Petition to Exclude a “D”, “F” or “NP” Grade

GUIDELINES:

1. If you are currently enrolled in this class, please wait until your final grade has been posted to submit this form
2. Students who have received a “D”, “F” or “NP” in a course taken at Coastline Community College, may petition to have the grade “excluded” from their grade point average (GPA).
3. The course must be successfully passed with a grade of “C” or higher.
4. If the course was repeated at a regionally accredited college or university other than CCC, OCC or GWC, you must first submit an Official Transcript to Coastline Community College prior to submitting this petition.
5. In order to qualify for an exclusion, the course must be retaken at a regionally accredited college and must be evaluated for equivalency to the Coastline Community College course.
6. Do not submit this form to exclude a “W”. A “W” is ineligible for a exclusion and always remains on your transcript.

IMPORTANT NOTE: In accordance with State Law and to ensure the integrity of the academic history, the original grade will not be deleted from your transcript. The letter “E” will appear on the right side of the grade, indicating that the grade has been excluded from the GPA.
