When an allegation of misconduct is brought to an appropriate administration's attention and a respondent is found to have violated any sexual misconduct district policy, serious sanctions will be used to reasonably ensure that such actions are never repeated. The following is intended to define community expectations and to establish a mechanism for determining when those expectations have been violated.

Overview of Expectations with Respect to Consensual Relationships

There are inherent risks in any romantic or sexual relationship between individuals in unequal positions (such as teacher and student, supervisor and employee). These relationships may be less consensual than perceived by the individual whose position confers power. The relationship also may be viewed in different ways by each of the parties, particularly in retrospect. Furthermore, circumstances may change, and conduct that was previously welcome may become unwelcome. Even when both parties have consented at the outset to a romantic or sexual involvement, this past consent may not remove grounds for a later charge of a violation of applicable sections of the faculty/staff handbooks. The college does not wish to interfere with private choices regarding personal relationships when these relationships do not interfere with the college's goals or district policies. For the personal protection of members of this community, relationships in which power differentials are inherent (faculty-student, staff-student, administrator-student) are generally discouraged. Consensual romantic or sexual relationships in which one party maintains a direct supervisory or evaluative role over the other party is in violation of district policy (CCCD BP 7310). This includes student assistants over whom they have direct responsibility.

SEXUAL VIOLENCE — Risk Reduction Tips

Risk reduction tips can often take a victim-blaming tone, even unintentionally. With no intention to victim-blame, and with recognition that only those who commit sexual violence are responsible for those actions, these suggestions may nevertheless help you to reduce your risk experiencing a non-consensual sexual act. Below, suggestions to avoid committing a non-consensual sexual act are also offered:

- If you have limits, make them known as early as possible.
- Tell a sexual aggressor "NO" clearly and firmly.
- Try to remove yourself from the physical presence of a sexual aggressor.
- Find someone nearby and ask for help.
- Take affirmative responsibility for your alcohol intake/drug use and acknowledge that alcohol/drugs lower your sexual inhibitions and may make you vulnerable to someone who views a drunk or high person as a sexual opportunity.
- Take care of your friends and ask that they take care of you. A real friend will challenge you if you are about to make a mistake. Respect them when they do.

If you find yourself in the position of being the initiator of sexual behavior, you owe sexual respect to your potential partner. These suggestions may help you to reduce your risk for being accused of sexual misconduct:

- Clearly communicate your intentions to your sexual partner and give them a chance to clearly relate their intentions to you.
- Understand and respect personal boundaries.
- DON'T MAKE ASSUMPTIONS about consent; about someone's sexual availability; about whether they are attracted to you; about how far you can go or about whether they are physically and/or mentally able to consent. If there are any questions or ambiguity then you DO NOT have consent.
- Mixed messages from your partner are a clear indication that you should stop, defuse any sexual tension and communicate better. You may be misreading them. They may not have figured out how far they want to go with you yet. You must respect the timeline for sexual behaviors with which they are comfortable.
- Don't take advantage of someone's drunkenness or drugged state, even if they did it to themselves.

- Realize that your potential partner could be intimidated by you, or fearful. You may have a power advantage simply because of your gender or size. Don't abuse that power.
- Understand that consent to some form of sexual behavior does not automatically imply consent to any other forms of sexual behavior.
- Silence and passivity cannot be interpreted as an indication of consent. Read your potential partner carefully, paying attention to verbal and non-verbal communication and body language.
- In campus hearings, legal terms like "guilt," "innocence" and "burdens of proof" are not applicable, but the college never assumes a student is in violation of district policy. Campus hearings are conducted to take into account the totality of all evidence available, from all relevant sources.
- The college reserves the right to take whatever measures it deems necessary in response to an allegation of sexual misconduct in order to protect students' rights and personal safety. Such measures include, but are not limited to, interim suspension from campus pending a hearing and reporting the matter to the local police. Not all forms of sexual misconduct will be deemed to be equally serious offenses, and the college reserves the right to impose different sanctions, ranging from verbal warning to expulsion, depending on the severity of the offense. The college will consider the concerns and rights of both the complainant and the person accused of sexual misconduct.

SEXUAL MISCONDUCT OFFENSES INCLUDE, BUT ARE NOT LIMITED TO:

- Sexual Harassment
- Non-Consensual Sexual Contact (or attempts to commit same)
- Non-Consensual Sexual Intercourse (or attempts to commit same)
- Sexual Exploitation

SEXUAL HARASSMENT:

Sexual Harassment is unwelcome, gender-based verbal or physical conduct that is, sufficiently severe, persistent or pervasive that it, unreasonably interferes with, denies or limits someone's ability to participate in or benefit from the college's educational program and/or activities, and is based on power differentials (quid pro quo), the creation of a hostile environments, or retaliation.

Examples include: an attempt to coerce an unwilling person into a sexual relationship; to repeatedly subject a person to egregious, unwelcome sexual attention; to punish a refusal to comply with a sexual based request; to condition a benefit on submitting to sexual advances; sexual violence; intimate partner violence, stalking; gender-based bullying.

NON-CONSENSUAL SEXUAL CONTACT:

- Non-Consensual Sexual Contact is any intentional sexual touching, however slight, with any object, by a man or a woman upon a man or a woman that is without consent and/or by force.
- The determination of whether an environment is "hostile" must be based on all of the circumstances. These circumstances could include:
 - the frequency of the conduct;
 - the nature and severity of the conduct;
 - whether the conduct was physically threatening;
 - whether the conduct was humiliating;
 - the effect of the conduct on the alleged victim's mental or emotional state;
 - whether the conduct was directed at more than one person;
 - whether the conduct arose in the context of other discriminatory conduct;
 - whether the conduct unreasonably interfered with the alleged victim's educational or work performance;
 - whether the statement is a mere utterance of an epithet which engenders offense in an employee or student, or offends by mere discourtesy or rudeness
 - whether the speech or conduct deserves the protections of academic freedom or the 1st Amendment.

Sexual contact includes:

Intentional contact with the breasts, buttock, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth or other orifice.

NON-CONSENSUAL SEXUAL INTERCOURSE:

Non-Consensual Sexual Intercourse is any sexual intercourse however slight, with any object, by a man or woman upon a man or a woman that is without consent and/or by force. Intercourse includes: vaginal penetration by a penis, object, tongue or finger, anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

SEXUAL EXPLOITATION:

Occurs when a student takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to:

- Invasion of sexual privacy;
- prostituting another student;
- non-consensual video or audio-taping of sexual activity;
- going beyond the boundaries of consent (such as letting your friends hide in the closet to watch you having consensual sex);
- engaging in voyeurism;
- knowingly transmitting an STI or HIV to another student;
- Exposing one's genitals in non-consensual circumstances; inducing another to expose their genitals;
- Sexually-based stalking and/or bullying may also be forms of sexual exploitation

SANCTION STATEMENT:

Any student found responsible for violating the CCCD policy on Non-Consensual or Forced Sexual Contact (where no intercourse has occurred) will likely receive a sanction ranging from probation to expulsion, depending on the severity of the incident, and taking into account any previous campus conduct code violations.

Any student found responsible for violating the CCCD policy on Non-Consensual or Forced Sexual Intercourse will likely face a recommended sanction of suspension or expulsion.

Any student found responsible for violating the CCCD policy on sexual exploitation or sexual harassment will likely receive a recommended sanction ranging from warning to expulsion, depending on the severity of the incident, and taking into account any previous campus conduct code violations.

The Title IX investigative team reserves the right to broaden or lessen any range of recommended sanctions in the case of serious mitigating circumstances or egregiously offensive behavior. Neither the initial hearing officers nor any appeals body or officer will deviate from the range of recommended sanctions unless compelling justification exists to do so.

OTHER MISCONDUCT OFFENSES (Will fall under TITLE IX when gender-based)

- Threatening or causing physical harm, extreme verbal abuse, or other conduct which threatens or endangers the health or safety of any person;
- Discrimination, defined as actions that deprive other members of the community of educational or employment access, benefits or opportunities on the basis of gender;
- Intimidation, defined as implied threats or acts that cause an unreasonable fear of harm in another;
- Hazing, defined as acts likely to cause physical or psychological harm or social ostracism to any person within the college community, when related to the admission, initiation, pledging, joining, or any other group-affiliation activity (as defined further in the Student Code of Conduct);
- Bullying, defined as repeated and/or severe aggressive behavior likely to intimidate or intentionally hurt, control or diminish another person, physically or mentally (that is not speech or conduct otherwise protected by the 1st Amendment).
- Violence between those in an intimate relationship to each other;
- Stalking, defined as repetitive and/or menacing pursuit, following, harassment and/or interference with the peace and/or safety of a member of the community; or the safety of any of the immediate family of members of the community.

PRIVACY AND REPORTING:

The Vice President of Student Services, Ross Miyashiro (rmiyashiro@coastline.edu), is the college's designated Title IX Officer. The Title IX Officer is responsible for the purposes of initiating notice and/or investigation of sexual misconduct excluding cases involving personnel (not related to a student). The Title IX Officer will assign deputy investigators, who are members of the Investigative Team, to investigate allegations of gender-based discrimination and/or sexual misconduct. The deputy investigators will use discretion on how they act in response to notice of gender-based discrimination. Understanding that different people on campus have different reporting responsibilities and varied abilities to maintain confidentiality, the Title IX Officer will assign deputy investigators depending on the situation and the parties involved.

Student Records

The Admissions office is responsible for registering students and maintaining active and permanent records. Coastline complies with the provisions of the Family Rights and Privacy Act of 1974 (Buckley Amendment) which gives the student the right to see the official school record and restricts distribution of those records. A detailed description of this act is in the Catalog.

Active Records: All requests for changes to a student's current class program or information on file should be made through the Admissions office, (i.e., adds to program, withdrawal from class, name and address changes, etc.).

Additional Fees: Verification of enrollment costs \$5, and early grade letter costs \$2.

Cumulative files: The Admissions office maintains a cumulative file on each student who has requested transcripts from institutions of prior attendance. The file, containing copies of high school and college transcripts, is available to the student for review and/or for counseling appointments.

Distribution of Student Records to High Schools: Coastline may send to District feeder high schools academic reports reflecting students who have graduated from high schools within the last five years. These reports include the student's name, address, identification number, classes, grades, grade point average and major. This data assists high schools in evaluating their academic program in relation to student activity in college. Students who prefer their academic record not be included in the documents, which are submitted to the high schools, should contact the Admissions office to have their names deleted from the report.

Transcripts: Transcripts of academic work taken at Coastline will be sent to any college or university upon the student's written request. Transcript requests must be submitted online through Credentials, Inc. at: coastline.edu. Allow at least five working days for processing. End of semester transcripts may be requested beginning two weeks prior to the end of the semester, and are processed approximately 10-15 working days after the semester ends. There is a \$5 charge for each official transcript, however the first two copies are free.

Students' Rights

The CCCD and Coastline are committed to the concept and principles of providing all persons with equal opportunity in employment and education by prohibiting discrimination based on race, sex, color, gender expression, religion, age, national origin, ancestry, sexual orientation, marital status, medical condition, physical or mental disability, military or veteran status, or genetic information. This commitment applies to every aspect of education and personnel policies and practices in the treatment of employees, students, and the general public.

The right to nondiscrimination in education and employment is guaranteed to persons with disabilities under a number of federal and state laws (including Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) and the California Fair Employment and Housing Act). Students have the right to be free from discriminatory actions, including sexual harassment.

Contact one of the following college personnel: Helen Rothgeb, Americans with Disabilities Act (ADA) officer, (714) 241-6150; Helen Rothgeb, Equal Employment officer, (714) 241-6150; or Heidi Lockhart, Sexual Harassment Prevention Coordinator, (714) 241-6162 for further information.

About the Course Numbering System

Courses Numbered C001–C099:

Introductory, developmental, special interest and some technical courses (not transferable to CSU or UC). English C099AB, Math C010, C020 and C030 are applicable to the associate degree; other courses numbered below C100 cannot be counted toward the 60 units of credit required for an associate degree. These courses do carry college credit and thus can be used to determine eligibility for full-time or financial aid status.

Courses Numbered C100–C299: Transfer courses to CSU. Contact the Coastline Counseling office for information about transferability to UC. Depending upon the courses selected, the student's major and the specific four-year college/university, these courses will meet various baccalaureate program requirements. Courses numbered C100–C199 are usually first-year courses; those numbered C200–C299 are usually second-year courses and normally require a prerequisite.

Courses Numbered C300–C399: Highly specialized courses that may be student-negotiated for transfer to baccalaureate-granting institutions, depending upon the courses selected, the student's major and the specific transfer college/university.

Courses Numbered C400 and Above:
Non-credit courses.

Terms to Remember

PREREQUISITE means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program.

COREQUISITE means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.

ADVISORY on recommended preparation means a condition of enrollment that a student is advised (but not required) to meet before or in conjunction with enrollment in a course of educational program.

Proctor Info

Rules and Procedures

If you are a local resident and your zip code matches any of those listed below, you will be expected to complete your midterm and final exam(s) with your instructor(s) on the day, time and locations listed in the course syllabus. That means you do not need this form. Students who complete this form and live within these zip codes will have their form denied and returned.

900XX, 901XX, 902XX, 903XX, 904XX, 905XX, 906XX, 907XX, 908XX, 910XX, 911XX, 912XX, 917XX, 918XX, 926XX, 927XX, 928XX

If you live out of the area and your zip code does not match any of the areas listed above, you may choose to use this form in order to have your exams proctored by an appropriate proctor. It is the responsibility of the student to verify that the proctor meets the requirements listed for acceptable proctors (please see form). If the person chosen does not meet the requirements, this form will be denied and returned to the student.

It is the student's responsibility to return the completed proctor form to the Distance Learning department. If the student is enrolled in a 16-week course, the form is due by the second Friday from the start date of the course. If the student is enrolled in a course of any other length, the form is due by the first Friday from the start date of the course. Students who fail to return the proctor form by the stated due dates will cause the mailing of their exams to be delayed. This may result in a penalty for completing exams late. The exams will be delivered to the proctor via USPS (United States Postal Service).

Students with questions regarding proctored exams or the Student/Proctor Agreement form, go to <http://www.coastline.edu/students/distance-learning/proctor/>. Or call us at (714) 241-6216.

Additional Proctor Information

Completion of the Proctor Agreement Form ensures the Distance Learning Department that the registered student has selected a proctor (examination supervisor) who meets criteria to administer the midterm and final examinations. The exams must be mailed to the institution where the proctor is employed as an educator. If any other mailing address is listed, the mailing of exams will not take place. The proctor form will be rejected and returned to the student. Exams are due back in the Distance Learning Department by the date the exams are being administered to the local students, unless otherwise noted on the course website or in the Student Handbook for the course. This date can be determined by going to the Testing Times page on the Distance Learning website. The student and proctor must adhere to these exam dates or a penalty of 10% may be assessed. For the student who is proctored, the midterm and final examinations will not be at a Coastline testing site.

Who Qualifies to be a Proctor?

The proctor must be a teacher, librarian, testing coordinator, or administrator from a community college, university, elementary/secondary school, OR an educational services officer test administrator from the U.S. Military.

The individual selected as the proctor cannot be a current student with Coastline, cannot be a relative of the student, nor live at the same address as any Coastline College student, as that would jeopardize or violate the academic honesty policy of Coastline Community College.

Academic Honesty

The Distance Learning Department reviews each proctor agreement form and will determine if the criteria have been met. If the criteria have not been met, the student will be notified for the next appropriate action. The signed form is a binding agreement between the proctor and Coastline Community College to ensure the confidentiality and academic integrity through proper administration of examinations. Frequently Asked Questions

Distance Learning Programs

What are the differences between Online, Independent Study, Cablecast and Telecourses?

Online courses are primarily completed through the course website. There are instances when students will be required to take an exam in person with the instructor or a proctor. Independent Study courses follow a student handbook and generally mail in coursework. Cablecast and Telecourses follow a student handbook, view videolessons, and submit coursework through the mail. Independent Study, Cablecast and Telecourses offer some select online services.

Will I need to come to one of Coastline's learning centers to take an exam?

This varies. Some classes, such as telecourses, require local or non-proctored students to take exams at the college's Garden Grove, or Le-Jao learning centers. Other courses, such as Internet courses, may require students to attend review and/or exam sessions at one of these centers.

Complete information, for telecourse and cablecast courses, is available in the student handbook that you purchase from the college Bookstore. Internet courses, which don't have handbooks, list review and/or exam information at: <http://dl.coastline.edu/revexamworkshops>

I live really far away. Do I have to come in and take my midterm and final?

Students who do not live in Los Angeles or Orange counties or surrounding areas may submit a proctor agreement form by mail. Refer to pages the Student/Proctor Agreement Form for more information.

I can't make it to the scheduled exam. What should I do?

You may be able to schedule an alternate exam by going to the Distance Learning department's website: dl.coastline.edu Click on the 'Schedule Alternate Exams' link and follow the instructions.

Please note, however, that there may be a 10% penalty for any student completing a midterm or final exam more than seven days after the regularly scheduled exam, unless otherwise noted by the instructor. If you are taking your exam late, it is your responsibility to confirm that your instructor will accept it at that time. Students must present written approval from their instructor to complete an exam after the course has ended.

How do I know what books and materials to buy, and how will I get them if I am out of the area?

Students may purchase their books and materials online. The Coastline Community College Bookstore website is: www.coastlinebookstore.com. You will find information about what books and materials are required for your course(s) on the website. Refer to page 75.

If I don't live in Orange County, may I still enroll in a Telecourse or Cablecast course?

Yes. While telecourses and cablecast courses only broadcast on a local cable channel, students who live outside the area have the option to purchase a complete DVD or CD-ROM set through the Coastline College Bookstore or view the videolections online (these options are not available for all courses).

I am taking an Internet course. Am I still able to submit my quiz on a Scantron?

No. Online classes are done strictly on the Internet. The syllabus is online as well as the quizzes. One advantage of an online course is that you receive immediate feedback after submitting your quiz.

I tried to submit my quiz but the website is not responding. What do I do?

If you are experiencing technical difficulties, please contact the Distance Learning office at (714) 241-6216.

What if I am late turning in a quiz or an assignment?

Communicate directly with your instructor.

If I submit my quiz on a Scantron, how will I know my score?

As long as the Scantron is filled out correctly and submitted to the Distance Learning Department by the due date, students will receive correspondence in the mail regarding their total score. Be sure to include name, student ID number and quiz number in the spaces provided on the Scantron form. Depending on the course, students may also view scores on the course website. Please allow 7 to 10 days for these scores to be posted from the date you mailed your quiz. Late quizzes are scored and posted last and won't meet this schedule.

I may need an early grade report. May I get one with a Distance Learning course?

Arrange this directly with your instructor.

I work full time and have kids. How will the Distance Learning Program work for me?

By taking classes via the Internet, watching cablecast courses or videos aired on the television, or participating in the independent CD-ROM courses, students can get the education they need with the flexibility of working around their busy schedules. Keep in mind: if you are a local student, you may be required to come in to one of our centers for the midterm and final exam.

I get off work at 5 p.m., and your office closes at 5 p.m. What do I do about turning in my assignment?

If your course requires you to submit an assignment that cannot be turned in through the course website, you may mail in your assignment(s), or there is also a mailbox conveniently located outside of the Coastline College Center in Fountain Valley.

What is my student identification number?

Your 8-digit student identification number is supplied to you by Coastline after you've been admitted to the school.

I am registering late, and the class I want is closed. Am I able to petition the course?

Unfortunately no, as many Distance Learning classes reach a maximum number of students. You may check to see if the class you want has a section which starts on another date. Many of our classes are not only offered as 16-week sections, but 8-week sections as well within the same term.

Some classes will be considered 'Closed' or 'Cancelled' for a variety of reasons. Therefore, be prepared to enroll in an alternate class if your first choice is unavailable. English classes are popular and will fill up quickly!

I don't live in California. Am I still able to take a Telecourse?

Yes, students who live outside of California can enroll with Coastline. Also, students who live outside the local area and will not be able to take their midterm or final examinations with their instructors need to complete a "Student/Proctor Agreement."

Since I am not in a classroom course, do I have an instructor and how will I keep in contact with my instructor?

All Distance Learning courses are taught by credentialed instructors. Each distance learning instructor holds contact hours. Students may contact their instructors through voice mail, telephone, fax, email or in-person with an appointment. Many courses use online bulletin boards to hold discussion forums or to facilitate communication between students and between instructor and students.

Can Active Duty service members and spouses take online courses through Coastline?

Yes, in addition to our classroom and distance learning schedule, Coastline has an ancillary program available to accommodate the unique and mobile lifestyle of military, veterans, and their families worldwide. Coastline's military education program offers 8-week courses, 5 sessions per year, offering a single fixed tuition rate/enrollment fee, regardless of student residency status available to both in and out of state eligible students. Course availability in this ancillary program is guaranteed and up to 40 units of credit may be awarded for military training and experience allowing a shorter time to degree completion. Visit our website for more information at: <http://military.coastline.edu>.

Do I need prior computer experience in order to enroll in an online course?

There is no need to be a computer expert but you do need to know:

- how to navigate the Internet
- how to use email
- how to download a program from the Internet and install it (typically this is free software)
- how to conduct a search on the Web

If a student is self-motivated, can follow instructions from the computer screen and likes to figure things out on his/her own—an online course will be an enriched educational experience.

What equipment do I need to enroll in an online course?

You need a 500 MHz (or faster) computer with (1) modem (56Kbps or faster), (2) sound card, (3) provide your own Internet connection, (4) provide a valid email address, and (5) appropriate software for course.

I want to enroll in an online course, but I do not have a computer or an internet service provider. What can I do?

To genuinely get the most out of this Distance Learning format, students should possess (or have access to) a computer with internet capacities. Students who do not have access to a computer with Internet can use Coastline's Computer Labs at the Garden Grove Center. Another alternative is to check out Coastline's Telecourses!

If I run into computer or technical problems, is there help?

Yes, there is limited technical support help for students. Students can access technical help by calling (714) 241-6216. A frequent technical difficulty students experience is not being able to access the course website. This may happen due to “peak” operation times or change in URL address. In most situations, students should reboot their computers to refresh access to the course website, or enter the course website outside of peak hours.

Do online courses cost more in registration than a classroom course?

No. The registration fees for Internet, Telecourse, cablecast, independent study and CD-ROM (self-study) courses are the same as a class offered on campus at Coastline.

Will the college provide an email address for me?

Coastline Community College, as part of the Coast Community College District, will provide an email account for all students. You may set up your email account after you’ve accessed <http://myccc.coastline.edu>.

Is the coursework easier online?

Course requirements and learning outcomes are comparable to that of a classroom course. Students who enroll in an online course may find their learning enriched because of the resources available online and accessibility to the instructor as well as student-to-student communication. The instructor may take their students on a virtual field trip or require a writing assignment that will take students to the virtual state capitol to an elected representative, or to a major corporation online.

I just enrolled in an online course.

How do I find out what to do for the course? Officially enrolled Online students can generally access their course site approximately one week prior to the start of the class. Internet students are required to complete a “Letter of Agreement” online. Each Internet course has the course syllabus online to get students off to a great start; informing students of books required, reading assignments and activities.

Will there be opportunities to communicate with other students enrolled online?

Yes. Most internet courses offer students the opportunity to discuss course topics via online forums, DL Student Message Board, and work on assignments together (team). Some instructors will schedule “live” chat sessions during the course. Some students have set up study groups online.

When may I start my online course?

Preparation for the course can begin prior to the start date. Most sites are open for review approximately one week prior to the start of the term.

When may I take my first quiz?

Four days prior to due date. Generally, online quizzes are available after the first week of class. Consult your course’s Internet homepage for specific due dates.

How can I ensure a timely response from my instructor to respond to my emails or messages left on the voicemail?

When you contact an instructor, it may help if you remember a few tips. Be sure to include your full name, the name of the class, and state precisely what you need. For instance, try sending an email or leaving a message using this example, “Dear professor, my name is Joe Smith and I’m enrolled in this term’s Zoology 199 class. My student identification number is xxxx-xxxx. I have a question about the assignment as indicated on the course Web page. My question is (xxxx). I would appreciate if you could respond when you are able. Thank you.” If you’ve left a voicemail, be sure to include a phone number.

Also, please note that some instructors teach more than one class. Try to avoid indicating something like, “I’m enrolled in your class, and I have a question.”

As far as when the instructor will respond to your email or phone call, please check the course website and/or the student handbook as the instructor may have indicated what day(s) he/she will respond to emails or voicemails. For an email, you may want to confirm that your email is actually working—are you sure you’re receiving emails? If yes, check the junk email/spam folder. It’s possible the instructor has already responded to your email, and his/her response is in that folder.

Sometimes, for reasons beyond anyone’s control, faculty are not able to respond promptly. Illness is one reason.

I did all that and I still can’t get a response.

We can understand your frustration, but please don’t forget that faculty are under no compulsion to reply to your email or return your phone call when the term is over, on weekends, or when the college is closed such as during holidays.

You are urged to contact us either by email: dlearning@coastline.edu or by phone: 1 (714) 241-6216. Please provide as much information as you are able: your name, your eight-digit student identification number, the class name, the instructor’s name, and when and how often you attempted to contact the instructor, as well as anything else you feel is important. We, in the Distance Learning department, will acknowledge your email or phone call and attempt to answer your question or address your concern. If we can’t, we will follow up with the instructor.
