Welcome Remarks

Good afternoon and welcome!

My name is Rene Gutierrez and I have the distinct honor to serve as the co-chair of Coastline’s Scholarship Committee with Mariam Khosravani, Director of the Foundation. This virtual ceremony is a great opportunity to celebrate and recognize the accomplishments and success of our students who are receiving awards.

As a college, we are thankful for the generosity of our donors and the diligent work of our Foundation, who have provided approximately $181,000 in scholarship funding this year. As a result of their generosity and hard work, we are delighted to be providing 273 scholarships this year.

Reading the scholarship applications always reminds the college of our students’ struggles, perseverance, and dreams of attaining a better life for their loved ones and themselves. Each of our scholarship recipients are on this journey and we are proud that Coastline College is a part of that journey.

We celebrate you and your accomplishments.

Rene Gutierrez, M.S.
Director of Student Leadership and Global Engagement
2020-2021 Scholarship Task Force Co-Chair
President's Remarks

Thank you for joining us to celebrate our student scholars. I am delighted to honor and to celebrate our recipient scholars, acknowledge their families, extend deep appreciation to our generous donors and the Coastline College Foundation.

As we mark over a year since the global pandemic that upended our lives, we transcended many challenges and have become stronger and more resilient, more focused on the future and matters that are most important. Coastline remains ever more committed to promoting student success. We will be there to guide them every step of the way, encouraging them to push their academic boundaries and exceeding their own expectations. We have seen the results in the students’ scholarship recipients today. Today is a day of celebration and admiration, dedicated to our scholarship recipients, their families and friends, our donors, and all who have supporting them.

I extend heartfelt congratulations to our student scholars. You have persevered, put in the effort, stayed awake late at night studying, writing papers, balancing personal and professional obligations while pursuing your academic goals under one of the most stressful times in our history. By receiving a scholarship award, we know that you have done a remarkable job for which you should be proud. You have demonstrated leadership skills and conducted volunteer work at the college and in your community. You are an exemplary role model for others.

Thank you to the families and friends of our student scholars. Your love and support have sustained our students through the most difficult times. You have motivated them to stay on track and inspired them to keep working towards their life’s goals. Congratulations to you and your scholarship award winner.
Scholarships provide critical financial support to students who otherwise would not be able to afford a college education. Scholarships have a tremendous impact on the lives of our students, including in their ability to stay in college. Because of the recent pandemic, students have faced extraordinary financial hardships—due to job loss and other unforeseen circumstances. The scholarship funds provided by our donors matter even more in helping our students meet their basic everyday needs to stay in school. Scholarship donors this year include Edison Foundation, Associated Student Government, Academic Senate, APIA Scholars, as well as community organizations and donors who have established scholarships at Coastline College. Most importantly, the Coastline College faculty, staff, and management (from past and present) who contribute annually to scholarships.

To our donors—thank you so much. Your kind generosity makes this scholarship program possible. You make the dream of a college education a reality for our students. Corporate sponsors and other scholarship supporters are investing in our students and their future life endeavors. This day is inspiring and rewarding for all who have made the future bright and possible for our leaders of tomorrow. This past year our donors have contributed over $181,355.00, all of which are being awarded to more than 273 students to help them pursue their dream of attaining a college degree or certificate.

Finally, I want to thank our dedicated and hardworking Coastline College Foundation Board of Directors for establishing and supporting this scholarship program. The Board of Directors, led by Dave Osborn as President and Mariam Khosravani, as Executive Director are dedicated to helping our students succeed both personally and professionally. Thank you everyone for making this day possible.

Sincerely,

Loretta P. Adrian, Ph.D.
PRESENTATION OF AWARDS

DEPARTMENT AND PROGRAM SCHOLARSHIPS

The Coastline College Classified Senate Scholarship
Awarded to: Kim Bui, Sara Estrada
Donated by: Coastline College Classified Senate

Coastline College Counselor's Scholarship
Awarded to: Chan Lam
Donated by: Coastline College Counseling Department
