## Acknowledge the Following

- All coursework and attendance requirements must be met.
- A "P" for Pass (Satisfactory Completion) or "NP" for No Pass (Unsatisfactory Completion) grade symbol will be given at the end of the semester. No grade points are assigned in either case, therefore, the grades are not used to compute the grade point average.
- A "P" grade may be counted towards degrees or certificates but will not count towards Honors.
- A maximum of 15 units of "P (Pass)" option coursework earned at an accredited college or university can be counted toward the degree requirements for the Associate in Arts (AA) Degree.
- Grades of "NP" are counted towards progress probation and/or dismissal.
- I understand that some institutions will not accept a P/NP grade for courses required in a major or towards general education requirements **NOTE:** It is strongly advised that you speak with a counselor before choosing to utilize the P/NP option.
- Once the deadline has passed, the grade option cannot be reversed.

I have read and understand the information listed above and accept responsibility for the grade option chosen.
