COASTLINE COLLEGE ASSOCIATE DEGREE FOR TRANSFER (ADT)

CHEMISTRY

YOUR PATH TO SUCCESS

Follow this path to earn your ADT in Chemistry in 2 years.

Don't forget to consult a counselor for an education plan!

1st Semester

- General Chemistry A (CHEM 180)
- General Chemistry Lab (CHEM 180L)
- Freshman Composition (ENG 100)
- Calculus 1 (MATH 180)
- History of Music (MUS 100)
- College Orientation

2nd Semester

- General Chemistry B (CHEM 185)
- General Chemistry Lab (CHEM 185L)
- Critical Reasoning (ENG 102)
- Calculus 2 (MATH 185)
- US History since 1876 (HIST 175)

- Organic Chemistry 1 (CHEM 220)
- Organic Chemistry Lab (CHEM 220L)
- Physics: Mechanics (PHYS 185)
- World Cultures (ANTH 150)
- Public Speaking (CMST 110)

4th Semester

- Organic Chemistry 2 (CHEM 225)
- Organic Chemistry Lab (CHEM 225L)
- Physics: Elec & Mag (PHYS 280)
- Biochemistry (BIO 281)
- Literature Appreciation (ENG 140)
