

How to check your Financial Aid Status

1. Log in to [MyCoast](#) Account
2. Once logged in, select the **Financial Aid** tab
 - The Financial Aid tab will only appear if you have completed a Financial Aid application
3. Select the link that says **View My Financial Aid Status**
 - You will then need to select the correct aid year from the drop-down menu.
Be sure to select the correct college and award year
4. After you select the correct college and award year, it will show your 'Home' tab and any SATISFIED or REQUIRED DOCUMENTS for your financial aid file
 - You will need to make sure that **ALL** of the requirements are SATISFIED in order for us to review your file
 - After you complete all the requirements, please check your **student email** consistently for any correspondence from our office

If you do not have any unsatisfied requirements, your file is under review and you will be contacted on your student email regarding your eligibility or any additional requirements.
